A RECORD CONVENTION

Almost every year, after the fiasco of the NAMM convention, record executives talk about getting together to form their own meet. In this convention, records would be the dominant factor instead of the insignificant off-shoot as is usual at the NAMM. This year the situation has gone a step further. Not only has there been talk, but there has also been action. A preliminary meeting has already been held and a further meeting is scheduled for September 12, 13 and 14.

It is our sincere belief that the record execs who are pushing this action are on the right track. The Cash Box has long advocated a record meeting apart from the NAMM for it has become eminently clear, year after year, at that convention that records just don't stand a chance against pianos and such. The record industry has been relegated to the far reaches of the convention and NAMM officials seem to be completely unaware of the progress that records have made not only as an industry but also as the factor that has almost solely supported many retailers during the economic let-down of the past year.

As a result of this persistent short-sightedness, the NAMM is now about to lose the record industry completely. Apparently the NAMM doesn't really care, for it has made no effort to do anything to hold on

to the record representation. And that is more reason than ever to pull out.

The record business has now grown to the level where it can support a convention of its own. We are no longer a tiny business. We no longer gross an insignificant amount of money. We are now verging on the border of big business and are growing at a phenomenal pace. The main problem we have to face is learning to act as big business should. This ability may grow at a much slower pace than our grosses.

However one of the factors that could help us in this area is just such a convention that is being proposed now. It would be a meeting in which the entire industry with all its different factors could get together under orderly conditions to discuss its own problems and make some industry-wide efforts to solve them. A record convention therefore at this time has become a must and should be acted upon as quickly as possible.

The Cash Box staff congratulates those record men who are devoting themselves to the creation of this convention and wishes them speedy success.

OWEN BRADLEY ORCH.
(Decca 30702)

B+ "TRUDIE" (2:03) [Piccadilly-Glow BMI—Henderson] An extremely delightful instrumental item with a good rockin' beat, is treated to a colorful interpretation by Bradley. Chorus sings without lyrics thruout except for the spots where it chants the title name. This European tune could blossom into a solid money-maker here in the States. Watch it closely.

B "WHIRLWIND" (2:15) [Cedarwood BMI — Glasser] Bradley comes up with some more exciting sounds which he and the chorus set to a good beat. Driving tempo. Jocks and teenagers should find the sound fascinating.

GLORIA LAMBERT
(Columbia 41216)

B "WILL I?" (2:33) [Empress ASCAP — Vance, Pockriss] Gloria Lambert, a Worcester, Mass., lass who has a large following in Canada, debuts on Columbia with a fragile romancer set to an inviting shuffle rhythm. The pixie-faced canary has a bright future in store here in the States.

B "YOU ONLY LOVE ME" (2:35) [Saunders ASCAP—Udell, Charlap] The sweet voiced thrush lends her talented tonsils to a sensitive romantic ballad that grows on you. Pretty composition handled with class.

MANTOVANI & HIS ORCH.
(London 1823)

B+ "TULIPS FROM AMSTERDAM" (1:40) [Sikorski BMI—Martyn, Bader, Newman, Arnie] One of England's biggest hits in recent months, has been recorded by Mantovani for American release. It's a beautiful instrumental waltzer with whistling, accordions, etc. Delightful mood melody that should attract heavy play.

B "ONLY YESTERDAY" (2:20) [Leeds ASCAP—Fay] A lush romantic theme is beautifully interpreted by the Mantovani string-filled aggregation. Neatly tailored deck for the utmost in listening pleasure.

SCOTT ENGEL
(Orbit 511)

B+ "CHARLIE BOP" (1:44) [Sparrow ASCAP—Loring, Franklin] Young Scott Engel, a talented performer with a promising future, hands in a catchy teenage rockin' novelty combining the charleston and bop beat under the "Charlie Bop" title. Lively fingersnapper that could take off. Special color sleeve teaches buyer how to do the dance.

C+ "ALL I DO IS DREAM OF YOU" (2:28) [Robbins ASCAP—Brown, Freed] The polished lad rocks smoothly thru a wonderful oldie and gets fine instrumental and choral backing.

**LITTLE AUGIE AUSTIN/
EDDIE SINGLETON**
(Brunswick 55080)

B "MY HEART LET ME BE FREE" (2:07) [Storm Jordan BMI — Sittig, Ross, Reiter] Augie Austin lends his talented tonsils to a dramatic rock-a-ballad which he chants against a showcase supplied by the voices of the Chromatics. Pretty ballad that could catch on.

C+ "TOO LATE" (2:09) [Amsco ASCAP — Christopher, Rosen, Reiter] Eddie Singleton works with the Chromatics on this end, singing another good rock and roll ballad. Commercial stuff.

JOHNNY CASH (Sun 302)

JOHNNY CASH

● One of the country field's top performers, Johnny Cash, follows up his biggest pop hit to date "Guess Things Happen That Way" with a potent country-flavored coupling that should repeat his success in the pop field and again smash thru in the country market. Both ends are strong and both could climb the charts hand in hand. Take your pick.

"FIRE OF LOVE" (2:05)

[Elizabeth-Johnstone Montei BMI—Reynolds, Sturdivant]

"DAISY MAE" (1:50)

[Elizabeth-Johnstone Montei BMI—Reynolds, Sturdivant]

JODY REYNOLDS (Demon 1509)

● Jody Reynolds, a lad who came from out of left field with his unusual "Endless Sleep" waxing, and sent it into the top ten, proves that he's not just a one-shot artist with two exciting performances on his latest Demon coupling. The lad gets a thrilling guitar-drum backdrop on the rock-a-ballad side "Fire Of Love" as he chants another emotion-filled love opus that packs a mean wallop. Wild sound. "Daisy Mae", the jump portion of the coupling, is equally strong. Side has a foot-stomping Bo Diddley-ish beat. Kids'll love both ends.

"NO ONE KNOWS" (2:34) [Schwartz ASCAP—Hecht, Maresca]

"I CAN'T GO ON (Rosalie)" (2:13)

[Commodore BMI—Domino, Bartholomew]

DION and THE BELMONTS (Laurie 3015)

DION AND THE BELMONTS

● Dion and the Belmonts, who

skyrocketed to national prominence with their gimmick filled smash "I Wonder Why", display their versatility on their follow-up disk as they introduce a beautiful ballad effort dubbed "No One Knows". Top drawer love song that Dion chants with deep feeling as the Belmonts assist with a lyricless backdrop. Side has great potential. Watch it. The coupling is in the same torrid groove as the crew's initial hit. Gimmicks are wild. Kids should find both ends to their liking. But it's the upper portion for the long run.

"NEAR YOU"
(2:46)

[Supreme ASCAP—Craig, Goell]

ROGER WILLIAMS (Kapp 233)

ROGER WILLIAMS

● Roger Williams, one of the industry's most consistent hit pro-

"THE MERRY WIDOW WALTZ"
(3:20) [Garland ASCAP
Lehar—Arr. Williams]

ducers delves into the past for material for his latest release and comes up with a mighty coupling we'll be hearing often in coming months. One half is the old Francis Craig piano smash "Near You". Williams handles the tune in a manner similar to the original using the same style left hand, but strings have been added in spots to give the deck an up-to-date quality. The companion piece has the nimble fingered ace gliding thru a lush and flowery version of the beautiful "Merry Widow Waltz". Solid pairing for dealers, ops and jocks.

MITLO SISTERS
(Klik 8405)

B+ "LONELY SEA" (2:15) [Real-Gone BMI — Mitlo] The Mitlo Sisters, a new gal group make an impressive first showing on wax with an exciting latin beat rock-a-ballad. The gals have a strong sound and a potent piece of material the teenagers should go for in a big way. Song has a melody that sticks.

B "LET ME TELL YOU" (1:55) [RealGone BMI—Griffin] A beat-filled rocker gets an exciting reading from the girls. Boys' group works in the backdrop. Everybody singing at once gives the side a full swinging sound.

LES BAXTER
(Capitol 4032)

B+ "DANCE EVERYONE DANCE" (2:08) [Bourne ASCAP—Danoff] A spirited chorus-ork interpretation (with English lyrics) of the age old Israeli hora, "Hovo Nogiloh", is offered by Les Baxter and his crew. Thrilling listening with a fascinating beat. Good pick-me-up. Tune is clicking and this version should take down a good share of the sales.

B "A CHANCE IS ALL I ASK" (2:40) [Warman BMI — Coe, Cochran, Deal] An interesting and unusual western flavored ballad is chanted attractively by the Baxter chorus. Different enough to arrest the public's attention. Has a "High Noon" feeling.

SUNNY AND HIS GANG
(Port 70003)

B "I'M A ROLLIN'" (2:00) [World ASCAP—Miles, Skylar] A delightful oldie is brought to the fore again, this time with an easy-going rock-a-ballad beat. Cute teenage item that becomes more inviting with each new listen.

B+ "PUT A RING ON MY FINGER" (1:59) [Hollis' BMI — Duke] A colorful finger-snappin' novelty is sprightly and romantically styled by Mary and Les. Mary vocalizes on a single track thru most of the disk and comes over well. Strong coupling. Both could make it.

DAVE GARROWAY'S ORCHESTRA
(Cameo 148)

B "HOVO NOGILOH" (1:51) [Lowe ASCAP — Arr. Leslie] From an "around the world" album headlined by Dave Garroway, comes this spirited instrumental interpretation of the favorite Hebrew chant currently climbing the charts with an English lyric under the title "Dance Everyone Dance". Exciting performance.

C+ "DANNY BOY" (2:26) [Lowe ASCAP—Arr. Evans] Another great favorite, this one associated with Ireland, is lushly fashioned by the string filled Garroway crew. Lovely listening.

TINA ROBIN
(Coral 62015)

B+ "A LITTLE BIRD TOLD ME" [Bourne ASCAP — Brooks] A wonderful oldie which Evelyn Knight sent to the top some ten years ago, is revamped for today's disk buying set and belted with a beat by Tina Robin. Cute novelty that swings. Could step out again.

C+ "WE'VE ALL GOTTA LIVE IN THIS HOUSE" [Rylan ASCAP — Merrill] Brotherly love is what Tina sings about in this handclapping gospel type number. Song carries an important message.

DARWIN VENERI
(Win 702)

C+ "TO YOU" (2:37) [Win ASCAP — Venneri] Newcomer Darwin Venneri debuts on the new Win label with a tender reading of a warm love song from the U-A film "Lost Lagoon". The crooner works against a solo guitar backdrop.

C+ "I KNOW HOW YOU WONDER" (2:52) [Dar BMI—Venneri] Another touching love ballad warbled with feeling by the performer.

CATERINA VALENTE
(Decca 30689)

B "KISS OF FIRE" (3:05) [Duchess BMI—Allen, Hill] From the Decca LP "A Toast To The Girls" come these two exciting performances by Caterina Valente. This half is a potent rendition of the Georgia Gibbs smash. Powerful latin beat reading with an interesting instrumental accompaniment.

B "ALL MY LOVE" (2:29) [Mills ASCAP—Durand, Contet, Parish] The old Patti Page smash is brought to the fore once again. But this time it sports a hard-driving rock and roll beat. Good multiple voicing by the popular European star.

AUSTIN SISTERS
(Edison International 401)

B+ "IT HAPPENED AT THE HOP" (1:55) [Ric-Page BMI — Page, Motola] The gals blend to a lively rocker about love found at a hop. As the vocal team goes about its singing, the combo pounds an effective big beat, a highlight of which is a swirling effect on the keyboard. An r&r session that has a "different" sound. May make noise.

B "LOVE CAN DO MOST ANYTHING" (1:53) [House Of Fortune BMI—Motola] The tune has a happy beat outlook, and the femmes and accompaniment bring it across in bright spirits. Cute take.

JOHNNY DESMOND
(MGM 12695)

B+ "I'LL CLOSE MY EYES" (2:18) [Peter Maurice ASCAP—Kaye, Reid] Back on the MGM label, Desmond, a feature of Broadway's "Say, Darling" and forthcoming "Hit Parade" vocalist, takes the oldie on a virile beat path. The chorus-ork that backs the songster up creates an exciting r&r beat, too. Disk ought to be in on lots of deejay spins.

B "HOT CHA CHA" (2:12) [Famous ASCAP—White, Wolfson] The artist moves to lighter fare as he and the ork-chorus joyfully beat out a fine cha cha item. Colorful side. Another slicing with good deejay potential.

