NUMBER 5

Looking out over the shore of England watching the ebbside is Frank Chacksfield, whose London recording of "Ebbtide" shows no sign of running out on American juke boxes. Chacksfield, who first came to the attention of the public with his magnificent version of "Terry's Theme From Limelight", followed his initial success with the "Ebbtide" disk. His latest London record, which has just been released is "Golden Violins" backed with "A Girl Called Linda".

50,000,000 RECORDS

Everyone in the music business agrees that juke box operators as a whole are vital to the record industry. But if you want to understand just how vital they are, examine these figures:

There were approximately 200,000,000 records sold last year. Of these, a minimum of 50,000,000 were bought by juke box operators—and some estimates go as high as 65,000,000.

That means that at least one quarter of all the records bought in this country last year were bought by juke box operators to go on their machines.

Obviously, the juke box operator as a whole was the largest customer the record industry had.

But more than that, he is one of the two most important factors in the exposure of records to the public—the other being the disc jockey. If somehow the juke boxes of this nation disappeared—or if their numbers were appreciably lessened—not only would that 50,000,000 record sales disappear, but a good part of the other 150,000,000 records would not be sold either. For any record salesman can tell you that the promotional and sales producing effect of hearing a record on the juke box cannot be overestimated.

It might be argued that the disk jockey also plays a tremendous role in the exposure of records to the public. And we would be the first to agree. But when you have two main factors promoting records and one is diminished, then quite naturally you are harming the sale of records.

One other point must be made very clear. Disk jockeys promote records, but they don't buy any. The record that the disk

jockey is playing has, for the most part, been sent to him free by the record company or the publisher. The record that is on the juke box operator's machine has, for the most part, been bought by him either at the very same price that the retailer pays or at a nickel over that price from a one-stop.

In any man's language, 50,000,000 records is a lot of records. And when it comes to a quarter of an entire industry's output, it means that everything else that happens in that industry is dependent on that sale.

As record men will be quick to tell you, record sales weren't always at the 200,000,000 level. In the early 1930's, before the modern juke box was introduced, the record industry was given up for lost. No one could see how it could survive against the competition of radio. But it has survived and expanded to the prosperity which it enjoys today. It survived because the introduction of the juke box once more made records a desirable commodity and it has expanded because juke boxes became so well accepted, that their needs and the sales to the public which they in turn created, required greater and greater amounts of records.

Today, juke boxes are the basis of the record industry. It is their buying potential which can be depended upon month in and month out whether the general public is buying records or not.

The juke box industry and the record industry have grown up and expanded together. With the cooperation and good will which they have shown till now, they can look forward to further growth and further expansion to the point where even today's sales will look small by comparison.

Jack Lacy, one of the country's top jockies, moved his popular "Jack Lacy Show" to two new spots on WINS-New York last Monday, Oct. 12. The show will be heard daily 12-2 p. m. and again 4-7 p. m. each day, giving Jack a total of five hours per day. Jack, who has been right most of the time on his predictions, goes overboard with his "Hit of Tomorrow" this week being MGM's Betty Madigan vocaling of "I Just Love You." Beginning December 31, Jim Mills (WBKB-Chicago) will offer an entirely new and different type daily show via TV. The entire format is being kept deep, dark secret until the opening telecast.

Roger Clark (WNOR-Norfolk, Va.) currently in the middle of one of the most talked about local contests ever conducted in his area. His sponsor, The Home Furniture Co., will send the lucky Virginian family on an all-expense-paid trip to the isle of Bermuda. . . . Jim Lounsbury planning to switch to WGN-Chicago. Jim currently doing ½ hour transcribed broadcast. Show features interviews with top name stars. Goes out to 20 cities, including Anchorage, Alaska, but has no Chicago outlet. . . . Dick Dudley, master of ceremonies, disk jockey (WNBC-New York) switches to NBC owned and operated stations across the nation to find what music is making news in those cities along with comments from each DJ as to why it is making news—some interesting local slant on its current or up and coming popularity. Show is "Music Across The Nation" and aired 2:30 to 3 p. m. each Saturday. Johnny Andrews was picked to represent WTAM-Cleveland in "bringing Cleveland to New York." . . . When Vaughn Monroe appeared at the Soldiers and Sailors Memorial Hall on October 7 before thousands of University of Pittsburgh students, Joe Deane (KQV-Pittsburgh, Pa.) presented the singer with a huge birthday cake. With Monroe was the Sauter-Finegan band. . . . Bill Clark, formerly with WAAF-Chicago, has switched to WCFL.

ROGER CLARK
(WNOR-Norfolk, Va.)

Remember Bob Drews (WAAF-Chicago) and our story about his love for miniature auto racing? Well, Bob, just recovering from a crankup, has been told by his doctor "No more racing." . . . Bob Russell, author of the recent hit, "Half A Photograph" and many others, was a guest on Jim French's "Turntable Roundtable" over KING-Seattle on October 2. Russell sat in with a panel of Seattle record representatives from all major labels commenting on new records introduced.

Apologies to Bill Hamilton. When we wrote about the new Ron Terry show (Ron Terry and Topper being one and the same guy) we failed to say that Bill shares the mikes with Ron. And does a swell job, too! . . . College students in Pittsburgh are voicing their opinions of popular music over KQV-Pittsburgh as a new feature of Joe Deane's show. Deane interviews representatives from the five city colleges every Monday on his afternoon record show from 4:20 to 5:45 p. m. Their choices of the three top tunes of the week are added to the "Deane's List" each week. . . . Taking over Deane's old spot at WHEC-Rochester, N. Y. is Bob O'Donnell.

HAMISH MENZIES

(Decca 28877; 9-28877)

Ⓒ "WICKIE!" (2:53) [Frank ASCAP—Showalter, Darby] From the coming motion picture of the same name comes this softly styled ballad vocalized so warmly by the stylish voice of Hamish Menzies. Jack Pleis offers a smooth backing.

Ⓓ "SOMEONE" (2:55) [Regent BMI—Menzies, Jacobs] The relaxed styling of the artist comes through once again as he dishes up another tender reading with heart. Beautiful song.

HARMONY BELLS ORCH.

(Dona 3143; 45-3143)

Ⓒ "TOM TOM POLKA" (2:34) [Wisniewski] The Harmony Bells orchestra comes up with a rousing and peppy version of a happy polka. Should do well in the right locations.

Ⓒ "GAS PIPE POLKA" (2:27) [—Ruval] On this end the crew dishes out some more of the same material. Same comment as above.

RUSH ADAMS

(King 1270; 45-1270)

Ⓓ "CRYING FOR THE CAROLINES" (2:35) [Remick ASCAP—Warren, Young, Lewis] A rousing instrumentation is set up by the Van Alexander ork for a strong and stirring reading of a fast moving number by Rush Adams. Good voice.

Ⓒ "COUNTERPITCH HEART" (2:30) [Starlight ASCAP—Maxwell, Motola] Harry Geller aids the vocalist with a rhythm backing for a bouncing number with a fine tune.

BOBBY DALE ORCH.

(Belle 1778; 45-1778)

Ⓓ "THE CITY IS A LONESOME PLACE" (2:30) [Highland BMI—Procida, Iafanaro, Zappone] Bobby Dale and his crew offer a pleasing showcase for Donna Lee's soft treatment of a lovely ballad that makes good listening.

Ⓓ "BELLA COSA TANGO" (2:27) [Highland BMI—Procida] A lovely melody is set to the tango rhythm by Bobby and the ork for a platter that's perfect for dance material. Beautiful melody that could click. A natural for the boxes.

FERRANTE & TEICHER

(Columbia 40088; 4-40088)

Ⓓ "TABU" (2:50) [Peer Inter] BMI—Lecuona] The talented piano team of Ferrante & Teicher use all their gimmicks to come up with an exciting delivery of a wonderful popular melody. Number builds. Thrilling.

THE CASH BOX DISK OF THE WEEK

"I'LL NEVER STAND IN YOUR WAY" (2:35)

[Milenc ASCAP—Rose, Heath]

"WHY CAN'T I" (2:18)

[Meridian BMI—Aequaviva, Varnick]

JONI JAMES

(MGM 11606; K-11606)

JONI JAMES

● Five out of five is a 1000 batting average in any language. And that's just what Joni James is hitting.

Every one of her releases since "Why Don't You Believe Me" has been a strong seller and each one has held an important spot on the charts. Now the thrush comes up with another grade "A" showing in "I'll Never Stand In Your Way" which stands a good chance of hitting the top spot and making her record 6 out of 6. It's a lovely ballad with a superb backing by Lew Douglas' ork. Every line is loaded with feeling in the artist's own tender manner. Flip is a jump labelled "Why Can't I" which features Joni on the light peppy side. Keep an eye on the ballad. It oughta be big.

"GOLDEN VIOLINS" (2:53) [Alamo ASCAP—Twomey]

"A GIRL CALLED LINDA" (2:40)

[Robbins ASCAP—Davis, Greer]

FRANK CHACKSFIELD

(London 1368; 45-1368)

FRANK CHACKSFIELD

● In the short period of four or five months, Frank Chacksfield has proved himself to be one of the

most important men in the instrumental recording field. With his first two releases he has had top hits. First with "Terry's Theme from 'Limelight'" and currently he's bidding for the number one spot with "Ebb Tide." Now the wonderful crew comes up with a lush instrumental of a slow waltz number that's described to perfection by its title "Golden Violins." The melody is as beautiful as the other hits, if not better. "A Girl Called Linda" is more of the same stringy material that we must label "top quality." Either end could bid for hitdom, but we favor "Golden Violins."

"DON'T FORGET TO WRITE" (2:58)

[Advanced ASCAP—Lawrence, Donida]

"MYSTERY STREET" (2:40)

[Mellin BMI—Plante, Philipe, Howard, Gerard]

JUNE VALLI (RCA Victor 20-5488; 47-5488)

JUNE VALLI

● June Valli blossomed into stardom when she got the piece of material that matched her strong

and impressive voice. "Crying In The Chapel" was perfect. A song which stands to rate as one of the top tunes of the year. Now June comes up with her latest which bids fair to follow in the footsteps of "Chapel." It's a hitting ballad with an ultra-lovely melody dubbed "Don't Forget To Write." The chirp hands in a top notch reading. Assisting her is a lush ork by Henri Rene. Lyrics are perfectly wed to the melody. "Mystery Street" is the eerie and captivating number that stars June with a sultry reading. Ork is again outstanding. Plenty of emotion on this end.

NELSON RIDDLE ORCH.

(Capitol 2609; F-2609)

Ⓓ "MARTIN KANE THEME" (2:44) [Starlight Songs ASCAP—C. Paul] The theme to the popular TV show of the same name gets a solid jump treatment from Nelson Riddle and his crew. Item could follow in the same footsteps as "Dragnet."

Ⓒ "MAKE BELIEVE THAT YOU'RE IN LOVE WITH ME" (2:51) [Presto BMI—Lowery, Rinker] Pat Auld joins the orchestra with a smooth reading on a pretty ballad that makes perfect fox trot music. Nelson's orking is terrific.

THE MARINERS

(Columbia 40104; 4-40104)

Ⓓ "SWEET MAMA, TREE TOP TALL" (2:20) [Ludlow BMI—Meacham] Currently riding high with "I See The Moon," the Mariners come up with a good piece of coverage on a jump item that they could make click. Their inviting rhythm and appealing harmony make the number come over well.

Ⓒ "A RED, RED RIBBON" (2:00) [J. T. Presser C. ASCAP—D. Joy] With David Rhodes again assisting, the boys come up with another oik jump-bouncer.

JUNE BRUNER

(Master 371; 45-371)

Ⓒ "MY LINGERING DOUBTS" (2:49) [Four Star Sales BMI—Vasquez, Sanchez] With Dick Taylor and the ork setting up the mood, June Bruner sends out an inviting styling of a tender ballad with a slow waltz tempo.

Ⓒ "WHAT-CHA GONNA DO WHEN" (2:37) [Four Star BMI—Shoffett] June pertly offers a simple styling of a jumper. Pretty melody pleasantly fashioned.

DEAN PARKER

(Jubilee 6051; 45-6051)

Ⓓ "FAREWELL TO ARMS" (2:48) [Words & Music ASCAP—Wrubel, Silver] With a full accompaniment from Mitchell Ayres' ork and the Ray Charles Singers, Dean Parker leans into a romantic ballad that he presents with feeling. Beautiful number. Lad has a bright future in store.

Ⓒ "OUT OF MY MIND" (2:51) [Bryden BMI—Alters, Kraft] With the same backing, the smooth voiced chanter runs through a fast moving number that carries excitement with it.

