"Once" ballad's Academy Award triumph for best original song translates to a No. 20 entry on Hot Digital Songs (41,000 downloads, up 199%).

As Janet's set crowns the Billboard 200, lead single also surges (53-19), spurring her biggest digital sales week (81,000 downloads), up 96%.

Both Carey's jump (12-8) and Usher's (15-10) in their third week each on Hot 100 Airplay mark the quickest trips to that list's top 10 since Beyoncé's "Déjà Vu" zoomed 15-10 in its second frame in July 2006.

Though now dethroned, the 10-week reign of Flo Rida's "Low" (No. 2) stands as third-longest for a rap song, after Eminem's "Lose Yourself" (13) and then-named Puff Daddy's "I'll Be Missing You" (11).

Band becomes just the third act to score four top 10s from a debut album at Adult Top 40, joining only Matchbox Twenty and, separately, Rob Thomas.

## USHER'S 'CLUB' BOUNCES TO NO. 1

Usher posts the third-largest jump to No. 1 in Billboard Hot 100 history (see Hot Box, page 41) as "Love in This Club," featuring Young Jeezy, zooms 51-1. It opens at No. 1 on Hot Digital Songs with 198,000 downloads, the largest first-week sum since Sean Kingston shifted 260,000

in the Aug. 11, 2007, issue. At three weeks, "Club" is Usher's fastest-rising Hot 100 No. 1 and eighth overall chart-topper. It matches his quickest ascent into the top 10 of Hot 100 Airplay (15-10, up 32%), first achieved with his Alicia Keys duet, "My Boo," in 2004.

**Song overtakes Flo Rida's "Low" on Hot 100 Airplay chart, giving Brown his second No. 1 on that list, following debut "Ghetto" in 2005.**

**Singer starts her career with two straight top 10s on Hot Digital Songs as title jumps 17-7 on that list (75,000 downloads, up 40%).**

**Talent judges join the "American Idol" chart parade. For Abdul, it's her first Hot 100 ink since 1995's "Crazy Cool."**

**Usher's strong move (83-51) is fueled solely by 80% airplay increase (48-15 on Hot 100 Airplay). A jump into next issue's top 10 is likely as track hit digital market Feb. 26.**

**Country legend George Strait takes the list's top debut (No. 54) and posts the best digital sales week of his career as track moves 25,000 downloads.**

## FLO RIDA'S 'ELEVATOR' RISES FAST

Flo Rida, whose "Low" still occupies the penthouse suite of the Billboard Hot 100 for a 10th week, rises 100-28 with follow-up single "Elevator."

His new release opens at No. 10 on Hot Digital Songs with 64,000 downloads. With his debut album, "Mail on Sunday," not due until March 18, Flo Rida becomes the first artist to take two tracks not yet available on an album into Hot Digital Songs' top 10.

The 62-floor ascension of "Elevator" is the largest from the chart's anchor spot since Andrew Seeley's "Get'cha Head in the Game," from "High School Musical," bounced 100-23 in the Feb. 11, 2006, issue.

Female and male artists with their first top 10. It's one of three Atlantic titles in the chart's top section.

Song, performed on diva's CBS-TV special (Feb. 15), is the top debut on Hot Digital Songs (No. 32, 38,000 downloads). Her original version with Andrea Bocelli peaked at No. 22 on the Adult Contemporary chart in 1999.

Song, which debuted on this list last March and peaked at No. 78 three months later, gets boost from the multiple-award winner's Grammy performance (No. 46 on Hot Digital Songs, 28,000 sold). Single has been reservised to top 40 radio.

Leona Lewis, winner of the United Kingdom's "X-Factor" competition, makes her state-side debut at No. 85 with song co-written by Jesse McCartney and One-Republic's Ryan Tedder. Tedder penned three tracks on this chart.

## CAREY'S 'BODY' DRAWS ATTENTION

Mariah Carey claims the Hot 100 Airplay chart's Billboard Hot 100. Her airplay arrival is her best in highest debut in nearly two years as "Touch My Body" enters at No. 23 with 46 million listener impressions. No digital release is available yet (one is due ahead of her April 15 album "E=MC²"), so without sales, "Body" bows at a more modest No. 57 on the

rank and audience since "I'll Be There" debuted at No. 4 in May 1992 (49 million impressions) and the chart's best since July 2006 when "Déjà Vu" by Beyoncé featuring Jay-Z began at No. 15 (55 million impressions).

The band matches its career peak on Top Christian Albums as this set enters at No. 10 on that list.

Another beneficiary of Valentine's Day shopping, the set is up 89%. His tour of the United States and Canada begins March 1.

Vince Gill's "These Days" just misses re-entering the chart by a few hundred units; see Between the Bullets (page 46).

Following an appearance on NBC's "Las Vegas" (Feb. 15), the album sees its best sales week since the first week of the year (7,000 copies).

His Target-exclusive live set also rebounds (No. 12, up 209%) in the wake of Valentine's Day and an ad during the Grammy Awards telecast.

THE BILLBOARD HOT 100

Table with columns: This Week, Last Week, 2 Weeks Ago, Weeks on Chart, Title, Artist, Cert., Peak Position. Includes songs like Bleeding Love, Lollipop, Love in This Club, etc.

Track ascends to No. 1 on Hot 100 Airplay (136 million audience impressions) in just its seventh chart week, the fastest coronation since Alicia Keys' "No One" topped the list just as swiftly in November.

Up 14-10, "Leavin'" is Jesse McCartney's first top 10 as an artist. As a writer, he spends a fourth week at No. 1 on Leona Lewis' "Bleeding Love."

Busta Rhymes and Linkin Park's rap/rock hybrid opens at No. 65, moving 31,000 downloads (No. 28 on Hot Digital Songs). Cut leads off Rhymes' "I'm Shaved."

Band becomes first act to notch three Adult Top 40 No. 1s from a debut album, as track joins previous champs "It's Not Over" and "Home." Group is just the fifth act with at least three chart-toppers at the format.

At No. 93, British pop duo bows with latest Apple iPod jingle (No. 42 on Hot Digital Songs, 24,000 downloads).

Continuation of the Billboard Hot 100 chart from rank 53 to 100, listing songs like Better As a Memory, Give It 2 Me, Take You Down, etc.

Robyn's album (No. 100) was initially released in Sweden in April 2005 and finally makes its American debut, shifting 7,000 in its first week.

  
Country diva's live CD/DVD set features covers of Journey's "Don't Stop Believin'" and Pat Benatar's (pictured) "Hit Me With Your Best Shot."

It's the 10th charting set on the Billboard 200 for the late country legend. On Top Country Albums, it bows at No. 26.

Raven-Symone's under-the-radar release starts at No. 159 with 4,000. Her last set arrived with 19,000 at No. 51 in 2004.

  
Appearances on "The Colbert Report" (April 28) and "Late Night With Conan O'Brien" (April 30) spur a 77% increase for the set.

Performance of song on "American Idol" boosts digital sales by 30% and returns track to No. 1, ahead of Lil Wayne's Airplay Gainer.

Song equals Yael Naim's "New Soul" for highest debut of 2008.

Jesse McCartney instantly hits his best Hot 100 peak at No. 14 with preview track from album "Departure," due May 20. Song, which opens at No. 9 on Hot Digital Songs (95,000 downloads), surpasses No. 16 peak of his 2005 debut single.

Band returns to the Hot 100 after two-year hiatus with song that leaps 19-3 on Modern Rock chart, that list's largest leap into the top five since last June.

Ne-Yo moves 95-69 with "Closer," the first single from "Year of the Gentlemen," his third album in three years, due June 24. Video for the track premiered April 25 on BET.

## BROWN NETS ANOTHER HAT TRICK

Chris Brown once again occupies three slots in the top 10 of the Billboard Hot 100, highlighted by a career-best debut at No. 9 for "Forever."

Brown, with Jordin Sparks, also holds at No. 3 for "No Air," and he dips 9-10 with his former chart-topper "With You." Brown, the only artist to place three singles simultaneously in the top 10 this year, also turned the trick in the April 5 issue. "Forever," which will be stripped onto a revamped and enhanced version of his "Exclusive" album, due June 3, opens at No. 6 on Hot Digital Songs (113,000 downloads).

The Ontario band joins Bright Eyes, the Faint, Cursive and the Good Life as the fifth act on the Saddle Creek

The album (up 68%) was reissued in the CDVU+ format, enhanced with music videos and new songs, including a cover of Faith No More's "Epic."

At No. 103, the album is up 79% thanks to hefty sales at the "Love" show's venue in Las Vegas. The album was that city's top seller during the tracking week.

The band comes back with a new lead singer, Travis Warren, and its first studio release since "Nico" in 1996.

At No. 183, Heatseeker act Metro Station posts its sixth straight gain and earns its Billboard 200 debut. Album, released last September, houses the hit single "Shake It."

Miley Cyrus lands her first Hot 100 top 10 with "See You Again" (11-10). That matches the top 10 output of her dad Billy Ray, 16 years after his "Achy Breaky Heart" peaked at No. 6.

Rendition of song on recent "Dancing With the Stars" prompts sales of Mayer's current top 10 Adult Top 40 hit. Download spike of 130% (to 92,000 units) sends it 25-8 on Hot Digital Songs.

With album's release, digital consumers gravitate toward next radio single, which shifts 60,000 first-week downloads. An album cut debuts at No. 92.

Country legend has the best Hot 100 Airplay ranking (No. 17) of his career with his latest Country chart-topper. "Write This Down" peaked at No. 18 in 1999.

Song moves to top of Modern Rock list, band's second No. 1, and second straight, following eight-week chart champ "Fake It."

In 11 years, Bill Gaither has notched 43 titles on the Billboard 200, though none have spent more than five weeks on the chart.

Act gets first taste of the Billboard charts as it also starts at No. 11 on Top Christian Albums and No. 4 on Top Heatseekers with 4,000.

Album re-enters for the first time since March 1 chart as new single rises to No. 42 on Hot Country Songs.

The son of Pulitzer Prize and Academy Award winner Larry McMurtry returns to the Billboard 200 for the first time in nearly 19 years.

So far this year, 15 soundtracks have sold 100,000 or more. At the same point in 2007, only 10 had managed the feat.

THE BILLBOARD HOT 100™

Table of Billboard Hot 100 chart from April 26, 2008. Columns include Rank, Title, Artist, Weeks on Chart, and Peak Position. Notable entries include 'Bleeding Love' by Leona Lewis, 'Lollipop' by Lil Wayne, and 'What About Now' by Daughtry.

She becomes first British-born artist to simultaneously top the Billboard 200 and Hot 100 since Phil Collins in 1990 and first female since U.K.-born, Australian-bred Olivia Newton-John in 1974.

Song at No. 18, performed by Daughtry on "American Idol Gives Back," is also on the band's multi-platinum debut album and is set to become its next radio single. Current airplay hit jumps 27-24 on this list.

Legendary vocalist returns to the chart for the first time since "No More 'I Love You's'" in 1995.

Oklahoman debuts with his current top 20 Country hit, a song Michael Buble took to No. 1 on Adult Contemporary and No. 72 on this list in 2005.

Denver-based band's debut catapults 27-15 on Modern Rock in its second chart week, the swiftest jump into the top 15 by a newcomer's single since Zwan's "Honestly" also took two weeks in 2005.

Continuation of the Billboard Hot 100 chart from April 26, 2008. Columns include Rank, Title, Artist, Weeks on Chart, and Peak Position. Notable entries include 'What Kinda Gone' by Chris Cagle, 'Deey Know' by Shawty Lo, and 'Better in Time' by Leona Lewis.

Set takes Pacesetter cup (6,000, up 40%) thanks to limited-edition repackaging adding his 2001 release "Set This Circus Down."

Album collects 18 songs by top Christian stars, including Jeremy Camp, Casting Crowns and Michael W. Smith (above).

At No. 114, Miranda Lambert's second set achieves highest ranking since July 14, as "Gunpowder & Lead" rises 28-24 on Hot Country Songs.

Philadelphia band's third release also arrives at No. 7 on Top Heatseekers. Group toured last year as opening act for Modest Mouse.

Producer/remixer Jason Nevins, whose impressive résumé includes the names Elvis, Janet and Madonna, draws first Billboard 200 ink at No. 152 (5,000).

THE BILLBOARD HOT 100

Chart table listing 100 songs with columns for 'THIS WEEK', 'LAST WEEK', 'WEEKS ON CHART', 'TITLE', 'Artist', 'PEAK POSITION', 'CERT.' and 'RANK POSITION'.

Track moves to the top of Hot Digital Songs (217,000), marking singer's second title to top that list following 2005's 'Lover'.

Leona Lewis rebounds 4-2 on this list and enters the top 10 of Hot 100 Airplay (16-9) with a gain of 15 million listener impressions. Her debut album 'Spirit' is poised to top next issue's Billboard 200 by a wide margin.

Band is first act since Maroon 5 in 2005 to simultaneously place three titles, excluding holiday songs, in the Adult Contemporary top 20.

Two legendary rock acts return to the charts after long absences. R.E.M. was last on in 2001 with 'Imitation of Life' and Radiohead is back for the first time since 'High and Dry' in 1996.

Continuation of the Billboard Hot 100 chart table, listing songs 56 through 100.

At No. 122, Dream Theater is short-changing itself with its amusing album title, considering the act has scored six hits on the Mainstream Rock chart.

Believe it or not, in Van Morrison's career spanning four decades, icon's never reached the top 10 before... until this week, as "Keep It Simple" bows at No. 10. He also places a hits set at No. 134.

The hits set appears twice on the chart, once as a double album (at No. 23; 23,000) and here as an expanded three-CD set, exclusive to Best Buy (6,000).

Kylie Minogue's "X" has been available as an import for months. Perhaps that hurt its delayed U.S. bow with a modest 6,000 sold.

It's not often a mixtape earns ink on the Billboard 200, but thirst for Lil Wayne product is so strong, he appears on this set and on the compilation at No. 163.

Song doubles its audience impressions to 43 million and jumps 56-22 on Hot 100 Airplay, that chart's biggest leap since Keyshia Cole's "Love" zipped 59-16 in February 2006.

His performance on "Celebrity Apprentice" pushes track 74-8 on Hot Digital Songs (100,000 downloads); show's runner-up has the best single-week download tally by a male country act and the best Hot 100 rank by a country male since 1999.

Act's take on Michael Jackson's 1983 No. 1 smash, from recently released DVD/CD set "Live in Phoenix," debuts at No. 11 on Hot Digital Songs with 88,000 downloads.

Disturbed opens at No. 73 with its third Hot 100 hit and enters the Modern Rock chart at No. 23, the latter list's best debut since last August.

For the first time, two titles simultaneously debut on Hot Digital Songs with more than 200,000 downloads each: Mariah Carey's "Touch" with 286,000 and Madonna's "4" with 217,000.

In this post-Easter week, where overall album sales decline by 12.7%, bullets are awarded to all gainers and those with the least erosion, like Feist (down 14%).

Thanks to an exclusive Starbucks hits package, the Godfather of Soul returns to chart for the first time since 1988's "I'm Real" reached No. 96.

Hits package rebounds with a 52% increase as chart prepares for his new album, "Keep It Simple," which should start in the next issue's top 20.

Fleetwood Mac man's live solo album boasts a DVD of the show and a set list that includes "Holiday Road," "Big Love" and "Go Your Own Way."

Album's sales are localized to six metro areas: New York, Chicago, Atlanta, Detroit, Miami and Sacramento, Calif. In Miami, it is the week's sixth-best seller.

Rapper takes chart's biggest leap of 2008 as title opens at No. 2 on Hot Digital Songs, with 143,000 downloads.

With his featured turn on Lil Mama's track, Brown is first artist since other co-featured vocalist T-Pain in December to appear on three top 10s in the same week.

Madonna debuts at No. 68 primarily on the strength of airplay (23.6 million impressions). Expect a big jump next issue when digital availability increases.

Newcomer's song, featured prominently during "American Idol" audition episodes, jumps 24-22 on Adult Top 40 chart.

Gnarls Barkley's album cut at No. 88 sells nearly twice as many downloads, 25,000, than first radio single "Run," to become initial charting song from "The Odd Couple."

### BETWEEN THE BULLETS silvio@billboard.com

## LEWIS' FIRST HIT GOES ALL THE WAY

Leona Lewis is the first female to take her inaugural single to the top of the Billboard Hot 100 since Fergie's "London Bridge" in 2006 as "Bleeding Love" soars 8-1. Lewis' recent stop on "The Oprah Winfrey Show" provides the integral impetus for the song to hit the summit of this list and Hot Digital Songs, selling 219,000 downloads, up 82% (see story, page 43). But it was already building steadily with sales increases of at least 40% each week it appeared on those lists. Radio play is also on the upswing, as "Bleeding" jumps 51-37 (up 38%) on Hot 100 Airplay and 18-11 on the mainstream top 40-based Pop 100 Airplay chart. —Silvio Pietroluongo

Song crowns the Pop 100 (4-1), ending that chart's longest reign, as Flo Rida's "Low" dips to No. 2 after 12 weeks on top.

With girl group's second album set for a likely No. 1 debut on the Billboard 200 next issue, the act takes this chart's top new entry while opening at No. 26 on Hot Digital Songs (31,000 downloads).

With two other songs at No. 39 and No. 55, she is only the fourth country female in the Nielsen Music era with three tracks on the list at the same time. The others: Shania Twain, Faith Hill and Carrie Underwood.

Song is top spin-gainer on the Adult Top 40 chart where it moves 6-5, making the quintet the first group since that chart's 1996 launch to notch four top five hits from a debut album.

Download sales for Leona Lewis' song at No. 8 have increased by more than 40% in each of its chart weeks. This issue, downloads more than double to 120,000.