"THE GREEN MOSQUITO" (2:16) [Dimas BMI—Roberts, Wander]

"WARM UP" (2:26) [Dimas BMI—Tune Rockers, Yellen]

THE TUNE ROCKERS (United Artists 139)

● U-A has picked up a hot instrumental master that could develop into one of the teenagers' favorite dance items. It's a hard-driving rock and roll jumper with a sensational foot stomping beat. And it's got a gimmick too—every few bars the music stops and a mosquito is heard flitting about the room. The drummer swats at it and nabs it at the conclusion of the number. Catchy item that could make it. The Tune Rockers continue to drive on the lower lid as they belt out another swinger aimed at the younger set.

"THE SPIDER AND THE FLY" (2:04)

[Clare-Pure BMI—Strong, Stevens]

"CHA CHA HOP" (2:01) [Clare-Pure BMI—Strong, Stevens]

BOBBY CHRISTIAN (Wing 2102)

● Here's a real weirdo that's so far out and so different from any other release ever issued, that it could attract considerable attention. Titled "The Spider And The Fly", the side features Bobby Christian depicting a man living thru a nightmare in which he sees a spider approaching a fly which it has caught in its web. Weird story with an equally weird instrumental accompaniment by a drum, bass and some unidentified instrument. Off-beat item that deserves watching. Flip is a cute cha cha ditty.

B "LOOK UP" (2:35) [Roger ASCAP—Hyman] The tune was a Dick Hyman-Sam "The Man" Taylor instrumental success, and the thrush carries its low-down, blues qualities with sizable vocal punch. Combo backing, which includes an organ, hard beats the melody.

The Cash Box Sleeper of the Week

"IT'S YOU I LOVE" (2:15) [Ben-Ghazi BMI—Robinson, Carroll, Gibson]
 "TRUE TRUE LOVE" (2:35) [Ben-Ghazi BMI—Robinson, Carroll]
 MICKEY AND SYLVIA (Vik 0334)

MICKEY & SYLVIA

● Mickey and Sylvia take a breather from their ballad formula and turn in one of their most exciting sides to date—a number called "It's You I Love". The side's got a great finger-snappin' beat and features the team with a good blend against an exciting choral backdrop. Their strongest side in quite some time. "True True Love" is a pretty rock-a-ballad. Top portion could take off.

"MAN THAT'S CHOICE" (2:03) [Eime BMI—Lehmann, Lebowsky]
 "THE VERY THOUGHT OF YOU" (2:24) [M. Witmark ASCAP—Noble]
 SAM (THE MAN) TAYLOR (MGM 12696)

SAM (The Man) TAYLOR

● Sam (The Man) Taylor is in top form as he hands in a powerful instrumental rocker that could end up as the biggest record of his career. The side sports an exciting latin rockin' rhythm, a chorus and Sam's sax in the spotlight. Voices follow the melody of Taylor's sax work resulting in a fascinating sound. And at the end of each few bars a bass voice injects the title "Man That's Choice". Flip has the chorus and Taylor oozing thru the great oldie in beat style. Mean bit of wailing. Watch the upper slicing.

"TIPPY CANOE" (2:00) [Planetary ASCAP—Sherwood, Prince]
 "LITTLE RING" (2:27) [Planetary ASCAP—Vance, Pockriss]

SHAYE COGAN (Roulette 4095)

SHAYE COGAN

● Shaye Cogan, a promising talent with a bright future ahead, could have that much needed "first big record" in a catchy item called "Tippy Canoe" which she offers on her latest Roulette platter. It's a zesty, hard hitting, minstrel type number with a good soft-shoe beat and a number of catchy gimmicks. Side reminds this listener of the hits of the Gay '90's. Jockeys should enjoy this change-of-pace item. "Little Ring" is a fragile romantic lilter displaying Shaye's sweeter voice. Watch the top portion.

"DOWN THE AISLE OF LOVE" (2:39) [Myra BMI—Quin-Tones]
 "PLEASE DEAR" (2:21) [Myra BMI—Quin-Tones]

QUIN-TONES (Hunt 321)

● The Hunt label should have its biggest money-maker yet in a fascinating new rock and roll ballad effort by the Quin-Tones under the title "Down The Aisle Of Love". The use of an organ gives the side an unusual, yet appropriate sound for the wedding setting of the lyric. The group creates an attractive teenage blend and has a wonderful lead voice that sells the romantic love story in grade "A" fashion. Flip, "Please Dear" is a good latin beat rocker. Watch the charts for the upper half.

THE ISLEY BROTHERS
(Cindy 3009)

B "THIS IS THE END" [Benny Benjamin ASCAP—Benjamin, Marcus] The group's lead voice convincingly handles this wistful rock-romancer as the other boys offer soft, sans lyric accompaniment. An honest beat-ballad session.

C+ "DON'T BE JEALOUS" [Real-Gone BMI—Isley] Another misty-eyed opus has greater participation from the whole group. There's still a lead voice present.

MINDY CARSON
(Columbia 41221)

B+ "KNOCK ON WOOD" (2:55) [Hawthorne ASCAP—Wayne, Edwards] With "Hovo Nogiloh", the Hebrew chant, making big noise under the title "Dance Everyone Dance", Mindy Carson offers an exciting and spirited reading of another thrilling hora item that could follow suit. Lively high-stepping item that could be the canary's biggest seller in quite some time.

B "MY FOOLISH HEART" (3:05) [Joy A S C A P—Washington, Young] The versatile canary changes the mood completely as she warbles a soft, romantic version of the beautiful standard.

DICK HYMAN TRIO
(MGM 12698)

B+ "CHICKY - CHA" (2:05) [Coliseum BMI—Baker, Wieland] Dick Hyman could have a strong money-maker in this contagious cha-cha dancer featuring a gal group repeating the title lyrics. Commercial arrangement of a hot dance number.

C+ "NO SO COLD IN ALASKA" (1:40) [Cromwell ASCAP—Hyman, Overton] The group working with Hyman on this honky-tonk cornballer is billed as the Klondike Four. Instrumental novelty is broken up by some dialog by two gents.

GUY MITCHELL
(Columbia 41215)

B+ "LET IT SHINE, LET IT SHINE" (3:06) [Hawthorne ASCAP—Curtis, Kent] Guy Mitchell is in fine form as he and a chorus amble thru a pleasant romantic soft-shoe'er. Side has a charming lilting rhythm and a cute summery romantic lyric. Should do well for the per former.

B "BUTTERFLY DOLL" (2:17) [Select ASCAP—Twomey, Wise, Goehring] An Oriental bouncer with a rockin' flair is the tempo for Mitchell's spright treatment of this happy romantic novelty. Love story deals with an American in Japan.

JOE BUSHKIN
(Capitol 4027)

B+ "TRUDIE" (1:58) [Piccadilly Glow BMI—Henderson] Key-board ace Joe Bushkin employs a harpischord for his delightful interpretation of this European melody. Side lilts along contagiously and is most easy to listen to. Voices break in in spots to sing the title. Could make big noise.

C+ "ROUND TABLE TALK" (2:12) [Planetary ASCAP—Bushkin] An instrumental tribute to the New York dinner club and nitery The Round Table, has Joey drifting thru an instrumental swinger with his own jazz inspired piano in the spotlight.

Ralph Cox, local Coral chief, reports that Betty Madigan will appear on American Bandstand, August 8, to sing her new disk "Dance Everyone Dance". . . . Since his election as chairman of the record industry's steering committee, Abner, Vee-Jay Records, is just about the busiest feller in town. He's concentrating on national press coverage as well as beating the drums for this great, new project. Meanwhile, "For Your Precious Love" is doing big business all over the nation, according to Ab.

Belock Signs Raymond Scott

COLLEGE POINT, N. Y.—Raymond, Scott, noted composer-conductor, has announced that he is entering the stereophonic recording field. Scott has signed as the Artists and Repertoire Director of the Belock Recording Company, a division of Belock Instrument Corporation, that is manufacturing and producing stereophonic tape and disk recordings.

"Stereo to me", says Scott, "is not only exciting because of the fabulous new dimension it adds to the sound of reproduced music generally, but also because it makes possible for the first time in the home, Tru BI-Directional music. Using the bi-directional music technique as developed in the Belock Recording Laboratories a new listening thrill may very well be in store for stereo fans."

Scott is currently conducting his orchestra and chorus in producing popular music recordings for the Belock company under the Everest label, Harry D. Belock, president of the firm, has announced. They will be distributed through Decca Distributing Corp., this fall. Scott recently completed an eight-year stint as musical director for "Your Hit Parade". He has finished composing the music for a Broadway musical, "Hat In Hand", soon to go into production by Kroll-Conoway.

NEW YORK—Dick Haymes, Lonnie Satin and Barbara Carroll have signed recording contracts with Sunbeam Records, it was announced last week by the label's president, Tommy Valando.

Haymes, who was previously with Capitol Records, is currently appearing at the Fack 11 Nightclub in San Francisco. He will record within three weeks.

Lonnie Satin, who starred in the Broadway musical "The Body Beautiful" recorded for Sunbeam last week. He was also formerly with Capitol Records.

Miss Carroll, whose trio will open Chicago shortly, will record as a singer and pianist. Previously she recorded for RCA Victor.

Other Sunbeam artists include Lilian Briggs, the De John Sisters, Perry Granahan and Eddie Fontaine. Valando also announced last week at the firm has retained Charlie Warren to represent Sunbeam's interests on the West Coast.

N. Y. Music Ops Banquet Set For October 25

NEW YORK—The Music Operators New York announced that their banquet will hold its 21st Annual Banquet and Show at Ben Maksik's Tavern & Country Club in Brooklyn, Saturday Evening, Oct. 25th, 1958. Reservations will be \$20 per ticket.

Co-Star On The Campus

NEW YORK—Co-Star, the recording game, Roulette's new subsidiary label will be used, this coming semester by the drama department at Columbia University. The albums, which feature stars doing scenes opposite the record buyer via a script enclosed in each album for this purpose, will be used by the budding actresses in drama courses in the university. Acting scenes opposite the stars in the albums will enable the students to practice emoting and acting. One of the key albums being used is by June Havoc who has been part of the Shakespeare Festival in Stratford, Conn., this summer. Miss Havoc was feted to a luncheon in her honor last week by the Columbia University drama department.

Klavan & Finch Now Heard Via Telephone

NEW YORK—Gene Klavan & Dee Dee Finch, WNEW's morning dee jay team, 6 to 10 a. m., have become stars in a new dimension, The Telephone. They are now being heard on WNEW between 5 and 6 a. m. by telephone from their cars as they drive to work.

The whole thing started at a preliminary meeting with the idea to have Klavan & Finch start their show early. Everyone thought it was a great idea . . . everyone but Klavan & Finch who now get up at 4:30 a. m. on time for their 6 a. m. sign-on. The next step was to find a way to have them heard earlier without getting up any earlier. The suggestion was made half in jest that they broadcast from their cars on the way to work. Everyone felt this was the best solution and three days later their cars were fitted out with mobile phones. On Tuesday, July 29th, their first phone call went on the air. The plan is to have them stop several times on the way into the city, make a call to the station and go on the air during the Milkman's Matinee.

Capitol's Mobile Display Unit

HOLLYWOOD—To create dealer interest in the 1959 models of Capitol High Fidelity Phonographs equipped for complete Stereo, the Los Angeles branch of the Capitol Records Distributing Corp. has arranged for this mobile display unit which is visiting more than 500 Capitol dealers in Southern California. Ranging in size from compact portables to massive console models, the sets are displayed in a 35-foot trailer which is roaming the southern part of the state throughout July and into August. Two CRDC sales representatives accompany the rolling showroom as it pays a personal call on each of the 500 dealers.

WJBK'S Stereo Remote

DETROIT, MICH.—WJBK, this city, has inaugurated a regularly scheduled stereophonic remote from the new Kingsley Inn, Bloomfield Hills, Michigan.

A special studio, fully equipped for stereophonic broadcasting, has been constructed at the Kingsley Inn, where Don McLeod and Clark Reid will preside on a rotating basis, each noon day, Monday through Friday. The best of stereophonic music will be played, together with stereophonic commercials. Special on-the-air interviews with visiting celebrities at the Kingsley Inn will also be featured.

The Kingsley Inn is completely wired throughout for stereophonic music reception within all of the dining rooms and all lounge areas. The latest in electronic equipment has been provided for producing stereo interviews and guests will even be greeted as they drive up to the marquee with stereophonic sound.