STEVE GAYNOR

(Derby 834; 45-834)

Ⓓ "TOO MUCH IN LOVE TO CARE" (2:44) [Lowell BMI—Kriegsmann, Coates] A sensational new find bows most impressively on the Derby label with a top grade waxing of a lovely new ballad. The artist, Steve Gaynor, has a great chance of coming through with this platter. First class vocal and material.

Ⓓ "A MILLION STARS" (2:50) [Mecca—ASCAP—B. Reid] Howard Gibling sets up another wonderful and lush backing for a romantic item that could also click. A fine coupling for the juke boxes.

WILLIE (THE LION) SMITH
(Blue Circle 500; 45-500)

C "WHEN THE SAINTS GO MARCHING IN" (2:29) [ASCAP—Smith, Lawrence] An old favorite gets a jazzy styling by Willie Smith at the keyboard as Myra Johnson handles the vocal with a spiritual kick.

C "THE LION STEPS OUT" (2:22) [ASCAP—Smith, Lawrence, Goodwin] The master of the 88's rides through another piece of jazz material with the aid of his band.

JACKIE JOCKO
(Cobin 245; 45-245)

C "CALL ME DARLING" (2:38) With a soft and small group backing, Jackie Jocko sends out a husked vocal styling of pretty tune. An appealing melody sung with warmth.

C "CLOSE YOUR EYES" (2:33) The romantic quality is present on this end also as the artist handles the lyrics with a foggy soft type of reading. Accompaniment is weak for a ballad.

CONNIE RUSSELL
(Capitol 2623; F-2623)

B "MY KINDA LOVE" (2:28) [Robbins ASCAP—Alter, Trent] Connie Russell, the strong voiced thrush who rose to popularity via TV makes a potent showing on her debut on Capitol. A torchy reading of a good ballad.

C "I WANT A BOY" (2:24) [Larry Spier ASCAP—J. Marsala] Harold Mooney molds the backdrop with a solid belted orking for an omphy reading by the thrush. A cute deck.

SHIRLEY HARMER
(MGM 11603; K-11603)

C "WE WILL ALWAYS BE SWEETHEARTS" (2:14) [Famous ASCAP—Straus, Robin] Shirley Harmer bows impressively on the MGM label with a lovely vocal arrangement of a ballad. Has good control over her voice. Should be making noise.

C "EMBRASSE" (3:00) [Disney ASCAP—Durand, Contet, Driscoll] The thrush offers a wonderful reading of a lovely French flavored ballad that's been cut by many artists but as yet has not clicked.

MACHITO AND HIS AFRO-CUBANS
(Secco 7335; 45-7335)

B "DRAGNET MAMBO" (2:31) [Alamo ASCAP—Schumann] A rousing drum introduction leads into a rip roaring version of a theme that's taking the country by storm. This mambo arrangement by Machito and his men should draw well too.

C "MAMBO SENTIMENTAL" (2:30) [—Dew Juri, Yatasto] On this end the crew rhythms through another mambo that makes perfect dance material. Lovers of the beat should take to this one too. Good for the right locations.

THE CASH BOX SLEEPER OF THE WEEK

"SWEET SUE" (2:02) [Shapiro, Bernstein ASCAP—Harris, Young]
"WONDERIN'" (2:30) [Vincent BMI—R. Gaylord]

THE GAYLORDS
(Mercury 70235; 70235 x 45)

THE GAYLORDS

• In their first year as a recording group for the Mercury label

The Gaylords established themselves as one of the top vocal groups with two solid hits in "Tell Me You're Mine" and "Ramona." Now the trio comes up with another standard set to a terrific rhythm that should have all the juke boxes jumping. It's the great oldie "Sweet Sue." Led by Ronnie Gaylord, the Latin beat item comes over impressively. And in the same manner that made their other waxes hits, the boys change up and beat out the second portion to a terrific jump rhythm. Looks like a natural. "Wonderin'" is the lower lid which features the crew on a slow ballad which they also jump up. We go for the top half.

DICK ALLYN
(Smart 357; 45-357)

B "DEVIL EYES" (2:40) [Porgie BMI—Thorn, Thorn] A fast moving chant type of number delivered to a galloping tempo is presented convincingly by Dick Allyn. Powerful reading full of movement.

C "DID I SEE YOU CRY" (2:50) [Kirk ASCAP—D'Immo, Tucker] Buddy DeFaut and his men change the setting by dishing up a lush accompaniment for Dick's warm reading of a pretty ballad. Pretty melody to a slow waltz beat.

APRIL STEVENS
(King 1271; 45-1271)

C "HOT TOMALE" (2:15) [Godsy BMI—Dunham, Evans, Davis] Sexy voiced April Stevens comes up with a light and cute novelty on the risque side. A humorous item with the band assisting vocally. Lyrics, double entendre.

C "TREAT ME NICE" (2:05) [Arnold ASCAP—Fox, Friedman] Russell Garcia and the boys offer a soft backing for "the whisper" as she oozes through a sultry reading of a torchy number. Top half better for the boxes.

TONY MARTIN
(RCA Victor 20-5473; 47-5473)

B "THERE'S DANGER IN YOUR EYES, CHERIE" (3:04) [Bourne ASCAP—Richman, Meskill, Wendling] From the coming flicker "Puttin' On The Ritz" comes this lovely oldie that's tailor made for Tony. A lovely ballad with a fine orking.

B "I JUST LOVE YOU" (2:45) [P.D.S. Music ASCAP—Brodzsky, Pasternak] Another full voiced presentation is delivered by Tony Martin on this end as he handles with zest a terrific tune. Could click.

EDDY HOWARD
(Mercury 70225; 70225 x 45)

B "S K I R T S" (2:15) [Witmark ASCAP—Randall, Roberts] Eddy Howard hands in a cute multiple voiced jumper on the risque side that should do well in the boxes but should have trouble getting played on the air. Eddy at his best.

C "THAT'S THE PRICE I PAID FOR YOU" (2:28) [Lakeshore ASCAP—Friedman] With the trio and his ork assisting, the wrangler leans into a sentimental ballad set to a slow waltz beat. A smooth, tender and inviting showing.

CHARLIE STONE ORCH.
(Center 101; 45-101)

C "ONE LAUGH" (2:35) [Myers ASCAP—Hartman, Kennedy] A soft vocal treatment is offered on a sentimental item presented by Charlie Stone and his ork. A talking segment is inserted at mid point. Ok deck.

C "THAT BLUE EYED BABY OF MINE" (2:20) [Myers ASCAP—Stone] The vocalist gives out with an up beat item on this end. A cute jumper.

PIED PIPERS WITH GLORIA GREY
(Blue Mill 105; 45-105)

B "PLEASE UNDERSTAND" (2:31) [Blue River BMI—Loring, Blackburn] The smooth voices of the Pied Pipers with Gloria Grey in the lead, blend softly on a pretty ballad. Their harmony is very inviting.

C "KISSIN' ROCK DRIVE" (2:27) [Presto BMI—Nero, Allman] The team glides along smoothly through a jump item on this end. A good piece of dance material. Work very well together.

ART MOONEY ORCH.
(MGM 11610; K-11610)

B "MOGAMBO" (3:05) [Sunrise BMI—Williams] As the name might indicate, Art Mooney and his men belt out a wild picture, via his instruments, of the jungle. An eerie bit with chants and all. Shocking.

B "OFF SHORE" (2:52) [Hanover ASCA—Diamond] A lovely melody that's clicking out on the west coast and could bid for a smash nationally, is presented smoothly by the Mooneymen. Lovely tune.

SAN FRANCISCO BOYS
(ALLAN 240; 45-240)

B+ "HAPPY HALAVAH" (2:23) [Mills ASCAP—Juliano, Falso, Arisio, O'Brien, Cagno] With Carmen Castren's ork to assist, the appealing harmony of the San Francisco boys comes over well on a lively bouncing novelty that could catch loot. Should do well in the boxes. Real happy.

B "AWAY UP THERE" (2:14) [Wemar BMI—Burks, Meyer] On this end the boys glide through a shuffle rhythm item with smoothness. They work well together and make a number live.

DICK NOEL
(Decca 28901; 9-28901)

C "FROM THIS MOMENT ON" (2:29) [Buxton Hill ASCAP—C. Porter] With a toe tapping rhythm shaped by Jack Pleis' ork, Dick Noel dishes up a rhythmic version of a good Porter tune.

B+ "HOT DOG! THAT MADE HER MAD" (2:38) [Leeds ASCAP—Barker, Raye] Dick has some real catchy material that could hit. It's a cute novelty with a solid beat and a shuffle rhythm. Dick bangs it out in colorful fashion.

Local Gal Makes Good

DETROIT, MICH.—Bunny Paul, Dot artist, visits with Edwin Sawtelle, jockey at WJLB-Detroit. Bunny's disk "Magic Guitar" has created quite a stir and Sawtelle reports it is a "smash" in his area. Bunny Paul is a Detroit gal with whom the local populace is well familiar through her many night club engagements. "Magic Guitar" is her first wax effort.

Audivox Tests New Disk Thru Ops

NEW YORK—Lenny Wolf, Audivox exec, announced this week that he had arranged a test program in his local area for the new Dorothy Collins-Raymond Scott "Singing In The Rain" and "Tiger Rag" release. A specified amount of test records will be distributed to operators through the cooperation of the Automatic Music Operators Association of N.Y. and the Westchester Operators Guild, Inc.

As a measure of cooperation, the Westchester Operators Guild, Inc., through a letter by Malcolm Wein, counsel for the group, asked the operators to place the records on their best machines and report the results at the October 19 meeting which will be attended by Wolf, and Johnny Halonka, Audivox New York distributor.

An unusual feature of the letter was a paragraph in which Wein calls the attention of the operator to the cooperation Dorothy Collins extended them at their last dinner and dance, and further asks them to assist Miss Collins and Audivox Records "in any way we can in helping her releases along to becoming hits as fast as possible".

Sy House, Parrot, On Distrib Tour

CHICAGO — Sy House, formerly with King Records and now national salesmanager for Parrot Records, this city, just came off a Northeastern distributor trip plugging Parrot's newest releases. During his trip House found action excitingly heavy on Mable Scott's "Mr. Fine" and Playboy Thomas' "No Doubt About It".

House is now planning a Southwestern trip to line up distributors in as yet unallotted territory.

NO. TONAWANDA, N.Y.—A. D. Palmer, advertising and promotion manager of the Rudolph Wurlitzer Company, phonograph division, this week announced the list of judges who will select the national winner of the Wurlitzer-Laine contest.

The committee consists of Frankie Laine; Mitch Miller; Joe Young, Wurlitzer distributor in New York; Bob Austin, The Cash Box; Paul Ackerman, Billboard; and Herman Schoenfeld, Variety.

The contest ends Monday, October 19, on which date the judges of the forty areas will decide which one of the submitted recordings will be submitted to the final judgment of the committee. From me... to you

COMPOSERS' AND AUTHORS' COMMITTEE FOR SUPPORT OF S. 1106
120 Broadway, New York, N.Y.

Dear Mr. Music Machine Operator:

Some of the folks claiming to speak for you say juke box operators should go on taking advantage of the 1909 law by making money out of my songs while paying me nothing.

They claim this is a fair shake for me because, even if you use my music for free, you are making my songs popular.

They claim that even if I don't make any money out of the thousands of times my songs are played on juke boxes, I'll be able to make up the difference out of the pockets of record manufacturers and publishers of sheet music.

As a matter of fact, my song becomes popular by means of television, radio, orchestras, singers, and the work my publisher does. I feel grateful to all who help make my song popular -- including juke box operators.

But writing, publishing and performing songs is a business. The people using my song make more money the more popular my song is. They expect to pay for using my song -- and they do.

Except those claiming to speak for juke box operators. Top tunes have an average popularity period on juke boxes of at least 20 weeks. During this period, such tunes take in as many as 30 nickels a day from a single juke box.

But let's be conservative. Say my song earns only 5 nickels a day per juke box, or an average of \$1.75 a week per box, adding up to \$35 during 20 weeks.

Figure it out for yourself. Don't you think I'm entitled to a small share of the \$35 for each of your boxes my song has earned for you?

By making it possible for the average songwriter to earn a better living, you are investing in the basic merchandise on which your business depends for bigger returns and sound growth.

Next week I'm going to tell you why I think you are taking advantage of yourself when you take advantage of the 1909 copyright law.

Sincerely,

The Songwriter

Cadence Signs McNeill To Recording Pact

CHICAGO—Don McNeill Enterprises and Cadence Records, an Archie Bleyer production, today announced an exclusive recording agreement for Don McNeill and Breakfast Club's new girl vocalist, Eileen Parker.