## BETWEEN THE BULLETS silvio@billboard.com 'SHAWTY' MAKES TALL CHART JUMP

Lil Mama has another download sensation on her hands as "Shawty Get Loose" debuts at No. 9 on Hot Digital Songs (72,000 sold) and makes the biggest jump on the Billboard Hot 100 so far this year (92-19). Featuring vocal turns by super-hot Chris Brown and T-Pain, the "Shawty" download went

wide during the tracking week after an exclusive window at Verizon. The rapper's debut single, "Lip Gloss," also started at No. 9 on the Digital list in June, opening with 74,000 downloads and peaking at 77,000 the next week. "Lip" reached No. 10 on the Billboard Hot 100. —Silvio Pietroluongo

Irish quartet makes the most of the week leading up to St. Patrick's Day—and with PBS support—as album jumps 69%, rising to No. 2 on Top Heatseekers.

At No. 199, Shawn Mullins returns to the Billboard 200 for the first time since his breakthrough album "Soul's Core" reached No. 54 in 1998.

Rapper returns with his first solo album since 2000's "Both Side of the Brain." The new one also enters Top Heatseekers at No. 1.

As the band earns first top 10 on Modern Rock, its album collects its best sales week since January (4,000).

The latest U.S. "Now" variation debuts at No. 11, with 15 of its 20 tracks representing Billboard Hot 100 No. 1 hits of the 1980s.

Five-track hits EP is exclusively available at Wal-Mart. It shifts nearly 5,000 in its second week of release.

At No. 105, the iconic band returns with its first studio album since 1983, which immediately becomes its highest-charting set.

Lauded singer/songwriter Kathleen Edwards bows at No. 102 with her best sales week (7,000); lands at No. 1 on Top Heatseekers.

After an "American Idol" performance, Blake Lewis (No. 154) returns to the chart (up 135%) for first time in more than a month.

The singer's new chart-topping album stirs interest in this set (up 67%) as well as two titles on Top Pop Catalog that each gain more than 34%.

THE BILLBOARD HOT 100

Main Billboard Hot 100 chart table with columns for Rank, Title, Artist, Weeks on Chart, and Peak Position.

Rihanna rings the No. 1 bell on Hot 100 Airplay two months after track topped this chart. It's her second Airplay chart-topper following last summer's "Umbrella."

Swift's self-titled debut set spawns a fifth top 40 hit, the first album by a female country act to do so since Shania Twain's "Come On Over" in 1997-99.

With his "Brass Knuckles" album release still a few weeks away, Nelly charts his third song from that set. Best showing so far has been No. 40 peak for "Party People," featuring Fergie, in May.

Carey opens at the anchor spot for the first time in her career, but the upper reaches are in sight as song builds nicely at multiple radio formats. It moves 54-44 on Hot R&B/Hip-Hop, 76-64 on Pop 100 and debuts at No. 36 on Rhythmic.

BETWEEN THE BULLETS McCARTNEY NEARS TOP 10 REBOUND

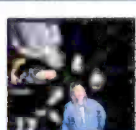

Continuation of the Billboard Hot 100 chart table, showing ranks 56 through 100.

Jesse McCartney earns Greatest Gainer/Airplay honors on the Billboard Hot 100 as "Leavin'" continues its march back toward the top 10 (13-11). The song hit No. 10 in its second week on the list (May 17 issue) thanks to immediate digital success and has hovered between Nos. 11 and 17 since then as its airplay kicked into gear. "Leavin'" leaps 2-1 on the Mainstream Top 40 chart, the 21-year-old singer's first No. 1 on that list and the first No. 1 for 19-year-old Hollywood Records. —Silvio Pietroluongo

THE BILLBOARD HOT 100

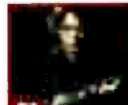

Main chart table with columns: Rank, Title, Artist, Weeks on Chart, Peak Position, etc. Includes entries like 'I Kissed a Girl' by Katy Perry, 'Take a Bow' by Rihanna, and 'When I Grow Up' by The Pussycat Dolls.

Mayer's live rendition of "Free Fallin'" debuts here and at No. 20 on Hot Digital Songs after moving 51,000 downloads. It's the second time the tune has hit the digital list this year, as Tom Petty's 1990 original debuted at No. 10 (64,000) in February following his Super Bowl performance.

Song leads Modern Rock for a 10th straight week, becoming just the 17th one in the Nielsen BDS era (since January 1994) to top the chart for double-digit weeks.

Rock returns to the chart for the first time since "Picture" peaked at No. 4 in 2003.

Continuation of the Billboard Hot 100 chart, including entries like 'Back When I Knew It All' by Montgomery Gentry, 'You Look Good in My Shirt' by Keith Urban, and 'Teenage Love Affair' by Alicia Keys.

**BREAKING & ENTERING**

Swedish singer September (aka Petra Marklund) makes waves with her breakthrough U.S. single "Cry for You," which bullets 59-50 on the Pop 100. Find out more about the artist and her song that was previously No. 1 on Hot Dance Airplay at [billboard.com/breaking](http://billboard.com/breaking).

**NEW ON THE CHARTS**

**Lesley Roy, "I'm Gone, I'm Going"**  
The 21-year-old Dublin-born singer makes her Billboard chart bow at No. 39 on the Adult Top 40 list with her Max Martin-produced debut single. Her album, "Unbeautiful," is due later this year on Jive/Zomba.

**HEATSEEKERS:** The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of The Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseekers title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers ranks the best selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains. THE BILLBOARD HOT 100

Main chart table with columns: This Week, Last Week, 2 Weeks Ago, Weeks on Chart, Title, Artist, Peak Position. Includes top entries like 'I Kissed a Girl' by Katy Perry and 'Burnin' Up' by Jonas Brothers.

1 Katy Perry holds No. 1 for a second week and is the top airplay gainer, not surprising since her song is the first since Gnarls Barkley's 2006 hit "Crazy" to appear on the Mainstream Top 40, Rhythmic, Adult Top 40 and Alternative charts at once.

Song is top spin gainer on Adult Contemporary chart for a fifth straight week as it enters the top 10 (11-8), the longest streak on that list by a male artist since Don Henley had a five-frame run with "Taking You Home" in spring of 2000.

Keith Urban's rerecorded track—the original version appeared on 2002 album "Golden Road"—shifts 19,000 downloads, selling more in the first week than the 18,000 his earlier take has sold to date.

Stacie performed her maiden country single (No. 27 on Hot Country Songs) on "The View" June 25, helping it start at No. 41 on Hot Digital Songs (35,000 downloads).

Continuation of the Billboard Hot 100 chart, listing tracks from position 56 to 100.

BETWEEN THE BULLETS

JONAS BROTHERS 'BURN UP' HOT 100

Jonas Brothers continue their Billboard Hot 100 assault as "Burnin' Up," the preview single from Aug. 12 album "A Little Bit Longer," debuts at No. 5. That's the second-best entry by a group this decade, following Fall Out Boy's No. 2 start with "This Ain't a Scene, It's an Arms Race" in February 2007, while 183,000 first-week downloads trail only Maroon 5's "Makes Me Wonder" (244,000) for the best opening sum by a group since the February 2005 launch of Hot Digital Songs. "Burnin'" joins four other Jonas-affiliated tracks from the "Camp Rock" soundtrack on the list, including fellow top 10 "This Is Me" at No. 9.

—Silvio Pietroluongo

The most popular songs & tracks, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan, Greatest Gainer/Digital and Greatest Airplay/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. This issue's cover girl soars on a 402% increase in digital sales (130,000 downloads). Song's jump into top 10 is the largest since another numerically named song, Madonna's "4 Minutes," leapt 68-3 in April.

As they bow with one of the four songs from the "Camp Rock" soundtrack that storm the Hot 100, "Burnin' Up," first single from Brothers' own Aug. 12 album, is the Pop 100's Hot Shot Debut at No. 72.

Lead track from the Pussycat Dolls' sophomore set, "Doll Domination," due in September, vaults 18-9 with a 71% jump in digital sales (128,000). Their first album, "PCD," produced five top 40 hits in 2005 and 2006.

Rapper follows No. 1 "Low" and top 20 "Elevator" with a strong sales start, entering Hot Digital Songs at No. 19 with 58,000 downloads.

## PERRY GETS CAPITOL BACK TO BACK

Katy Perry's cheeky "I Kissed a Girl" takes the top spot on the Billboard Hot 100 and Hot Digital Songs, rising 2-1 on both charts and logs its best sales week, 235,000 downloads. Radio play surges as well, as "Kissed" jumps 19-12 on Hot 100 Airplay (up 28%). Perry also bows at No. 9 on the Billboard 200 (47,000 sold). "Kissed" overtakes labelmate Coldplay's "Viva La Vida," marking the first time in 32 years that Capitol succeeds itself at No. 1. The last pair of Capitol titles to rule consecutively: Sylvers' "Boogie Fever" and Wings' "Silly Love Songs" in May 1976. —Gary Trust

Vancouver band lands its first chart entry as the album also debuts at No. 1 on Top Heatseekers.

Band manages a new chart high, edging out the No. 120 peak of "The Conch" last year. Internet orders account for 42% of new album's sales.

A month after Christmas, you'd think holiday albums would be selling zilch. Not so for Josh Groban (No. 152) and his "Noel," which scanned more than 1,000 during the tracking week.

TV series' album sports guest turns from Alicia Keys (pictured), Cyndi Lauper and Tony Award nominee Adam Pascal.

Sixx: A.M.'s August release (No. 124) sees its "Life Is Beautiful" single bow at No. 40 on Modern Rock. Album's sales to date grow to 128,000.

Singer, who was the last artist to claim dual Gainer honors in November with "Kiss Kiss," does it again with track that climbs 9-2 on Hot Digital Songs (100,000 downloads) and 8-4 on Hot 100 Airplay.

Springsteen hits the Hot 100 for the first time since 2005, and the 25th time in his legendary career, as "Girls in Their Summer Clothes" opens at No. 95.

Star's personal travails have not curtailed fans' enthusiasm for her music as title moves into top 10 of Hot Digital Songs (14-10, 69,000).

Track from Webbie's new album "Savage Life 2," due Feb. 26, is his best showing on the Hot 100.

Billy Ray nails his first top 40 Hot 100 hit since his debut, "Achy Breaky Heart," hit No. 4 in July 1992—four months before duet partner, daughter Miley, was born. With another at No. 33, she has two.

## RIHANNA'S LUCKY NUMBER SEVEN

Rihanna, who will turn the big 2-0 on Feb. 20, claims her seventh Billboard Hot 100 top 10 as "Don't Stop the Music" jumps 13-7. The song moves 15-6 on Hot Digital Songs with 90,000 sold (up 40%) and increases in audience by 26%, rising 23-15 on Hot 100 Airplay.

Since her debut in 2005, only Akon and T-Pain, each with nine, have reached the top 10 more times, but a portion were as featured artists. Rihanna has been billed as a lead artist on all seven of her top 10s, a total unmatched by anyone else since her first in 2005. —Silvio Pietrolongo

## BROWN COLLECTS SIXTH TOP 10

Chris Brown earns his fifth Billboard Hot 100 top 10 as a lead artist and sixth overall as "With You" surges 12-6 with Greatest Gainer/Airplay honors. The track also moves into the top 10 of Hot 100 Airplay (14-8, up 18 million listener impressions) and Hot Digital Songs (17-9, up 4%). On the latter list, "With You" is one of only 10 songs to post actual sales gains, as the digital market continues to come off its post-holiday peak. The other Digital bullets go to songs with the smallest decreases. Brown hopes for back-to-back No. 1s as "Kiss Kiss" led for three weeks.

Sale pricing at Best Buy helps Ne-Yo re-enter at No. 166. Latest single "Go On Girl" ranks No. 71 on Hot R&B/Hip-Hop Songs.

The film's Dec. 29 HBO premiere (and repeated airings) push the Hugh Grant-heavy soundtrack back onto the chart for the first time since July.

Akon (No. 138) is one of the many guest artists included on the 25th-anniversary reissue of Michael Jackson's "Thriller," due Feb. 12.

The best new artist Grammy Award nominee returns to the chart for the first time since September.

The campy musical revisits the 1980 Olivia Newton-John film and co-stars Kerry Butler and Chyenne Jackson (above).

While these tracks from Sparks and Brown rebound to respectively match and reach new peaks, the pair team up to debut at No. 95 with the latest release from her self-titled debut album.

Rapper croons his way 11-10 on Hot 100 Airplay, his first top 10 as a lead artist on that list since "Drop It Like It's Hot" hit No. 1 in December 2004.

Song from British sestet is featured in the popular videogame "Guitar Hero 3: Legends of Rock," which results in renewed airplay interest.

Download sales total 33,000 for the week.

Band's new song, which honors the National Guard, moves 29,000 downloads. Video for track can be seen on Guard's Web site and in movie theaters.

BETWEEN THE BULLETS [slivio@billboard.com](mailto:slivio@billboard.com)

## WHAT GOES UP MUST COME DOWN

A week after digital download sales reached a new high of 43 million tracks during the post-Christmas tracking week (Dec. 24-30), all but two titles on Hot Digital Songs post declines. While overall sales dip by 34% to 28.4 million downloads, that weekly tally still stands as the third-best frame in Nielsen SoundScan history.

Janet's "Feedback" (No. 42, 44,000) and Miley Cyrus' "Start All Over" (No. 58, 34,000), both new to the market, are the only gainers. Since both debut on Hot Digital Songs, neither is eligible for the Billboard Hot 100's Greatest Gainer/Digital honor, so the chart goes without that designation.

The Starbucks-exclusive album bows with 6,000 and boasts such U.K. artists as Joss Stone, Lily Allen, Alice Russell and Damien Rice (pictured).

Cobra Starship, the latest act in MTV's continuing 52/52 promotional campaign, sees a 41% gain (No. 185) and returns to the chart for the first time since November.

Coffee drinkers, unite! Now that Starbucks stores are stocking the album, it increases 188%, sparking a re-entry.

The act is up 14%—and thus jumps up the chart—following his performance on NBC's Jan. 1 skating special "The Music of Seal on Ice."

As the chart continues to readjust from holiday traffic, even a small decrease—like Craig Morgan's 17% decline at No. 152—can yield a re-entry.

Street-date violations (9,000 copies) cause an early debut for the band's album, which had a CD release date of Jan. 1.

Amy Winehouse's "Back to Black" (No. 53) was crowned 2007's best-selling album in the United Kingdom (1.6 million sold).

Her album is among a trio that were priced for less than \$8 at Target and Best Buy last week. See also Nick Swardson (No. 184) and Silversun Pickups (No. 196).

The album features such artists as James Blunt, Paolo Nutini, Toby Lightman and Nellie McKay.

The band's set wasn't the only sub-\$8 title Target offered last week. Feist (No. 54), Boys Like Girls (No. 61) and Chrissette Michele (No. 107) all see gains as well.

Even though he has appeared on Billboard charts since 1991, this is the first Billboard Hot 100 listing for the Miami DJ.

Quintet returns to the top 10 for the first time since its 2006 debut, "Show Stopper."

Track, which registers as a sale when band's upcoming album is pre-ordered, accounts for 101,000 downloads while radio hit "Violet Hill," which debuts at No. 40, opens with 44,000 sold.

Singer's second album debuts at No. 7 on the Billboard 200 (66,000) for his first top 10 on that list, while leadoff single benefits digitally by the set's release (51,000 downloads, up 47%).

Canadian hip-hop artist hits this chart for the first time with track that recently reached No. 7 on his native country's Hot 100, viewable at billboard.com.

## RIHANNA'S RISE DESERVES 'A BOW'

Rihanna makes a near-record rise to the top of the Billboard Hot 100 as "Take a Bow" blasts 53-1. Opening-week digital downloads (267,000) cause the sudden surge as the track opens at No. 1 on Hot Digital Songs. The song's bump is the second-best leap to No. 1 in Hot 100 history, trailing

Maroon 5's 64-1 jump with "Makes Me Wonder" last May. Coincidentally Rihanna is featured on the band's "If I Never See Your Face Again," which debuts at No. 57. With the lofty digital take, Rihanna owns two of the top three opening-week download tallies in chart history. —Silvio Pietrolungo

**50 YEARS OF THE HOT 100**  
**'DAY' ROSE 17 YEARS AGO THIS WEEK**

In advance of next week's commemorative Hot 100 50th-anniversary issue, we return to the Sept. 14 issue of 1991, when Paula Abdul rose to No. 1 for the sixth and last time with "Promise of a New Day." Now known as a judge on "American Idol," she had eight straight top 10s from 1989 to 1991. She was Billboard's top female pop singles artist in 1989 and top pop albums artist in 1991. After a 15-year hiatus, Abdul returned to the Hot 100 earlier this year with "Dance Like There's No Tomorrow." For more fun facts about the Hot 100's 50th anniversary, go to [billboard.com/hot100](http://billboard.com/hot100).

### BREAKING & ENTERING

Los Amos de Nuevo Leon takes a cue from the hip-hop playbook with "El Hyphy (Jai-Fi)," the act's first entry on Billboard's Regional Mexican airplay chart. The song, which is No. 34 this week, is an ode to a new musical style of fast, danceable corridos.

Go to [billboard.com/breaking](http://billboard.com/breaking) to discover developing artists making their inaugural chart runs each week.

## REGIONAL HEATSEEKER #1s

### NEW ON THE CHARTS

**Simon Collins, "Unconditional"**  
If the voice singing "Unconditional" sounds familiar to you, there might be a reason. The tune, which bows at No. 30 on Adult Contemporary, marks the Billboard chart debut of Simon Collins, the son of Phil Collins.

**HEATSEEKERS:** The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of The Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseekers title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers ranks the best selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains. ## BREAKING &amp; ENTERING

"Love Me Dead" may be the title of Ludo's breakthrough single, but with the traction the song garners at radio—bulleting at No. 8 on Modern Rock—the St. Louis-bred rock band is alive and well at No. 14 on Top Heatseekers with its album "You're Awful, I Love You."

## REGIONAL HEATSEEKER #1s

## PROGRESS REPORT

## Room For Two, "Roots Before Branches"

One of five songs to debut from AT&T's "Team USA Soundtrack." The others arrive at Nos. 16, 92, 94 and 96.

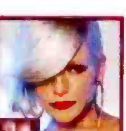

Country king has his first top 50 debut on this chart with track that moves 30,000 downloads in its first week of release. Song previews his upcoming album "Lucky Old Sun," due this fall.