Platter Spinner Patter

ALL ABOUT DISK JOCKEYS

Bob Garrity (WAVZ-New Haven, Conn.) after receiving over a thousand affirmative replies to the question, "Would you like to hear a week of Frank Sinatra records?", recently began a 42 hour stint of Sinatra sounds.

PAUL BRENNER
(WNTA—Newark, N. J.)

The marathon began one Monday and ran each day from 11 PM to 6 AM to the following Saturday. . . Lash Lazaar (KXLA- Pasadena, Calif.) predicts big things for the Yo-Yo's "Mole In A Hole" on the Pincus label. Lazaar feels the disk could be another "Got A Match", as it is fashioned along these lines. . . Paul Brenner (WNTA-Newark, N. J.) has been attracting considerable attention with his recent innovation, "Record Report," consisting of a series of brief tapes from record spinners around the nation.

"Record Report" has made it possible for a great many of the country's leading deejays to be heard in the New York area. Brenner urges all broadcasters interested in participating in his "Record Report" to contact him at WNTA-Newark, N. J. . . Elliot Field (KFWB-Hollywood, Calif.) is still not quite certain how to answer a letter he received the other day from a "concerned listener" who wrote: "In the song 'Splish Splash' Bobby Darin sings, (after getting out of the tub for the second time), 'I went and put my dancing shoes on' and I just wonder, did he put on anything else?" . . . Larry Gar (WKBC-No. Wilkesboro, No. Carolina) writes about the "What'd he say" contest he is running with Joe Reisman's new single of the same title. Gar is telling the listeners to tell him in 25 words or less "What'd he say." The best of the letters receive LP's and Elvis Presley Dog Tag jewelry. According to the jockey, the letters are pouring in and are very funny. Gar, by the way is in the Wilkesboro General Hospital with a serious illness. The deejay would appreciate a few lines from his friends, as he is expected to be in the Hospital for several weeks. Letters should be addressed to: Larry Gar, Rm. 307, Wilkesboro General Hospital, N. Wilkesboro, N. Carolina.

* * * * *

Gene Snyder (KZEY-Tyler, Texas) reports that all the platter spinners at the station are really sold on the new Jimmy Rodgers waxing "Are You Really Mine" for Roulette. Snyder says that from all indications from area record stores and calls from listeners, the set could be another "Secretly." . . .

LARRY GAR
(WKBC—North Wilkesboro, N. C.)

Buddy Basch informs us that Neal Hefti is available for deejay play on three new LP's this week: "Basie Plays Hefti" on Roulette, "Steve Allen Plays Hefti" on Coral, "Pardon My Doowah" on Epic, which could be titled "Hefti Plays Hefti." . . . Paul Sherman (WINS-New York, N. Y.) speaks very highly of a new record issued under the Herald banner called "TV Baby" sung by Red and Blue. Actually Red is the sixteen year old son of Sherman. The second half of the group, Blue is Jimmy Gilbert, also sixteen. The boys, in addition to singing, also wrote the opus. . . Dick Smith (WASK-Lafayette, Indiana) is giving out business cards which read "Have Turntable-Will Travel."

The jockey is currently spinning three-hour Top-Thirty remotes from surrounding Indiana cities. Smith says these Saturday morning sessions prove tops for both station and personal promotion. . . Jack Morse (WINR-Binghamton, New York) shows optimism over the new Cozy Cole release on Love records. Morse says that "Topsy" is one record that could be a top pop for a long time. . . Al Weaver (WKBC-N. Wilkesboro, N. Carolina) tells us that Jim Reeves' latest RCA Victor LP effort, "Girls I Have Known" is becoming a hit in the pop field as well as the country. Also receiving laudable comments from the deejay was the Ink Spots latest in the LP line, "Torch Time." Weaver says that both albums are great for his "Through The Years Program."

VITAL STATISTICS:

Bob Stanley, former platter spinner for station WALY-Herkimer, N. Y., has moved over to station WTLB-Utica, N. Y. for his deejay chores. . . The latest addition to the staff over at station KGKO-Dallas, Texas is Bill Jenkins. Jenkins moves over from KPAL-Palm Springs, Texas. . . Pittsburgh radio personality, Barry Kaye, has just signed a new contract with the local NBC station WAMP-Pittsburgh, Pa. Terms of the contract assure WAMP of Barry Kaye's shows for another year. . . Jim Harriott, morning man at station WFLA-Tampa, Fla., has gone into the Armed Forces. Taking over Harriott's time is Rich Pauley, who does the "Gulf Coast Serenade" stint from 5:45 to 10 AM.

NEW YORK — The initial 16 RCA Victor stereo tape cartridges will be shipped to distributors on September 19th, Gilbert S. McKean, Administrator, Tape Merchandising, announced last week. The 16 stereo tape cartridges to be released are: "Sweet Seventeen," Ames Brothers; "Lass With The Delicate Air," Julie Andrews; "Around The World," Frankie Carle; "Band Of The Coldstream Guards"; "The Holy City," Jerome Hines; "Lena Horne At The Waldorf"; "Lavalle In Hi-Fi"; "New Glenn Miller Orchestra In Hi-Fi"; "Mucho Puente," Tito Puente; "South Pacific"; "Jamaica"; "Music For Dining," Melachrino; Bartok: "Concerto For Orchestra"; "Liszt: Mephisto Waltz," Reiner/Chicago; Beethoven: "Emperor Concerto"; Rubenstein; Copland: "Rodeo, Billy The Kid," Gould; Mendelssohn: "Italian And Reformation Symphonies," Munch/Boston.

Coleman-Secon Form Firm

NEW YORK—A new firm Coleman-Secon, Inc., has been formed in the field of entertainment. Among the activities with which the firm will associate itself will be television packaging, leasing films to television and music publishing.

First endeavor of the firm, which is co-owned by Larry Coleman and Paul Secon, is a music publishing venture. Coleman is a well-known songwriter, having had such hits as "Ricochet", "Changing Partners", "Papaya Mama", "Big Guitar" and others. Secon, also a writer, was at one time on the staffs of Variety and Billboard. Coleman, a BMI author-composer, will continue to free-lance.

Firm has taken offices at 756 Seventh Avenue. Law firm of Goldstein, Golenbock & Barell will represent.

Palladium Signs Pagan

NEW YORK — Palladium Records president, Stanley W. Zabka, has announced the signing of Brazilian movie, night club and recording star Rosina Pagan to a recording contract. Palladium is releasing Miss Pagan's initial disk offering this week. Sides are entitled "Rock-a-Bolero" and "Luna D'Amor". Negotiations were handled by Zabka and Buddy Basch, Palladium Records promotion chief, and personal manager Murri Barber for Miss Pagan.

**This Is—
Domenico Modugno**

NEW YORK — In the event you've wondered what the man with the hottest record in the world looks like, here he is (above). Of course we're referring to Domenico Modugno, composer and vocalist on the world-wide smash "Nel Blu Dipinto Di Blu".

Domenico Modugno (Mo-doon-yo) is an Italian Gypsy Prince, a true descendant of Italian gypsy royalty. He is the son of a true prince of the nearly extinct Sicilian race, whose colonies were once a sightseeing attraction for tourists. Reluctant to see his people and their colorful histories and legends die out, Modugno started to put to music of his own creation the fabulous tales and folklore of his tribe. He went from town to town singing these ballads accompanied by his guitar which he learned to play while his Sicilian playmates were still playing with toys. His weird but pleasant vocal sounds and the guitar's almost ritual-dance beat won for him instantaneous fame. Today he is one of the fastest rising stars of radio, TV, and films throughout Italy and Europe.

In 1955 he made his first trip to this country and appeared for several successful weeks at the Blue Angel in New York City.

In 1958 he wrote and entered a song in the San Remo Musical Festival, which walked off with the first prize in this famous continental festival of popular songs. A recording made by him was brought to the attention of Decca Records which released the original Modugno recording of "Nel Blu Dipinto Di Blu".

"Nel Blu" is currently the #3 best selling record in the nation according to The Cash Box Best Seller chart.

Cadence Re-Issues Disk

NEW YORK—As a result of the success of Jim Reeves' RCA Victor recording of "Blue Boy", Cadence records has decided to re-issue the Anita Carter recording of the femme version of the song "Blue Doll".

The number was originally issued about a year ago.

Disk jockeys, distributors, etc., will be reserviced with promotion copies of the platter.

Rainwater Service

NEW YORK — Songwriter Ray Rainwater, long associated with the country music field, has formed a firm which will offer "services to songwriters". The firm will have offices in New York.

Rainwater will record demos for tunesmiths. If songwriters have only lyrics, the Rainwater firm will have original melodies set to the lyrics on a co-writer basis.

Other services are being offered too. Rainwater's offices are at 48 W. 48th St. in New York City.

Liberty Signs Willy Nelson

HOLLYWOOD, CALIF. — Liberty Records last week announced the signing of fourteen-year-old Willy Nelson of Tenafly, N. J., nephew of Ozzie and Harriet Nelson, to a disk pact.

For the past two years Willy has been a favorite in his local town as leader and vocalist of his own band.

Jane Gibbs, Eastern representative of Liberty, signed the young singer designating August 14th as the date of his first release, titled "Susie" b/w "No Dough".

Palette Issues 1st Release

NEW YORK — Palette Records, a new recording company affiliated with the Zodiac Music Publishing Company, last week announced its first release of singles.

Included in the four-disk debut releases are:

"Jack The Ripper" b/w "Car Hop" by Reg Owen and his Orchestra; "Sing Senorita" b/w "All Because Of You" by Frank Curtis; "Lotus Serenade" b/w "Serenade in Pink" by European composer-arranger Peter Kreuder; and "Caminito del Campo" b/w "Fortuna" by Ronald Palette and his Multi-Moods Orchestra.

Ten U. S. Disk Jockeys To Tour Europe

NEW YORK—Ten American disk jockeys, all members of the National Council of Disk Jockeys for Public Service, will make a 21-day tour of European countries, in association with the USO, for the Department of Defense. The men will assemble in New York and leave from Maguire Air Force base on August 7.

The deejays will carry with them 40 to 50 of the current record "best sellers" and will stage live typical disk jockey "shows from home" for the members of the armed forces stationed in Europe, and for the civilian populations in the areas they visit.

The men making this trip, as representatives of the National Council of Disk Jockeys and their own independent stations and radio and TV chains, will include: Paul Berlin, KNUZ-Houston, Texas; Lad Carleton, WKDR-Manchester, N. H.; Eddie Clarke, WHB-Kansas City, Mo.; Buddy Deane, WJZ-TV-Baltimore, Md.; Elliot Field, KFVB-Hollywood, Cal.; Larry Fischer, KTSA-San Antonio, Texas; Phil McLean, WERE-Cleveland, Ohio; Tom O'Brien, WINS-New York City; Art Pallan, KDKA-Pittsburgh, Pa.; and Clark Reid, WJBK-Detroit, Mich.

The project is conceived as one more method of bringing about a better understanding between young America and its counterpart in Europe, through the medium of American popular music, as presented by its chief exponents, the disk jockeys.

Taped and filmed stories of this "Trans-Atlantic Record Hop" will be broadcast and telecast by stations throughout this country while the deejays are on tour and after their return.

Teagarden Overseas

CHICAGO—Jack Teagarden, who opened at the Preview Lounge on July 30 through August 17 is going overseas for the State Department on September 23.

Teagarden will take his band and his trombone on a 20-week tour of the Near East, Far East and Middle East. Among the nations he will visit are Pakistan, Afghanistan, Japan, Korea and India.

The Teagarden organization includes Don Ewell on piano, Stan Pulis on bass, Ronnie Greb on drums, Jerry Fuller on clarinet, Dick Oakley on trumpet, and Big T's world famous trombone.

KDKA's "Gold Record Day"

PITTSBURGH, PA.—Mr. and Mrs. Jan Peerce (center) were the guests of honor at KDKA Radio's recent "Gold Record Day" celebration. They're shown here with KDKA deejay Bob Tracey (left) and program manager Guy S. Harris. The Peerces attended a press conference cocktail party and the "Over 21 Record Hop" and dinner. Peerce's new RCA Victor LP, "Jan Peerce at Las Vegas," was previewed.

London Lowdown AND England's Top 30 Records

Ed Welker of RCA Album Division over here for recordings arranged by the English Decca Company on behalf of RCA. Ed then goes over to Rome to confab with Mario Lanza.