Bleyer and Bud Moss, Cadence president, were in Chicago last week for the first record dates with McNeill and Miss Parker. McNeill in the future is slated to cut inspirational and whimsical readings as performed on Breakfast Club, while Miss Parker will record hymns.

Cadence entered the independent recording field recently by releasing Julius La Rosa platters,

Damone Makes Cash Settlement With Cane

NEW YORK—Marvin Cane and Vic Damone have made a settlement of their three year contract. The amount of cash involved was not disclosed.

Cane had been Damone's manager for close to six years and now they will both go separate ways with Cane handling other talent and his publishing business while Damone is being handled by the William Morris agency.

Oy!

NEW YORK—Buddy Robbins had the A&R fraternity rolling in the aisles this week with a record he was taking around, written by Sunny Skylar from an idea which Buddy had suggested. The record, sung by Sunny, is done to the tune of "Oh" and is a take off on the troubles publishers have with A&R men.

The record can't be purchased so get Buddy to play it for you.

First ASA Public Affair Clix

CHICAGO—First public affair of ASA (Artists Society of America) held at the Blue Note Cafe, Tuesday evening, October 13, 1953, was attended by more than 200 people, including entertainers, members of ASA, as well as the press.

Main purpose of this affair was to introduce ASA to the public, explain its main purpose and function, and to gain members as well as support for the organization.

Emcee chores were shared by ASA's treasurer, Sammy Dyer; Executive Secretary Al Duckett; and deejays Al Benson and Duddy-O Daylie.

Entertainment was provided by Bill Lawrence, the Flamingo's, Lonnie Satin, and others.

Though Dizzie Gillespie, Charlie Shavers, and J. C. Herd were present, union rulings prevented them from performing, much to the sorrow of the guests.

Donations were started by founder, Duke Ellington. The "Duke" wired a check for \$1,000. This was followed by many pledges.

All members came away smiling. Confident that this first endeavor was a success. All were full of optimism for the future of the Artists Society of America.

Framer Juke Box Show Slated For Early Showing

NEW YORK—The Walt Framer show "Jack In The Juke Box" is slated to be on a TV station by November 15. Already a couple of networks have put in bids for the series but no decision has yet been made.

At present Framer is deciding who is to be the MC and the choice has narrowed down to 3 or 4 top names in the industry.

The show is scheduled to receive heavy promotion from those in the juke box industry. And Sidney Levine and Al Denver have announced that streamers will be distributed to juke box operators in the New York area for attachment to their machines.

Ernie Rudy Opens At New Yorker

NEW YORK—The Ernie Rudy Orchestra opened at the Terrace Room in the Hotel New Yorker last Thursday (8). The Rudy aggregation provided dance music and accompaniment for the "Compass Points" ice show.

Rudy, drummer with the Sammy Kaye band for eighteen years, formed his own aggregation back in July of 1932, taking with him many of the members of the Kaye crew. The separation from the Kaye band, necessitated by Sammy Kaye's inability to take summer bookings because of ill health, was effected with mutual good will.

The members of the new band agreed to run on a cooperative basis and since its debut, has been enjoying successful bookings.

Don Rodgers and the Merry-men, all members of the band, handle the vocals for the dance music as well as for the ice capade, featuring Joan Walden and Arnold Shoda.

There are two Ernie Rudys in the band. Ernie Jr. is now working the drums in his dad's orchestra. Junior was formerly with the Blue Barton orchestra.

Triple Threat

NEW YORK—Coral Records comes up with a new wrinkle by recording three of its top male vocalists together, Don Cornell, Johnny Desmond and Alan Dale. At the session the above picture was taken and shows 1 to r: Don Cornell, Johnny Desmond, Mannie Greenfield, Bob Thiele, Alan Dale and Bob Allen.

Jukebox Haven Holds 2 Day Party

BOSTON, MASS.—Jukebox Haven, New England's new one spot record shop, affiliated with Poole Distributors, operated by Harry Poole and Charles Suesens, the Wurlitzer Phonograph distributors, this city, kicked off their two day opening, October 7 and 8, with a cocktail party.

Poole and Suesens played host to many of the big name recording artists in the pop and rhythm and blues fields. Also on hand were the leading disk jockeys in the Boston area, including Norm Prescott, WORL; Alan Dary, WORL; Stand Richards, WORL; Ed Penney, WTAO; and Sherm Feller, WVDA. The firm will not only sell to the general public, but will also service machine operators with all the records needed for their machines.

The Royal Variety Performance set for the Coliseum theatre on November 2 will have music as its keynote. Honoured for this year's performance are, among others, Anne Shelton, Vivian Blaine, Eve Boswell, Ronnie Ronald, Stubby Kaye, Edmund Hockridge, Max Bygraves and Phil Green and his Orchestra.

New Musical Express newsmen Les Perrin files to New York this week to interview major figures in the U.S. entertainment world, from coast to coast. He will scour the country for information which will make our knowledge of contemporary show business more complete than ever before. Back from New York comes David Platz of Peer International Music, with the most exciting stories of his life. He can't wait to go back.

Two hit song writers got together this week and turned out the most unusual composition I've heard. Eric "Meet Mr. Callaghan" Spear and Jack "Little Red Monkey" Jordan. Result "Callaghan's Monkey" of course! Widespread interest aroused in British recording circles by the waxing in London of four sides for issue on the M.G.M. label. It is hoped the discs will not only be well received but will be acceptable in U.S. markets as well.

Norman Newell acted very quickly this week. He secured recording rights for the Phillips label on "The King and I" and "Wish You Were Here." I think the "King" is set for a long long run . . . That very good "Capitol" show on radio Luxembourg certainly keeps us up to date with the latest "Pops." Hear Les Paul and Mary Ford have a new record so I'd like to wish them luck and hope it does the "Hat trick" for them again.

From all reports it seems that Ted Heath's London Palladium LP is pleasing the folks across the Atlantic. If they come over they can hear the real thing. Ted's latest record of "Dragnet" is a wow! . . . Remember a little inside information I gave you a few weeks back on a ditty called "La Fete Des Fleurs." It's been given an English title and my guess is when you hear it (very soon on a major U.S. label) you'll say your London boy told you it would happen. Ain't blowing my own trumpet, but I did tip you off on Ebb Tide.

First Session

NEW YORK—MGM songstress Betty Madigan seen above with Dudley Wilkenson, MGM Pictures talent executive, and musical conductor, Joe Lipman, going over some music during her first recording session, during which she recorded "You're Thoughtless" and "I Just Love You," two sides that seem to be headed for the charts via her waxing. Wilkenson is also the writer of "Because of You," the tune that skyrocketed Tony Bennett to fame a couple of years ago.

Capitol Issues "Full Dimensional Sound" Album

NEW YORK—With high fidelity sound production becoming the most talked about advancement in the recording field, Capitol Records is issuing an album entitled "Full Dimensional Sound—a Study In High Fidelity." The first of its kind, this album is being released with a two-fold purpose: "to help test and demonstrate high fidelity equipment; to provide the discerning listener with a variety of fine music produced with ideal recording techniques.

A diversified selection of popular and classical pieces make up this album. Both types of music are used to show the listener the possibilities in both the categories.

In addition, the album contains two selections titled "Studies In Percussion" which feature Hal Rees, chief percussionist for 20th Century Fox, performing on 23 different instruments covering a wide range of sound on each.

This wide range of the sound spectrum is of value to the hi-fi fan in that it assists him in checking his equipment for the good qualities and defects of the apparatus.

The diskery is taking extreme care in the packaging of the album. In addition to its own box, it also has a polyethylene sleeve to keep it free from dust.

Enclosed with the record is a twelve page booklet on high fidelity in which both the beginner and the pro is informed of the aspects of hi-fi. Charles Fowler editor of "High Fidelity Magazine," discusses each selection of the record for the value of the fidelity reproduction and the listeners' equipment. Fowler also writes about the technical aspect of the recording system.

RCA Holds Hi-Fi Symposium

NEW YORK—The Radio Corporation of America held a "Symposium On High Fidelity" at the RCA Exhibition Hall, in this city, on October 8, which presented the first public demonstration of the company's bid into the fast growing hi-fi market.

The program reviewed 50 years of progress in the recording and phono industry and was highlighted by three demonstrations of the present and future possibilities of the recording system.

One demonstration was of the new popular priced high fidelity "Victrola" phonographs and another was of the series of component parts of hi-fi equipment for home assembly of more elaborate systems.

The third demonstration looked into the future with a showing of an improved variation of a binarural recording technique. This presentation showed the "live" effect that can be reproduced with a dual sound track using double amplifiers, sound pick-

ups, and speakers. A system which may be compared with stereophonic sound.

Henry G. Baker, vice president of RCA Victor, said that this system was not yet ready for home use but demonstrated it to show the advancement in recording techniques and their ultimate possibilities. It marked the first public playing of a multiple-track recording by any major label.

Baker added that sales of hi-fi equipment may reach as high as seventy million dollars this year and predicted even greater figures for the coming year.

George Marek, director of A&R predicted a great increase in the sales of classical music in the near future as a result of the hi-fi technique.

The symposium also reviewed sound reproduction from the first "Victrola" right up to the latest hi-fi set, after which the new models were introduced to the audience.

CANADIAN COMERS

TORONTO TOPICS:

Colonials' change of pace of booking film comic Billy Gilbert, in place of its usual jazz fare seems like a good business office move. Several local amateurs talking to their bookers are available comics for future dates at their spots. . . . Back from the maritimes is Kidd Baker and his group. Will be playing two months of theatre dates and one nighters before he and his partner-wife, Ada Stella Baker head south for a long Florida vacation. The Baker group did good business while in the east and their last date at the Norwood Theatre, Bracebridge indicates good grosses for them in this territory, thanks to their record following. They will be doing another session for the Gavotte label before they leave for the U.S. . . . "Dragonet" and "Dragnet" are hitting as heavy here as is the case in the U.S.A. and the local capitol office is swamped with orders. . . . Frank Weaver, divisional manager for Quality Records doing job in the folk and country field with staff working overtime to fill the orders. . . . Bassel's changing its show format to acts rather than cocktail and music combos and the patrons are going for it. . . . One of the top Canadian sponsors mulling new network show with Die Toten in mind, if he is available. . . . Hamilton's main street jamboree had Bill Long and his boarder jumpers as their guest stars last week. Next week's show will headline Bonnie Miller and the Mighten Bros. Both making their first appearance on this rustic jamboree. . . . Most of the local music mob away in New York attending the "Canadian Music in Carnegie Hall" concert. . . . We hear that Jim Magill and his Northern Ramblers will soon be getting a break to record for a major label. The group last recorded for London Records and turned out several nickel grabbing sales for that firm. "Uncle Jim" and "Crooked Stove Pipe" were so nicely they have been covered by majors. . . . Margaret Truman in for a one night engagement. . . . Elwood Glover, D. J. at the C.B.C.'s local dominion station is one of the most consistent turn spinners in this area and rated tops by most of the record representatives. A plug on his show sells records and copies, according to the word I get from the local music boys. . . . same goes for Frank Ward's "Spotlight Serenade" on Buffalo's WKDZ, who has a lot of late night listeners in Central Canada.

MONTREAL MEMOS:

The Latin Quarter continues its jazz policy with Charlie Parker currently holding forth. Following will be Duke Ellington's band and several names are being lined for future dates. . . . The Hotley Bros and Mary Lou back in town opening at the Monterey, formerly the Diana. This is a new name for the local home of folk talent but the group is the same one that played so many weeks there last year. . . . R.C.A. Victor's Hugh Joseph has been in New York on business this past week. . . . Compo Co. recently negotiated a deal with Cadence Records to release Canadian pressings from their masters. Deal kicks off with Julius La Rosa's "El Champari."

WINNIPEG WORDAGE:

Buddy Reynolds (Aragon Records) has just cut his original tune "Tundra" and is beginning to move in this market. Watch this one break out nationally. It is the kind of exciting that could go places. . . . Allen Caron, of Mello-Music hearing at the success that his Polka publications are seeing these days. Associated Music Publishers in New York have signed up U.S. rights to them.

Coral Issues First Wayne Disk

Zsa" feature the conductor leading a 35 piece orchestra.

Wayne, who was musical director for Paramount pictures for a number of years, was the author of such hits as "Vanessa" and "Veradero". He also composed the currently hot instrumental "Tropicana" and the vocal hit "Laughing On the Outside".

During his stay with Paramount, Wayne was the composer of the background music for the motion pictures "Out Of This World", "Calcutta" and "Blue Dahlia".