Absence of Kid Rock's radio hit in the digital space opens the door for knock-off version to shift 37,000 downloads. Rock's take jumps 6-4 on Hot 100 Airplay and 28-25 on this chart.

Trio makes it three successive weeks with a Hot 100 debut and up its yearly debut count to seven, six of them arriving since the July 5 issue.

Song topped Dance Airplay for two weeks in May 2007 and is now receiving mainstream radio acceptance (No. 30 on Pop 100 Airplay).

**BETWEEN THE BULLETS ARCHULETA 'CRUSHES' HUGE DEBUT**

"American Idol" finalist David Archuleta posts the best Billboard Hot 100 debut in more than 18 months as his "Crush" lands at No. 2. The track is the chart's best entry since Fall Out Boy's "This Ain't a Scene, It's an Arms Race" started at No. 2 in the Feb. 3, 2007, issue and the best opening by an "Idol" finalist with a song not performed on the show. "Crush" moves 166,000 downloads to debut at No. 1 on Hot Digital Songs. It is one of three songs to open in the top five on that chart, the first time that has occurred since the May 12, 2007, issue.

## BREAKING &amp; ENTERING

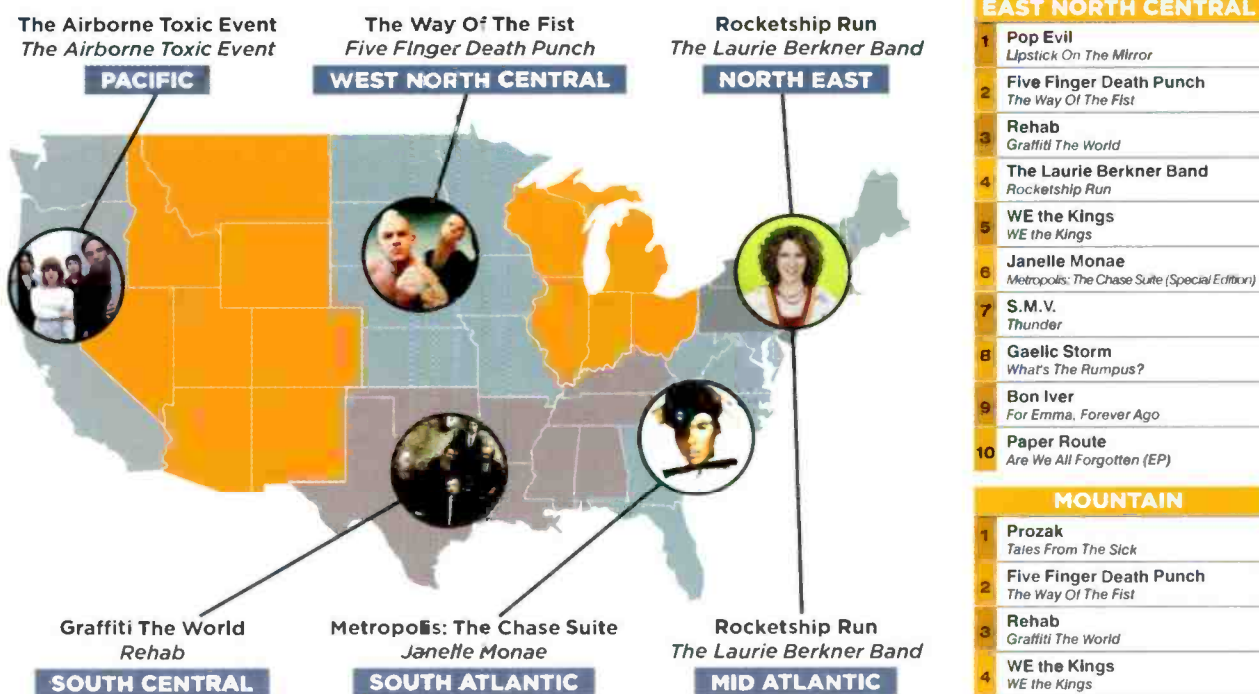

Getting dropped from Def Jam just two years ago did not deter 22-year-old Lady Gaga. In fact, she says the experience made her "write the greatest pop record ever," referring to her debut single, "Just Dance," which sits at No. 1 on the Canadian Hot 100.

## REGIONAL HEATSEEKER #1s

## PROGRESS REPORT

**Bon Iver, "For Emma, Forever Ago"**  
As the act's two-month U.S. tour comes to a close, the album experiences its fourth straight sales gain and best week since March, zipping 16-7 on Top Heatseekers with 3,000 sold (up 35%). Bon Iver's U.K. tour begins Sept. 11 in London.

**HEATSEEKERS:** The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of the Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseekers title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers ranks the best-selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains. Though leapfrogged by the Billboard Hot 100's new No. 1, song is Brown's first champ on the Pop 100 since his debut, "Run It!," in 2005. It's also his third straight No. 1, and fourth overall, on Pop 100 Airplay, viewable at billboard.biz/charts.

While main radio track rebounds into top 10, title cut from smoldering siblings' new album starts two spots lower with 131,000 downloads sold. Set looks to bow atop next week's Billboard 200 with more than a half-million sold.

Ballad becomes the Brit's second top 40 hit, while previous smash "Bleeding Love" ascends to No. 1 on Adult Contemporary.

Newly crowned queen of NBC-TV's "Nashville Star" starts at No. 38 on Hot Digital Songs (33,000 downloads sold) and No. 49 on Hot Country Songs. She also performed vocal gymnastics Aug. 12 in Beijing during the "Today" show's Olympics coverage.

**BETWEEN THE BULLETS**

**RIHANNA ROPES HER FOURTH NO. 1**

As we continue to celebrate 50 years of Billboard's Hot 100 at billboard.com/hot100, Rihanna writes her own chapter of chart history, as "Disturbia" becomes her fourth No. 1, rising 3-1. She moves into a first-place tie with Beyoncé and Mariah Carey for most Hot 100 leaders this decade by women. Among all artists in the 2000s, only Usher has more No. 1s with seven; Ludacris, Nelly and Justin Timberlake also each own four. "Disturbia" leads Hot Digital Songs for a second week (148,000 downloads sold, up 6%) and vaults 37-24 (up 18%) on Hot 100 Airplay the latter still ruled for a fifth week by Rihanna's "Take a Bow." —Gary Truss

The most popular songs, according to all-format audience impressions, measured by Nielsen Broadcast Data Systems, and sales data compiled by Nielsen SoundScan. **BREAKING & ENTERING**

Florida band Mayday Parade followed the Vans Warped tour around in 2006, selling CDs in venue parking lots. Two years later, the group is an official Warped act, which returns it to Top Heatseekers after a four-month absence. Learn more soon at [billboard.com/breaking](http://billboard.com/breaking).

Go to [billboard.com/breaking](http://billboard.com/breaking) to discover developing artists making their inaugural chart runs each week.

**NEW ON THE CHARTS**

**Delta Spirit, "Trashcan"**  
The San Diego band, which signed with Rounder in May, makes its chart debut at No. 30 on the Triple A tally in sister publication Radio & Records and on [billboard.biz](http://billboard.biz). Its self-released set, "Ode to Sunshine," will see its Rounder release Aug. 26.

**HEATSEEKERS:** The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of The Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseekers title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers ranks the best-selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains. THE BILLBOARD HOT 100

Table of Billboard Hot 100 chart data for the week of August 16, 2008. Columns include Rank, Last Week, Weeks on Chart, Title, Artist, and Peak Position. Top entries include 'I Kissed a Girl' by Katy Perry at #1, 'Forever' by Chris Brown at #2, and 'Tonight' by Jonas Brothers at #8.

First-week digital sales clock in at 62,000, giving the hitmaker a strong opening on this chart and a No. 13 start on Hot Digital Songs. His album, "Thr33 Ringz," streets this fall.

34 Song moves 14-10 on Hot 100 Airplay with gain of 11 million listener impressions for its second straight Airplay Gainer award. Last pop/rock act to score the honor in successive weeks was Creed in September 2000 with "With Arms Wide Open."

Rapper makes chart's biggest jump with preview from his 12th studio album, "Exit 13," due Sept. 9. The track marks his 27th Hot 100 appearance, dating back to 1987's "I'm Bad."

New York native makes her chart debut with song that recently peaked at No. 2 on Hot Dance Airplay. Her performance on the Aug. 31 airing of Fox's "So You Think You Can Dance" results in a 65% download spike (73-36 on Hot Digital Songs).

Continuation of the Billboard Hot 100 chart data, showing ranks 56 through 100. Includes entries like 'Breakout' by Miley Cyrus, 'Need U Bad' by Jazmine Sullivan, and 'All Summer Long' by Kid Rock.

BETWEEN THE BULLETS JONAS BROTHERS SCORE HAT TRICK

Jonas Brothers take Hot Shot Debut on the Billboard Hot 100 for the third time in six weeks as "Tonight," from Aug. 12 album "A Little Bit Longer," opens at No. 8. Digital sales are reason for the high start (131,000 downloads) as they were for fellow album cuts "Burnin' Up" (No. 5 debut, July 12, 183,000 downloads) and "Pushin' Me Away" (No. 16, Aug. 2, 116,000). They are the first to debut in the top 10 twice in the same year since Madonna in 1998 with "Frozen" (No. 8) and "Ray of Light" (No. 5). They will be the first with three top 10 debuts in a year if the title track from their impending set, released digitally Aug. 5, follows suit next issue. —Silvio Pietroluongo

## REGIONAL HEATSEEKER #1s

## PROGRESS REPORT

Ludo, "You're Awful, I Love You"  
The set rises 15-4 on Top Heatseekers and bows at No. 166 on the Billboard 200 with a 53% gain and its best sales week—4,000 copies. The burst is fueled by an infusion of venue sales that transpired during its recent Vans Warped tour shows.

HEATSEEKERS: The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of The Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseekers title reaches that level it and the act's subsequent albums are immediately eligible to appear on the Heatseekers chart. TASTEMAKERS: Tastemakers ranks the best-selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains. The week's Greatest Gainer/Digital victor moves into top 10 of Hot Digital Songs (17-8) with a 54% increase in downloads.

**26 & 46**

Premiere of rapper's MTV reality show sends download sales soaring, bringing one song onto the chart as the Hot Shot Debut and another to a new peak in its fourth chart week (see story, page 48).

Debut of title track from this week's No. 1 album gives Cyrus two titles on the list; her other dips 13-18. Since her debut in 2006, Cyrus has landed 18 songs on the chart (including her Hannah Montana-billed hits), the most by any female artist in that span.

Gavin Rossdale never made the Hot AC chart as frontman for Bush, but he reaches the top 10 (12-9) with his solo debut on that list.

**50 YEARS OF THE HOT 100**  
**WONDER'S FIRST HIT MARKS CHART**

Looking back on the first 50 years of the Billboard Hot 100, we return to this week in 1963 (the Aug. 10 issue), when Stevie Wonder's first of 10 career No. 1s, "Fingertips-Pt. 2," made him the youngest artist to hit No. 1. (It was also the first live track to top the chart.) At 13 years, one month and nine days, Wonder still stands as the youngest solo artist to top the Hot 100, though certain group members—like Michael Jackson of the Jackson 5 (1970) and Zac Hanson of Hanson (1997) hit No. 1 at the precocious age of 11. For more fun facts about the Hot 100's 50th anniversary, visit [billboard.com/hot100](http://billboard.com/hot100) during the week of Aug. 4.

Canadian hip-hop star earns his first U.S. Hot 100 top 10. The track retains its No. 2 peak on the Billboard Canadian Hot 100, viewable at billboard.biz.

With 116,000 downloads, Jonas Brothers are the first group to debut on Hot Digital Songs (No. 2) with six-digit sales on three tracks. Amazingly, all this has occurred within the last five weeks. The other titles remain on the Hot 100 at Nos. 11 and 87.

Rocker's refusal to make his recordings available digitally has been a boon to Lyrnd Skynyrd's "Sweet Home Alabama," one of the two songs his new track samples. The classic rock nugget shifts 16,000 downloads, twice as much as it moved six months ago this week.

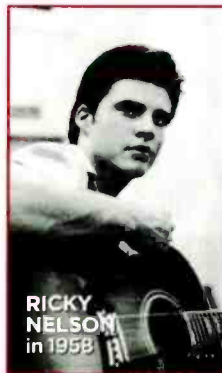

Song's inclusion in the trailers for the upcoming movie "Pineapple Express" results in a 58-25 surge on Hot Digital Songs (up 105%) and a return of her album "Kala" to the Billboard 200 (No. 182) for the first time since May.

**50 YEARS OF THE HOT 100**

**A GOLDEN ANNIVERSARY**

Fifty years ago this week, in the Aug. 4, 1958, issue, Billboard launched a revolutionary chart called the Hot 100. After nearly two decades of tracking songs distinctively by sales or plays (on jukeboxes and at radio), the Hot 100 was the first list to measure popularity by incorporating both radio play and sales data. Scoring the chart's inaugural No. 1 was Ricky Nelson with "Poor Little Fool." During the next two months, Billboard will celebrate this milestone in a big way on billboard.com and in print. We are certain you will enjoy what we have planned as we commemorate a half-century of charting the hits.

RICKY NELSON in 1958

The most popular songs & tracks, according to all-format audience impressions measured by Nielsen Broadcast Data Systems and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the largest digital sales and airplay increases on the chart. ### BREAKING & ENTERING

Marvin "Slim" Scandrick, the former lead singer of R&B quartet 112, makes a stout jump of 49-40 on the R&B/Hip-Hop Songs chart with his single "So Fly." While he's scored a pair of No. 1s as part of 112, this is his first top 40 hit as a solo artist.

## REGIONAL HEATSEEKER #1s

### PROGRESS REPORT

**The Dillinger Escape Plan, "Ire Works"**  
The album re-enters at No. 10 on Top Heatseekers with a 1,136% gain thanks to venue sales the set generated during the band's Vans Warped tour dates. The same story holds true for another act, A Day to Remember, at No. 40 (up 59%).

**HEATSEEKERS:** The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of The Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseekers title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers ranks the best-selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains. **2** Beyoncé is the first artist since Mariah Carey (Dec. 31, 2005) to occupy the top two slots on Hot Digital Songs as "Single Ladies" opens at No. 1 (204,000). One of Carey's songs that week was her perennial holiday top seller, which re-enters this issue's digital list at No. 56.

This band has its best Hot 100 start with a song that premiered Nov. 20 on ABC's "Grey's Anatomy." The network is also using the track to promote the highly anticipated Jan. 21 premiere of "Lost." The cut opens at No. 14 on Hot Digital Songs (62,000).

The song is one of two debuts and four overall tracks from the Canadian band to grace the chart. It sells 49,000 downloads to open at No. 17 on that list, one spot behind current radio hit "Gotta Be Somebody" (55,000).

The Mississippi native enters the list with his debut single, currently No. 16 on Hot Country Songs. His album of the same name opens at No. 21 on Top Country Albums (7,000).

THE BILLBOARD HOT 100

Main Billboard Hot 100 chart table with columns for rank, title, artist, and album.

Rising to No. 1 on the Mainstream Top 40 chart, Perry becomes the third female artist to collect her first chart-topper on that list this year, following Sara Bareilles and Leona Lewis.

With six debuts and seven total tracks on this list, Swift ties Hannah Montana on both counts for most by a female artist in a single week.

Artist, born Stefani Germanotta, hits new peak on this chart and claims Greatest Gainer/Airplay on Pop 100 (22-14). The song ruled the Billboard Canadian Hot 100 for five weeks in the summer.

Urban claims his first top 50 debut with leadoff track from his forthcoming album. Song sells 44,000 downloads and climbs 30-25 on Hot Country Songs.

Theme from the nation's No. 1 motion picture debuts and adds to long list of James Bond-affiliated chart hits (see Chart Beat, page 45).

Continuation of the Billboard Hot 100 chart table.

BETWEEN THE BULLETS GUNS BLAZE ONTO HOT 100

In anticipation of its expected high debut on the Billboard 200 in two weeks, Guns N' Roses make a long-awaited return to the Billboard Hot 100 at No. 34 with "Chinese Democracy," the title track from its Nov. 23 release. The song, which sells 57,000 downloads, is the band's first Hot 100 appearance since "Sympathy for the Devil" peaked at No. 55 in January 1995 and its first top 40 hit since "November Rain" stormed to No. 3 in August 1992. At radio, "Democracy" spends its third week in the top 10 of Mainstream Rock Tracks (No. 6), viewable at billboard.biz/charts.

This song moves 14-10 on Mainstream Top 40. It's her seventh top 10 on that list but first since 2004's "Toxic."

Akon reaches the Hot 100 top 10 for a 12th time (seventh as a lead artist) with a song that also returns to the Hot Digital Songs chart's top 10 (12-9) with its best sales week yet (177,000, up 38%).

The singer just misses her third top 10 debut of the year. She'll have another opportunity next issue with "You Belong With Me," yet another digitally released track from her upcoming "Fearless" album.

With the song's 11-10 jump on Adult Top 40, Lewis becomes the second artist to ascend to that list's top 10 with two titles this year, joining label-mate Daughtry.

The digital preorder of the "American Idol" runner-up's self-titled debut album includes a download of this song (24,000), which Robbie Williams took to No. 53 in 2000.

**BETWEEN THE BULLETS**  
**T.I. CAN'T GET ENOUGH OF NO. 1**

T.I. again succeeds himself at No. 1 on the Billboard Hot 100 as "Live Your Life," featuring Rihanna, displaces "Whatever You Like." In the Oct. 18 issue, "Life" replaced "Like," making T.I. the ninth artist in the rock era to do this. "Life" also returns to No. 1 on Hot Digital Songs with 184,000 downloads while "Like" maintains the top spot for an eighth week on Hot 100 Airplay (162 million impressions). It's the third time this year that an artist has different songs simultaneously topping the Airplay and Digital Songs lists. T.I. did it with the same tracks four weeks ago; Rihanna did it in August with "Disturbia" (Airplay) and "Take a Bow" (Digital). —Silvio Pietroluongo

### BREAKING & ENTERING

Indianapolis eight-piece group Margot & the Nuclear So and So's, named after a fictional character in the 2001 film "The Royal Tenenbaums," recently made a very real impact on the Top Heatseekers chart when its album "Not Animal" debuted at No. 5.