Happy man in London is Paddy Crookshank of the Robbins-Miller-Feist Group. It was he who bought "Nel Blu dipinto di Blu" in Italy before the song even appeared in the Festival, and is now enjoying a wonderful coverage by leading American recording stars.

Max Bygraves entertained us on television for thirty minutes and was followed by a thirty minute song recital by Paul Robeson.

Mr. Presley's "Hard Headed Woman" is hitting the charts in a big way. It's No. 2 this week.

Also in and still climbing Perez Prado's "Patricia."

Dorothy Squires, just back from Torre Molinas, wrote a song about this little Spanish town which she recorded. It's published by Chappell.

It is now most unlikely that Harry Belafonte will appear on television due to certain restrictions in his contract, as he will be appearing for a week in London in a one man show.

Received nice notes from Fay Tishman and Dan Fisher.

Buddy Holly's "Rave On" still climbing the charts and it looks as though the Crickets' waxing of "Think It Over" is ready to follow suit.

France is beginning to talk about a new Brazilian bombshell called Marlene who is supposed to have been discovered by Edith Piaf.

Big leap up for the Kalin Twins with their waxing of "When".

Heard one of the finest albums in recent months titled, "Sing Sing, Sing" by the Clarke Sisters on the Dot label.

There has been a lot of talk in recent months of a recession in the record business over here. But according to sales figures these rumours seem to be very misleading. Most of the record companies seem to have equalled and in some cases surpassed last year's figures for the equivalent periods. It looks as though nothing will stop good records from selling big.

Most of the European countries are awaiting a reaction from America before entering the stereophonic field on a large scale. Great Britain will launch both records and equipment most probably during the coming Radio and Television Exhibition at the end of August.

Vera Lynn will be going to the States toward the middle of September and will on her return, resume her television series which has been so popular.

Television shows at the moment seem to be suffering from the lack of top artists, most of whom are

busily engaged in their summer seasons at the coast.

Bob Austin Named Nat'l. Chairman "America's Dee Jays Salute Benny Goodman Week"

NEW YORK—Bob Austin, general manager of the music department of *The Cash Box*, will be national chairman of "America's Dee Jays Salute Benny Goodman" Week, which will be celebrated the week of August 25th.

During that week dee jays throughout the country will play selections from "Benny Goodman Plays World Favorites In High Fidelity," a 12-inch LP the maestro recorded at the Brussels Fair, which has just been released by the radio-tv division of Westinghouse to dee jays only. It will be their way of honoring Goodman for the good will he created for the United States while acting as its musical ambassador at the Fair. It was there he entertained as the first "in person" feature in the American performing arts program as a public service presentation of the Westinghouse Broadcasting Company in cooperation with the United States Department of State.

Record Distributors, Chi, To Hold Grand Opening Of New Offices

CHICAGO—Anthony Galgano and Reuben Lawrence, Record Distributors and Galgano Distributors of this city, last week, announced a gala grand opening celebration, Tuesday, August 5, from 7 to 10 p.m., at 4135 West Armitage Avenue, to officially open their new offices and showrooms.

The firm recently moved into its new quarters when an increase in sales and staff necessitated expansion.

Galgano urged everyone to join in the festivities and tour through, what he referred to as the ideal floor plan and layout for a busy record distributor.

He said, "our added space and facilities merely bears out our continued optimistic outlook on business conditions. We've grown tremendously during the past year; and, our one big label, Audio Fidelity, has certainly contributed to our growth. Our faith in Sid Frey, president of Audio Fidelity, has certainly paid off in full."

Galgano continued, "Mr. Frey, whom we refer to as 'Mr. Stereo,' has contributed vastly to the happiness and listening pleasure of millions of Americans through his pioneering of high fidelity, and now stereo records and tapes."

Reuben Lawrence stated, "we're proud to be associated with Sid Frey, whose firm is synonymous with high fidelity and stereophonic reproduction."

The new headquarters for Record Distributors consists of a vast stock facility, warehouse and receiving areas, fronted by modern offices and showrooms.

Art Mooney Helps

SOUTH PLAINFIELD, N.J.—When the town of South Plainfield, N.J. decided to raise \$4,000. to help pay for a heart operation on Little Joe Kubitsky it enlisted the aid of Art Mooney, MGM recording artist. Mooney responded with such whole hearted support that when the day was done, Mooney found himself appointed "Honorary Chief of Police" and "Honorary Mayor of South Plainfield." Mooney acted as master of ceremonies, auctioned autographed records, sold sponges which were to be thrown at the Mayor, and sundry other activities that made him the hero of So. Plainfield. Over \$4,200. was raised so that internationally famous heart surgeon Charles Bailey could close the hole in Little Joe's heart.

Capitol Prexy Returns From 5-Day Confab

HOLLYWOOD, CALIF.—Capitol President Glenn E. Wallichs returned last week from the American Management Association's "Management Course for Presidents" at Colgate University in Hamilton, N. Y.

The five-day conference dealt with the philosophies and skills of top management, principles and methods of company organization and with the selection, appraisal and development of the management team.

President Wallichs, who is also a Director of AMA, was impressed with the management techniques and ideas disclosed at this gathering of presidents from major U. S. companies.

"An increased knowledge and practice of advanced management skills at all supervisory levels is the key to the success and growth of our business in a highly competitive industry," Wallichs declared.

An example of such a supervisory training program was successfully concluded in June at Capitol's manufacturing plant in Scranton, Pa. The "In-Plant Supervisory Course" included supervisory and middle management personnel at the Scranton location.

A series of stereo recording conferences are presently being attended by Engineering, Recording, and Artists and Repertoire personnel at the Capitol Tower, Hollywood. These conferences are being led by outstanding authorities in the field of stereo sound. Tape recordings of this series of conferences will be available to personnel concerned with these problems at other locations.

Vanguard Signs Mae Barnes

NEW YORK—Vanguard announced last week that it has recently added to its list of artists, the comedienne and night club star, Mae Barnes, currently appearing at the Bon Soir in New York.

In her first Vanguard record release, Miss Barnes' song styling will run the gamut from sophisticated to blues numbers and she will have orchestral backing from Buck Clayton, trumpet; Aaron Bell, bass; Jo Jones, drums; Ray Bryant and Ray Tunia on piano. The disk will be made available in September in both monaural and stereo versions.

At the same it was announced that Vanguard's "An Adventure in High Fidelity Sound" release for August will be an album of Paul Robeson doing such favorites as "Water Boy," "Shenandoah," "Deep River," "John Brown's Body," and other folk songs and spirituals. This is the first high fidelity recording ever made by Robeson and it will be released in monaural and stereo versions. Robeson will be accompanied by chorus and orchestra with Harriet Wingreen at the piano.

U-A Buys Hot Master

NEW YORK—United Artists Records last week purchased a much-sought-after master called "The Green Mosquito," by the Tune Rockers, it was announced by Max E. Youngstein, President.

Within two days after purchasing the platter the sales department received orders for 50,000 records from UA distributors around the country, the company reports. The record was played over the phone to distributors and also to radio stations throughout the United States.

"The Green Mosquito," composed by the team of Roberts and Wander, is backed by "Warm Up."

Allen On Bongos

NEW YORK—Steve Allen is shown at the bongo drums during his recent one-week engagement at New York's Roundtable with his all-star jazz combo. While the pianist in the group, Allen occasionally joined Terry Gibbs (pictured here at piano) at the vibes or played the bongos. His group consisted of Gibbs, Gus Bivona (clarinet), Mundell Lowe (guitar), Gary Peacock (bass) and Garry Frommer (drums).

Philadelphia Record Men Welcome Szell

PHILADELPHIA—The Cleveland Orchestra, led by its world famous conductor, George Szell, recently completed a successful two week concert series at Philadelphia's Robin Hood Dell. The Cleveland Orchestra holds the distinction of being the only major out-of-town symphony orchestra ever to have performed at the Dell. In conjunction with the concert series, Philadelphia dealers and Marnel Distributing Company staged a strong local advertising and promotion campaign featuring Szell and Cleveland on Epic recordings. To celebrate the successful campaign, Nelson Verbit of Marnel recently hosted a luncheon for Philadelphia dealers with George Szell as Guest of Honor. Seated left to right: Jack Warfield, Record Mart; Nelson Verbit; George Szell; Harold Kulp, Armond's Record Shop. Standing: Walter Valverde, Discount Record Shop; Charles Schicke, Epic Records; Sam Rubinstein, Theo. Presser Co.; Morrie Sloan, Marnel; Al Melnick, Marnel; Stan Lupin, Wanamaker's.

New Educational Service For Radio Stations

NEW YORK—A new radio series, "The World of the Mind," written by more than 50 outstanding American scientists and teachers, was announced recently by Carl Haverlin, president of Broadcast Music, Inc., which has prepared the program in cooperation with the American Association for the Advancement of Science and the American Council of Learned Societies. The programs are being made available, without charge, by BMI to all radio and television stations and to public libraries and local boards of education to be used in connection with broadcasting.

The series encompasses a wide range of topics in the sciences and the humanities. Each of the papers, intended to be presented by local broadcasters, has been written by an American scholar or scientist and concerns either the work of a learned organization of which he is a member or the particular scientific field in which he is an expert.

BMI Exec Lectures On Jazz & Serious Music

NEW YORK—Russell Sanjek, Director of Special Projects at Broadcast Music, delivered two lectures last week on jazz and contemporary serious music at the Boathouse Forum of the Silver Bay Association in Silver Bay, New York. Both talks were illustrated with recorded examples of music by John Lewis, J. J. Johnson, Gunther Schuller, Henry Cowell, Wallingford Riegger, Alan Hovhaness, Colin McPhee, Darius Milhaud, and other distinguished composers.

Situated on Lake George, the Silver Bay Association has, in addition to several hundred guests, a staff of more than 250 college students from the United States and some 30 foreign countries.

South Of The Border

MEXICO CITY—On a recent vacation jaunt to Mexico City, singer Artie Wayne became so enchanted with the rich musical life that abounds south of the border he decided to record some brand new tunes in the Mexican capital. Here's Artie, second from the left, informally photographed as he cut a record session accompanied by a group of native instrumentalists.

Diahann Carroll To Record For UA

NEW YORK — Diahann Carroll, frequent singing star on the Jack Paar Show, NBC-TV, will record two LP's and four single sides for United Artists Records, it was announced by UA president Max Youngstein. The first of the singles will be rushed into release within the next few weeks.

"Ever since I saw Diahann in 'House of Flowers' on Broadway a couple of seasons ago, I have been eager to record her", Youngstein said. "She is undoubtedly one of the most exciting new talents around. Her potential is unlimited, and she will be a tremendous asset to our label."

In addition to waxing disks and making guest shots on the Paar show, the Bronx-born songstress has been busy in other areas. Diahann was hailed as "America's best good-will ambassador" during her recent engagement at the Copacabana Palace in Rio de Janeiro. While in Brazil, she was given her own TV show and featured on the covers of that nation's

leading magazines.

Upcoming for Diahann is a leading role in Sam Goldwyn's "Porgy And Bess" film, shooting to begin at the end of August. The interruption of this picture, caused by a \$2,500,000 fire which destroyed the sets, enabled Diahann to accept a two-week engagement to headline at The Riverside in Reno beginning August 14. On August 7 Diahann will again sing on the Paar NBC-TVer.

"Love" Ya!

NEW YORK—Alan Hartwell of Love Records and Jack McDermott of WHIL-Boston, hold an enlarged version of Love's "Topsy" by Cozy Cole. Hartwell flew up to Boston to say thanks personally to the area deejays for their response to the record which resulted in big sales in and around Boston.

Jensen Challenges English Widow's Claim On Sapphire Needles

CHICAGO—An English widow's claim that her husband invented the sapphire phonograph needle was challenged by Karl Jensen, president of Jensen Industries, Inc., Forest Park, Illinois, manufacturers of all types of needles and phono cartridges.

Thomas Edison used sapphire needles in the earliest phonographs he produced, said Jensen, who has a collection of vintage records and player parts to back up his statement.

Jensen called a recent decision of British court of appeals that Mrs. Maria Killick's late husband invented the sapphire stylus "preposterous."

The 40-year-old widow asserts she has \$14,000,000 due her from companies which have produced the sapphire needle without her permission. "In America, I understand, \$78 million worth of sapphire styli have been sold," she remarked. "I intend to sue all companies there which have infringed my patent."

Retorted Jensen, "If Mrs. Killick's claims were true, I guess my company would owe her about \$5,000,000. But I collect old records, and I have one

older than Mrs. Killick that starts out, 'This record is being played by a sapphire needle.'"