Coral will go on an all out campaign to promote the two new Wayne originals.

In addition to his new venture on the Coral label, the conductor has plans for presenting pop concerts this season and possibly working on a Broadway musical.

NEW YORK—Bernie Wayne, author and composer of many of America's hit instrumentals, has just released his first Coral record as the composer, arranger and conductor. The releases, "Passionata" and "Zsa

RIAA Fetes DJs In Baltimore

BALTIMORE, MD.—Last week, the Record Industry Association of America began an intensified campaign to test the effect of a mass photograph advertising program on the sale of phonographs and on the eventual sale of records.

In conjunction with this program, the RIAA held a luncheon at the Emerson Hotel in this city on Wednesday, October 7, to inform disk jockeys, and representatives of phono manufacturers and wholesalers of the plans for the campaign.

John W. Griffin, executive secretary of the RIAA, addressed the audience outlining the ideas for the program, which will run for three weeks. Disk jockeys present at the luncheon were: Howard Streeter and Bill LeFevre, WFBR; Chuck Richards, WBAL; Buddy Deane, Mitch Reed, Howard Rudolf and Lee Case, WTHH; Al Stevens, WJLN; Bill Hayward, WSID; Wilbur Taylor and Eddie Fenton, WCBM.

Decca Parties Rex Allen And Pat Morrissey

CHICAGO—Decca Records partied both Rex Allen and their new girl vocalist, Pat Morrissey, at Mike Fritzel's downstairs banquet room, this past week, and drew one of the largest crowds ever to greet Rex and Pat.

Among those present were: Marty Hogan, Sellman Schultz, Larry Green, Shim Weiner, Al Chapman, Lee Petrillo, Bill O'Connor, Clarence Goldberg, Estelle Barnes, Fred Reynolds, Jim Mills, Dick Courtenay, Myron Schultz, Mickey Gross, and many, many others.

Rex Allen had a police escort and was driven to various juke box distributors' showrooms here where he was photographed with the latest juke boxes to reach the market.

Pat Morrissey, who will be remembered by many for her recent Kelly's run in Miami Beach, Fla., will soon be appearing at the Black Orchid here and will have her first Decca Records released at about the same time.

McKean Appointed

NEW YORK—The appointment of Gilbert S. McKean as Director of the Transcription Division of Columbia Records, was announced last week by Paul Wexler, Vice-President in Charge of Sales and Merchandising for the company. McKean replaced Alden O. Carlson who has resigned.

RHYTHM 'N' BLUES REVIEWS

ⓐ DISK & SLEEPER	ⓐ GOOD
ⓑ EXCELLENT	ⓑ FAIR
ⓒ VERY GOOD	ⓒ MEDIOCRE

OTIS BLACKWELL
(Jay-Dee 784)

B "TEARS! TEARS! TEARS!" (2:44) [Beacon BMI—Blackwell] Otis Blackwell weeps an emotional blues about his love having fallen through. Backing is easy for the sentimental item. A strong deck.

B "DADDY ROLLIN' STONE" (2:40) [Beacon BMI—Blackwell] The chanter sings the swaying and dramatic item with a stirring vocal. Lots of merit and could break through.

BOBBY BLUE BLAND
(Duke 115)

B "ARMY BLUES" (2:41) [Lion BMI—Mattis] Disk opens with reveille and Bobby Blue Bland picks it up and moans the low down army blues. Bland handles the vocal well and the disk is ok.

B "NO BLOW, NO SHOW" (2:38) [Lion BMI—Mattis] Flip is a quick beat rocking tempo. Bland sings of standing at the train watching it go by and thinking of his baby. Orking is good and the side an effective one.

MID SOUTH SINGERS
(Duke 202)

B "LORD COME ON AND SEE ABOUT ME" (2:42) [Lion BMI—Sawyer] The Mid South Singers blend on the middle tempo religious in steady rhythmic style. Lead handles his chores well.

C "WILL MEET YOU IN THE MORNING" (2:48) [Lion BMI—Douglas] The under deck is a slow light bounce gospel item performed in steady rhythmic style. A good religious waxing.

THE KINGS
(Jax 316)

B "YOU MADE ME CRY" (2:41) [Congress BMI—Ball, Shad] The kings follow up their "Why Oh Why" with another that looks like hit material. A slow blues has and performed tenderly with Bobby Hall coming through with a fine emotional lead vocal. A good deck and it could happen big.

B "BABY BE THERE" (2:39) [Congress BMI] The Kings work over a quick beat jump that moves along at a smart pace. Tune is melodic.

LITTLE HUDSON
(JOB 1015)

C "ROUGH TREATMENT" (2:41) [Lawn BMI—Showers & Brown] Little Hudson sings a southern blues story of his brutal father and the rough treatment he's had since he was a baby. Guitar accompaniment keeps it simple and in the true flavor.

C "I'M LOOKING FOR A WOMAN" (2:38) [Lawn BMI—Showers & Brown] Hudson sings a quick beat on the flip deck. He's looking for a woman who ain't got no man so that they can get together.

"BOOGIE BILL" WEBB
(Imperial 585)

C "AIN'T FOR IT" (2:25) [Commodore BMI—Webb, Verrett] "Boogie Bill" Webb sings a slow beat southern blues in ok manner.

C "BAD DOG" (2:14) [Commodore BMI—Webb, Verrett] Webb performs solidly on another southern blues with a slightly faster tempo.

THE CASE BOX ★ AWARD OF THE WEEK ★

"SOUTH OF THE ORIENT" (2:49)
[Jay & Cee BMI—Bradshaw, Glover]

"LATER" (2:43)
[Jay & Cee BMI—Bradshaw, Glover]

TINY BRADSHAW
(King 4664)

TINY BRADSHAW

● Tiny Bradshaw, whose "Soft" was one of the big sellers of the past year, comes up with another that looks like it should move Tiny back into the hot charts across the nation. Titled, "South of the Orient," Bradshaw is at the piano and dishes up a fine bit of 88ing against a steady tom tom beat backing. The general effect is an exotic quick beat with an oriental feeling. A fascinating and exciting side. The flip, "Later," is a fast tempo jump with a lively sax featured in the treatment. Both decks powerful, with the top taking the nod on the basis of its unusual treatment.

THE CASE BOX Rhythm 'N' Blues SLEEPER OF THE WEEK

"A WOMAN IS TO BLAME"
(3:04) [4 Star BMI—Geddons]

"BLUES AT SUNDOWN" (2:54)
[4 Star BMI—Wilson]

JIMMY WILSON
(Big Town 107)

● The "Tin Pan Alley" man, Jimmy Wilson, comes through with a pair of likely looking blues items. Upper deck, "A Woman Is To Blame," is a slow blues effectively projected by Wilson, who wonders if he will ever amount to anything. He's broke and hungry, and a woman is to blame. Wilson is properly mournful and his guitar accompaniment effectively sets the stage. The flip deck, "Blues At Sundown," is a similar slow blues, handled in a like fashion by the chanter. Wilson plaintively promises his baby anything if she would only return. Both decks are are of the same pattern and either side could break for a hit.

"SCREAMIN' AND DYIN'" (2:41)
[VeDel BMI—Allison, Shipman, Glass]

"LEFT MY JAPANESE BABY" (2:43)
[VeDel—Caulbe, Glass]

CHARLES GLASS
(Magnet 7011)

● A sleeper and a long shot. Broke out big in Charlotte, N. C. and could spread fast. The upper deck, "Screamin' and Dyin'," is a novelty with an opening that catches your attention immediately. Finds his gal "rockin'" with another man, she pleads for another chance, screams, and then the shot. After that galvanic opening, Glass tells the story in middle tempo rocking rhythm with a punchy line, "left her screamin' and adyvin' and arolin' on the floor" that creates a terrific mental picture. Has the novelty sock to put it across big. The flip is "Left My Japanese Baby," a slow item with an Oriental feel. All the action should take place on "Screamin'." Technically the disk could stand loads of improvement but the novelty treatment overrides the mechanical defects.

LYNN HOPE
(Aladdin 3208)

B "SWING TRAIN" (3:55) [Aladdin Music BMI—Lynn Hope] Lynn Hope and his Orchestra dish up a lively middle tempo foottapper. The satisfying saxing of Hope lends color to the etching.

B "ROSBROOM" (2:25) [Hickman, Williams] A similar beat hick with the same smart Hope sound. A good dance tempo.

BOBBY WOODLEN
(RCA Victor 20-5477)

B "TALES OF BOOGEE" (3:02) [RCA Victor License — Edgar Sampson, Bobby Woodlen] A weird and exciting instrumental. Ok saxing. Item can go in any location.

C "MAMBO INN" (2:25) [Peer Int'l] BMI — Sampson, Bauza, Woodlen] The Woodlen Harlem Mambo sets a fast moving mambo that makes for good listening.

THE ROYALS
(Federal 12150)

B "I FEEL THAT-A-WAY" (2:11) [Arno BMI—Ballard] The Royals dish up a middle tempo jump against a shouty and hot ork. The boys give out with an enthusiastic reading that has a touch of the religious feel.

B "HELLO MISS FINE" (2:35) [Arno BMI—Ballard, Tucker] The boys etch a slow bounce ballad. He wants to hold Miss Fine's hand and be her loving man. A potent performance and a solid follow up to their successful "Get It."

BIG DUKE
(Flair 1018)

B "HELLO BABY" (2:41) [Flair BMI—Henderson] Big Duke tells the girls he is back in town and how lucky they are. He boasts of his loving prowess. A rocking side.

B "HEY DR. KINSEY" (2:42) [Flair BMI—Henderson] An item with a similar tempo. Big Duke blames Dr. Kinsey for all his troubles. A rocker with a chuckle in the lyrics.

FREDDIE MITCHELL
(Brunswick 84023)

B "FREDDIE'S BOOGIE" (2:40) [Challenge BMI—Mitchell] Freddie Mitchell ork comes up with a fast boogie beat and etches the tune in fine style. An interesting piano takes the spot in the first half and then Freddie Mitchell picks up the item with his talented horn. Side gets an interesting treatment as the light sprinkling piano is backed with a wild and raucous ork.

C "CHIVRICO" (1:57) The Latin item that got wide coverage is with a solid reading by Mitchell and his aggregation.

BIG BERTHA HENDERSON
(Chance 1143)

B "ROCK, DADDY, ROCK" (2:37) [Joni BMI—Al Smith] The big voiced chantriss, Big Bertha Henderson, belts a gusty quick beat about her daddy who rocks morning, noon and night. Orking is torrid.

B "TEARS IN MY EYES" (2:36) [Joni BMI—H. Jones, A. Smith] Big Bertha weeps the blues with feeling against a background of low down orking. Bertha handles the item with a solid reading.

INSIDE HARLEM

The Apollo, this week, really has the blues. With Wynonie Harris, Varetta Dillard, The Three Choclateers and the band of Frank Humphries operating under the same roof, and at the same time, one can get more than an earful of the best blues happenings . . . Johnny Wallace (he's one of the co-writers of the recent Ruth Brown hit "Mama") seen making the rounds with Edna McGriff. He has just penned a couple of good one for the little "Heavenly Father" Miss . . . Tommy Smalls (Dr. Jive) wants us to know that he makes very good use of The Cash Box listings each week. . . Clyde McPhatter (he's formerly of the Dominoes) brought his Drifters Quartet into the Apollo for their first theatre showing hereabouts and the ovation was tremendous . . . Don Robey and Irv Marcus of Duke Records are smiling. They've just released four new disks. Roscoe Gordon's "Ain't No Use," "Army Blues" by Bobby Blue Bland plus two spirituals. They are also releasing the long awaited sides by sax star Billy Graham and his gang and a Four Dukes etching. One of the big surprises is that one of the Billy Graham ditties features the voice of young tunesmith

Joel Turnero . . . Shelton Lewis, busy body of the Willie Bryant & Ray Carroll show, really keeps on the move. Besides playing The Cash Box top twenty, can be seen checking with manufacturers and the guys in the stores each day so as to give listeners only the best . . . Diahann Johnson left the 1280 show to concentrate on singing and getting set for her own WOW teenage weekly feature. Last week, Diahann was the winner of the Paul Whitman show and will be seen competing for the grand prize when the "Pops" calls this week's session to order. Little lady would be a mighty good bet for one of the diskeries interested in the Joni James, Bette McLaurin, Patti Page type . . . Tune-smith Rudy Toombs who, just two weeks ago, drove back to California, planned in on very important business for four days then jumped back to his desk at Aladdin in Hollywood.