Go to [billboard.com/breaking](http://billboard.com/breaking) to discover developing artists making their inaugural chart runs each week.

## REGIONAL HEATSEEKER #1s

**NEW ON THE CHARTS**  
**Tom Gabel, "Heart Burns"**  
The Against Me frontman takes a bow with his first solo offering at No. 4 on Top Heatseekers. The politically minded set was recorded this past summer and released just in time for the Nov. 4 election.

**HEATSEEKERS:** The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of the Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseekers title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers ranks the best-selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains. Between this song and his track at No. 1, T.I. has earned the Greatest Gainer/Airplay tag for a record nine straight weeks.

Quintel's maiden Hot 100 voyage continues to scale Adult Top 40, motoring 4-3 on that list. The band was part of MTV's "A Night for Vets: An MTV Concert for the BRAVE" broadcast the weekend of Oct. 24.

Digital sales more than double to 34,000 thanks to launch of album pre-order option, bringing track back onto list after a one-week respite.

Oct. 18 "Saturday Night Live" performance sends her album to new peak on the Billboard 200 (No. 11, up 131%), while song's digital take improves by 73%. The latter bump lands the highly touted newcomer on the Hot 100 for the first time (see story, page 31).

Song is the second track from band's top five album to hit this chart and holds at No. 5 on Modern Rock.

**BETWEEN THE BULLETS**  
**BEYONCÉ BUOYED BY DIGITAL DEBUT**

Beyoncé earns her 10th Billboard Hot 100 top 10 single as a solo artist as "If I Were a Boy" bounces 68-3 on the strength of 190,000 downloads. She was last in the chart's upper tier with "Beautiful Liar," her duet with Shakira, in the spring of 2007.

"Boy," which previews her third studio set "I Am... Sasha Fierce," due Nov. 18, is Beyoncé's fourth No. 1 on Hot Digital songs. That sum places her third behind Rihanna (six) and Justin Timberlake (five) in the chart's four-year history.

—Silvio Pietrolungo

The most popular songs, according to all-format audience impressions measured by Nielsen Broadcast Data Systems; and sales data compiled by Nielsen SoundScan. Greatest Gainer/Digital and Greatest Gainer/Airplay are awarded, respectively, for the biggest digital sales and airplay increases on the charts. **Song leads the Pop 100 for a 12th week, tying the 3-year-old chart's longest stretch, set earlier this year by Flo Rida's "Low."**

**Quartet's debut reaches the top 10, posting download increases each week it's been on the list. Moves 8-3 on Hot Digital Songs with 120,000 (up 28%).**

**Rapper's 25th chart turn appears on his "Brass Knuckles" album, due Aug. 19, and on Ashanti's "The Declaration," which dips to No. 11 on the Billboard 100.**

**Song by Kanye West protégé sees a nifty download bump (32-17 on Hot Digital Songs, up 45%) after being featured in the June 11 edition of Fox's "So You Think You Can Dance."**

**His first Hot 100 chart entry extends record for a title's longest reign on any Billboard airplay chart as it holds at No. 1 on billboard.com's Hot Gospel Songs for a 38th week.**

## LIL WAYNE TIES HOT 100 RAP MARK

Lil Wayne debuts with two more songs from next week's certain No. 1 album, "The Carter III," upping his total chart take to seven titles, five coming from his new set. Joining the tracks at Nos. 1, 21 and 29 are "You Ain't Got Nuthin'" (No. 81) and "Mr. Carter" (No. 92). He is also a featured vocalist on Usher's track at No. 27 and Lloyd's listing at No. 79. His seven simultaneously charting songs tie T-Pain's record, set last year, for most by a rap artist in the chart's history and comes two weeks after David Cook (11 tracks) threatened the Beatles' all-time record of 14. —Silvio Pietrolungo

Singer's debut effort earns Greatest Gainer/Digital honors, more than doubling its download take to 173,000, good enough for a 13-3 leap on Hot Digital Songs.

Debut gives rapper four listings in the top 40, with three as a lead artist. The latter sum is the most for lead act since 50 Cent fronted three top 40 tracks in the May 7, 2005, issue.

Only three songs remain from singer's record-breaking 11 debuts, these two and the track at No. 9, which posts the highest debut (No. 33) in the Adult Top 40 chart's history for a career-opening single by a solo male.

Initially a digital download success upon its top 10 debut in February, the song has since taken a foothold at radio, spending the last six weeks in the top 20 of the Adult Top 40 chart.

Song topped Dance Airplay in September and has finally made its way to top 40 radio, spurring increased download activity in the process.

## BETWEEN THE BULLETS silvio@billboard.com HOT 100 SAYS 'VIVA' COLDPLAY

Coldplay cops the biggest Hot 100 hit of its career as "Viva La Vida," featured in iTunes' latest TV campaign, jumps 10-3. The song, which just went to radio as the second single from the soon-to-be-released album of the same name, moves to the top of Hot Digital Songs with 219,000 down-

loads. First single "Violet Hill," at a new peak of No. 9 on Modern Rock, rebounds 66-53 on the Hot 100 with 10% gains in airplay and sales. The band's best showing on the Hot 100 prior to this week was with "Speed of Sound" (No. 8) in May 2005. —Silvio Pietrolungo

It's the first studio set for the act since 2003 and the first to reach the big chart since 2001's "Let It Come Down" (No. 133).

At No. 158, Tierra Cali starts with 4,000—its best sales week. It also begins at No. 8 on Top Latin Albums, its first top 10.

At No. 199, the iTunes-exclusive set also starts at No. 15 on Top Digital Albums with slightly more than 3,000 downloads.

Set is up 17% while band celebrates sixth consecutive top five single on Modern Rock, as "Let It Die" moves 1-5.

VHT just added the act's new video while iTunes offered the album for only \$5.99. It garners a whopping 2,639% increase in digital sales.

Song's 2-1 rise in its eighth week on Adult Top 40 chart is that list's fastest climb to the top since "The Game of Love" by Santana featuring Michelle Branch made it in 2002.

Heavy exposure in omnipresent Apple iTunes TV ad lifts song to new peak on this list with its best single-week digital tally to date (139,000).

"Idol" finale performances spur download sales for both tracks. "Apologize" returns to top 20 for a 31st week while Underwood scores her sixth top 20, the second from her "Carnival Ride" album.

More reality to musicality as "Dancing With the Stars" hooper makes chart bow with track from the top-selling country album in the world.

"Idol" runner-up puts three songs on the chart, the highest of which moves 71,000 downloads while also entering Hot Digital Songs at No. 16.

## 'IDOL' CHAMP COOK MAKES HISTORY

Season seven "American Idol" champion David Cook sets a record for debuts on the Billboard Hot 100 and Hot Digital Songs as 11 titles enter the former and 14 songs jump on the downloads tally (see story, page 51). His "The Time of My Life" opens at No. 3 on the Hot 100 and shifts 236,000 downloads to easily take No. 1 on Hot Digital Songs. The title pulls 5.9 million audience impressions, most during the latter half of the tracking week, and is the most added song at AC and adult top 40 stations, according to sister publication Radio & Records.

Hip-hop act bows solely on digital sales. Total of 4,000 also places No. 8 on Top Heatseekers and No. 15 on Top Digital Albums.

Band starts at No. 6 on Top Christian Albums, aided by its top five Hot Christian Songs hit "Love Is Here."

Interest generated by the tragic death of his daughter May 21 seems to spur 85% gain and this set's re-entry.

Duo played "Conan O'Brien" on May 20, which helps act score its first Billboard 200 chart ink (\$5,000).

Veteran rock band returns to the big chart for the first time since 1996's "Ear Candy" debuted and peaked at No. 105.

Song's three-week interval since last standing at No. 1 is the longest chart-topping hiatus since Usher's four-week break with "U Got It Bad" in January 2002.

Vocalist's performance of track on May 12 episode of "One Tree Hill" results in 37,000 downloads and No. 28 start on Hot Digital Songs.

Her second single from the upcoming "Here I Stand" album takes a big jump (63-18), thanks to first-week download sales (44,000).

With second-week digital sales down 27%, last issue's No. 1 by Rihanna makes a rare two-spot drop from the top accompanied by a Greatest Gainer/Airplay award.

Song, which increases 50% in airplay (to 11.5 million impressions) and 75% digitally (45,000, 40-17 on Hot Digital Songs), appears on her "One of the Boys" set, due June 17.

### BETWEEN THE BULLETS [silvio@billboard.com](mailto:silvio@billboard.com)

## 'SUMMERTIME' STARTS BLOCK PARTY

New Kids on the Block returns to the Billboard Hot 100 for the first time in more than 14 years as "Summertime" debuts at No. 57.

The song shifts 39,000 downloads to enter Hot Digital Songs at No. 26 following its first week of availability and is also off to a strong start at top 40 radio, moving 40-35 on the Pop 100 Airplay chart. The reunited quintet last visited the Hot 100 in early 1994, when "Dirty Dawg" peaked at No. 66. The group started its career in 1988 with a string of nine straight top 10s, including three chart-toppers. —Silvio Pietroluongo

THE BILLBOARD HOT 100

Main Billboard Hot 100 chart table with columns for rank, title, artist, and album.

With a 14-10 vault in its third week on the Adult Top 40 chart, song is first since Matchbox Twenty's 'How Far We Come' in August 2007 to reach that list's top 10 so swiftly.

Singer bounds back into top 20 with a 22% digital gain (up 13,000) and an equally impressive 20% airplay gain (up 5 million listener impressions).

Rap superstar posts his second-best debut as a lead artist as preview track from his Dec. 9 release 'Before I Self Destruct' shifts 44,000 downloads out of the gate.

While last week's debut steps 32 places, another track from her forthcoming album opens at No. 72. With 'Boy' now available as a digital download, expect that song to soar next issue.

Finnish quartet's first Hot 100 appearance is also its first Modern Rock top 10. It dips 3-4 and maintains a bullet on that list.

Continuation of the Billboard Hot 100 chart table, listing songs from rank 56 to 100.

Feature article titled 'BETWEEN THE BULLETS' and 'ANOTHER SWIFT ENTRY' focusing on Taylor Swift's 'Fearless' debut.

### PROGRESS REPORT

**Hollywood Undead, "Undead"**  
The band makes its Modern Rock debut at No. 36 this week, while on the Mainstream Rock chart (available at [billboard.biz](http://billboard.biz)) the single rises 24-21. The group's "Swan Songs" album is No. 85 on the Billboard 200 this week (down less than 1%).

T.I. simultaneously grabs both Greatest Gainer tags with two different songs, the first time that has occurred since the Digital honor was introduced in 2005. The airplay gainer, meanwhile, reaches the top 10 on Hot 100 Airplay in its third week, the fastest for a rap track since 2004.

Singer snares his fifth top 10 as a lead artist with second single from "Year of the Gentlemen." First single "Closer" peaked at No. 7 and rests at No. 13 this week.

Mraz spends second week at No. 1 on Adult Top 40. He is the first solo male vocalist to top that chart since Daniel Powder did with "Bad Day" in 2006.

With his featured turn on Akon's Hot Shot Debut, Lil Wayne places seven songs at once in the top 40 for a third time this year. The only other act to do so, the Beatles, achieved the feat in two nonconsecutive weeks in 1964.

**BETWEEN THE BULLETS**  
**SPEARS SPEEDS TO NO. 1**

Britney Spears jumps 95-1 on the Billboard Hot 100 with "Womanizer," returning to the top for the first time since her debut "... Baby One More Time" hit No. 1 in January 1999. This is the third time in the past two months, and the second straight week, that the record for the biggest jump to No. 1 has been shattered. T.I. soared 71-1 in the Sept. 6 issue with "Whatever You Like" and last week he sprinted 80-1 with "Live Your Life." Spears is spurred by 286,000 first-week download sales, the biggest opening week by a female artist since Nielsen SoundScan began tracking digital downloads in 2003, besting Mariah Carey's "Touch My Body" by slightly more than 200 units.

As the band lands its third hit on billboard.biz's Mainstream Rock radio chart, the album celebrates its 29th straight week in the top 10.

The set is Family Christian Stores' album of the month. The retailer sale-priced it for \$9.97, likely contributing to its 29% gain this week.

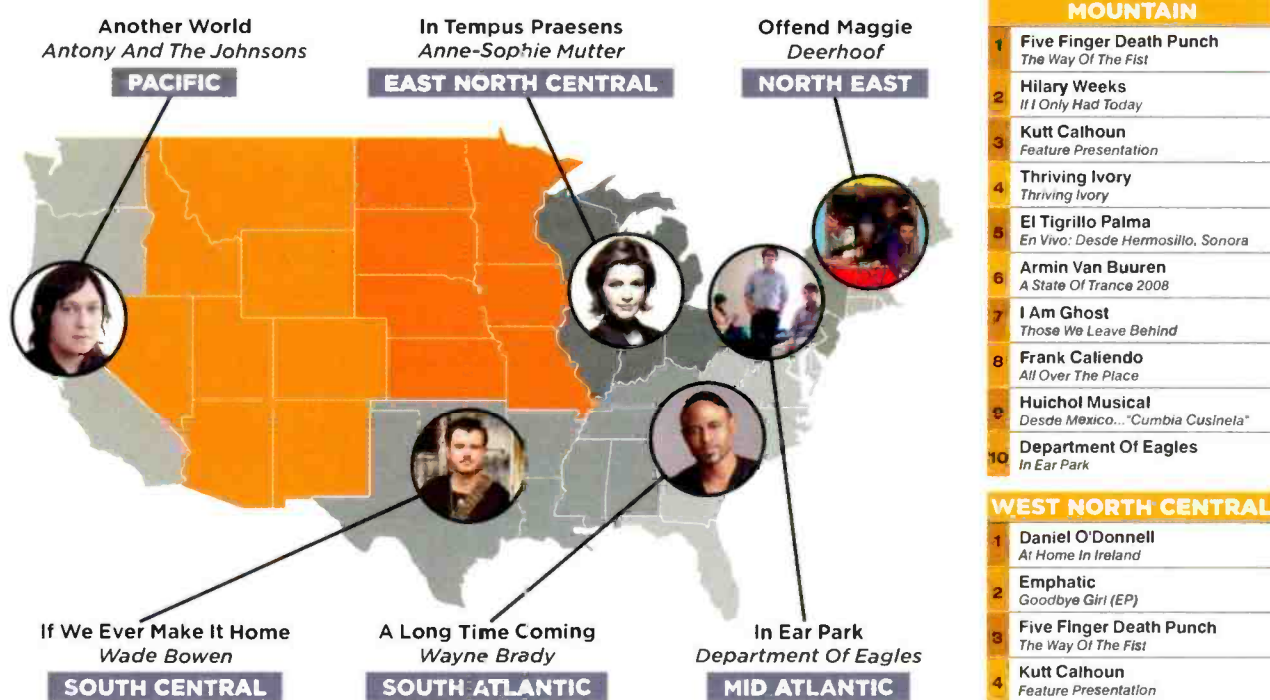

Though Lambchop has been releasing albums since 1994, this is its first to chart. The debut was fueled partially by love from npr.org, which bowed an in-studio performance from the act Oct. 8.

**3** Singer posts her first Pop 100 No. 1 (2-1) and moves 11-8 on Adult Top 40, where it's her third top 10, all with her last three singles.

**7** Song starts with 144,000 downloads to give Aguilera her first top 10 Hot 100 debut and her first top 10 since "Ain't No Other Man" peaked at No. 6 in July 2006.

**10** Quartet, which had never debuted above No. 50, instantly earns its sixth top 10, extending the mark for most top 10s by a band this decade. Song previews "Dark Horses," due Nov. 18.

**17** Most recent "American Idol" champ shifts 109,000 downloads of the first single from his debut studio album, shy of the 166,000 moved by '08 runner-up David Archuleta when he debuted at No. 2 with inaugural effort "Crush" in August.

**96** With a debut fueled solely by radio play (23 million impressions), song is expected to skyrocket into the top five next issue aided by a hefty first-week download sum.

**BETWEEN THE BULLETS**

**T.I. TAKES OFF ONCE AGAIN**

T.I. breaks the Hot 100 record for the biggest jump to No. 1, which he established just six weeks ago, as "Live Your Life," featuring Rihanna, leaps 80-1. The song supplants his own "Whatever You Like," which made a 71-1 improvement on the Sept. 6 chart and falls into the runner-up slot this week. The "Life" lift was spurred by a record first-week digital take of 335,000 downloads, which surpasses Mariah Carey's opening-week sum of 286,000 for "Touch My Body." The "Life" weekly total is second only to the 467,000 downloads shifted by Flo Rida's "Low" on the Jan. 12 chart, which reflected sales from the week after Christmas.

**PROGRESS REPORT**

**Justin Moore, "Back That Thing Up"**  
Coming across like a distant country cousin to Juvenile's 1999 rap hit "Back That Thang Up," the singer's twangy ditty rises to No. 45 on the Hot Country Songs chart this week. It's the Poyen, Ark., native's first radio hit.

**HEATSEEKERS:** The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of the Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseekers title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers ranks the best-selling albums in an influential subset panel of more than 350 stores, from independent retailer coalitions and smaller regional chains. While rapper maintains his grip at No. 1 (with a fifth straight week as the chart's airplay gainer), two more tracks from his album "Paper Trail," expected to open big atop the Billboard 200 next issue, debut at Nos. 57 and 80.

Song also moves 7-4 on Hot 100 Airplay, one spot behind his former No. 1 "Closer." Discounting artists with featured billings, Ne-Yo is the first male non-rapper to place two songs simultaneously in the top five of that chart since Akon in January 2007.

Miami-based newcomer takes Greatest Gainer/Digital tag (85,000 downloads, up 21%) with title that bounces into the top 10 on Hot Digital Songs (12-10).