In developing the long-play sapphire stylus, the United States took an early lead over Europe, introducing the microgroove version shortly after World War II, Jensen declared.

"This makes Mrs. Killick's assertion that American manufacturers are infringing her patent extremely far-fetched," asserted Jensen.

Lubinsky Appoints Distributors

NEWARK, N. J.—Herman Lubinsky, president of the Savoy, Regent, and World Wide labels, has announced the appointment of three new distributors to handle his various lines.

The Canadian Music Sales Company in Toronto and Montreal, Canada, will distribute Savoy, Regent and WW in those cities. Great Western, in Salt Lake City, has also picked up the three lines. And Sunland in Los Angeles has added the World Wide Stereo label to its roster.

"Hit Of Tomorrow"

WASHINGTON, D.C.—Dart Record's Donny Boyd is shown being interviewed by WPGC-Washington deejay, Bob Bartel, at the nation's capital's big drive-in theatre, the 'Queens Chapel'. Donny, had been under-fire by the 'teen-clubbers' who were cross-examining him on his initial Dart release. The tune, tagged "Martha", was later picked by WPGC as the 'hit of tomorrow'.

POPULAR

"THE BEST OF ELLA FITZGERALD"—Decca DXB-156 (1-12" LP)

Miss Fitzgerald's disk career with Decca is conveniently summed-up in this two disk package. The efforts are presented in chronological order, appropriately kicking-off with the stylist's first big disk success, "A-Tisket A Tasket" (1938) and closing with her 1955 pressing, "The Tender Trap". Other sides include "Oh, Lady Be Good" (1947); "It's Too Soon To Know" (1948); "It's Only A Paper Moon" (1945); and "(I Love You) For Sentimental Reasons" (1946). Big promotional campaign planned by Decca could make this one of the top packages of the year.

"BOBBY DARIN"—Atco 33-102 (1-12" LP)

Darin's single smash, "Splish Splash", is just about all the publicity this album needs to send it soaring on the charts. The "Splish Splash" side plus eleven other Darin performances are included in this package by the talented performer. Whether making a soft-beat ("Wear My Ring") or rhythmic ("Pretty Betty") vocal case, Darin is there with utmost rock 'n roll authority. The kids will love the set.

"DANCING OVER THE WAVES"—Ray Anthony And His Orchestra—Capitol T 1028 (1-12" LP)

Anthony, who is a consistently solid sales plum, provides a fine, uptempo fox-trot touch to a program of classical-traditional melodies gone modern. Works to which Anthony has given the lilt include Rubinstein's "Romance", Tchaikovsky's "This Is Our Love Song", Liszt's "Liebestraume", and "Dancing Over The Waves". Package has a strong chart look.

"CONFETTI"—Les Baxter His Chorus And Orchestra—Capitol 1029 (1-12" LP)

Melodies with a strong, and mostly sparkling continental feel are read with typical exuberance by the Baxter crew. Now and then, Baxter warms up to the occasion ("Farewell To Arms" theme; "Lonely Whistler"), but the air overwhelmingly is gay with such items as "April In Portugal", "Poor People Of Paris" and "Mon Amor" present. Baxter sells, often to chart notices.

"12 EASY LESSONS IN LOVE"—Carmen Cavallaro, Piano—Decca DL 8747 (1-12" LP)

Cavallaro, whose LP stock soared with his smash Eddy Duchin soundtrack disk, handles a sturdy, melodic listing with typical Cavallaro polish and lush keyboard embellishments. The outstanding numbers include "The Touch Of Your Hand", "There's A Small Hotel", "Speak Low", and "Close As Pages In A Book". Combo accompaniment lends the cocktail touch to the proceeding. Mood disk with excellent name-value.

"ALL THE WAY AND THEN SOME"—Sammy Davis, Jr.—Decca DL 8779 (1-12" LP)

Davis' ninth LP for Decca, the effort contains loads of exciting programming material for the jocks, plus several expressive ballad stints. Highlight of the performer's swinging way is his abandon on two Cole Porter works, "Night And Day" and "I Concentrate On You". Davis purrs over the likes of "When I Fall In Love", "Look To Your Heart" and "Stay As Sweet As You Are". Varying ork support. Pro vocal performances.

"I GET A KICK OUT OF PORTER"—Joe Bushkin—Capitol T 1030 (1-12" LP)

Twelve tunes ideally reflective of the urbanity, and smartness of Cole Porter's output, are presented in tasteful, uptempo readings by keyboard artist Bushkin. Kenyon Hopkins is the arranger behind the Bushkin-ork good feelings. Some of the Porter works here: the title song, "In The Still Of The Night" "Love For Sale", "Just One Of Those Things" and "I've Got You Under My Skin". Bushkin sells. This could be one of his best cash-register issues.

"THE NEW JAMES"—Harry James And His Orchestra—Capitol T 1037 (1-12" LP)

The disk work of the James' ork over the past few years has possessed a sparkling swing vitality, and this latest from the maestro's crew contains spanking-good swing stabs, too. The four composers-arrangers whose bright output (they wrote and scored their own works here) is performed here include Neal Hefti, Ernie Wilkins, Bill Holman, and J. Hill. Excellent band work.

"DEE-LATIN HI-FI ORGAN"—Lenny Dee With Latin American Rhythm—Decca DL 8718 (1-12" LP)

Dee ranks as one of the top organ attractions on disks. This breezy survey of twelve Latin-inspired melodies ("Begin The Beguine," "Cherry Pink," "Walter Winchell Rhumba") ought to go just fine with Dee's impressive following. The excellence of the recorded sound brilliantly brings out the colorful Dee display here. Must for the organ shelf.

"WICKED WOMEN"—Songs by Jim Lowe—Dot DLP 3114 (1-12" LP)

Lowe, of "Green Door" fame, is both a bal-ladeer and swinger in this collection of folk-show-Tin Pan Alley songs on a "wicked women" theme. The efforts, with two exceptions "The Love Of Barb'ry Allen," and "Jezebel," take a humorous view of the women involved, and include such noteworthy numbers as Rodgers-Hart's "To Keep My Love Alive," Cole Porter's "Miss Otis Regrets," "Hard Hearted Hannah," and "Lizzie Borden." Unusual material, well performed.

"A MAN AND HIS DREAM"—Acquaviva And His Orchestra—MGM E 3696 (1-12" LP)

Acquaviva plies a mood music trade here that relies not only on sentiments, but playfulness as well. The ork leader has an effective, jumbo-sized ork to heighten dramatic effect for romantic touches or to play imaginatively for a happy ork ride. Because of the essential mood music nature of the disk, the rarely heard bill is mostly taken in the former vein. Better mood fare.

"IT'S JUST THE GYPSY IN MY SOUL"—David Romaine, His Violin And His Orchestra—Mercury MG 20361 (1-12" LP)

Though Romaine's orchestrations are definitely Gypsy sugar-coated, the fair size of the ork, and the many non-gypsy melodies present ("Autumn Leaves," "April In Portugal") make this package a pretty handy mood offering to have around, too. When Romaine wants to speak in Gypsy terms, his violin turns the trick with flashing sentiments. Other tunes: "Golden Earrings", "The Hot Canary" and "The Last Time I Saw Paris" (part of a seven-song Parisian medley).

"TIME REMEMBERED"—Pete Rugolo And His Orchestra—Vernon Duke At The Piano—Mercury MG 20380 (1-12" LP)

The issue contains serious-pop composer ("April In Paris") Vernon Duke's music for the Helen Hayes-Susan Strasberg-Richard Burton hit Broadway play. The score is orchestrally playful, sometimes affectionate, and contains two pretty vocal numbers, "Time Remembered" and "Ages Ago," which are expertly sung by Tony Travis. Disk's appeal will be limited to the show music coterie.

"NOSTALGIA REVISITED IN HI-FI"—The Banjo Kings—Good Time Jazz—L-12029 (1-12" LP)

The Banjo Kings, oft-recorded on the Good Time Jazz label, are a threesome with slick, banjo-nostalgia appeal. A fact invitingly displayed on fourteen good-old-days selections ("My Gal Sal," "Beautiful Dreamer," "School Days"). The Royal Barbershop Quartet is heard on five of the sessions. Yesterday's pop-hits authentically recreated.

Album Reviews

"A TOUCH OF ROME"—Carlo Grell And His Orchestra—Epic LN 3482 (1-12" LP)

The disk is one of Epic's series on musical touches of various cities and countries (New York, Spain, etc.). Grell and the ork lushly read a solid, eighteen tune program of gay, warm, and lilting Italian melodies, many in the familiar class as "Ciribiribin," "Arrivederci Roma," "Santa Lucia," and "Funiculi, Funicula." Disk has fine mood-nostalgia value.

"COME SING ALONG WITH US"—Community Singers—United Artists UAL 30003 (1-12" LP)

The disk is an infectious, follow-the-bouncing-ball type of community-sing venture, and since the participants are not polished vocalists, it induces the listener(s) to join in. Lyrics for the fourteen tune bill of oldies ("You Are My Sunshine," "Home On The Range," "Baby Face," etc.) are reprinted on the back of the sleeve. Solid release in the community-sing area.

"CHA CHA, MAMBO AND MERENGUE"—Simon Bolivar And His Band—Mercury MG 20177 (1-12" LP)

Bolivar offers four versions of each of the three favorite Latin dance-steps, employing two polished, different-sized orks. The tunes are a good combination of standards and originals, and include in the durable class "Love For Sale," "Where Can I Go Without You," "Three Blind Mice" and "Day In Day Out." A convenient, well-performed catalogue of the three steps.

"BRUNO 'JUNIOR' ZIELINSKI'S POLKA FESTIVAL"—Featuring The Wilson Sisters—Liberty LRP 3085 (1-12" LP)

The Zielinski ork has been running a polka show over Chicago's WGES for more than twenty-seven years, which adds strong mid-western polka sales possibilities to the issue. Those polka enthusiasts not acquainted with the Zielinski touch will also find the goings on reliable interpretations. The Wilson Sisters sing in English-Czech-Polish-German. Numbers included are from the countries in which the latter languages are mainly spoken.

"MY MAN"—Mary Lou Brewer—With Sy Shaffer And His Orchestra—Westminster WP 6081 (1-12" LP)

Miss Brewer is a hard-hitting stylist, who has appeared on Arthur Godfrey radio-tv stints, and in various Washington, D.C. niteries. Her vocal heritage belongs, in the main, to the "red-hot-mama" school, which works well for such a strong-voiced performer. The songs here appropriately suit the belting vocal way ("A Good Man Is Hard To Find," "Some Of These Days," "How Come You Do Me Like You Do"). Sy Shaffer's ork supports in semi-Dixieland fashion. Miss Brewer is a capable performer of an all-but-lost pop art.

"CAL TJADER-STAN GETZ SEXTET"—Fantasy 3266 (1-12" LP)

The top-ranking jazzists are teamed on a seven-tune session, which skillfully wrap-up such jazz feelings as the wistful, bluesy, and swinging. The beautiful caress of the "I've Grown Accustomed To Your Face" number gives the listener the impression, which holds true throughout the package, that the date was a fortunate meeting of the vibraphonist and tenor saxist. Members of Tjader's and Getz's combos at the time the disk was cut nicely fill-out the sextet. Important jazz issue.

"CHICO HAMILTON TRIO"—Introducing The Piano Of Freddy Gambrell—With Ben Tucker, Bass—World Pacific PJ-1242 (1-12" LP)

This is the disk intro for pianist Gambrell, who is practically given the run of the wax as far as a featured role is concerned. Gambrell is working here with one of the most ingratiating jazzists in Hamilton, and he fits the often far-out, invariably ingenious Hamilton pattern with good-natured swing and persuasive warmth. The latter attitude on "Midnight Sun" is one of the disk's finest moments. Five of the numbers are durables. Noteworthy debut for Gambrell.

"SONNY STITT"—Argo LP 629 (1-12" LP)

The tenor saxist starts things off with two reflective essays, and then goes to medium and uptempo blowing on the six other selections. Stitt's leanings toward enthusiastic tempos provides an excellent show-case for the artist as a swinger, while his warm moments skillfully change the pace. Good work from the unbilled combo support. In fact, the package is a no-liner note affair with the same photo of Stitt on both sides of the package.