Folk & Western Notes from California

LOS ANGELES:

Fabor Robison has just completed new recording sessions in Shreveport for Hank Reeves and Carolyn Bradshaw who is ranked as one of the top feminine discoveries of 1953. Robison was on the road for several weeks and made numerous contacts in his steadily expanding organization. He is now back in Hollywood at Abbot Records home office . . . Carolina Cotton was recently adopted by the Chippewa Indians. James A. Wakonabo of the Minnesota Chippewa tribe has adopted the versatile entertainer as a grandchild. Her certificate of adoption, inscribed on Birch Bark, is one of Carolina's cherished possessions. Now she is a delegate to the Chippewa encampment set for Denver, Colorado the 24th and 25th of this month as a representative of the tribe . . . Charlie Aldrich is in great demand in the Los Angeles area since intro released his "Kinsey's Book" ditty backed with "Somebody Goofed." Being a nightly attraction at the Saddle Club with his orchestra, Charlie's agency, RPM Enterprises, has turned down all out of town offers for the present. He penned the Kinsey song quickly and records hit the shops just after release of the book. The words are hilarious comedy and as clean as a hound's tooth. Cash Box ranks it as tops . . . Abbot Records is well represented with talent at the big Louisiana Hayride in Shreveport. On one program recently there was Jim Reeves, Carolyn Bradshaw, Mitchell Torok and Rudy Grayzell, and all are discoveries of Fabor Robison, Abbott owner . . . Skeets McDonald's new Capitol pressing of "Looking At The Moon And Wishing On A Star" is causing the excitement it rightfully deserves. This is a rush release, but to hear the treatment of the number you would believe he has been singing it a long time. With more than 20 numbers on Capitol, fans of Skeets McDonald have a great variety of records from which to choose these days, and Capitol has more in the making. His future is bright . . . Johnny Bond is loaded with guest appearances on Hollywood radio and TV shows after being out of the city most of the summer. In Hawaii at KAHU, DeeJay Lonnie Bell says Johnny Bond records are among favorites of the natives as well as GI's . . . Wade Ray and his top Western band are now on tour in Texas. His latest Victor release, "Let Me Go Devil" and "Too Late To—" is still on RCA's best seller list . . . C. E. Pebbets, owner of Eastman Records and writer of "Divorce Granted" has just had it recorded by Decca. A brand new Ernest Tubbs release which is backed by "Counterfeit Kisses," and due at all record outlets this week. Here are two that sound like saleswinners for Ernest. "Divorce Granted" was first released by Eastman Records with the vocal by Jack Loyd, former Bob Wills singer. Loyd's caused excellent comment, and has been well received in TV and radio . . . Jimmie Dick appeared recently in Blytheville, Arkansas for the National Cotton Picking Contest, and then headed South to Alabama for scheduled dates. He has just completed sessions for Decca with some new releases scheduled for the winter. His "Surprise" current release, is ranked by many dealers as one of his greatest of all time . . . Bill McCall Jr. of 4-Star Records is elated over the fact that Hank Locklin's "Let Me Be The One" is proving to be a big seller.

Western Record Pressers Meet

LOS ANGELES—The Western Record Pressers Association met at the Carolina Pines Restaurant, this city, for their monthly meeting on October 13. After dinner the meeting was called to order by the new president, John Galitza. Al Levine, secretary-treasurer, read the minutes of the last meeting. E. P. Westcott, technical representative of the Bakelite Company, was introduced to the group. He spoke on new record pressing techniques and developments.

The meeting was then turned back to the president and an advertising campaign for the fall season was voted on by the members.

Louis Jordan Into Cafe Society

NEW YORK—For the first time in five years, Louis Jordan and his Tympany Five will make a New York nightclub appearance on Oct. 19, when the group will begin a two-week engagement at Cafe Society in Greenwich Village. Although Jordan has made theatre appearances here recently, the Cafe Society date will mark his return to a New York nightclub.

The Cafe Society engagement is part of a tour of theatres, nightclubs and personal appearances by Jordan and his group, who have just completed a two-week stint at the Sands Hotel in Las Vegas. Jordan's most recent Decca recording is "There Must Be A Way," and "Time Marches On."

BULLSEYE OF THE WEEK

"SATISFACTION GUARANTEED" (2:55) [Alamo ASCAP—Twomey, F. Wise, Weisman]
"WHO'LL BUY MY HEART-ACHES" (2:52) [Aberbach BMI—Kane, Twomey, F. Wise, Weisman]
CARL SMITH
 (Columbia 21166)
 ● Carl Smith always has at least one hit in the top ten western tunes, and it seems that he has come along with a double hit release to keep his current number one smash, "Hey Joe!", company. "Satisfaction Guaranteed" is a quick beat happy item that the mellow voiced country chanter bounces through with zest and lighthearted appeal. Fetching lyrics find the warbler insuring his sweetheart of his love and happiness. Bottom deck, "Who'll Buy My Heartaches," is a tender tune with a pretty melody given a first rate reading of the sentimental lyrics. The artist's warm treatment gets across in soul stirring fashion against a fine string backing. Chanter should pick up all the marbles with these two money makers.

"I'M YESTERDAY'S GIRL" (2:45) [Braze Music—Hank Thompson, Billy Gray]
"LET ME BE THE ONE" (2:24) [Four Star BMI—W. S. Stevenson, J. Holson, P. Blevins]
GOLDIE HILL
 (Decca 28898)
 ● Goldie Hill makes her bid for a place in the best sellers in the country field with a pair of sentimental tunes that she waxes with telling effect. "I'm Yesterday's Girl" is Goldie's answer to "Yesterday's Girl" waxed by Hank Thompson and stirring up a good deal of excitement in the jukes. The chirp vocals with freshness and appeal as she tells how she was promised everything but now it's all a memory. The lower portion, "Let Me Be The One," is already a hit country tune but the "Golden Hillbilly" series could earn her equal billing on the charts. Tune is a lovely one and Goldie's smooth, easy manner makes this another top notch etching. Ops oughta get with this two sided winner.

FERLIN HUSKEY
 (Capitol 2627)
B "WALKIN' AND HUMMIN'" (3:00) [Central BMI—Clyde Wilson] Mellow voiced Ferlin Huskey, currently sharing honors on two tunes high on the list, bids fair to add more laurels as he vocals on a moderate beat weeper. Infectious lyrics movingly projected by Huskey. Side could happen.
B "I WOULDN'T TREAT A DOG LIKE YOU'RE TREATIN' ME" (2:14) [Central BMI—Billy Cole] Flip deck is a quick beat item with inviting lyrics and the artist treats to another engaging vocal. Authentic country flavor is supplied by a colorful string backing on both ends.

GRANDPA JONES
 (RCA Victor 20-5475)
B+ "MY HEART IS LIKE A TRAIN" (2:30) [Lowery BMI—Kenny Lee, Don Welsh] Grandpa Jones enticingly vocals the sprightly lyrics about how he wooed and wed a gal who took him over the hurdles. A top drawer rendition by Jones as strings simulate a fast moving train in the backdrop.
B "THAT NEW VITAMINE" (2:35) [Tannen BMI—Scotty Wiseman] On the lower end Grandpa etches an amusing ditty in rollicking fashion. The artist treats to a peppy lyrics with a light and spright touch that endears him to the listener and the results should prove substantial juke box lure.

HANK WILLIAMS
 (MGM 11628)
B "CALLING YOU" (2:58) [Acuff-Rose BMI—Hank Williams] Penned and vocaled before his death, this tune carries with it Hank Williams' unique expression of sadness in his delivery. A quick beat religious item etched by the artist in stirring fashion. Should make the boxes jingle.
B "WHEN GOD COMES AND GATHERS HIS PEARLS" (2:45) [Acuff-Rose BMI—Hank Williams] Lower end is a similar religious flavored slow tempo piece that Hank waxes with warmth and feeling. Polished string support on both decks by his Drifting Cowboys. Two appealing decks by the master.

CHUCK REED
 (Mercury 70223)
B+ "I HAVE A SECRET" (2:45) [Acuff-Rose BMI—Ted Brooks] Chuck Reed puts his heart into his chanting of a sad slow tempo romantic lament as he tenderly pours out his secret. Reed etches with all the polish and appeal that could make this emotion packed item a big one for the artist.
B "GOT A LETTER FROM MY BABY" (2:45) [Ridgeway BMI—Ted Brooks] Lower lid is another lovely tune that is treated to Chuck's smooth relaxed presentation. A moderate beat romantic piece backed up by soft, subdued strings. Two sides that bear close attention by the ops. (Imperial 8211)

HOOT & CURLEY
 (Imperial 8211)
B "LINIMENT AND TURPENTINE" (2:45) [Commodore BMI—H. Rains, C. Herndon] Hoot and Curley blend voices on a cute peppy, quick beat novelty with excellent results. The boys chant the delightful lyrics with spirit, and come through with a potent side. Adequate string support.
C "WILL TOMMOROW BRING YESTERDAY" (2:50) [Commodore BMI—J. Crist, M. Townsend] The artists combine their vocal talents in feelingful fashion as they dish up a moderate beat tender item. Lyrics tell that the future cannot rid them of their heartaches and bring back past happiness.

ANN JONES
 (King 1264)
B "A BIG FAT GAL LIKE ME" (2:05) [Lois BMI—Ann Jones] Ann Jones applies a terrific reading to a torchy tune with zesty lyrics. The chirp tells that it's gonna take a full time job to handle this robust red hot number. A dandy side.
C "LONESOME WITHOUT YOU" (2:30) [Lois BMI—Jones, Morris] The mellow chords of the thrush stand out on a sentimental item waxed in middle beat fashion. Easy string backing on an ok deck.

THE CASE BOX FOLK AND WESTERN RECORD REPORTS

Charlie Aldrich is in great demand in the Los Angeles area since Intro released his "Kinuso's Book" ditty backed with "Somebody Goofed." Since Charlie is a nightly attraction at the Saddle Club with his orchestra, Charlie's agency, RPM Enterprises, has turned down all out of town offers for the present. Cowboy Copas (King) with Kitty Wells (Decca) as guest held the spotlight on the coast to coast, NBC on some of Grand Ole Opry for Prince Albert, Saturday, October 10th. Little Jimmie Dickens held the coveted spot on the show Saturday, October 17th and had as his guest Carl Butler. Johnny Bond, now in his 13th year as a record seller for Columbia is long in the guitar appearance on Hollywood radio and TV shows after being out of the city most of the summer. Always a favorite on Jimmy Wakely's CBS program he has already made a return engagement, and the same goes for other ranking programs. In Hawaii at KAHU, Johnny Lonnie Bell says Johnny Bond records are among favorites of the natives as well as G.I.s. A ranking pop band has just recorded Johnny Bond's "Cimaron" for early release. Carl Smith whose smash version of "Hey Joe" is still riding high in the charts and who has popularity charts, has a brand new release out that is already attracting lots of attention, titles being

"Satisfaction Guaranteed" and "Who'll Buy My Heartaches." Carolina Cotton has been adopted by the Chippewa Indians, and official notification has just been confirmed by the League of Nations. American Indians, Goldie Brothers have their best release to date in "Morgan Poisoned The Water Hole," and "No Down Payment—Easy Terms." Ralph, Paul and Steve work this time with a chorus, plus some very good musical support to augment their trio. Skeets McDonald's new Capitol pressing of "Looking At The Moon And Wishing On A Star" is a recording which rightly deserves. Introduced by Rudy Grayzel on Abbott the song packs a powerful punch.

Just discovered that Slim Mims of WJMX and his Dream Ranch Boys are now playing to capacity houses at their square dances being held in the Bar B Q Barn, Florence, S.C. Slim features J. T. Nesbitt, featured vocalist, and Billy Taylor, electric steel, Jack Hudson, electric guitar, and Jodie Joiner, fiddler. At HLL, now the recording studios in the C&W department at WLOM, in Lancaster, S. C. Ed Jordan, WLET, Toccoa, Georgia is now playing a heavy schedule of personal appearances and his sponsored shows have been running for four consecutive years. Lou Stevens of KXLA, Pasadena, California has built up a mighty good audience during the past five years with his "Monday Night Music Hour" program. A new recording program of collector's item records. Faber Robison has just completed new recording sessions in Shreveport for Jim Reeves as well as Carolyn Bradshaw. Jim's "Mexican Joe" set him up as an artist to remember and Carolyn's new Capitol recording of "I'm Glad I'm Married" has done so well. Robison was back in Hollywood at Capitol Records office last week. Perlin Huskey and Jean Shepard opened their long Western states tour in Eureka, California last week. Group is under guidance of Huskey who is handled by RPM Enterprises. Their tour is booked by Buck & Sonny Agency, Medford, Ore. Douglas R. Lecky is making money. Smiley Burnett flew back into Hollywood the past week-end after another lengthy tour marked by excellent attendance. The dates Smiley just completed extend from the Dakotas to Louisiana. Abbott Records and Capitol has the market cornered on talent at the big Louisiana Hayride at KWKK, Shreveport, La. On one program there was Jim Reeves, Carolyn Bradshaw, Mitchell Torok and Rudy Grayzel, and also are discoveries of Faber Robison, Abbott owner.