Brooklyn trio Chairlift is the latest beneficiary of Apple commercial exposure as "Bruises," featured in the new iPod Nano TV spots, opens at No. 61 on Hot Digital Songs (21,000).

**BETWEEN THE BULLETS**  
**'RIGHT NOW,' AKON STARTS FAST**

Akon grabs Hot Shot Debut honors on the Billboard Hot 100 as "Right Now (Na Na Na)" opens at No. 17, aided by a first-week digital sum of 94,000 downloads. That tally is enough to land "Now" at No. 9 on Hot Digital Songs. In its second week at radio, the song posts a 15% increase, climbing to 12.2 million listener impressions. "Now," which previews Akon's third album "Freedom," due Nov. 25, is the singer's 24th chart entry since he debuted with "Locked Up" in June 2004. Since that date, only Lil Wayne (27) has made more Hot 100 appearances.

The physical version of the set, exclusive to Target, streeted one week before its iTunes release on Sept. 30. Target window tallies nearly 2,000.

No doubt that the album's low sale tag of \$4.99 at Best Buy in the tracking week powered much of the release's 63% increase.

It's likely that NPR's "Weekend Edition" feature on the artist (Sept. 27) aided its re-entry and gain of 49%.

THE BILLBOARD HOT 100

Main Billboard Hot 100 chart table with columns for rank, last week, weeks on chart, title, artist, and cert.

Rapper returns to No. 1 after a one-week respite while moving to the top of Hot 100 Airplay—his first time crowning that radio chart as lead artist—with a gain of 22 million listeners.

A 60% digital spike sends song soaring, becoming the first title by a solo female since Faith Hill's "Breathe" in 2000 to reach the top five on this list and the top 20 on Hot Country Songs (25-18).

Video exclusive on iTunes drives a 75% increase in digital song downloads as title returns to top 15 of this chart and top 10 of Hot Digital Songs (22-10).

Yet another Kid Rock knockoff makes the chart, also opening at No. 15 on Hot Digital Songs with 65,000 downloads. Version by Hit Masters has shifted 270,000 downloads since its release.

Appearances on "Leno" (Sept. 16) and "Ellen" (Sept. 18) help Nelly reach new Hot 100 peak with his latest track, which also re-enters Hot Digital Songs at No. 37 (31,000, up 156%).

Continuation of the Billboard Hot 100 chart table, showing ranks 56 through 100.

BETWEEN THE BULLETS WEST 'LOCKS DOWN' HOT SHOT BOW

One week after setting a personal best debut at No. 5 as part of the ensemble on Jay-Z & T.I.'s "Swagga Like Us," Kanye West betters that mark by opening at No. 3 with "Love Lockdown." The song, which previews his holiday season release "808s & Heartbreak," enters Hot Digital Songs at No. 2 with 218,000 downloads, the rapper's best digital week. His previous high point came when "Stronger" shifted 205,000 downloads in the Sept. 29, 2007, issue. —Silvio Pietrolungo

## NEW ON THE CHARTS

**Erin McCarley, "Pony (It's Okay)"**  
The Universal Republic singer/songwriter earns her first chart ink this week as her single bows at No. 30 on the Triple A chart on [billboard.biz](http://billboard.biz). It's the first offering from her upcoming debut album, "Love, Save the Empty."

**HEATSEEKERS:** The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of The Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseekers title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers ranks the best-selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains. Top 10 debut is a first for each rapper on this all-star collaboration. Song, which previews upcoming Jay-Z set "Blueprint 3," shifts 139,000 in its first week of release.

It's been exactly a year since T-Pain (pictured) was last in the top 10 as a lead vocalist (with "Bartender"), though he spent the interim helping out as a featured artist on six other top 10s.

A return to the iTunes music store (91,000 total downloads) sends track to a new chart peak.

Singer shoots 19-10 on Hot 100 Airplay, his sixth top 10 as a solo artist on that list since he first debuted less than three years ago.

Brandy returns to the chart for the first time since September 2004 with first single from "Human," due Nov. 11.

**BETWEEN THE BULLETS SHE PAINTS THE HOT 100 PINK**

Pink plants her first solo No. 1 on the Billboard Hot 100 as "So What" steps 2-1 to overtake T.I.'s "Whatever You Like" in a tight race: Less than 100 points separate them. Digital sales for "So" improve by 28% (to 253,000) in the tracking week that followed her MTV Video Music Awards stint. Airplay increases by a healthy 22%. Pink's only other No. 1 occurred when she was part of the all-star ensemble with Christina Aguilera, Lil' Kim and Mya on the remake of "Lady Marmalade" in the summer of 2001. For her 12 other charted singles, Pink peaked at No. 4 with "Most Girls" (2000) and "Get This Party Started" (2001). —Silvio Pietroluongo

Now an iTunes exclusive, set hits physical retailers Sept. 23. Its bow of 4,000 downloads is good for a No. 15 placing on Top Digital Albums.

After spending one week as an iTunes-only piece, the album, which is also available in a deluxe two-disc set, enters with 2,000 (up 125%). It bows at No. 9 on Top Electronic Albums.

The physical release of the singer's album—along with a stop on "Conan O'Brien"—yields a 157% jump for the set. It was a digital-exclusive for the previous five weeks.

**BREAKING & ENTERING**

You've heard singer/guitarist Kevin Rudolf playing on chart hits from Timbaland, Justin Timberlake and Nelly Furtado, including Furtado's No. 1 "Say It Right." Now he strikes out on his own, with the help of Lil Wayne, as "Let It Rock" vaults 45-33 on the Billboard Hot 100.

Go to [billboard.com/breaking](http://billboard.com/breaking) to discover developing artists making their inaugural chart runs each week.

**PROGRESS REPORT**

**The Airborne Toxic Event, "The Airborne Toxic Event"**  
The band's set posts its first gain since its release last month, moving to No. 24 on Top Heatseekers with a 22% hike. Airborne's single "Sometime Around Tonight" continues to rise on the Modern Rock radio chart, bulleting at No. 32.

**HEATSEEKERS:** The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of The Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseekers title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers ranks the best-selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains. With a move to No. 1 on Adult Contemporary, "American Idol" winner becomes the first solo male to reign on that list with a debut single since Daniel Powter with "Bad Day" in 2006.

Latin crooner makes his second Hot 100 appearance, and first since 2005, with song that spends its second week at No. 1 on Hot Latin Songs.

**'STAND UP' STANDS TALL ON HOT 100**

Charity single "Just Stand Up!" by Artists Stand Up to Cancer, featuring 15 of the biggest female artists in music, makes an impressive 78-11 leap on the Billboard Hot 100. The tracks' vocalists appear on another 10 Hot 100 titles. The song starts at No. 7 on Hot Digital Songs with 109,000 sold in its first full week and jumps 72-54 on Hot 100 Airplay on a 35% audience spike. **PROGRESS REPORT**  
**Matt Nathanson, "Some Mad Hope"**  
The singer's album re-enters the Billboard 200 chart (No. 188) with a 16% gain, partially owed to a sale tag the title carried at Best Buy. Additionally, Nathanson's single "Come On Get Higher" climbs to a new peak of No. 17 on Adult Top 40.

**HEATSEEKERS:** The best-selling albums by new and developing acts, defined as those who have never appeared in the top 100 of The Billboard 200 or the top 10 of Top Country Albums, Top R&B/Hip-Hop Albums, Top Christian Albums, Top Gospel Albums or Top Latin Albums. If a Heatseekers title reaches that level, it and the act's subsequent albums are immediately ineligible to appear on the Heatseekers chart. **TASTEMAKERS:** Tastemakers ranks the best-selling albums in an influential subset panel of more than 350 stores from independent retailer coalitions and smaller regional chains. Pink's performance of the track Nov. 23 on the American Music Awards telecast brings the song onto this list and returns it to Hot Digital Songs with a 409% gain (No. 30, 38,000 downloads).

**60** As Cook's track heats up at radio (No. 71 debut on Hot 100 Airplay), it bounds back up the chart with the list's largest leap.

These Australian twin sisters, who first appeared on a Billboard chart in 2005 with the top 20 Dance Club hit "4Ever," make their Hot 100 debut. The song moves 25,000 downloads and is among the top 10 most-played cuts on WHZZ (7100) New York and WIOQ (Q102) Philadelphia.

Another beneficiary of the AMA telecast, the Dolls' digital sales increase by 150% (to 21,000) after their show performance. The song moves 42-34 on Pop 100 Airplay chart, viewable at billboard.biz/charts.

**BETWEEN THE BULLETS**

**BEYONCÉ BYPASSES DESTINY'S**

Beyoncé earns her fifth No. 1 as a solo artist as "Single Ladies (Put a Ring on It)" rolls 2-1 on the Billboard Hot 100. As a member of Destiny's Child, she racked up four chart-toppers between 1999 and 2001. Her first No. 1 as a leading lady came with "Crazy in Love" in 2003. Following a performance of "Ladies" Nov. 23 on ABC's American Music Awards telecast, digital sales surged by 11% to 228,000. At radio, "Ladies" moved ahead of "If I Were a Boy," her competing single from "I Am... Sasha Fierce," on Hot 100 Airplay a week ago and jumps 6-4 (101 million listener impressions) this issue. "Boy" bounces 9-7 on that chart (82.5 million).

1 A performance during the annual Macy's Thanksgiving Day Parade helps her Christmas set rise to No. 143 on the Billboard 200.

Twenty years into its career, the rock band scores its best sales week as the album arrives with nearly 4,000.

The "D.A.N.C.E." duo returns to the tally with its new live set, following the No. 12-peaking studio album "Cross" earlier this year.

Lead single from Eric Benet's forthcoming "Love & Life" marks his highest debut since 1992.

In his second week at No. 1 on Rhythmic Airplay, Lil Wayne crushes the chart's one-week detection record with 6,540 spins. On this chart, his new single at No. 50 doubles in audience to 5.5 million impressions.

Boost of 7 million impressions (up 67%) fuels attractive leap, making her the first female this year to reach the top 20 with three singles.

Sapp earns his first top 10s on Adult R&B (12-10) and Top R&B/Hip-Hop Albums (11-8, up 50%). Meanwhile, the track's 32nd week atop Hot Gospel Songs establishes the longest reign on any radio chart in Nielsen BDS history.

While this single stems from his upcoming set, his most recent release, "Because of You," benefits, charging 56-41 on Top R&B/Hip-Hop Albums (up 139%).

## BETWEEN THE BULLETS rgeorge@billboard.com T.I.'S TIME TO SHINE HIGH DEBUT

T.I.'s return to Hot R&B/Hip-Hop Songs with "No Matter What" at No. 43 earns the best debut by a rap single since Jay-Z's "Blue Magic" bowed at No. 35 last October. T.I.'s hit ranks second only to Usher's No. 14 launch with "Love in This Club, Part II" last week for the top bow this year.

After T.I.'s two platinum albums and a budding acting career, this impressive bow from the upcoming "Paper Trail" could signal a slight victory for the rapper. In March he was sentenced to community service and 12 months in prison after pleading guilty to federal weapons charges. —Raphael George

With 15 charting titles on R&B/Hip-Hop Albums, Carey scores consecutive No. 1s for the first time. "The Emancipation of Mimi" spent five weeks on top

After backsliding for the past two weeks, Trina rebounds by almost a million impressions to reach new peak.

Premature leak from his album has already surpassed the No. 77 peak of the set's official single, which falls to No. 84 this week. "Lessons in Love" is due July 15.

Ne-Yo climbs 66-59 on R&B Songs and debuts at No. 24 on Rhythmic Airplay for that chart's highest entry since "Disco Inferno" by 50 Cent bowed at No. 21 in 2004.

Atlanta-bred rapper continues to soar with his debut single. His gain of 3 million impressions this week (67%) follows the 2 million hike from last frame.

## SPARKS FINDS RARE 'AIR' AT NO. 1

While a throat injury sidelines Jordin Sparks, she can take comfort in being only the second "American Idol" champ to earn a Hot R&B/Hip-Hop Songs top 10 on a debut single. Her duet with Chris Brown, "No Air," moves 12-8.

"No Air" is the second single from Sparks' self-titled album. "Tattoo" peaked at No. 3 on the Billboard Hot 100 but did not grab R&B stations. Season-two winner Ruben Studdard carried his debut, "Superstar," and follow-up, "Sorry 2004," to No. 2 in 2004. "I Believe" from Fantasia's season-three finale peaked at No. 12. She didn't reach the top 10 until her album's first single, "Truth Is."

### ANTEBELLUM STARTS AT NO. 1

Opening with 43,000 copies, Lady Antebellum's self-titled set is the first rookie album by a duo or group to start at No. 1 on Top Country Albums. "Lady Antebellum" pings the Billboard 200 at No. 4 and parks at No. 6 on Top Digital Albums (9,000 copies sold). Downloads account for 21% of its first-week sales, a higher than usual share for the genre, considering that digital only con-

tributed 6.8% of country album sales in this year's first quarter. On the country list, the trio's No. 1 start is the first by a newcomer without exposure on a nationally televised singing competition since Jason Michael Carroll's "Waitin' in the Country" arrived in the Feb. 24, 2007, issue. On Hot Country Songs, Lady Antebellum's lead single, "Love Don't Live Here" spikes 11-9. —Wade Jessen

Not even a year removed from the release of "Double Up" at No. 82 on R&B/Hip-Hop Albums, R. Kelly preps new album with latest R&B/Hip-Hop Songs debut.

It's her first top 10 since 2005. She also ends an Adult R&B airplay absence of five years with her best debut on that chart (No. 29).

Lil Wayne roars 7-3, up 12 million, for the fastest weekly audience increase by a rap track since "Money" by Ludacris gained 15 million in July 2006.

His large leap is aided by rotation from 20 new stations. Single gains 3 million in audience (up 64%).

As a sign of the dwindling single sales market, not one title qualifies for the Greatest Gainer/Sales award. It's the second occurrence this year, following the Jan. 19 chart.

## DeVAUGHN GETS FIRST ADULT ACE

Raheem DeVaughn ascends to his first Adult R&B airplay No. 1 as "Woman" moves 2-1. The title makes it two weeks in the lead for male artists after Alicia Keys, Angie Stone and Keyshia Cole led the list for 24 consecutive weeks. Last week, Jaheim's "Never" hit No. 1; it now tumbles to the runner-up position. Prior to Jaheim and DeVaughn, the last time a male artist held the top spot were Musiq Soulchild, Tank and Robin Thicke. Those three laced together 39 straight weeks on top with their respective singles until Stone's "Baby" broke up the boys club in the Nov. 3, 2007, issue. —Raphael George

### NEW OTTO SET 'STARTED' FAST

Muzik Mafia member James Otto is hardly a newcomer to Nashville, but his R&B-flavored "Just Got Started Lovin' You" has introduced him to the masses during its 26 weeks on Hot Country Songs, where it now steps 4-3. The "Days of Our Lives," spent one week on Top Country Albums in 2004.

Up 2,000 copies, Tim McGraw's "Let It Go" is Greatest Gainer on Top Country Albums (26-17), as his Def Leppard collaboration "Nine Lives" wraps its season-long run on ABC's NBA broadcasts. The album also benefits from a repackaging that adds a bonus copy of McGraw's 2001 album "Set This Circus Down."

The pair unseats Usher or Rhythmic chart, giving each his first No. 1 on that list. Single is housed in Ray J's "All I Feel," which bows next week on the Billboard 200.

Ross nets his first top 10 as a lead artist. He peaked at No. 9 in November as a guest on DJ Khaled's "I'm So Hood."

"Dancing With the Stars" contestant Mario prances 700-60 as audience grows by almost 3 million.

With at least nine solo albums to his credit, Bizzy Bone of Bone Thugs-N-Harmony sees his first debut on R&B Songs, at No. 61, with the title track to his upcoming album.

Single is the lead piece to "Year of the Gentleman," his third album in as many years, due June 24.

## BETWEEN THE BULLETS rgeorge@billboard.com 'LOLLIPOP' LICKS TWO CHART MARKS

Lil Wayne's "Lollipop" hurdles 7-1 in its third week on Hot Rap Songs for the largest position leap and quickest dash to No. 1 since the chart moved to an audience-based metric in 1999. Four earlier songs had jumped 4-1; the speedy ascent of "Lollipop" is one week faster than either Jay-Z's "Izzo (H.O.V.A.)"

Wayne's second No. 1, following his guest spot on "Back That Thang Up" by Juvenile in 1999. For "Lollipop" featured artist Static Major, it's a posthumous honor, as the rapper/producer died Feb. 25, three days after shooting the single's video. —Raphael George

### GRACIN AGAIN FINDS TOP FIVE

As George Strait's "Troubadour" invades the Billboard 200 and Top Country Albums (see Over the Counter, page 45), second-season "American Idol" finalist Josh Gracin plants his second top five start on the country list. Gracin's sophomore set, "We Weren't Crazy," pops on at No. 4 with 18,000 copies sold, considerably less than the 57,000 units that fueled the No. 2 start by his self-titled debut album in the July 3, 2004,

GRACIN

issue. The lead single and title track rises 28-26 on Hot Country Songs.

Meanwhile, Strait's "22 More Hits" hooks the Greatest Gainer, up 4,000 copies (25-17).

and Dolly Parton's "16 Biggest Hits" (46-32) earns the percentage-based Pacesetter award, following her April 1-2 stint on "American Idol." Her new album, "Backwoods Barbie," increases 3,000 copies and steps 14-13.

She falls to No. 2 on this chart but holds at No. 1 for a fifth week on Adult R&B, leading that list by only two spins, the slimmest margin between the top two songs in almost a year.

After re-entering last week at No. 77, the-Dream nearly doubles in audience and soars to No. 60 (up 83%).

Flo Rida rises 56-53 on this list and earns his second top 10 on Rhythmic Airplay in track's sixth chart week (16-10). His former No. 1, "Low," needed three more weeks to reach the top 10.

Next to Lil' Wayne, "American Idol" star has second-largest percentage increase in audience among the top 50 (up 74%). Top airplay supporters include WJLS and more.