"DETOUR TO THE MOON"—Mary Ann McCall—Jubilee JLP-1078 (1-12" LP)

The one-time Tommy Dorsey, Woody Herman, Charlie Barnet, and more recently, Charlie Ventura, vocalist supplies a collection of "moon" songs with keenly phrased, misty-voiced jazz readings. Quintet backing, which includes a cello in seven sessions, vary in personnel. Searching for the "moon" song theme unearthed such neglected treasures as "Moonlight Becomes You," "I Wished On The Moon," and "No Moon At All," and "Moon Country." Established works include "Blue Moon," "It's Only A Paper Moon," and "Moonglow." Effective jazz vocals.

CLASSICAL

"VIRTUOSO"—The Roger Wagner Chorale—Capitol P 8431 (1-12" LP)

The distinguished chorus is heard in a varied seven selection program featured by the intricate Carl Orff "Praelusio" from "Catulli Carmina," which fills one side of the disk. Other works include the "Hallelujah Chorus" from Handel's "Messiah"; "Dance Of The Polovetsian Maidens" from Borodin's "Prince Igor"; "Alleluia" from Mozart's "Alleluia"; the spiritual "Soon I Will Be Done"; Orlando Di Lasso's "Echo Song"; and the folk song, "Polly Wolly Doodle." Strong classical vocal stock.

SHOSTAKOVICH: Symphony No. 11—Stokowski—The Houston Symphony Orchestra—Capitol PBR 8448 (2-12" LP)

This is the initial American disk offering of Russian composer Dimitri Shostakovich's new eleventh symphony (subtitled "Year 1905"), a large-scale opus, which via rich dramatic and moody scoring liberal use of folk tunes, depicts the Russian revolt of 1905. Stokowski, who has performed the work in Russia, and the U.S., conducts with understanding and vigor. Bright sound. Important presentation of a work by one of today's great serious composers.

JAZZ

"CARMEN FOR THE COOL ONES"—Carmen McRae—With Orchestra Directed By Fred Katz—Decca DL 8738 (1-12" LP)

Miss McRae offers another package of mature, finely textured vocals. Working with a variety of ork backings, which include takes that spotlight percussion, string or woodwind work, Miss McRae clings expressively to her ballad moments, and charmingly catches the spirit of her swing stints. Her prancing vocals and the delightful Katz backing on "All The Things You Are," "If I Were A Bell", and "After I Say I'm Sorry" are a jig. Note the conviction on "You're Mine."

"ANITA O'DAY SINGS THE WINNERS"—Verve MG-8283 (1-12" LP)

The platter programs Miss O'Day on material associated with jazzists who have made jazz poll news. Backed by creative ork work from arrangers-conductors Marty Paich and Russell Garcia (each work on a side), the stylist roams inventively about or expressively recalls such items as "Sing, Sing Sing" (Krupa And Goodman); "Tenderly" (Oscar Peterson); "My Funny Valentine" (Gerry Mulligan); and "Body And Soul", (Coleman Hawkins). Versatile vocals by the now established jazz warbler.

Ramblings

NEW YORK:

It looks like an interesting fall season from some of the great packages now being issued in the numerous fall plans. So much must merchandise is being offered it just has to hype the sales. Irving Jerome, national salesman-just returned from his first MGM national distributor meeting, was just carried away by the enthusiasm with which his distributors greeted the MGM line. "This was the most successful distributor meeting I've ever attended," says Jerome. Jerome and president Arnold Maxin did a stereo presentation of the line, pre-recorded, with the assistance of cartoon slides and album covers. Gags and gimmicks made it a most palatable offering and the results awaited Maxin and Jerome when they got back to New York. Most distributors didn't even wait for the selling calls that Jerome planned, but beat him to the punch by mailing in their healthy orders. Decca, Capitol and RCA Victor unveiled some unbelievable albums the week before, and Epic held its most

ANN NICHOLS

successful convention at Montauk, L.I. ABC-Paramount invited its distributors to the famous Concord Hotel in the Catskill Mountains and reported a half-million dollars in orders taken on the spot. Apparently no lack of confidence in the future as far as the nation's record distributors are concerned. . . . Buddy Friedlander, national sales manager of United Artists, elated with the action now coming into the diskery. Lee Andrews and The Hearts' "Why Do I" has taken off like another hit for the group rapidly building into one of the hottest properties around. Al Tamarin, United Artists' head, picked up "Green Mosquito" by The Tune Rockers, outbidding several other companies, and early indications are that he grabbed a "big" one. In the album department, United Artists has a steady (and growing) seller in "The Vikings," soundtrack from the spectacular movie thriller, and "Come Sing Along With Us", a community sing LP that sounds like great party material. Several cuts will be issued as an EP with its main objective the juke box trade. . . . Art Mooney, MGM Records, made himself an unforgettable here in So. Plainfield, N.J. when he recently played a big part in raising over \$4200. for a heart operation on Little Joe Kubitsky of that town. Art autographed records and auctioned them off, sold sponges which were to be thrown at the Mayor, and generally acted as all around master of ceremonies for "Little Joe Day", sponsored by the community. Mooney so completely won over the So. Plainfieldians that they followed up by electing him Honorary Chief of Police and Honorary Mayor. Mooney became interested in the project when the townspeople wrote Irv Jerome, who comes from So. Plainfield, asking for his help in raising funds for Little Joe, who had a hole in his heart and whose only chance of survival was in the hands of the internationally famous surgeon, Charles Bailey. . . . Bill Nielsen, Epic topper, and Walt Hayum, national sales manager, back from the week-end distrib meetings well satisfied with the results. Hayum off on a distrib trip to Philadelphia and Baltimore, then back to New York and off again to the coast. Hayum reports that two items are hitting with solid impact. They are "Summer Time, Summer Time" by The Jamies and "I Don't Want To Set The World On Fire" by Something Smith. Nielsen, who is a devoted fisherman, had a completely satisfying week-end. He hooked an 84 pound tuna. . . . Al Silver, Herald and Ember Records, back from his European trip but unable to settle down to routine again. Al tells an interesting bit that happened to him in Rome. Leaving his hotel one day, he was approached by a well dressed man who apologized for intruding. He was a guide, he explained, and considered himself the best in the business. His manner was so gracious and impressive that Silver hired him. The guide certainly was not boasting when he termed himself the city's best, and Al and Mrs. Silver saw Rome completely and as they never would have without his guidance. The Silvers and the guide became quite friendly as time passed and inevitably the question came, "By the way, Mr. Silver, what business are you in?" When Silver replied, "The record business," the guide retorted, "That's a coincidence. I only recently guided another record man." Whereupon he pulled a card from his wallet which said, "To Whom It May Concern: Mr. — is the most capable guide I have ever met and I recommend him without reservations," signed Arnold Maxin. Silver was happy to find on his return that two decks were starting out very strong. They are Five Satins' "A Night To Remember" and Red and Blue's "TV Baby." . . . Heard this week: "Perry Como has a great album out on Victor. There ought to be several sides in it that would make great singles." The name of the album? "Como's Golden Records." . . . Dancer Bobby Van may make it as a singer with his first recording effort on ABC-Paramount, "Sweethearts". Van unveiled the side on Dick Clark's August 1 show, then four days in Chicago for personal appearances, dee-jay visits, and TV shots. Jerry Winston, who produces for MGM's Cub label, tells us the MGM brass is excited about the next Velour's release, "Crazy Love". Morty Craft is readying it for a "Super Special Release" and copies go out to the trade and deejays this week. . . . Abner, Vee Jay-Abner Records, released a disk during the MOA convention

TWO CHAPS

and advised all, with tongue in cheek, that he planned an all out exposure. Today this group is riding all the charts—Jerry Butler and The Impressions. Abner calls the sales on that record, "For Your Precious Love", "phenominal". Abner and a & r chief, Cal Carter, advise a new session is now being set up for the hit group. . . . Chris Ford, Tuxedo Records, announced the signing of cutie Ann Nichols, to a recording contract. Session is being cut this week with an immediate release planned. Ford also releases two gospel items this week, "Everybody Should Serve The Lord" and "I Feel Like Going On" by The Silver Crown Gospel Singers—and "Lord I've Tried" and "On My Knees A-Praying." . . . Ken Lutman, United Artists national promotion, planning a trip in a couple of weeks to promote the label's "Why Do I" and "The Mosquito." . . . Alan Hartwell, in charge of promotion for Love Records calls attention to the great excitement on Cozy Cole's "Topsy" part two in and around the Boston area. Cute gimmick used by Love. In its signature the "o" in "Love" is a

Hot Artist And Cool Cuties

PHOENIX, ARIZ.—Jody Reynolds, whose initial Demon waxing, "Endless Sleep", turned out to be a dual-mart smash, recently paid a visit to the KRIZ-Phoenix studios. During the day the temperature in town reached the 118 degree mark. Some of the listeners, shown above with Jody and KRIZ Program Director-deejay, Rob Robbins, came to the studios in bathing suits to beat the heat.

Jazz At Brussels Fair

BRUSSELS, BELGIUM — Sarah Vaughan, Sidney Bechet, and the International Jazz Band held forth in the American Pavillion of the Brussels World's Fair for six days beginning July 29th, it was reported by George Wein, Producer of the Newport Jazz Festival. The Newport group was recruited by the U.S. State Department to put on the jazz program in our pavillion on "America Days"—July 29th through August 3rd.

In addition to producing the Brussels jazz show, Wein joined Vic Dickenson on trombone and Buck Clayton on trumpet by taking over the piano chores for the Bechet-Vaughan appearances. Impresario-performer Wein is also owner of the well known "Storyville" night club in Boston.

The International Jazz Band played in Brussels under the direction of its leader Marshall Brown. The band disbanded after Brussels and the 18 young musicians returned to their 16 respective nations to spread the gospel of "le jazz hot" as viewed in the United States.

Columbia Inks Mumford

NEW YORK — Gene Mumford, lead singer with Billy Ward's Dominoes for the past two years, has been signed to record as a soloist for Columbia, according to an announcement last week by Mitch Miller, Director of Popular Artists and Repertoire.

Mumford has been heard as soloist on such Dominoes hit recordings as "Stardust," "Solitude" and "Deep Purple." Urged to sing professionally by Sister Rosetta Tharpe, Gene while still a youngster, substituted frequently for Bill Kenny, tenor soloist with the Ink Spots. Now a veteran performer in his early thirties, Gene will be showcased as a solo singer under his own name for the first time in his career with his first Columbia release due out shortly.

Shake-Up At WNTA

NEWARK, N. J. — WNTA-Newark, last week announced that it was replacing the Herb Sheldon radio show, which he did remote from his Roslyn, L.I. home from 7 am to 9:30 am five days weekly, and both the Jocko Henderson radio and tv shows.

Sheldon formerly was with WABD-TV-New York where he did a morning show for the adult audiences and a bandstand show for the teenagers in the afternoon. He was subsequently replaced by Alan Freed on the bandstand stint.

Jocko Henderson came to New York from Philadelphia. He won a large audience with WOV-New York and left the station to make his WNTA radio and tv bow.

"MY LIFE" (2:42) [Rush BMI—Willis]

"THUNDER AND LIGHTNING" (2:40) [Rush BMI—Willis]

CHUCK WILLIS (Atlantic 1192)

● Atlantic issues the first release by Chuck Willis since the chanter's untimely death a few months back. And it's a powerful, two-sided entry that could follow in the footsteps of what was probably his biggest coupling to date, "What Am I Living For" and "Hang Up My Rock And Roll Shoes". One end, labeled "Thunder And Lightning", is a tantalizing, steady, up beat blues opus while "My Life", on the flip, falls into the heartfelt, slow paced romantic-ballad category. Excellent choral and instrumental work on both ends of this dual-mart Willis 'special'.

"ONE DAY NEXT YEAR" (2:17) [Kahl, G&H BMI—J. Sheppard]

"SOMETIMES I WONDER" (2:12) [Kahl, G&H BMI—Carter, Sheppard]

THE HEARTBEATS (Roulette 4091)

● The sentimental teenagers, currently involved in summer romances will probably include "One Day Next Year" as one of their first disks on their 'must buy' lists in the coming weeks. The song is a beautiful fish-beat ballad that opens with the artists quickly repeating the title line three times. Should easily fit into the slot vacated by the group's most recent click, "Down On My Knees." Bottom side, tabbed "Sometimes I Wonder", is another potent, pausing-sighing ballad that the songsters pour forth with telling effect.