The new country music newspaper "Pickin' and Singin' News" operating out of Nashville makes some interesting fan reading. Shel Horton, country dj at WHUN in Saxton, Pa. was appointed sales representative at the station. While he was visiting in Nashville he sat in with Hugh Cherry, WMAK, Eddie Hill, WSM, Pee Wee King, WAVE, Lulubelle & Leon and Captain Stubby.

Scott Tassin has a new release out on the Pelican label tagged "Get A Move On Baby" and Charlie Stuckey has a new one on the same label in "Angel of Mercy." Bue's latest release on a publishing both songs and Sid Hyman of Montreal is in charge of promotion.

It's reported that C. E. Tobbetts who penned "Divorce Granted" the brand new Ernest Tubb release, backed by "Counterfeit Kisses" was due out last week and should be at the record shops now. Minnie Pearl is currently in the middle of a tour booked by Tom Parker. Joe Bonner and Rose Lee have been notified by Okeh Records that their new release will be out soon. Their first was "Dim Lights, Thick Smoke" and "Black Mountain Rag." On the new one is a novelty they composed which is in line with the type of song that is selling and lighting up the juke boxes these days. Currently, the team is playing dates during the week at cities North of the Los Angeles area, but return for the Town Hall Party every Friday and Saturday night at the Commodore California. Grandpa Jones (RCA Victor) has just returned from his Canadian tour and is now back working his scheduled shows at Grand Ole Opry. Ken Marvin is out promoting his new Victor release, titled "I Never Had It So Good Before" and "One By One." Johnny Masters and the Masters Family continue to hold forth on the "Dinner Bell" program over WROL, Knoxville, Tennessee. Johnny has penned many country hits and his family group records for Columbia. It's reported that Eddie Kirk's recording of "Caribbean" has turned out to be his best yet. More than a series of personal appearances (R. Victor) and Kitty Wells (Decca) currently playing a full schedule of personal appearances and business is holding up very well, according to acts manager, Frankie More. It has off been reported that the Johnnie & Jack package with Kitty Wells as added attraction, has broken lots of attendance records. Red Harper was in Texas last week for a series of personal appearances at religious gatherings under sponsorship of the Rev. Woodrow Fulfer.

Here and There

NEW YORK—David J. Mahoney Jr., youthful head of an advertising agency bearing his name, has astonished the entire advertising fraternity by his brilliant success. Starting cold after World War II, Mahoney has risen to a point where his agency is rated with the best. In an address to members of the Sales Executive Club of New York this week, Mahoney made a statement that should be copied in inch high letters and set up in every coin firm in the industry—manufacturer, distributor and operator. Said Mahoney: "... it pays to be ignorant in trying new sales ideas (ed note: we add, just plain ideas). Those who are smart enough to figure out why an idea cannot succeed often turn into business mummies wrapped in white tape and research figures. Ideas that 'won't work' usually pay off at the longest odds." (Mahoney explained that "white tape" comes from adding machines with lists of figures proving why a new idea is no good.)

PHILADELPHIA, PA.—We in the coin machine business know what a tremendous thrill everyone gets when they "beat" a coin operated machine. Here's one for the books! Two men in this city were hauled before a magistrate for illegal parking in a parking meter spot. Seems that they had placed their small foreign-made automobiles in a space which holds the ordinary sized car. They were inserting just one coin for both cars. This week a traffic policeman decided that the cars were parked illegally. The magistrate dismissed the case, after it was pointed out that state and local ordinances could not find where they had violated the law. The decision was: "A vehicle that takes up two spaces has to pay double, but there's nothing in the books saying two cars occupying only one space have to pay double."

NEW YORK—The beer producers raised their prices a week ago on both bottle and draft beer. Some locations, previously were selling a glass of beer at 15c. However, with this new increase, it was absolutely necessary for all taverns, bars and grills to get 15c per glass. Since the end of the war, this item has risen from 10c to 15c. Coin operated equipment, for the most part, is still selling its music and amusement for 5c.

Think for a minute, or two, or three, before you check one of the above.

In all probabilities, you will probably check —50%.

Startling as this figure may seem to some, it must be remembered that, in the years since 1946, the post-war years, it just hasn't been humanly possible to clear out the tremendous number of pre-war juke boxes which still exist around the nation.

Some outstanding juke box operators, on their own, have entered into campaigns to clear away these old, worn out, fly specked, marred and scarred, terrible-tone music machines.

Pictures have appeared in *The Cash Box* from time to time showing operators smashing, burning, and junking these old pre-war phonographs.

Associations, like the Miami Automatic Music Operators Association, have advised their members that they frown upon pre-war phonographs, and will not endorse them in any fashion whatsoever.

Other associations have followed suit. Simply because the modern automatic music operator realizes that, if anything at all, these pre-war phonographs, which are still in existence throughout the nation, are simply hurting his business and the businesses of all other operators.

The wide publicity given to an item that someone had "introduced a record which played three minutes of silence" in a juke box, gives some idea of how people react to the screechy, scratchy old, wornout, pre-war juke boxes.

Even those operators who have tried, very diligently and very handily, to "modernize" their pre-war juke boxes, with new painted cabinets, with lights and plastics, still can't remove the wornout, old mechanism, as many times as they replace parts in that mechanism.

Even if they remove the heavy tone arms, and do away with the old and wornout amplifiers, introduce new speakers into the location, it's simply like putting a new dress on an old hag.

As engineers of the leading juke box manufacturers have reported, time and time again, "The greater majority of the out-of-order signs appear on old, pre-war, wornout juke boxes."

Every operator knows this to be a fact. Every operator has seen these dirt encrusted machines. He has seen the flyspecked title strips. He has heard the screech and the scratch of the old, pre-war, wornout, tired juke boxes, on many locations in his territory.

It is up to him, the progressive, forward-looking music operator, to get these machines out of his territory, before they affect him and his operation, which they surely will.

The time has come for a general clean-up campaign. And that campaign should start right off with the removal of every pre-war juke job just as speedily as this can be brought about.

Today the public is most completely impressed, because of the sales talks of television receiver firms, with "tone quality" and with "cabinet beauty".

Such tone quality and such cabinet beauty can be found in every modern juke box now being manufactured.

There is no earthly reason to continue on with these old, wornout, tired-looking, screechy, scratchy, marred and scarred juke boxes of ten and fifteen years ago.

The operator must assure his own future, better welfare with the first and basic factor for his success—public acceptance of his business endeavor.

And his business endeavor is to have the public purchase the music he vends.

YOU

On Monday, October 26, the juke box industry will be presenting its side of the arguments against the provisions of the McCarran Bill (S.1106) as introduced into the Senate of United States by Senator Pat McCarran, Dem., Nevada.

Senate Bill 1106 wants to make that one change in the "Copyright Act of 1909" which would mean that every single one of the nation's juke box operators would have to pay **DOUBLE TAXES** for the right to play the **VERY SAME MUSIC** which their phonographs are featuring today.

This is what ASCAP, and similar organizations, who are sponsoring this Bill in the Senate, are trying to put over.

Nothing to benefit the entire peoples of these United States. But, instead, this bill, labeled Senate Bill Number 1106, which will benefit but one single, all-powerful, multi-million dollars organization, known to all in the music industry as ASCAP (American Society of Composers, Authors and Publishers) and such similar organizations.

Can it be a wild nightmare? Of course not. This is the sort of thing that such organizations will introduce into the august Congress of these United States, in an effort to obtain more financial gain for them-

selves, and not for the benefit of all the peoples of these United States.

This is the sort of ironical misconception of American justice which will pervade the type of organization that only thinks about its own welfare, and not the welfare of all the peoples who comprise this one great, grand, **FREE** nation.

This is the one sure and certain way to: **CRUCIFY THE MUSIC OF THE POOR ON A CROSS OF GOLD!**

This Bill (S.1106) is definitely bound to silence thousands of juke boxes with the heaviest tax program in business history and, what's more, bring about a "police-state-action" which will cripple those who desire to even continue in the business of economical musical entertainment for America's millions of peoples.

There is, in this Bill (S.1106), no content whatsoever which, in any fashion, advises the juke box operators, or any other purchasers of recorded popular music based on copyrights owned by ASCAP, or such similar organizations, **HOW MUCH** ASCAP, or such similar organizations, want for the use of their copyrighted music.

And Only You, Mr. & Mrs. Juke Box Operator, Can Prevent The MUSIC OF THE POOR, Your Music— Music Of The Nation's Juke Boxes, From Being CRUCIFIED ON A CROSS OF GOLD

But, just a year ago, in 1952, ASCAP was bold and frank enough to state that it would be happy to "police" the juke box business.

ASCAP, at that time, called the juke box business a "racket". ASCAP, in a special bulletin, issued prior to the Bryson-Kefauver Bill hearings of 1952, called the juke box industry a great many other uncomplimentary things.

Why, then, has ASCAP so suddenly adopted the pose of the poor and humble member asking for "co-operation" for a "few pennies each" for its tunes?

This is out and out unvarnished and absolute BALONEY. These are the sort of crocodile tears which this industry has seen time and time again in past years. This is the kind of whining and pleading which makes for anything but the OPEN AND FRANK FACTS—**THE TRUTH.**

This is, without any question of any doubt, the one and only method which this, and all other similar organizations have to: **CRUCIFY THE MUSIC OF THE POOR ON A CROSS OF GOLD.**

And this is just what they are attempting to do. They aren't happy in the fact that the recording manufacturers are already paying them the royalty which they ask, and which ROYALTY is added on TOP of the price the juke box operator pays for the records he purchases, which feature any of their tunes on which they own the copyright.

THEY WANT TO DOUBLE TAX, TWICE OVER AGAIN, the entire juke box industry. And for whose benefit? For all the peoples of this nation? NO! For themselves!

They appear before the United States Senate, and ask that the nation's juke box operators PAY THEM DOUBLE TAXES AGAIN AND OVER AGAIN FOR THE VERY SAME MUSIC ON WHICH ROYALTY IS ALREADY BEING PAID TO THEM.

This is not a farce. This is not a dream. This is fact. And, therefore, this is the reason that each and every single juke box operator better get up on his hind legs and enter into this battle, as of the morning of October 26, 1953, when three of the august Senators of these United States will preside over hearings on the McCarran Bill, S.1106.

RICHMOND, VA.—Frank Page, president, and Jack Bess, vice-president, Roanoke Vending Exchange, Inc., this city, played host to practically every operator in the territory during their Open House Week, October 15 to 21, at their new building at 4930 West Broad Street.

As we go to press, and only a few days more remain for operators in Richmond and vicinity to drop into these new quarters, Page and Bess report that most of the coinmen here have already been around. Not only

have these men complimented the owners of Roanoke Vending on their gorgeous building and the wonderful service facilities available, but have placed substantial orders for many machines.

Among the representatives from the manufacturing firms on hand were Jack Mitnick of AMI, Inc., Frank Mencuri, Chicago Coin Machine Company and Paul Huebsch of J. H. Keeney & Company. Other factory executives were expected to arrive before the end of the open house week.

This year's MOA dinner takes place at the Commodore Hotel, Saturday night, November 7.

As has been the case for these many years, a memorable night of fun and entertainment is in store for the New York music operators and their guests, and out-of-town coinmen. Top recording artists will be on hand as usual, and a full variety bill and orchestra will put on a show.

Demand for tickets are heavier this year than ever, and Denver advises local operators to be sure to make their reservations immediately, or they may not be able to get tickets.

Willie Shore Dies In Auto Accident

Pinball Pantomime Act Favorite Of Coinmen

CHICAGO—Willie Shore, Chicago's most favorite comedian, beloved by all in the coin machines business everywhere in the nation, was instantly killed in an auto accident, October 12, while he was returning to his city, his home, from a show he had just completed in Springfield, Ill. He was only 41 years old.

Willie Shore will never be forgotten for his beautiful soft shoe dancing, a lost art today, which pleased thousands upon thousands of cafe goers all over the nation.

But, most of all, Willie Shore will never be forgotten by all in the coin machines industry, for his sensational and original pantomime of a fanatical pinball player, which he would do show after show at the Chez Paree here, on the demand of Chicago's leading pinball manufacturers.