At No. 90, Nelly debuted a pre-view single from his new album, "Brass Knuckles," in August. The official single to the set (due June 24) now takes a bow.

## BETWEEN THE BULLETS' rgeorge@billboard.com USHER CRACKS LADIES' LOCK ON NO. 1

Usher snaps the reign at No. 1 of nearly six months on Hot R&B/Hip-Hop Songs by female powerhouses Keyshia Cole and Alicia Keys, as his "Love in This Club," featuring Young Jeezy, bounces 2-1. J. Holiday was the last male at No. 1 with "Bed" in the Oct. 20, 2007, issue. Since then, Keys presided over the list with consecutive singles "No One" (10 weeks) and

"Like You'll Never See Me Again" (seven), followed by Cole's "I Remember" (seven). "Love" is Usher's ninth chart-topper since his 1993 debut, which ties him with R. Kelly for the most No. 1s in that span. "Love" also glides 2-1 at Rhythmic Airplay to extend the singer's lead on that chart with nine No. 1s.

### SKAGGS DRAWS HIS FOURTH ACE,

Torchbearer Ricky Skaggs opens at No. 1 for a fourth straight time on Top Bluegrass Albums and establishes a Nielsen SoundScan-era high bow on Top Country Albums, where "Honoring the Fathers of Bluegrass: Tribute to 1946 and 1947," takes the Hot Shot Debut at No. 29 (3,000 copies). Since May 1991, Skaggs' prior best on the country chart was a No. 32 start with "Live at the Charleston Music Hall" in the April 12, 2003, issue. Following the launch of Top Bluegrass Albums in July 2002, Skaggs has more No. 1 starts than any fellow practitioner: Nickel Creek, Rhonda Vincent and Alison Krauss are tied for second with two titles apiece. Skaggs' new set hails the genre's postwar big bang, when Bill Monroe perfected his sound by hiring superpickers Lester Flatt and Earl Scruggs (see story, page 44). —Wade Jessen

## YES, HE 'CAN': RAY J ZIPS INTO TOP FIVE

Ray J enters the top 10 on Hot R&B/Hip-Hop Songs for a third time, as "Sexy Can I" vaults 11-5. It's the actor/singer's first visit to the top tier since "One Wish" reached No. 3 in December 2005. The new track previews Ray J's fourth album, "All I Feel," due

April 8, and paves the first top 10 for collaborator Yung Berg. "Sexy" is the first song to ascend to the top five from outside the top 10 since T-Pain's "Buy U a Drank (Shawty Snappin')" soared 14-5 in the April 14, 2007, issue.

### SWIFT FAST ON BUNNY TRAIL

Easter gift shopping and a March 14 performance on "Live With Regis and Kelly" returns Taylor Swift's self-titled debut to No. 1 on Top Country Albums, where it spends a 17th week. Up 24,000 copies with Greatest Gainer roses, "Taylor Swift" most recently capped the March 15 chart.

Concurrently, "American Idol" grad Kellie Pickler returned to her alma mater for a rollicking performance of

"Red High Heels" on the show's March 19 elimination round, pushing "Small Town Girl" up 136%, good for Pacesetter applause (40-22).

Top Country Albums' oldest title, Rodney Atkins' "If You're Going Through Hell" (17-15), logs its 88th chart week and will remain catalog-exempt at least through the run of fifth single "Invisibly Shaken," which shipped to radio during the tracking week. —Wade Jessen

Lil Wayne's hot shot debut at No. 56 is the second-best of his career as a lead artist.

The single gives Carey her 26th top 10 on this chart and 13th top 10 on Adult R&B (14-9). The latter ties Toni Braxton for the record for females on that list.

Known for having more success on the Adult R&B chart, DeVaughn's second single receives most of its airplay from mainstream R&B/Hip-Hop stations.

At No. 26, Justin Timberlake's single celebrates one year on the chart, one of three songs with at least 52 weeks on the list (Nos. 35 and 41, also).

Sweat achieves his best rank on this chart since 2000 and claims his first top 10 as a solo artist on Adult R&B since 2002 (11-10).

## 'STAY' ADDS TO BLIGE'S CHART LORE

With the debut of "Stay Down" at No. 65, Mary J. Blige makes her 53rd chart appearance, placing her lead over Mariah Carey and Janet Jackson with her second among all females on Billboard's 66-year-old Hot R&B/Hip-Hop Songs chart. Blige's latest puts her one ahead of legends Diana Ross and Dionne Warwick, with 52 solo hits each. Although Aretha Franklin owns

the female title of 98 chart debuts, Blige extends her lead over Mariah Carey and Janet Jackson with 41 each for first among ladies since the Nielsen Music era began in 1992. Among all artists, Jay-Z holds the Nielsen-era record with 82 entries; James Brown is tops for the chart's entire history with 112.—Raphael George

### TV AND RADIO FUEL ADKINS' SET

While Trace Adkins continued to be a contender on NBC's "Celebrity Apprentice" during the March 10-16 tracking week, his heartfelt ballad "You're Gonna Miss This" takes the biggest leap and second-largest gain inside the top 10 on Hot Country Songs (up 1.9 million). Both factors lift Adkins' "American Man: Greatest Hits, Vol. II," rising 13-11 with Greatest Gainer honors on Top Country Albums

(10,000 copies sold). In its 15th chart week, and one of two new tracks on the hits package, it is his fastest-rising single since Hot Country Songs was trimmed from 75 titles to 60 in January 2001. His quickest rise on the deeper list was in April 1997 when "(This Ain't) No Thinkin' Thing" peaked at No. 1 in its 11th chart week. The new single logs 27.3 million impressions from 112 stations during the week. —Wade Jessen

## NOTHIN' BUT A 'GOOD TIME'

Alan Jackson snares his 12th No. 1 on Top Country Albums and his fourth top bow on the Billboard 200, as "Good Time" opens with 119,000 copies (see Over the Counter, page 69). The album marks a return to form for Jackson, who veered from his well-traveled traditional country path with his two most recent sets, the religious-themed "Precious Memories" and the Alison Krauss-produced "Like Red on a Rose" (both 2006). The new album's lead single, "Small Town Southern Man," vies for top ink on Hot Country Songs (3-2), his highest perch there since "Remember When" hit No. 1 in February 2004.

On Top Country Albums, Jackson's "16 Biggest Hits" is the Greatest Gainer (5,000 copies). Also noteworthy is a No. 16 start for hard country singer/songwriter Ashton Shepherd's "Sounds So Good" (8,000 copies).

MURRAY

"Duets" marks the first time Murray has 13,000 copies sold. Murray's No. 42 bow on the Billboard 200 also sets a new debut benchmark for the artist in the Nielsen SoundScan era. On the country list, Murray's new set outpaces her prior high debut, when "All of Me" popped on at No. 13 in the Feb. 12, 2005, issue. That bow also set Murray's

competed in country's top 10 since "What a Wonderful Christmas" peaked at No. 6 in December 2001. Her most recent top 10 on the country list with nonseasonal fare was a No. 4 peak for "What a Wonderful World" in February 2000. Murray tours North American cities through the first week in May. —Wade Jessen

Lupe Fiasco starts 70-59, up 26%. Chicago rapper hit the TV circuit with stops on "Letterman," Jan. 2; "Jimmy Kimmel," Jan. 9; and "Craig Ferguson," Jan. 14.

"Independent" (No. 8), the first top 10 for newcomer Lil' Phat, becomes the third scored by Webbie and the second for Lil' Boosie.

Songs climbs 16-10 on Hot Rap Songs as that chart returns to the magazine (page 72). Shawty Lo last reached the top 10 with "Lafy Taffy" in 2005 as a member of D4L.

Following Marvin Sapp (98-68), Marvin Winans has the second debut from a gospel artist in as many weeks. But this single has yet to reach Hot Gospel Songs.

Audience up almost 2 million as radio stations in Baltimore, St. Louis and Cleveland post large increases.

### VINCENT TOPS BLUEGRASS LIST

Seven-time International Bluegrass Music Assn. female vocalist winner Rhonda Vincent debuts at No. 1 on Top Bluegrass Albums for a second time, as "Good Thing Going" pops with 3,000 copies.

The Kirksville, Mo., native also swipes the Hot Shot Debut at No. 35 on Top Country Albums, her second-highest start on that chart.

Vincent's new set is her second-biggest opening week, outpaced only by the

4,000 units sold when "One Step Ahead" bowed at No. 30 on Top Country Albums in 2003. Her first No. 1 on Top Bluegrass Albums came in 2006 when "All-American Bluegrass Girl" started at 3,000 copies.

She made four stops in Portland, Ore., and Nashville during the tracking week. Her Nashville rounds included stops on WSM's "Grand Ole Opry" and "Ernest Tubbs Midnight Jamboree."

## SWIFT, BRYAN RISE IN SOFT WEEK

Now in its 56th week inside the top 10, Taylor Swift's self-titled debut set returns to No. 1 on Top Country Albums for a ninth week, its first turn at the summit since the Sept. 22, 2007, issue. Although Swift's 3-1 hop comes with a 39% dip during the chart's post-Christmas adjustment, her decline is the smallest of any title in this issue's top 10. It moves 47,000 copies, roughly 8,000 more than the No. 2 title. Swift's "Sounds

of the Season" also bullets at No. 35 (3,000 copies sold).

A modest gain of 2,000 copies makes "Songs 4 Worship: Country" the Greatest Gainer. The compilation is the only title on the chart to increase this issue, so percentage-based Pacesetter honors go to the title that loses the least: newcomer Luke Bryan's "I'll Stay Me," which slides by 17% but jumps 55-43. —Wade Jessen

### EAGLES ROOST FOR FIFTH WEEK

Although the album takes a post-holiday dip of more than 70%, the Eagles' "Long Road out of Eden" claims a fifth straight and seventh non-consecutive week atop the chart (85,000 copies sold). No group has logged more than four consecutive weeks at No. 1 on Top Country Albums since Dixie Chicks' "Taking the Long Way" wrapped up a six-week stand in the July 15, 2006, issue. That long run followed seven

straight weeks at the summit by Rascal Flatts' "Me and My Gang" earlier that year. In the 18-year Nielsen SoundScan era, the longest uninterrupted No. 1 streak by a group was 13 weeks for Dixie Chicks' "Home" in 2003.

This isn't the first time the Eagles' material rode the chart's crest. Multi-artist tribute "Common Thread: The Songs of the Eagles" logged 13 weeks at No. 1 in late 1993 and early 1994.—Wade Jessen

Radio gain of 5 million is Holiday's best in three weeks and nets his second top five single.

Miami rapper takes top bow at No. 71. Her next album, "Still Da Realist," is slated for Feb. 12.

Up 2 million in audience, but Brown's third song in top 30—and chart's only Christmas single—will likely disappear next week as radio moves out of holiday programming.

Queen of Soul Aretha Franklin reigns over the playlist of three monitored stations and presides in top 10 at nine others. Single bounces 62-48.

New airplay from stations in Dallas, Miami and St. Louis give boost of 2 million. Fat Joe's eighth studio album, "The Elephant in the Room," is due first quarter.

### GOOD GOLLY, IT'S DOLLY!

Country Music Hall of Famer Dolly Parton lands her highest opening on the Billboard 200 (No. 17), and after an early bow last issue due to Internet fulfillment, achieves her highest perch on Top Country Albums in 17 years (48-2). Her warm retail reception with "Backwoods Barbie" (27,000) seals her biggest sales week since her collaborative "Honky Tonk Angels" outing with Tammy Wynette and Loretta Lynn sold 40,000

copies during Christmas week 1993. Parton hasn't stood this tall on Top Country Albums since "Eagle When She Flies" peaked atop the chart in 1991.

Meanwhile on Top Bluegrass Albums, rookie acoustic ensemble the Punch Brothers post a No. 1 start. Led by mandolin wizard and former Nickel Creek frontman Chris Thile, "Punch" opens with 3,000 copies.

# GOURDIN BOWS WITH 'ROSCOE' CUT

With vocals reminiscent of '70s soul, R&B upstart Noel Gourdin nets the Hot Shot Debut with "The River" at No. 56 on Hot R&B/Hip-Hop Songs with 4 million impressions. The song got some radio love after being featured in the movie "Welcome Home Roscoe Jenkins." It gives the Brockton, Mass., na-

Kingston's "Beautiful Girls" opened at No. 53 last June.

At Adult R&B, Mariah Carey's "Touch My Body" shoots 39-17 for the largest leap since Michael Jackson's "You Rock My World" jumped 33-10 in 2001.

## CAGLE FAST IN SLOW SALES WEEK

Last week's Top Country Albums saw all but five titles gain in the wake of Valentine's Day shopping and Grammy Awards impact. This week, as the chart adjusts back to normal, every set on the list declines in sales, save for new and re-entries. Thus, the Pacesetter award, normally earned by the album with the largest percentage increase, goes to the title with the smallest drop: Miranda Lambert's "Crazy Ex-Girlfriend" (No. 21, down 12%).

In light of the overall market decline this week, any title with less than a 20% sales drop earns a bullet.

At No. 1, Chris Cagle earns his second chart-topper while on the Billboard 200, he nabs his first top 10. At No. 48, Dolly Parton's "Backwoods Barbie" bows a week early after Internet retailers shipped the album early to consumers.

## TO MY VALENTINE, LOVE GRAMMY

With this week's sales charts reflecting Grammy Awards impact as well as gains earned and a 373% increase. It just misses re-entering the Billboard 200 by less than 100 units.

from Valentine's Day shopping traffic, all but five titles on Top Country Albums see increases in sales this issue.

The biggest percentage gain goes to Vince Gill's "These Days," which won the Grammy for best country album. It zooms to No. 32 with 4,000 sold

The Grammys' country performers, Carrie Underwood and Brad Paisley see handsome gains. The former gains at Nos. 5 and 8 (up 43% and 45%, respectively) while Paisley is up 56% at No. 12. Both artists won non-televised trophies as well.

### OPRY TAKES CHART TO CHURCH

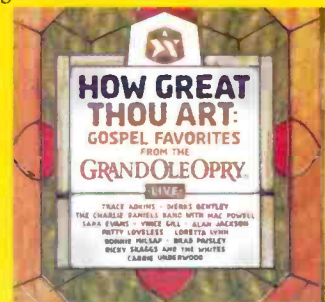

Although the venerable weekend radio show was built on Saturday night music, Sunday morning songs have been a mainstay on the WSM Grand Ole Opry throughout its storied 82-year history.

With a guest appearance by Carrie Underwood on the title cut, a dozen current Opry cast members convene on "How Great Thou Art: Gospel Favorites From the Grand Ole Opry," earning Hot Shot Debut on Top

Country Albums at No. 25 (5,000 copies sold and starting at No. 10 on Top Christian Albums. The Sony BMG Nashville-distributed set is on the Opry's custom imprint, which

previously issued similar sets of live performances through an exclusive arrangement with Cracker Barrel Old Country Stores. Provident-Integrity is racking the new title at Christian specialty stores.

His album is up by 59%, likely owed to his performance on Univision's July 17 "Premios Juventud 2008." The same goes for Enrique Iglesias at No. 6 with a 13% increase.

The set scores its best sales week yet and is up 50% to a new chart peak after it was sale-priced at Wal-Mart.

This 15-track compilation also bows at No. 21 on Top Regional Mexican Albums at billboard.biz, the act's 21st charting set on that tally.

With his fourth album "Love and Life" awaiting its Aug. 9 street date, Benet chalks up his first top 20 since 1999.

The single's increase of 3.6 million impressions is its best in eight weeks. Meanwhile, the release of We-Yo's third album in three years has been pushed back.

T-Pain is featured on Lil Wayne's single at No. 31, but they trade places for the Hot Shot debut. Song is from T-Pain's upcoming "Three Ringz."

BETWEEN THE BULLETS

LIL WAYNE CONTINUES BIG ROLL

Having ruled Hot Rap Songs since April with the first single from "Tha Carter III," Lil Wayne continues his domination as "A Milli" (3-1) replaces his "Lollipop" at the chart's summit. The newly crowned single makes Lil Wayne the first artist since to swap titles at No. 1 since 2005 when Bow Wow moved "Let Me Hold You" past "Like You."

At Rhythmic Airplay, "A Milli" (11-8) also gives Wayne the lion's share of the top 10, joining his other hits "Got Money" at No. 10 and 12-week champion "Lollipop." He is the first lead artist since Usher in 2004 to place three songs in the top 10 in the same week. —Raphael George

Artist born Terius Nash ascends to his second consecutive No. 1 on the Mainstream R&B/Hip-Hop chart. His previous "Fasetto" ruled that airplay tally for a week in March.

Third title from "The Carter III" enters the top 40, while two other cuts from the set bow at Nos. 84 and 86.

Last week's Hot Shot Debut adds airplay at 25 additional stations. It also starts at No. 38 with the largest spin gain on Mainstream R&B/Hip-Hop.

In advance of "Paper Trail," due in September, rapper enters with song just posted on his MySpace page.

Singer returns to the chart for the first time since 2001. Ballad rises 26-21, up 33%, on the Adult R&B list.

**BETWEEN THE BULLETS**  
**IN TOP 10, RIHANNA TAKES 'A BOW'**

Rihanna, who's stormed pop radio with a format-best nine top 10s on the Mainstream Top 40 chart since her debut in 2005, notches her second top 10 on Hot R&B/Hip-Hop Songs, as "Take a Bow" jumps 11-8. She previously resided in the top 10 with "Umbrella," which climbed to No. 4 a year ago this week. "Bow" grabs Greatest Gainer/Airplay for the second consecutive week (up 3.9 million audience impressions), making Rihanna the first female to earn the award in back-to-back frames since Keyshia Cole did so in May with "Heaven Sent" which leads Hot R&B/Hip-Hop Songs for a fifth issue. —Gary Trust

Song's 10-1 rise is the biggest vault to the top since Enrique Iglesias' chart-record 49-1 catapult with "Dimelo" in May 2007. It's the duo's fourth career No. 1.