"MY BONNIE" (2:40) [Progressive BMI—Charles]

"YOU BE MY BABY" (2:33)

[Progressive BMI—Pomms, Shuman, Charles]

RAY CHARLES (Atlantic 1196)

● Ray Charles is back on the wax scene with another wonderful revival of an old-time favorite. This time it's "My Bonnie" and it's rocked out with the same infectious glee that he injected into his chart-rising "Swanee River Rock". A fabulous arrangement coupled with a superb choral and musical backdrop makes this a cinch for top ten honors in both the r&b and pop departments. On the reverse etching Ray's outstanding vocal stylings are perfectly showcased, once again, as he spiritedly drives out the house-rockin: "You Be My Baby". It's "Bonnie" tho for the quick action.

"COME ON AND HAVE YOUR FUN" (2:00) [Aladdin BMI—L. Lee]

"ALL I WANT TO DO IS CRY" (2:50) [Aladdin BMI—L. Lee]

SHIRLEY & LEE (Aladdin 3432)

● The attention-getting qualities of Shirley & Lee's duet vocalizing are at their peak on the twosome's newest Aladdin pairing. The artists couple a happy item with a sad one as they enticingly polish off "Come On And Have Your Fun" and "All I Want To Do Is Cry". The former is a happy-go-lucky rocker etched in the "Let The Good Times Roll"—"Feel So Good" tradition while the latter is a steady beat, crying towel opus that S&L wring out in emotion-packed fashion. Big coupling for the two-market disk collectors.

"VOODOO EYES" (2:50) [K. Williams BMI—Silhouettes]

"BING BONG" (2:15) [K. Williams BMI—Silhouettes]

THE SILHOUETTES (Ember 1037)

● The Silhouettes, whose "Get A Job", shook up the wax industry a short while back, return to their stomping grounds with another power-packed entry labeled "Voodoo Eyes". The tune, an intriguing affair set to a steady, incessant beat, has what it takes to make the ops, jocks, dealers and rack jobbers really sit up and take notice. On the bottom portion, dubbed "Bing Bong", the crew delightfully sails over another strong entrant in the rock 'n roll sweepstakes. Deck moves with impact. Don't lose sight of it. However, the edge goes to "Voodoo Eyes".

"FIRE OF LOVE" (2:05)

[Elizabeth, Johnstone Montei BMI—J. Reynolds, S. Sturdivant]

"DAISY MAE" (1:50)

[Elizabeth, Johnstone Montei BMI—J. Reynolds, S. Sturdivant]

JODY REYNOLDS (Demon 1509)

"IT'S YOU I LOVE" (2:15)

[Ben-Ghazi BMI—Robinson, Carroll, Gibson]

MICKEY & SYLVIA (Vik 0334)

"DOWN THE AISLE OF LOVE" (2:39) [Myra BMI—Quin-Tones]

THE QUIN-TONES (Hunt 321)

"MAN THAT'S CHOICE" (2:03) [Time BMI—Lehmann, Lebowsky]

SAM (The Man) TAYLOR (MGM 12696)

● All are hot, dual-market prospects. (See pop reviews).

THE SWALLOWS

(Federal 12333)

B+ "ITCHY TWITCHY FEELING"

(2:25) [Sue BMI—J. Oliver] The Swallows come up with a top drawer cover of a tune that's starting to show some territorial action. Sparkling vocal and instrumental performance on a delectable novelty rocker. Deck should share heavily in the final sales take. Get with it.

B+ "WHO KNOWS, DO YOU"

(2:01) [Arnel ASCAP—Rowlette, Gibson] The artists hand in another fine job on this side as they, with a splendid lead vocal, deck out a moving, fish-beat ballad with touching sincerity. A double-barreled money-maker.

TUNE TONES

(Herald 524)

B+ "LITTLE SANDY" (2:10)

[Angel BMI—Levy, Kaplan] The Tune Tones brightly bounce over an exciting novelty item that rocks along in coin-catching fashion. Torrid instrumental work on a deck that's sure to keep the teenage hoofers on the go day and night.

C+ "PLEASE BABY PLEASE"

(2:20) [Angel BMI—Levy, Kaplan] This half the combo puts loads of feeling into a pretty, slow paced ballad with expressive love lyrics.

BO RHAMBO COMBO

(Peacock's Progressive Jazz 800)

B+ "SOUTHSIDE" (2:57) [Lion

BMI—E. G. Rhambo] Bo Rhambo's Combo, with sax and organ, front and center, take this most appealing blues item, for easy-on-the-ears instrumental ride. Top notch offering that should easily fit into the deejay's programming guide.

C+ "BEWITCHED" (2:52) [Chappell

BMI—Rodgers, Hart] The piano and organ stand out on this attractive revival of the Rodgers and Hart tune that recently had a successful re-run on the charts. An excellent change-of-pace slicer for the platter spinners.

THE BOBBETTES

(Atlantic 1194)

B+ "THE DREAM" (2:21) [Progressive

BMI—Pought, Obrecht] The Bobbettes, who hit the big time with their quick beat delighter, "Mr. Lee", could skyrocket up the charts, once again, this time via the fish-beat ballad path. It's an emotion-packed offering that the gals dish up with touching sincerity. Could be a smash.

B "UM BOW BOW" (2:32) [Pro-

gressive BMI—Bobbettes] Here the chirps put their up tempo-novelty shoes on as they refreshingly romp over a real cute finger-snapper. Dandy coupler.

BOBBY LONG

(Glow-Hill 503)

B+ "I SLIPPED-TRIPPED (And Fell

In Love With You)" (2:16) [Dazzler BMI—R. M. McCoy] Bobby Long could 'stumble' his way right into the popularity lists, r&b and pop-wise, with his Glow-Hill debut. It's a captivating, gimmicked-up jumper that Long, assisted in enticing fashion by the Way Singers, socks out in chart-contending style. Keep close tabs on it.

C+ "DON'T YOU RUN" (2:37)

[Dazzler BMI—G. Hawkins, S. Bratcher] Flipside features Long and the vocal group, on a colorful toe-tapper with a "Little Bitty Pretty One" flavoring. Solid musical backdrop on both ends.

LOUIS BROOKS & HIS HI-TOPPERS

(Excello 2141)

B+ "FRISCO" (2:26) [Excellorec

BMI—L. Brooks] Louis Brooks and his Hi-Toppers cut loose on an engaging, Latin-flavored instrumental item that oughta have the dancers calling for more and more.

C+ "OVERTON-LEA DRIVE" (2:31)

[Excellorec BMI—L. Brooks] Bottom biscuit shows off more of the combo's top notch instrumental wares as it slickly carves out a swinging ear-pleaser.

THE CLEFTONES

(Roulette 4094)

B+ "SHE'S SO FINE" (2:15) [Pa-

tricia BMI—Cox, Carter, McGhee] A similarly infectious, gimmicked-up intro that the Cleftones used on their "Little Girl Of Mine" hit is employed on this contagious, quick beat romantic ditty. Lively jumper that could put the boys back in 'hitsville'.

B+ "TRUDY" (2:35) [Kahl, G&H

BMI—Cox, McGhee] Here the songsters blend prettily on an ultra-lovely, gal-titled shuffle ballad. Grade "A" instrumental background for these two, dual-market threats.

THE GOSPEL STARLETS (Religious)

(Tuxedo 927)

B+ "ON MY KNEES A-PRAYING"

[Ford BMI—H. Toomer] The Gospel Starlets demonstrate that they can belt out the jubilee-styled hand-clappers with the best of 'em. Rousing performance that oughta delight the religious wax buyer.

B "LORD I'VE TRIED" [Martin &

Morris—Rev. W. H. Brewster] On the lower half the group sends up an inspiring reading on a potent, steady beat gospel item that the lead waxes up in soul-stirring manner.

"We're Lanin Fans"

WORCESTER, MASS.—With the arrival of the new Lester Lanin LP "Lester Lanin Goes To College" at WNEB, Jack O'Rourke, Jim McLean and George Downey donned their Lester Lanin College Caps and each grasp for first play as Bob Bilske Librarian, holds tight for a chance to audition the new LP, before airing.

MGM Unveils Fall Plan

NEW YORK—Irving Jerome, MGM Records National Sales Manager, reports the recent MGM Records first national distributor meeting held last week in Chicago while at the NAMM Show, was a complete and unqualified success. Jerome states there was 100 per cent distributor attendance, "and it was the most successful distributor meeting I have ever attended in all the years I've spent in the record business. The response was overwhelming and the results make me feel that MGM is really on the right track in giving the dealers the kind of merchandise most useful to them at the present time," concluded Jerome.

The meeting was opened with a gimmicked after dinner pre-recorded stereo presentation. Jerome and President Arnold Maxin were the recorded speakers. Cartoon slides and album covers were also part of the unusual presentation.

Unveiled for the attending distributors were 12 pop albums, 10 classical, and the low-priced Lion offering, consisting of 24 albums.

Sales aids included mail and counter supplements, illustrated store hangers, new salesman's brochures, disk jockeys sampler albums, animated and other window display materials.

The dealer was offered a post-dating arrangement that allowed one-third payment in October, one-third in November and one-third in December. This covers new products as well as regular album purchases, including re-orders totaling a minimum of \$100. A special dealer bonus deal gave him a choice of one album with every twelve ordered, three with every twenty-five, seven free with fifty, and fifteen free with every one hundred.

Included in the label's August-September release are the following:

Under the MGM banner in the pop field: "Yesterday and Today," Maurice Chevalier; "Hank Williams—Volume II"; "Meet Cleo," Cleo Laine; "Red Hot Harp," Robert Maxwell; "This Is Sheila," Sheila Guyse; "Jazz In Black Tie," Morty Craft; "The Fanny Brice Story In Song As Sung by Kay Ballard"; "Dance Music in the Jimmy Lanin Manner"; "Joni James Award Winning Album, Vol. 2"; "Favorite Hymns," Roy Acuff; "Theme Songs Of The Great Swing Bands in Hi-Fi," Leroy Holmes; "The Ferrers At Home," Rosemary Clooney reads "The Story Of Celeste" and Jose Ferrer reads "Tubby The Tuba".

Mass England Premiere For Frankie Vaughan's Flic "Wonderful Things"

LONDON, ENGLAND — Frankie Vaughan, British star, who was voted England's top-singing actor for his role in "Dangerous Youth," had his new film "Wonderful Things" released in 80 theaters throughout England on July 4th. In an unusual arrangement based on his tremendous drawing power, the films went in on an "unlimited engagement" deal that will keep them running as long as they continue to draw. This "mass premiere" as well as the "unlimited engagement" is a first in English

motion picture industry history. Vaughan's career has recently been on a major upbeat. He was voted "Best Singer in a 1957 Film" in the annual poll conducted by Picturegoer, an entertainment weekly in Great Britain. Earlier, the Variety Clubs of England chose him "Top Show Business Personality of 1957." His first film "Dangerous Youth" which was released here by Warner Brothers, was one of the top ten grossers throughout the British Empire.

Saxon Music Clicks

NEW YORK—In the short space of only a few months, Saxon Music Publishing, established by composer-conductor Billy Mure, has come up with a host of important records.

Saxon's latest entry is, "When Will I Know?", recorded by George Hamilton IV, for Am-Par Records. The song was penned by Billy Mure and Dick Wolf, the team responsible for several Saxon tunes. Don Costa was the arranger and conductor.

Saxon is also represented on disks by "Got A Match?", the novelty tune recently on the charts on three labels. The Daddy-O's recorded it for Cabot Records, Frank Gallup did it for Am-Par and Lou Stein's version is for Mercury Records.

Next week Cabot will issue the Daddy-O's follow-up to "Got A Match." The coupling features "Pow!" and "Don't Bother Me."

NEW YORK—Addition of a new TV show, "Music From Manhattan," to bow over the ABC-TV network this fall, to his various other enterprises, has necessitated larger quarters for the Sammy Kaye organization, which will move to 40 East 49th Street, on July 30. Kaye will occupy the new premises on a five-year lease.

The Swing and Sway man's interests include three music publishing firms, a record company and other enterprises.

THE CASH BOX BULLSEYE

"THE WAYS OF A WOMAN IN LOVE" (2:13)

[Hi Lo BMI—Justis, Rich]

"YOU'RE THE NEAREST THING TO HEAVEN" (2:36)

[E&M, Hi Lo BMI—Johnson, Atkins, Cash]

JOHNNY CASH (Sun 302)

● It looks like Johnny Cash has another pair of hits on his hands. (See pop reviews).