This pinball pantomime, imitated by many on stage today, was one of the most sensational and laugh provoking acts on the American stage.

It was so true to life that he was complimented after each and every performance for this grand mimicry by everyone of the pinball people in this city who jammed the Chez Paree to see his great act.

His friendliness, and his great personality, will never be forgotten by any here. He was everyone's friend. "If ever" as one coin machine leader here stated, "anyone deserved to dance that beautiful, silent softness of the old, soft shoe in heaven, surely, it was Willie Shore."

TUCSON, ARIZ.—Paul W. Hawkins, this city, distributor for Rock-Ola phonographs, reports that his firm had a most successful showing of the new "Comet" phonograph on October 3 in Tucson and October 5 in Phoenix.

Pictured above are some of the visitors who attended the showing:

- #1 Mr. and Mrs. L. R. McCarty at the Phoenix office.
- #2 Joe Carson and Paul Hawkins at the Phoenix showing.

Johnny Casola Catching Up On Coinbiz

JOHNNY CASOLA

"I've been reading everyone of the copies of 'The Cash Box' which are saved here in United's sales offices.

"Believe me", Johnny continued, "that if anyone's away from the business for a while, his best bet is to get hold of all the copies of 'The Cash Box' that he missed and, in this way, he's going to catch up quicker with what's happened than any other system he could possibly use."

Picture of Johnny Casola sitting at Bill DeSelm's desk reading 'The Cash Box' was snapped by one of the photos over at United's plant.

Said Bill DeSelm, "Johnny's back on the job again and his many friends, everywhere in the field, will soon be seeing him as he gets around to call on them."

CHICAGO—Johnny Casola is back on the job at United Manufacturing Co., this city, and will soon be visiting with the firm's various distributors all over the nation, according to Bill DeSelm, salesmanager of the firm.

Johnny has been taking care of his father, who was very ill, and now, that Louis Casola, Sr., is in better health, has returned to United and will be covering the trade once more.

"To catch up with what has been going on in the coin machines business while I was away," Johnny reports,

AMI E-40 Will Be Manufactured In England

LONDON, ENGLAND — In the "Here and There" column of The Cash Box, October 10 issue, we noted the fact that the Samson Novelty Company, Ltd., was advertising "the brand new AMI Juke Box."

We wondered out loud how this was possible with the ban on prohibiting the importation of coin operated equipment.

The mystery is now cleared up. The World's Fair weekly English coin machine publication reports that Harry Holloway of the Samson company has advised them that the AMI "E-40" will now be manufactured in England under license.

States The World's Fair: "... have a hunch that with AMI 'E-40', Samson Novelty Company is going to open a new phase in juke-box operating in this country."

N.Y. Games Ops Set Annual Dinner Date

NEW YORK—George Ponsler, business manager of the New York Operators Association (games operators), announced that its 4th Annual Dinner and Dance will be held on Sunday, December 20, at the Latin Quarter, a local night club.

As is the organization's custom, it will turn out a souvenir journal. Pon-

ser is at present contacting firms in the industry for their copy.

With each succeeding year, the banquets held by the association have drawn larger attendances, and Ponsler predicts the forthcoming 4th annual affair will see a record breaking attendance.

As See It

A Weekly Column
by
AL SCHLESINGER

There is now appearing in various trade journals on page "ads" in the form of a letter, entitled "From Me To You." The sponsors of the "ads" call themselves "Composers and Authors Committee For Support of S.1106." They give their address as 120 Broadway, New York City. I am sure that every operator would like this committee to sign their names on their future "ads" so that we could all know who this committee represents.

I would like to answer their letters. Let me take the first. Since the public hears a song through a juke box, I would say ultimately we are partners. Partners in the sense that we are the medium that gives the songwriter and author one avenue of reaching the public. Would the songwriters and authors say they composed songs only for the juke box? Or is the juke box a product that helps along with the sheet music to make a song popular? What other means do songwriters and authors have for revenue?

What is the big investment that songwriters and authors have in our business, that costs us nothing? Doesn't every operator in America now pay a royalty to you on every record he uses in his juke box? There has indeed been great changes from 1900 to 1953. The coin machine industry has progressed along with other industries. Coin operated music was once sold through Swiss boxes with a coin chute. Violin Virtuosos enclosed in a cabinet with a coin chute, Pianos with a paper roll with a coin chute, etc. and etc. Today we have phonographs that can play from 40 to 120 selections. Greater opportunities for songwriters and authors to get their songs heard. Is this the reason for operators to now pay a license on top of a royalty? Are we now to pay a penalty for progress?

If the theory of the Songwriters and Authors Committee For Support of S.1106 is correct; then we should turn the clock back and pay a license to the man that invented the first wheel. Instead of just paying for the wheel, we should be licensed and pay for each mile we use the wheel! Or, if it be in the realm of sports, we should pay the inventors of Golf, Baseball and Football not only the cost of these items, but license the use of these each time they are used because the public benefits from their use in the form of entertainment.

I am against Senator McCarran's Bill because it will not help our business. On the contrary; not only will it hurt us; but it might eliminate many operators in this industry. As partners; would you like to see this happen?

Now for the second letter in support of Senator McCarran's Bill. An operator has to be an exceptionally good businessman to stay in the juke box business today.

If your assumption that the "More locations an operator has—the more money he would make" were true, the same would apply to a songwriter. I believe that sixty per cent of the juke boxes on location today do not earn any money for an operator. Every songwriter writes more stiffs than hits. What would happen to the songwriter if 60 per cent of the juke boxes were withdrawn from the operator's stiff locations? As it is now, the operator has to feed these stiff locations with records that include your royalty. Unfortunately the operator has been caught in a cycle, not of his making. Approximately 87% of the juke boxes of America are still operating on a nickel. The operator has to take care of all the expenses you enumerated in your letter, plus many extras you forgot to mention, because he has been caught in the middle. Inflation was not of the operators making. He had no hand in raising prices of material and labor. This was due mainly to the Korean incident. The poor operator was stuck with a nickel coin chute and he became a victim of circumstances.

Certainly the songwriters were not caught in such a situation! How much they suffered by the increase of pencils and paper is unknown to me, but I am certain you were never caught in a squeeze like the juke box operator. Now you want to come along and change the rules of the game. The operator has all his chips down and now you don't like the game, so you want to change the rules. In my book it doesn't come under the heading of fair play. If you have a good case for increased royalties, why not say so. But don't try to change the rules now and give us a license plan. You're going to break up the game if you do.

TURN THE COIN CHUTE INTO CALIFORNIA CLIPPINGS LOS ANGELES

With the World Series and the Introduction of new machines over, things along colinrow are back to normal, again. . . All up and down the Pico strip things are humming as the long expected fall business boom starts on the way. . . Jack Dolan says that since he opened the doors of Dolan Distributing Company he has completely sold out, at least, the next five shipments of the new Rock-Ola. In order to have larger showrooms and offices he stated that he was taking over the adjoining shops. . . Charley Robinson, proxy of A. Robinson and Company announced recently that two engineers from the United factory will be conducting a service school at his establishment on October 26th. He extends an invitation to all operators in the area and surrounding communities to attend. Free refreshments will be served to all visitors. . . Bob Bever of Dan Stewart Company, recently spent a few days in San Diego visiting with the George Miller, president of MGA and Al Waldron, Mgr. of "The Near-White Pete Left on a business trip up North while Johnny Kaigler and Bess Barrows held down everything at the home front. . . Jack Simon of Simon Distributing Company is busier than ever as he gets a big order ready for foreign shipment. . . Lou Dunis of Dunis Distributing Company, Portland, was visiting along colinrow recently. He is the Bally and Chicago Coin distributor for the Northwest with offices in Portland, Seattle and Spokane. Dunis stated that business throughout Oregon and Washington have been great and that sales for the Bally "Rude Ranch" and the new Chicago Coin Bowler have been terrific. . . Caught a brief glimpse of Al Hanlin as he dashed along West Pico. Here's one little guy that can get around quicker than any one we've ever seen. . . You have really felt the spirit of fall business over at Auto Photo Company. Production lines are running at full speed with many more cars abroad from Los Angeles. . . Near-White Pete will go to Europe to work with distributors. General manager, Bryant Harren, was originally planning to go but now we hear that sales manager, Van Nattan, recently purchased a passport so we wonder, maybe they should flip a coin to decide. We hear that executives of the Auto Photo firm have been dickering for land to build their own plant. . . A. Silbermann of the Bally and Chicago Company recently announced that they are now the exclusive distributors for the Automatic Towel Corporation of America. They are also waiting for their first shipment of Martin's new Candy Machine. . . Lyn, "Money Bags" Brown knows that business is good and he's making nothing but money. We didn't know you had a printing press, did you? . . . The Bally and Chicago Company, Sam Ricklin and Gabe Orland were so busy that local operator, Harry Rathbun, had to make up his own title strips in the back room. Sam, Gabe, and Jack Lewis have a rugged job taking care of all the operators, but it seems that they always manage to get things done. . . Barney (Shug) Sugarman of the Round World Company is now in charge of the Bally and Chicago Company and care of business with Atsie Stein of Selbin and Stein Hobby Horse Company. . . Charles Cahoon of Long Beach just returned from his vacation and is now hard at work again on his route. . . S. L. Griffin of Pomona also recently came back from a vacation. Over at Paul A. Laymon Co. everyone was working away harder than ever before. Paul and Lucille stated that the Frankie Laine-Wurlitzer contest had gone over very well for them. Charles Daniels was proudly sponsoring a brand new five engine truck, Mowry, Ed Wilkes and Al Waldron both agree that all he needs now is a red light and a siren. . . Phil Robinson says that he's busier than a one armed paper hanger who's got the itch. Between trying to get out deliveries for the Chi-Coin Hi-Speed "Crown Bowler" and the "Round World Trainer," and also waiting for the store to deliver a long overdue baby grand piano he says that it's a long time to get to the store. . . Robinson from San Diego; Jack Gutshall, Corona; Larry Hansford, Lompoc and E. O. Niel who drove all the way in from Blythe. . . At the Wm. H. Leistenberg establishment we see that the place is loaded with operators and take away the sore nose from taking care of the wifery. Bill Wulfsberg says. . . Phil Harris recently made a big deal with the Thrifty Drug chain to purchase their surplus stock of records. . . Everyone over at Minthorne Music Company is back on the job after their Phoenix, Arizona showing that proved to be every bit as successful as the Los Angeles event. Susan Joyce Reese, Minthorne Company manager in charge of the Phoenix showing of the activities which were held October 18th. The California Minthorne group took the noon balloon to Phoenix to join Reese. . . We hear that King Manufacturing Company of San Diego has purchased a new factory in Gardena. Their new vendor is the first of its kind on the market. It will dispense eight different hot drinks in ten seconds. It was so good that operators will actually have a choice of 21 different drinks and the number is expected to increase since the machine can handle any powdered drink mixed to correct specifications. . . Many operators will remember Ray Suhr who used to have a large route over around El Monte. Ray has been back in the business recently. He is now in charge of the Bally and Chicago Company and feels rather blue lying in bed all the time day after day. If anyone would send him a card or letter I'm sure it would work wonders to cheer him up. Address all correspondence to him at 12442 E. Rush, El Monte, Calif. Please do it now—I'm sure he will be most grateful.

Before leaving San Diego we had to carry on the fight against the McCarran bill. Gene Miller, urged every operator to do his part to defeat this measure. "The future of the entire juke box industry is now at stake" he said. He urged everyone to lend his financial support in order to raise the necessary funds to carry on the fight. . . To keep up with all the important changes in the Coin Machine industry you need The Cash Box each and every week. If you are not a regular subscriber or if your subscription has expired be sure and get in your order so you won't miss a single issue. Games Big For Bilotta

NEWARK, N. Y.—John Bilotta, Bilotta Distributing Company, who just opened his new building in this town, reports his firm is riding high with the games of three Chicago manufacturers.

"The operators in our territory," states Bilotta, "are buying from us, four games from three factories. Williams' 'Army-Navy,' which features dime play, is in great demand. Operators are telling us that this game is the greatest they have ever produced. We have ordered a large quantity of these games, and we hope the factory can supply us with them. We also find that Keeney's 'Paacemaker' with the large pins is getting great play from patrons because of the 'shoot 'til you miss' 10th frame feature. Then, both of United's games 'Royal' and 'Tahiti' are big sellers, particular 'Tahiti'."

The Bilotta firm is also exclusive distributors for Wurlitzer phonos, which Johnny states are being bought up as quickly as he gets deliveries.