As song returns to No. 1 on Latin Rhythm Airplay at billboard.biz, cut becomes reggaeton star's eighth top 10 on Hot Latin Songs (up 21%).

Strong start (6.8 million audience impressions) is fueled by a No. 5 bow on Latin Pop Airplay list at billboard.biz.

## BENET STAYS HOT AT ADULT R&B

Eric Benet extends the longest active consecutive leader Toni Braxton belted 10 straight, excluding top 10 streak at Adult R&B to seven as "You're the Only One for Me" darts 11-8. Starting with "Georgy Porgy" in 1999, Benet's string of top 10s ties for second with Babyface, Luther Vandross and Jill Scott since the chart's 1993 launch. Format

a Christmas title, from 1993 to 1996.

On Hot R&B/Hip-Hop Songs, Lil Wayne claims hits in the top four with "Lollipop" (3-2) and "A Milli" (7-4). He is the first to place two songs this high on the list since Alicia Keys in January.

### TYMINSKI CHARTS ON HIS OWN

Vermont native Dan Tyminski captures his first ink on Top Country Albums and Top Bluegrass Albums, as "W\*H\*E\*E\*L\*S" opens atop the latter chart and takes the Hot Shot Debut bow at No. 32 on the country list (3,000 copies).

Tyminski is known as the real-life lead singer for the fictitious Soggy Bottom Boys, featured in the 2000 film "O Brother, Where Art Thou?" Lip-synched in the movie by

actor George Clooney, Tyminski's lead on "I Am a Man of Constant Sorrow" from the film's top-selling soundtrack also heightened his profile as a singer/instrumentalist in Alison Krauss' band, Union Station. His earlier album, "Carry Me Across the Mountain," has sold 60,000 copies since its release eight years ago.

As previously reported, Krauss' band is on hiatus during her tour with Robert Plant. —Wade Jessen

Angie Stone's rise and Emily King's debut (at No. 74) are aided by airplay after visits to syndicated radio shows. King's visit could be short, as the single peaked on Adult R&B last summer. Her label plans a follow-up track.

At No. 39, Lyle Jennings benefits from new airplay in large markets as single coasts 64-39. Rotation starts in Washington, D.C.; Dallas; and Houston.

New rotation from KBFE Dallas adds to 75% audience spike as single reaches 13 million impressions.

Sweat, who also headlines his own syndicated radio show, sees his first debut as a solo artist since 1997.

## NELSON BOWS; BROOKS GROWS

Country Music Hall of Fame member Willie Nelson claims his sixth top 10 start in the Nielsen SoundScan era, as "Moment of Forever" takes the Hot Shot Debut at No. 8 and dents the Billboard 200 at No. 56. Nelson penned three of the album's tracks and covers other high-profile tunesmiths, including Randy Newman, Kris Kristofferson, Bob Dylan and Guy Clark. Kenny Chesney co-produced the album with his own longtime studio

guru, Buddy Cannon. Garth Brooks nails the Greatest Gainer for a second straight week with "The Ultimate Hits," up 3,000 units after his ambitious five-shows-in-three-days charity spectacle, staged Jan. 25-26 in Los Angeles. CBS-TV aired "Garth Brooks: Live in LA" Jan. 25, during which viewers contributed to proceeds that those shows raised for Southern California 2008 Fire Intervention Relief Effort. —Wade Jessen

At 18 weeks, it's Mary J. Blige's longest journey to top three and the longest by a female in almost three years.

Jill Scott single revives by almost 2 million impressions (76-54). Singer's U.S. tour starts Feb. 5, same day that her "Live in Paris" CD/DVD hits stores.

Twenty-two-year-old Tacoma, Wash., native builds on second consecutive Sales award. With airplay, indie label single sees 23% gain in total chart points.

Lupe Fiasco climbs 49-31 and inches 11-10 for his first top 10 as lead artist on Top Rap Songs. He peaked at the same point as guest star on Kanye West's "Touch the Sky" in 2006.

### ROOKIE WICKS LIGHTS UP TOP 10

Newcomer Chuck Wicks earns the Hot Shot Debut on Top Country Albums as "Starting Now" moves 20,000 copies to open at No. 7 and

popped on at No. 2 with 25,000 copies in September. The top 10 on Country Albums saw three solo male artists bow for the first time last

No. 24 on the Billboard 200. The debut is a victory of sorts for the star of Fox's short-lived reality show "Nashville," which the network canceled in the fall after just two episodes. Wicks' start is the biggest for a country chart rookie since Luke Bryan's "I'll Stay Me"

year, led by Jason Michael Carroll's February start with "Waitin' in the Country" (57,000 copies), Bucky Covington's self-titled set in May (60,000 copies) and Bryan's arriving later. There weren't any other beginner debuts in country's top 10 in 2007.

Impressions step up by 4.4 million, giving the singer the best audience increase outside the top 10.

The Minneapolis soul collective gets its best chart real estate since 1999 on this list and best since 2000 on Adult R&B (No. 5).

42

With only 1 million impressions separating songs at Nos. 42 and 52, a modest gain can spur a large jump as in the case of the rapper's increase of 500,000.

Her bow at No. 28 on Adult R&B helps fuel re-entry. Meanwhile, her sales remain steady on Top R&B/Hip-Hop Albums, only losing 2% since last week (No. 27).

This teenage rap star looks to spark another dance craze as he did last year with "Crank That." This single previews "iSouljaBoyTell'em," due Dec. 16.

BETWEEN THE BULLETS

FIRST CHART-TOPPER FOR NE-YO

NE-YO

Ne-Yo registers his first No. 1 on Hot R&B/Hip-Hop Songs as "Miss Independent" moves 2-1. Prior to this upward march, the singer stalled at No. 2 with three singles as a featured artist, most recently in June on Plies' "Bust It Baby Part 2." Two previous attempts as a lead artist halted at No. 3, including breakout single "So Sick," which topped the Billboard Hot 100 for two weeks in 2006. "Independent" also grants Ne-Yo his first chart-topper as a lead artist, and third overall, on Mainstream R&B/Hip-Hop. His earlier No. 1s on this list were "Bust It Baby Part 2" and his guest spot on Fabolous' "Make Me Better" in July 2007.

His third straight top four debut is also his swan song as a performer; he announced his retirement from the music industry in September.

## HARRIS ACHIEVES CAREER BESTS

Just two months after being enshrined in the Country Music Hall of Fame, Emmylou Harris posts a career-high debut on Top Country Albums, as "All I Intended to Be" pops on at No. 4. With 27,000 copies sold, Harris also scores her biggest opening week in the Nielsen SoundScan era, topping the 24,000 units sold when "Red Dirt Girl" opened at No. 5 in the Sept. 30, 2000, issue.

That bow also marked

Harris' previous high debut on the country chart. And the new album marks her highest solo perch on the Billboard 200 (No. 22) since "Evangeline" reached No. 22 in 1981.

Harris' quick start is aided by release-week appearances on NBC's "Today" and a performance on "Late Show With David Letterman." She's had two No. 1 albums on the country list: "Elite Hotel" (1976) and "Luxury Liner" (1977).

## BETWEEN THE BULLETS rgeorge@billboard.com POST-HOLIDAY CHART POTPOURRI

An abundance of airplay gains on Hot R&B/Hip-Hop Songs follows the Memorial Day holiday. "Teenage Love Affair," Alicia Keys' third straight top 10 (15-8), is buoyed by an increase of 10 million. Keyshia Cole holds at No. 3 for the third consecutive frame but has the chart's second-best audience improvement (6 million). Jazmine Sullivan darts 50-37 (up 3 million) and Jennifer Hudson moves 63-51 (almost 2 million). Plies is Greatest Gainer for the fourth time in five weeks on Hot Rap Songs (No. 2), and Lyfe Jennings has his first top 10 on Adult R&B (12-9) since his 2005 debut.

### TV STIRS GAINS, FLEW FLIES IN

A rerun of "Alan Jackson: Invitation Only" on CMT during the tracking week pushes the Georgian's "Good Time" set up approximately 1,000 copies, good for the Greatest Gainer nod on Top Country Albums.

The spurt pushes the album back into the top 10 (16-9), where it's spent all but one of its 13 chart weeks since its No. 1 start in the March 22 issue. Concurrently, special GAC military-

JACKSON

themed Memorial Day programming, in which Jason Michael Carroll appeared, lifts his "Waitin' in the Country" 17%, good for Pacesetter honors (57-50). Hot Shot Debut

applause is noted at No. 67, where new vocal trio One Flew South's "Last of the Good Guys" arrives with 1,000 copies. Lead single "My Kind of Beautiful" hit radio programmers' inboxes during the tracking week.

## CAREY STILL QUEEN OF RHYTHMIC

Mariah Carey scores her 20th top 10 on Rhythmic — leaps 7-4 on Hot R&B/Hip-Hop Songs, his 10th Airplay and widens her lead for the most by a female as "Bye Bye" rises 11-9. Janet Jackson's second among females with 15 top 10s, while Carey is just one short of matching overall chart chief Ludacris with 21 so far. Chris Brown's "Take You Down"

## HOUGH DANCES TO NEW THRONE

Opening with 67,000 copies, two-time "Dancing With the Stars" champ Julianne Hough plows onto Top Country Albums at No. 1 with her self-titled debut and cracks the Billboard 200 at No. 3. The Salt Lake City native posts the biggest opening week for a newcomer on Top Country Albums since "American Idol" alum Kellie Pickler arrived with 79,000 copies of "Small Town Girl" in the Nov. 18, 2006, issue.

Hough's debut single, "That Song in My Head," continues its run on Hot Country Songs, gaining 300,000 audience impressions to step 29-28 in its 13th chart week. Since its bow in the March 15 issue, "Head" has amassed 41 million radio impressions (5.5 million during the tracking week). Nielsen BDS reports 103 video plays at CMT and 95 at GAC. —Wade Jessen

In pursuit of his first No. 1, the rapper vaults 6-2 but is still 16 million impressions behind Lil Wayne. The gap is the third-largest between Nos. 1 and 2 this year.

Usher earns his second straight top 10 and 16th overall following his most recent chart-topper, which falls 4-8.

An OutKast album isn't in the works, but Big Boi's solo debut is slated for this year. Its lead track, which guest-stars OutKast partner Andee 3000, reaches new peak on its second straight increase.

Cherish scores its second consecutive top 10 on R&B Albums (No. 6). Its 2006 debut opened at No. 4.

At No. 46, UER's Bum B gains almost 2 million impressions for his best increase in 10 weeks on the chart. "I Trill," his first album since the passing of his rhyme partner Pimp C, debuts high: next week on Billboard 200.

## BETWEEN THE BULLETS rgeorge@billboard.com HUDSON PRIMES DEBUT ALBUM

As this season's "American Idol" winner tastes victory, season three contestant Jennifer Hudson primes her debut album with "Spotlight." With less than a week of airplay, it bows at No. 99 on Hot R&B/Hip-Hop Songs with play from 18 stations mounting 1.5 million impressions.

The single, written and produced by Ne-Yo and Stargate, was serviced to select stations May 16; it should see a large increase as her label extends delivery. The Academy Award winner peaked at No. 14 last year with "And I Am Telling You I'm Not Going" from "Dreamgirls."

### BETWEEN THE BULLETS wjessen@billboard.com TV BOOSTS YOAKAM, LAMBERT

Dwight Yoakam's affectionate tribute to Buck Owens, "Dwight Sings Buck," takes Pacesetter ink on Top Country Albums following a performance of Owens' 1963 classic "Act Naturally" on "The Tonight Show With Jay Leno" May 15 (69-57). The appearance was Yoakam's 24th since 1986, the most by any artist in "Tonight Show" history. Previously, Yoakam was tied with Lyle Lovett, who has appeared 23 times.

"Dwight Sings Buck" gains a modest 8%, but takes the chart's biggest percentage gain in the letdown from Mother's Day shopping. Likewise, Academy of Country Music album of the year winner Miranda Lambert gets the Greatest Gainer with a 500-unit uptick for "Crazy Ex-Girlfriend" after playing the May 18 CBS awards show (21-19), a gain about equal to its digital sales for the week. —Wade Jessen

With only a 9% dip, Carey regains the pole on Top R&B/Hip-Hop Albums as last week's champ, Lyle Jennings, loses 63% from core stores.

Keyshia Cole (18-8) repeats as Greatest Gainer/Airplay and enters the top 10 with the largest position leap by any artist in eight weeks.

Outside the debut at Nos. 57 and 67, newcomer out of Philly has the best percentage gain in audience (104%). Single gathers almost 5 million impressions.

Audience for rap trio Hot Stylz (71-49) heaves up to almost 6 million as single rockets into top 10 of three stations, including its hometown Philadelphia.

Lloyd can thank eight stations for amping rotation to at least 20 spins this week. WPHI Philadelphia granted the most with 51 total plays in the frame.

**1** Jazmine Sullivan remains anchored in the top slot despite 39 million impressions, the lowest audience for a No. 1 single since 1999.

Since his 2005 debut, the 14 top 10s T-Pain (pictured) has earned are tops among all artists. For the decade, he's tied for third with Jay-Z. Only Ludacris (21) and R. Kelly (7) have more in the 2000s.

Benet earns his second No. 1 on Adult R&B nine years after his first. His drought is third-longest between chart-toppers in the chart's history.

Mike Jones (pictured) gets his best view of the chart as a lead artist since 2005.

The Hot Shot Debut gives T.I. (pictured) four of the 15 songs to debut in the top 60 this year, the most of any artist.

**BETWEEN THE BULLETS**  
**JEEZY PRIMES HIS NEXT NO. 1 ALBUM**

Young Jeezy scores his second No. 1 on Hot Rap Songs by the slimmest audience lead in four years as "Put On" moves 3-1. The margin of victory is only 200,000 impressions more than those of runner-up David Banner, who also had 56 million in rounded audience from 157 stations monitored for this chart. In the Oct. 30, 2004, issue, the gap between No. 1 "Lean Back" by Terror Squad and No. 2 "Drop It Like It's Hot" by Snoop Dogg was a meager 27,000 impressions. Having first reigned with "Soul Survivor" in 2005, Jeezy's current ascent comes a week ahead of a likely bow at No. 1 on the Billboard 200 with "The Recession." —Raphael George

BETWEEN THE BULLETS  
**JEEZY PULLS AHEAD ON MAINSTREAM**

Young Jeezy surpasses Lil Wayne's "A Milli" to earn his third No. 1 on Billboard's Mainstream R&B/Hip-Hop chart as "Put On," featuring Kanye West, hops 2-1. Jeezy first reached the summit as a lead artist on "Soul Survivor" in 2005, then most recently guest-started on Usher's chart-topping "Love in This Club" earlier this year. Meanwhile, the rise of "A Milli" to Hot R&B/Hip-Hop Songs' perch (2-1) makes Lil Wayne the first rapper since 50 Cent, with "Get Rich or Die Tryin'" in 2003, to own two No. 1s from the same album. With this single and "Lollipop," Wayne also has seen double chart-toppers on Hot Rap Songs and Mainstream R&B/Hip-Hop.

With five weeks at No. 1 on Regional Mexican Albums, it's their longest-running chart-topper since 2003's "Tributo Al Amor" spent 10 weeks atop the list.

The single "El Bazucazo" becomes his first Hot Latin Songs entry (No. 47) while it climbs 32-24 on Regional Mexican Airplay.

The act notches its seventh Hot Latin Songs hit as "Y Que Quede Claro" bows at No. 35.

Following the No. 5 week of "The Boss" in May, Rick Ross manages his first back-to-back trips into the top 10 as a lead artist.

51 After beating T-Pain's mark for most simultaneous entries on R&B songs last issue, Lil Wayne's seven placements on Hot Raps songs, including three debuts, matches Pain's record for most this decade on that chart (Nos. 1, 5, 14, 23, 24 and 25).

55 a super week for the latest single from Alicia Keys, charging upward with more than 3 million impressions up 170%.

Single that has spent 15 weeks on the Hot 100 (5-2) now begins to gain momentum on the R&B chart. It's also the theme for the latest Doublemint gum campaign.

With a new label, Avant debuts new single from upcoming self-titled album, due in October.

BETWEEN THE BULLETS THE-DREAM, COLE MAKE NOISE

THE-DREAM

After falling short with two previous singles, the-Dream takes the top spot on Rhythmic Airplay as "I Luv Your Girl" moves 3-1. It beats debut "Shawty Is a 10," which peaked at No. 8 last November, and follow-up "Falsetto," which hit No. 17 in April. The singer's stats on Mainstream R&B are beefier, with two chart-toppers, as "Girl" held for two weeks and "Falsetto" led the list for one. Keyshia Cole also claims chart gold as "Heaven Sent" becomes her second No. 1 on Adult R&B. "Heaven," the current nine-week champ on R&B/Hip-Hop Songs, follows "I Remember," which started its own nine-frame stint atop Adult R&B in March. —Raphael George

**8** At six weeks, this is his fastest climb to the top 10, achieved by "What You Know," which ultimately spent six weeks at No. 1 in 2006.

**10** The starlet is the fourth "American Idol" contestant to reach the top 10 of Hot R&B/Hip-Hop Songs. Former "Idol" top 10 champs are Fantasia (three), Ruben Studdard (two) and Jordin Sparks (one).

With seven songs on Rhythmic Airplay and eight on Mainstream R&B/Hip-Hop, the rapper owns the record for most titles in a week on both charts. He also holds the mark on this chart with 14, achieved last week.

Canadian rapper earns his first No. 1 after 18 weeks on Rhythmic Airplay (3-1). His trip is the longest since Cassie's "Me & U" in 2006 also needed 18 weeks.

All systems go as John Legend gets the "Green Light" for his third studio album, "Evolver," due Oct. 28.

## BETWEEN THE BULLETS ROOKIE SULLIVAN ROLLS TWO NO. 1s

SULLIVAN

Newcomer Jazmine Sullivan inks No. 1s on two charts in the same week as "Need U Bad" moves 4-1 on Hot R&B/Hip-Hop Songs and 2-1 on Mainstream R&B/Hip-Hop. With Sullivan's advance on the former, she becomes the first female to carry a debut to the summit since Cassie did with "Me & U" in 2006. The song also ties Ashanti's "Foolish" (2002) for the largest leap to No. 1 of any female's introductory single this decade. Sullivan ends a four-year drought at Mainstream, as Ciara's "Goodies" was the last female debut to hit No. 1. In the same span, eight male first-timers reached No. 1.