Warncke Offers Music Ops Warranty On AMI Phonos

SAN ANTONIO, TEX.—R. Warncke, head of R. Warncke Company, this city, has developed sales warranty on new or used AMI phonographs, which he thinks is the first time this has ever been offered music operators in the phonograph industry.

The warranty is printed on a sheet of paper 11 inches wide and 8½ inches deep. It has a design border around the wording and is printed in green.

Headed by the word "Warranty" in Old English type, the document reads:

The following AMI equipment is covered by this warranty:

THIS WARRANTY IS MADE SUBJECT TO THE FOLLOWING CONDITIONS:

I. It shall apply to the benefit only of the person, firm or corporation named above and shall not be transferable or assignable to any other person, firm or corporation.

pairs. Any freight or express charges incurred in the transportation of instrument to and from R. Warncke Company, shall be paid by the holder of the warranty.

III. This warranty does not include any part of the amplifier, speaker, cabinet, plastics, or any other parts that are not a direct part of the record changing mechanism or a direct part of the wallbox or stepper unit mechanisms.

IV. This instrument does not extend to nor cover any parts which may be required in the repair of the AMI Phonograph but shall extend only to labor. Should any part which requires replacement be within the warranty period included in the factory part warranty, then R. Warncke Company shall, as agent for the holder of the warranty, make the necessary and proper claim on the factory for the replacement as specified in the factory warranty.

V. This warranty shall not include damage to the cabinet or damage to any part of the AMI Phonograph, wallbox or stepper unit, incurred through willfulness, mistreatment or negligence, whether on the part of the warrantee or others, and also does not include damage by fire, water or the elements, or by act of God, war or civil commotion.

EASTERN FLASHES

As anticipated, coinrow a beehive of activity—with the big problem among the wholesalers a dearth of equipment to satisfy the demand. This applies for both new and used machines. Distributors of new machines gleefully report sales far beyond their supplies, and they are being forced to backlog orders. Used equipment going out so rapidly, the main problem is buying up machines to fill orders.

The juke box industry as a whole the recipient of some wonderful publicity on Friday, October 9, when Eddie Fisher, the wonderful RCA recording artist, devoted a portion of his TV nation-wide broadcast to spotlighting the new model music machines during one of his vocal numbers. He then thanked the juke box operators of the nation for their cooperation. . . Once again, had very little opportunity to catch up with Harry Rosen, Meyer Park of Atlanta-New York Corp., for even a "small" conversation. Both of them behind doors of their private offices with visiting ops, while others await their turn in the showrooms. However, Rosen, while rushing thru the showrooms, shouted, "With the Seeburg factory could send us a zillion phonographs. . . Morris Rood, Runyon's manager, with bossman Barney (Shugy) Sugarman out of town, doesn't have enough hours in the day to handle his chores. Morris reports that Nat Gordon, Saturday morning service classes on the new A.M.I. model "E" phones well attended.

Dave Stern and Bob Sifer on hand at the new Seacoast Distributing offices on coinrow. "Sales of the new Rock-Ola "Comet" great," smiles Dave, "and what we need now is faster delivery from the factory." The firm employs a new secretary, attractive Fran LoMaurio. . . Ben Becker, regionalally Bally representative (now known as "Slim"), returns from Pittsburgh, where he attended a B. D. Lazar party. He covers the local trade, and leaves for Eastern Pennsylvania the middle of the week. . . THRU THE COIN CHUTE

CHICAGO CHATTER

As Oct. 26 draws nearer, music ops here beginning to ask, "What about the hearings on the McCarran Bill?" Seems that interest in these hearings is greater than ever before. "The music ops want very much to cooperate in the hope that once and for all time, a stunning defeat will halt any further bills from being presented into the Congress. Many would very much like to know some method which could be used to do this. . . They auctioned off of all parts and supplies, as well as office fixtures, and even a '52 Cadillac, at Dan Gould's place this past week (Wed., Oct. 14). Quite a few came from out of town to see what they could buy at this auction. Mike Muvves, by the way, traveled in from New York for he could use many of the parts which were being auctioned off. . . George A. Miller of Oakland, Calif., president of MOA, reported to be traveling about arranging to get as many leading music ops to testify before the Senate's Judiciary Sub-Committee re: McCarran Bill (S.1106.) To very definitely defeat this bill.

Joe Brilliant of Detroit, writes in to advise that his Rock-Ola showings drew the biggest crowds in the history of his firm. Joe believes, from the comment that he heard during his showings that, "We've hit the jackpot with the new Rock-Ola 'Comet'." . . Johnny Casola is back with United and out on the road now that his Dad, Louis Casola, Sr., is feeling much better. "But," Johnny phones to state, "Dad wants to get a copy of 'The Cash Box' each week. He gets a real thrill reading it." . . Bill 'Bonnet' of Bally down in New Orleans. Visiting with Lou Boasberg. And watching the sensation created by Bally's new "Dude Ranch." The one game, according to reports, that has New Orleans players really fizzing. . . Barnett and Molly Sugarman of Runyon Sales Co., New York, came into town last week. Just on the day of their 25th Wedding Anniversary. So Bill and Cissie Gersl and Lewin Roller all got together with Shugy and Molly for a big dinner, and an even bigger cake, at the Pump Room. And Molly all in tears over the excitement of this surprise. . . Some coimen talking about the forthcoming amusement park show at the Sherman Nov. 28, 29 and Dec. 1 and 2.

Three busy men this past week: Sam Lewis, Avron Gensburg and Ralph Sheffield, along with all others at Genco, as many of their distribut piled in to see them. . . Sam and Ellie Stern (Williams) give a very impressive dinner at the Pump Room for Mr. and Mrs. Leo Weinberger, Mr. and Mrs. Harold Lieberman and their son, Alderman and Mrs. Ben Becker. (Still can't get over Mary Weinberger's story about "royal pin"). . . Bill and Lucy De Selim having dinner at the Chez with Barney and Molly Sugarman. . . Mr. and Mrs. Fletcher Blacklock of New Orleans, and Ray Williams of Dallas, dashing for a cab to get out to United's big cafeteria. In time for lunch with the firm's execs. . . Stan Kasner of Modern Amusement, Montreal, visiting about the factories. And much impressed with the busy action. . . Sam Laran and Eli Ross, after an extended visit, happy to fly back to warmer Miami. . . Sincerest congrats to the honeymooners: Mr. and Mrs. Herb Jones. Mrs. Jones the former Sera Miller.)

Regardless of how busy Art Weinand of Exhibit is during the week (and he was thrilled this past week by a terrific order he got from Colombia). He still makes time for watching the Chicago Bears play pro ball. "Win, lose or draw," says Art, "I'll always be a Bear fan." . . Report from Las Vegas. Where Dave and Meyer Gensburg are now in the midst of building the \$4.5 million "Casablanca." Have applied for gambling license for this new spot. . . Also another note from Las Vegas. . . Coimbz here just can't get over its sadness at passing of one of its very favorite comedians, Willie Shore. Killed in an auto smashup. . . Paul Huesch of Keeney reports that "Everything's going great. Except," he excepts, "I've got me a very bad cold." And in all this gorgeous Indian Summer weather Chicago's been enjoying. . . Bob Wenzel of Automatic Games, Minneapolis, around our town just saying "Hello, hello" to the Williams Mfg. Co. reports that he's getting "mixed reaction" to the dime chutes on his new pinball, "Army-Navy." He feels that, "If the pinball ops will persevere they will find that 10c play is the answer."

Effervescent optimist, Jack Nelson of Bally, tells how busy this great factory is at this time, and working overtime in an effort to try to wipe out the ever growing backlog. Jack believes that Joe Anton (King Pin, Detroit), has proved himself to be one of the best managers in the distrib biz. "It's easy to sell when the field's wide open and things are right," Jack says, "but when a guy can do lots of business with everything else tight against him, that's when we see a real salesman in action." . . B. D. and J. D. Lazar of Pittsburgh in town to look over a new product. . . Romeo Laniel and Jean Couart from Montreal's Laniels in town. And much impressed with the speed action here as well as the developments which mfrs. have under way. . . Jake Friedman of Atlanta reported on his way into town. Jake's done a marvelous job for his factories this year. . . Phil Weinberg phones up from Dallas howling for more and more equip. to be delivered by Bally. And the Bally plant working like mad to handle all the many orders arriving every minute of the day.

Bob Lindelof, Who heads Northern Illinois music ops. Advises that he has gathered together another "90 or 40 or so more phones. Which were they give away to worthwhile institutions." Isn't that sensational? . . . Al Stern still isn't happy over the beautiful decorator showrooms he's completed. He still has more ideas. Like a framed window display "looking like a Tiffany jewel case" for the Rock-Ola "Comet" phono. . . Dick Hood, Jr., Fred Morris, Rex Shriver, and all the others over at H. C. Evans & Co., continuing right ahead. As Rex says, "There will probably be a Board of Directors' meeting to iron things out. But, in the meantime, we're going right ahead." . . Hymie Zerinsky of H. Z. and Sons of Omaha, advises that "looking like a Tiffany jewel case" for the Rock-Ola "Comet" phono. . . It's official now. Ron Rod of Southern Music Distrib. Co., Orlando, Fla., will represent AMI in the Florida area. . . Very good answer to those "songwriter ads." From Philip B. Rowan of D & R Amusement Co., Burlington, Ia. Who speaks right up. And wants to know how come all these "songwriter ads." . . (asked: Ph. we may not agree with the "songwriter ads," even remotely, but, we do defend his right to speak up, even tho we feel he's a million per cent all wet.)

Last week (Monday) was one of those so-so nites for the Chi Automatic Phono Bowling League, but, lots of fun anyway. Better to present this Monday eve (Oct. 19). It's "Sponsor's Nite." They claim, "The sponsor's are actually gonna buy." . . Anyway, B&B took two from Gillette which, of course, doesn't make Bert Bondioli feel bad at all. Warren Parade (better known as "Fireball Bunk") scored a 496. Marino Pieroni came thru with a 477, both for B&B. While Bob Hall of Gillette came in with a 485. . . ABC, sad to relate, was stopped at its 14th game win streak. They lost the last game by only six

CHICAGO CHATTER

pins. But that was six pins enough. Al Rice went up to 533 for ABC, but Vie Vaccino clobbered off a 527 for Melody, and so Melody took ABC. . . Atlas took two from Coven. A battle to the last pin. Mike Blumberg of Atlas had a 478. Tom Nyland of Coven came thru with 474. That's how tight this was all the way down the line. . . Mercury took two from Pasche. Roy Gallet went absolutely mad. Scored a 543—high for the men. And Irv Cairo tried harder than ever but could only reach 534 ("Only," yet, he says???) . . . Decca-Coral took three from Western Automatic. But with Bill Nyland in the hospital, whatdidaexpect? . . . The ladies must have been out "too late" Sunday nite and were bothered too much on Monday, all day, for their scores just don't agree with their skill. Isabel Oomens took "high" with only 383. Tillie Galgano, who's been shooting for the top, came in with 366. Tillie should've stood in New York. . . The Oomens team, regardless, kept up their terrific win streak. It's now 12 in a row. They beat Star Music for three games. Johnny Oomens came thru with a 493. Julius Mohill came in with a 451 for Star. . . Anyway, it was lots and lots of fun. And if you haven't been present yet at these Monday nite bowling league meets be sure to be there this Monday nite—the sponsors are buying, they say.

Busier than busy—the execs over at Gottlieb. Just can't get them on the phone. This is one factory that just rolls along as smooth and smooth can be. . . Hear that Ray Moloney will be honored if the U-505 comes here to Chi. . . Also hear that Lyn Durant gave another high charity tribute to a great organization here. . . Ben and Trudy Coven entertaining Wurlitzermen: Bob Bear, Bill Hamilton, Bert Davidson and Joe Hrdlicka, all around the town, from the Black Orchid to the Pump Room and enjoying the evening tremendously.

THIS WEEK'S USED MACHINE QUOTATIONS

15th Year of Publication
733rd Consecutive Week's Issue

How To Use "The Confidential Price Lists"

[Also Known As the "C. M. I. (Coin Machine Industry) BLUE BOOK"]
FOREWORD: Many times, wide differences appear in the quotation of high and low prices of certain equipment. Like any true reporter "The Confidential Price Lists" can only feature the market prices as they are quoted. "The Confidential Price Lists" acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Confidential Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, aerial, appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added costs of reconditioning.) "The Confidential Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.
METHOD: "The Confidential Price Lists" should be read as follows: First price listed is lowest price quoted for the week; Second price listed is highest price quoted.