### JEWEL SHINES IN NEW SETTING

Pop-turned-country singer Jewel splashes onto Top Country Albums, where "Perfectly Clear" snares the Hot Shot Debut at the chart's summit. Her first foray into country is a conspicuous one, popping on with 48,000 copies. The new set is Jewel's sixth entry on the Billboard 200, opening at No. 8, the same spot where her last, "Good-bye Alice in Wonderland," debuted in the May 20,

2006, issue (81,000 copies). First-week sales are lifted by "Stronger Woman," the lead single from "Clear," which peaked at No. 13 on Hot Country Songs in the April 26 issue. Nielsen BDS reports approximately 200 video plays apiece at CMT, CMT Pure and GAC. The album should benefit from Jewel's run as a judge on NBC's "Nashville Star" and from second single "I Do." —Wade Jensen

As a singer, he has yet to reach the top, peaking at No. 2 four times. But his songwriting has yielded the same amount of No. 1s, including the current chart-topper.

The song is only the third since 2000 to reach the top 10 in two weeks. The feat was last achieved by her then-boyfriend/now-husband Jay-Z with "Show Me What You Got" in 2006.

T-Pain and Ludacris vault with gain of 2.4 million impressions on this single, while they trade places as lead and featured artists on the piece that rises 89-62 (up 2.3 million).

"This Is How We Do It" singer makes his first appearance since 2003. Sixth album "Let It Rain" will bow next issue.

While still receiving considerable airplay with the first single from his last album at No. 18, Plies debuts with a preview track from his third album in 16 months. "Da Realist," due Dec. 16.

**SULLIVAN MAKES IT A DOUBLE**

the same week from a debut set.

With her former chart-topper "Need U Bad" at No. 5 on Hot R&B/Hip-Hop Songs, Jazmine Sullivan scores her second consecutive top 10 as "Bust Your Windows" streaks 11-8. That makes her the first female this decade—and the first artist since the Game in 2005—to place two singles from a debut album in the chart's top 10 concurrently. Sullivan also notches double top 10s on Mainstream R&B/Hip-Hop (Nos. 7 and 9) where she is the first artist since Yung Joc in 2006 to place two singles in

Hudson's steady 22-week climb to No. 1 is the longest journey to the summit by a female in the 16 years that the chart has incorporated Nielsen tracking data.

He earns his first top 10 as a solo artist out he's no stranger to the upper region, as he placed 10 top 10s as lead singer of T.I.

His album sales erode by 76% at core R&B stores but title is able to maintain its No. 3 ranking on Top R&B/Hip-Hop Albums. This single gains 4.4 million impressions and makes the second-biggest jump on the chart.

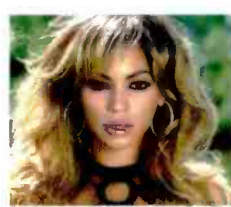

Sister act achieves the highest chart position since debut single "Shackles (Praise You)" peaked at No. 9 in 2000.

This single is from the Dec. 9 release of "Before I Self Destruct." The album will be coupled with a DVD feature-length film directed by the rapper.

As singer preps her third album, "A Different Me," due Dec. 16, song from her last set returns to the top 10 for a 21st week, a longer stay than any other track in the upper territory has thus far accumulated.

Rapper moves 11-8 at Rhythmic, for his first top 10 on that list since he hit with consecutive No. 1 singles from his 2005 debut album.

After a pair of follow-up singles to the dual-part "Love in This Club" failed to shake up the chart, this album out posts an 84% audience gain on this list and scores Greatest Gainer on Adult R&B (14-13).

With airplay still declining, a No. 1 debut on Hot R&B/Hip-Hop Singles Sales (on billboard.biz) helps propel the charity project to a new peak.

76

Artist, who has shifted labels from Interscope to Def Jam, debuts with the lead single from his upcoming album, the rapper's first in four years, due this fourth quarter.

BETWEEN THE BULLETS

HUDSON, THICKE RIDE HIGH

With T.I. taking his anticipated victory lap, Jennifer Hudson makes her own headlines as her self-titled album bows at No. 2 on Top R&B/Hip-Hop Albums and the Billboard 200. Hudson's 217,000 units is the largest first-week total for a new female artist this year and RCA Music Group's best Nielsen SoundScan debut since week since Alicia Keys bowed with 742,000 last December. Meanwhile, Robin Thicke has his best sales week as "Something Else" enters the Billboard 200 with 157,000 (No. 3). His previous high came when "The Evolution of Robin Thicke" was reissued in 2007, pushing sales to a weekly best of 116,000.

Hudson is the first "American Idol" runner-up to score a No. 1 at Adult R&B (2-1). Former champs Ruben Studdard and Fantasia have two each.

The third top 10 by Plies (pictured) as a lead artist and fourth overall on this chart and extends his streak to five straight top 10s on Hot Rap Songs (11-9).

Single is lifted by increase of 8.5 million impressions, an improvement that outpaces any gain ever seen by T.I.'s current No. 1 in its 11 chart weeks.

At Rhythmic Airplay, she's the first British artist to have a top five single since Spice Girls' "2 Become 1" in 1997 (6-4).

Single may have run its course at Adult R&B as it falls four spots to No. 28, but it earns the artist's first appearance in seven years on R&B/Hip-Hop Songs.

5 Single is one of Lil Wayne's nine appearances on Mainstream R&B/Hip-Hop and Rhythmic Airplay, establishing new records for the most simultaneous hits on each survey.

Blige's second-longest career stretch on this chart celebrates its one-year anniversary. Her most lengthy, "Be Without You" from 2006, holds the Nielsen SoundScan-era record for longest tenure by a single (75 weeks).

Her first single retreats to No. 3 while the follow-up jets upward with audience gain of more than 300%.

The second offering from his upcoming fifth album, "On My Radio," debuts with 3.6 million impressions in its first week of airplay.

The Atlanta DJ/sapper exploded on the scene two years ago with consecutive top 10s, including "Walk It Out," which peaked at No. 2. Latest hit bows with 2 million impressions.

BETWEEN THE BULLETS  
**BIG RADIO COUNT PUTS T.I. ON TOP**

T.I. earns his third No. 1 on Hot R&B/Hip-Hop Songs as "Whatever You Like" moves 2-1, reaching the highest audience level for the chart's top single in two months. With 50 million impressions, "Whatever" owns the most audience since "Heaven Sent" by Keyshia Cole in the Aug. 9 issue. Between Cole and T.I., three chart-toppers failed to reach 50 million: Jazmine Sullivan's "Need U Bad," Rihanna's "Take a Bow" and Lil Wayne's "A Milli." "Whatever" marks T.I.'s first No. 1 as a lead artist since "What You Know" in April 2006. He also guest-starred on "Shoulder Lean" by Young Dro later that year. —Raphael George

The most popular songs, according to Nielsen Broadcast Data Systems and sales data from a subset panel of core R&B/Hip-Hop stores compiled by Nielsen SoundScan. By virtue of album's first week at No. 1, it earns an automatic bullet despite a 41% decline. It's the duo's first chart-topper.

Luis Fonsi was one of the performers on Univision's highly rated Sept. 18 special "Latin Grammy Celebra Jose Jose." Three of the honoree's sets re-enter Nielsen SoundScan's Latin Pop Catalog chart, each more than doubling in sales.

Featuring Marco Antonio Solis and other stars, it's the first various-artists set to reach the top 10 since December.

BENET'S SET LEADS TOP 10 INVASION

With 40,000 units sold, Eric Benet nearly equals his best Nielsen SoundScan frame as "Love & Life" enters at No. 11 on the Billboard 200. "Love" is also Benet's best view of the chart following his sophomore set, "A Day in the L.f.e.," which opened at No. 25 with his SoundScan benchmark of 43,000 in 1999.

The singer earns his best chart position yet on Top R&B/Hip-Hop Albums. His Hot Shot Debut leads four other debuts in the top 10, the most that part of the chart has seen this year. Young Jeezy remains at No. 1 for a second week de-

Her increase of 13 million impressions is second-biggest gain this year following Mariah Carey's blast of 13.8 million for "Touch My Body" in March.

At seven weeks, it's Ne-Yo's fastest climb to top 10. He also posts the week's second-largest gain in audience (70 million).

Track roars back into top half thanks in part to WGCI Chicago, which doubles airplay from last survey. Album's title cut enters with 2.8 million at No. 75 here and on Hot R&B/Hip-Hop Airplay, viewable on billboard.biz.

Single spent five weeks at No. 72 or lower. This week it reaches a new peak with 20 additional stations. Up 95% in audience.

Single had fewer than 100,000 impressions last week. Now it vaults by 4.1 million to grant Ciara her highest career debut. "Fantasy Ride" streets in December.

BETWEEN THE BULLETS  
T.I.'S NUMBERS: ONE, FIVE AND SEVEN

T.I. logs his fifth No. 1 and ties his own record for most consecutive Greatest Gainers at Mainstream R&B/Hip-Hop this decade, with a seventh straight award for "Whatever You Like" (3-1). "Whatever" comes two years after T.I.'s "What You Know" established the '00s' mark with its streak to No. 1.

Lil Wayne claims his own streak at Rhythmic as the rapper scores his third consecutive No. 1 as a lead artist with the 2-1 dash of "Got Money." Hitting the top earlier this year with "Lollipop" and "A Milli," Wayne is the first to carry three consecutive songs to the summit since Akon in 2006-2007.

With specialty programming in place at many stations during Thanksgiving weekend, airplay for a number of songs suffers. T-Pain's increase of 2.7 million impressions is the lowest for the Greatest Gainer/Airplay winner in two years.

Slow and steady could be the title of this Usher single. At 16 weeks, he makes his longest trip to the top 10.

First stated for a Dec. 9 release, his next album has been pushed back to 2009 along with albums from label-mates Eminem and Dr. Dre.

The Atlanta rapper's effort resides on a mixtape released this summer, though it will also find a home on his sophomore album due next year.

Once pushed to radio by T.I.'s Grand Hustle imprint, his single was rescued from recurrent status after Interscope began its promotional effort.

BETWEEN THE BULLETS

WEST, LUDACRIS LEAD R&B TALLY

After street-date violations caused low debuts last issue, Kanye West and Ludacris rise to earn chart honors on Top R&B/Hip-Hop Albums. West scores his fourth consecutive No. 1 as "808s & Heartbreak" beats its way to the Greatest Gainer award, while Ludacris' "Theater of the Mind" rockets 84-2 as the Face-setter winner. On Top Rap Albums, "Theater" crowns the list and greets Ludacris with his fourth straight chart-topper. West would have landed atop that listing, but his project lacks the required content to qualify. "Theater" also starts at No. 5 on the Billboard 200 with 213,000.

The song becomes the group's third No. 1, all since June 2007, on Regional Mexican Airplay, viewable at billboard.biz/charts.

**12** A surge in airplay at WPAT New York spurs rebound and Greatest Gainer nod (up 1.9 million in audience) for the chart's oldest track.

The singer's last entry, "Y Si Te Digo," reached No. 1 in September 2007. The new single introduces her second album, appropriately titled "Dos."

Monge's second-biggest sales week enables the singer to earn her highest-charting album yet, surpassing the No. 4 peak of "Demasiado Fuerte" in 2007.

Compilation features such acts as Enrique Iglesias (pictured), Juanes, Belanova, Don Omar, David Bisbal and Los Temerarios.

**24** It's one of seven debuts in the top 25 this week, the most that part of the chart has seen since nine titles bowed in that region on July 14, 2007.

With his previous single sitting at No. 8, it is the first time T-Pain has earned consecutive top 10s as a lead artist since his debut in 2005.

He lands his fifth top 10 on Adult R&B (14-9) with the second-largest jump into the region this year. Musiq Soulchild's track (5-3) soared six places just last week.

Hamilton's 19-week journey across the top 40 border is the longest for an artist since Lil' Kim's "Whoa" two years ago.

Monday (Nov. 24) street dates for Kanye West (pictured) and Ludacris grant both artists soft debuts on Top R&B/Hip-Hop Albums. West opens at No. 52, Ludacris at No. 84.

The Irish beauty takes her maiden voyage with a tune once featured on ABC's "Grey's Anatomy." She also climbs 29-26 on the Adult R&B chart, viewable at billboard.biz/charts.

## BETWEEN THE BULLETS USHER FINALLY HITS 'ADULT'-HOOD

After 14 years and 18 charting singles, Usher earns his first No. 1 at Adult R&B as "Here I Stand" advances 3-1. The singer made his inaugural chart appearance as a 16-year-old in 1994 when "Can U Get Wit It" peaked at No. 24 after 13 weeks. His first top 10 arrived eight years later with "U Got It Bad" and his second came with 2004's "Burn," with each peaking at No. 4. In contrast, Usher has had more success on the Rhythmic chart where he leads all artists with 9 chart-toppers and is second on the Mainstream R&B list with 10 No. 1s behind R. Kelly's 11.

This single trumps "Whatever You Like" on the Rhythmic chart to make him the third artist since 2000, following Usher and Akon, to exchange singles at No. 1.

This song enters at No. 28 on Adult R&B, the same mark as her debut single, "Need U Bad," did in September.

Legend closes the top 10 with 30 million impressions, the first time since April that each song in the upper area is at or above that audience level.

Ne-Yo's (pictured) personal high debut mark is also the third-highest entry of the year. The track is only available on the digital deluxe version of his album.

Duo Mary Mary extends its lead for the most appearances by a gospel act this decade with nine. Yolanda Adams is second with six.

BETWEEN THE BULLETS  
**BEYONCÉ NETS FIFTH SOLO NO. 1**

Beyoncé earns her fifth No. 1 as a solo artist on Hot R&B/Hip-Hop Songs with the largest leap to the summit in two years as "Single Ladies (Put a Ring on It)" hurdles 5-1. With her fifth consecutive Greatest Gainer medal (up 8 million in audience), her vault is the best since Janet Jackson & Nelly soared 7-1 with "Call On Me" in 2006. "Single" also grants the diva more chart-toppers on her own than she accumulated with Destiny's Child, which tallied four No. 1s from 1998 to 2000. Beyoncé's "I Am... Sasha Fierce" bows early at No. 65 on Top R&B/Hip-Hop Albums. Next issue, it will certainly rise to No. 1 on both that tally and the Billboard 200. —Raphael George

The most popular songs, according to R&B/Hip-Hop radio audience impressions, measured by Nielsen Broadcast Data Systems, and sales data from a subset panel of core R&B/Hip-Hop stores, compiled by Nielsen SoundScan. Greatest Gainer/Airplay is awarded for the largest airplay increase on the chart. See Charts Legend for rules and explanations. © 2008, Nielsen Business Media, Inc. All rights reserved.

The single celebrates its fourth straight week as the Greatest Gainer champion for the longest streak since 2004 (up 5.8 million impressions).

This lead single from his third album is Legend's first top 10 on R&B/Hip-Hop Songs and Mainstream R&B/Hip-Hop (No. 10) since "Ordinary People" from his 2005 debut set.

Jeezy's "President" enters with 4 million in audience, but it could fall off the chart next week as airplay has declined following Election Day.

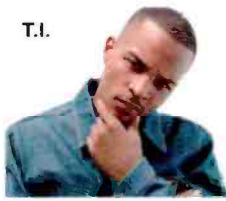

Ramped up airplay from three Chicago stations provides this Detroit native with a sizable gain of 1 million impressions.

He re-creates Sam Cooke's 1965 classic to take his first bow since 1996. It introduces his album of R&B standards that arrived in stores Nov. 11.

**T.I. PLAYS MONOPOLY WITH CHARTS**

T.I.

T.I. becomes the first lead artist in three years to simultaneously preside over the Mainstream R&B/Hip-Hop and Rhythmic charts with different singles, as "Live Your Life," featuring Rihanna, advances 2-1 on the former and "Whatever You Like" extends its reign on the latter list to eight weeks. Bow Wow last accomplished the feat for two weeks in September 2005, when "Like You," featuring Ciara, topped Mainstream R&B/Hip-Hop and "Let Me Hold You," featuring Omarion, ruled Rhythmic.

With Hudson at No. 7 on Adult R&B and Jazmine Sullivan and Keyshia Cole directly behind, it is the first time women have presided over those top three slots since December 2007.

The rapper's songs at Nos. 3 and 4 on this tally lock up the top two positions on the Rhythmic chart, making him the first lead artist since Akon in 2006 to accomplish that feat.

Jones (pictured) and Browz vault with an increase of 3 million impressions, the song's greatest one-week improvement since its debut.

He loses ground on R&B/Hip-Hop Songs but moves 11-9 for his third consecutive top 10 on Adult R&B.

British rapper continues to climb as various remixes of her single, with artists like 50 Cent and Lil Wayne, garner airplay.

## BETWEEN THE BULLETS JAMIE FOXX FLIES HIGH WITH DEBUT

Jamie Foxx earns the best debut of his career on Hot R&B/Hip-Hop Songs as "Just Like Me," featuring T.I., enters at No. 48 with more than 6 million audience impressions. Previously, the closest he had come to a top 50 debut as a lead singer was when "DJ Play a Love Song" bowed at No. 63 two years ago. The singer/actor has notched two No. 1s on the tally, both as a featured artist. His turn on Twista's "Slow Jamz" spent two weeks at No. 1, while he helped Kanye West spend four weeks atop the list with "Gold Digger." Foxx's next album "Intuition," the follow-up to his 2 million-selling "Unpredictable," streets Dec. 12.

The set gives Chayanne his 11th top five album on Top Latin Pop Albums (No. 5). Among solo performers, only Luis Miguel (15) and Marco Antonio Solis (14) have more.

Tito Nieves' effort also arrives at No. 3 on Top Tropical Albums (at billboard.biz/charts), earning the singer his 14th hit on that chart.