"HEY SHERIFF" (2:18) [Acuff-Rose BMI—B. & F. Bryant]

"SWEET THING" (1:50) [Acuff-Rose BMI—B. & F. Bryant]

RUSTY & DOUG (Hickory 1083)

● A Rusty & Doug record hits the wax market this week and it has those coin-catching qualities notched into every groove. Tagged "Hey Sheriff", it's a tantalizing, rock-a-billy styled novelty that could put the twosome way up in the hit listings in short order. On it the boys call for a posse to find the heart-thief who stole their gal. Flipside, a delectable, quick beat romantic ditty labeled "Sweet Thing", is another solid entry for chart honors. A terrific instrumental backdrop rounds out this two-sided winner.

JIM SHELTON

(Love-Lock 113)

C+ "LOVE COME TO ME" [Love-Lock BMI — Johnson, Gardner, Shelton] Jim Shelton, along with an attractive vocal and instrumental assist, applies his smooth tones to a sprightly, quick beat cutie that bounces merrily along in happy-go-lucky style. Dandy slicing.

C "TEENAGE LOVE" [Love-Lock BMI — Gardner, Shelton] This end Shelton warmly caresses a moderate paced tale of two young lovers.

LANIE WALKER

(Blue Hen 230)

C+ "EENIE MEENIE MINEY MO" (1:50) [Hugh Lee Stevenson ASCAP—Batman, Stevenson] Lanie Walker, neatly backed up by his Black Mountain Boys, refreshingly breezes thru this contagious, quick beat romantic novelty. Fetching etching for the platter spinners.

C+ "NO USE KNOCKING ON MY DOOR" (1:28) [Hugh Lee Stevenson ASCAP — Stevenson] Under portion is another snappy, up tempo ditty that Walker and the crew wax in colorful fashion.

VERNON CLAUD

(Decca 30692)

B+ "BABY'S GONE" (2:00) [Old Charter BMI—V. Claud, H. Long] Vernon Claud comes up with a splendid vocal effort as he expressively renders a heartfelt love affair set to a quick, clickity-clack-train beat. Persuasive slicing that could develop into a strong chart item.

B "FOOLISH PRIDE" (2:35) [Copar BMI—K. Marlow, E. Hines, H. Bell] Altho he slows down the pace here, Claud stays in a sad frame of mind as he softly spins a moderate beat romantic weeper.

JIM & EDITH YOUNG

(Jay 71)

C+ "I'LL BE LONESOME WHEN YOU'RE GONE" (3:00) [Hip Hill BMI—V. B. Ingles] Jim & Edith Young pool their pure country vocal talents in convincing fashion as they tenderly wend their way over this middle beat opus with crying towel, love lyrics.

C+ "HILL BILLY MOON" (2:30) [Jed BMI — J. & E. Young] Reverse etching finds the artists nimbly racing over a fast moving novelty item. Bert Bowling and the Miami Valley Boys ably supply the 'back mountain' instrumentation on both halves.

BILL PHILLIPS

(Columbia 41218)

B+ "THERE'S A CHANGE IN ME" (2:01) [Peer Int'l BMI—Phillips] Here's an exciting platter that could put Bill Phillips' name up among the leaders in the weeks to come. It's a captivating, fast paced romantic opus that the artist knocks out in sparkling style. Socko instrumental support on this rockin' handclapper.

B+ "LYING LIPS" (2:27) [Cedarwood BMI — Walker, Douglas] This end Phillips turns on the tears as he effectively multiple-vocals a touching, up tempo lover's lament, Strong pairing. Bill has the goods. Watch his stock soar.

DUKE & NULL

(Guitar 777)

B "BLUE, BLUE, BLUE" (2:17) [Vokes BMI—D. Duke, J. Null] The distinctively different vocal stylings of Denver Duke & Jeffrey Null come across in ear-pleasing fashion via this debut Guitar waxing. It's an engaging, quick moving romantic tear-jerker that's sure to latch onto loads of airplay.

B "CANDLE LIT CATHEDRAL" (2:30) [Nennie Lacour BMI—C. Fraley, L. Lacour] Under portion is a heart warming lilter that the songsters deck out with tender emotion. Pretty offering.

BILLY PARKS

(Razorback 103)

C+ "WHY DO I KEEP ON CRYING" (2:32) [Razorback BMI—B. Parks] Billy Parks turns in a penetrating vocal performance as he ambles over this middle beat romantic heartbreaker. Soft, subdued strings back Parks.

C+ "FOUR LEAF CLOVER" (1:30) [Razorback BMI—B. Parks] On the bottom waffle Parks tastefully etches a bright, romantic novelty item. Two good sides for the jocks.

ROY BAHAM

(Logan 3101)

C+ "BIG CHIEF ROCK" (2:35) [Gaylord BMI — Baham] Roy Baham comes up with an interesting ditty that should provide the record twirlers with some catchy, off-beat programming. A flavorful, up tempo, tom-tom beat offering that Roy grooves in light-hearted style.

C+ "SIN ALLEY" (2:25) [Gaylord BMI—Baham] On the under lid the warbler puts his heart into his delivery of a poignant waltz item.

Country Round Up

Sam C. Phillips, President of Sun and Phillips International, now issuing a 'Phillips' Scandal Sheet' as a companion piece to his Sun newsletter. The 1st edition lists a definition of Bill Justis' new one "Cattywampus". It's an old Southern usage meaning sort of cockeyed or hap-hazard. Editor for both papers is Barbara Barnes, who phoned in from Memphis, last week, to advise us that the diskery is gonna have a real hot side in Ernie Barton's Phillips' newie, "Stairway To Nowhere". Flipside is tagged "Raining The Blues". Barbara also tells us to watch out for Jerry Lee Lewis' next pairing, out next week, dubbed "I'll Make It All Up To You" and "Break-Up". Kay Martin is now President of Jerry Lee's National Fan Club. She took over the reins from Regina Reese.

BILL JUSTIS

Elaine Berman, co-prexy of the club types her praises of new ABC-Paramount artist, Freddie Neil. Elaine is also excited about a new rock-a-billy performer she saw at the Shoremede Hotel in Miami Beach. His name is Wally Deane and his combo, piano, drums and bass, is known as the Flips. Incidentally, the gals also run the Billy Riley National Fan Club. Billy, former Sun artist, is now out with a debut platter on Brunswick, tagged "That's All To The Ball, Mr. Hall" and "Rockin' to the Moon."

However, his colleague, Larry Garr, is bedded down with a severe illness and'll probably be in the hospital for several weeks. He'd really welcome the get well cards. The other jocks are Merle Kilgore, known as the "Tall Texan", "Hillbilly" Dean Evans and "Dinnerbell" Don Burford. Donnie White, King recording artist who has been working with the Louisville, Ky. Pee Wee King "Bandstand" TV show, in addition to p.a.'s, had a wild experience, last week, while appearing at the Outagmie State Fair in Seymour, Wisc. It seems that he and Pee Wee were doing radio and TV plugs and had to climb a 5 story tower to be interviewed by Bob Bandy of WAPL-Appleton, Wisc. Bob has been sitting on his 8x10 perch as a promotion stunt to raise \$200,000.00 for a youth center. Altho Donnie and Pee Wee were a little upset by the height they were able to make it back down to send along their praises for Bandy.

Horace Logan, KCUL-Ft. Worth, Texas Program Director, types that the "Young Sheriff", Faron Young, was a big hit with the capacity crowd at KCUL's "Cowtown Hoedown", on July 12th, in Ft. Set for the 26th were Al Jones and his band and Howard Crockett with Jimmy & Johnny due in on the 2nd of Aug. On the July 12th show Lawton Williams was presented with a Hungarian flag, by a group of Hungarian freedom fighters, for having cleffed a tune, tagged "Iron Curtain", that pays tribute to all those that fight for freedom. Lawton bowed on Decca, last week, with a pair of tunes dubbed "Texas vs. Alaska" and "Don't Let Anybody Tell You". The regular members of the "Hoedown" include Williams, Carl & Martha Storey, the Melody Five Band, Carl Logan, Joe Poovey, the Braga Sisters, Frankie Miller, Okie Jones, Elvis Fleming, the Sunset Starlighters and the Black Mtn. Man of the Week

SAMUEL L. LONDON

When Samuel Lewis London watched an operator collecting from a game, back in the early thirties, he said unto himself, "This appeals to me."

Sam, as he has since become known to all in the industry, was then engaged in the general merchandise business in Milwaukee, Wis.

By diligent searching he found a distributor located in a basement store where he learned that he, too, could purchase these machines. And so Sam started into the operating business.

He probably would have continued on as an operator to this day if this distributor hadn't given him one price over the telephone and asked another when Sam came over to pick up the machine.

"I wasn't used to that sort of business", Sam recalls, "and it made me so mad I decided right then and there to go into the distributing business myself."

So back there, in 1934, the very first ground floor distributor's store was opened with a spanking new, brightly painted sign for all to read: "Milwaukee Coin Machine Co."

"Since then", Sam chuckles, "lots of water has gone under the bridge."

For example, the firm is now known as S. L. London Music Co., distributors for The Seeburg Corp., D. Gottlieb & Co., Chicago Dynamic Industries.

Sam still likes to remember the many he helped get started in this industry since he became a distributor.

He likes to reminisce about all the good work that has been accomplished in Milwaukee.

Having been very active in UJA drives over the past many years he still wholeheartedly thanks Milwaukeeans for their generosity.

Especially their donations for his favorite charity, a home for orphaned children.

And though Sam continues to cry out day after day that he's quitting, he continues to be active in his business.

"I guess", he concludes, "I just love his business."

Midyear Report:

Almost all agree that the coin machine picture is rapidly changing. The long established operator, they advise, is continuing on ahead. He's showing a profit on his overall operations. He's continuing to buy new machines. Perhaps he's not earning as much profit as he feels he should, but he also isn't spending as much as he used to. He's balancing intake against outgo. Because of this he finds that he's still able to continue profitably ahead. In most cases 5% to 10% above the break-even point. He realizes, tho, that he's better off than most other businessmen.

His biggest worry, it seems, is that many of his small locations are closing up. Going out of business. This leaves him fewer secondary spots where he can move down his equipment. On an overall basis, this has its effect on his business, and in more ways than one. It means that he must obtain a faster depreciation write-off for the new machines he buys. Furthermore, this must now be a more realistic depreciation schedule, taking into consideration constant, creeping inflation. Even tho with less spots he can now cut his servicing overhead expense to some extent he must depend, more than ever before, on his top spots to bring him quick, peak income.

The average leading operator agrees the problem is no longer solely the higher price of new equipment. Rather, it's a case of faster amortization, plus a decent return on his capital investment within a reasonable period of time. If he wants to hold on to all of his mechanics and servicemen as well as the rest of his employees, he must buy another route, or try to expand his present route if this is possible. The average operator hates to let go of any of his employees. So he expands his route, or he acquires another route. This, in turn, is causing a contraction in the industry. If this keeps up, it is believed, there will be less men handling the routes and equipment of the industry. This is becoming more noticeable with each passing week.

Operators are calling for new type equipment, rather than for lower prices. Leading operators realize that lower prices, especially during a recession, will bring part-time operators into their areas. These part-time operators all have some retailer friends. Since they don't require as much income from the equipment as do the full time operators, because they already have one job, and operating is only temporary with most of these people in most cases, they create chaos in any area. They make ridiculous deals with the location owners. They offer the locations outlandish and practically impossible commissions. In short, they upset any operating area for months and

months and, sometimes, for years. So the leading operators would much rather have new and different equipment than lower prices for repetitive type machines.

The fact remains that as the people engaged in this business contract in numbers and the industry, thereby, grows smaller, better business procedure can come into being among the fewer number of firms that will be left in the field. In short, it's easier for three men to come to an agreement, than for thirty-three. This is one of the bright spots that has developed in the rapidly changing coin machine picture. There are also a great many other bright spots. For example, more new equipment is being used. This means finer public relations. Better income. Better business methods. The fact is, many believe, that with less people this industry will progress more rapidly. They also claim the industry is now creating a more solid base for itself, held up by more substantial businessmen. This means, they report, a greater, better, even bigger industry for the years ahead.

The greatest need, the outstanding, crying necessity, almost everyone reports, is a public relations program for the industry. There are some operators who illogically claim this is a job for the distributors and manufacturers. The greater majority agree that this is a task for all concerned with the industry. A set amount, such as 50¢ or \$1 per month per machine should be pledged by the operators. A small percentage from the sale of each machine by distributors and manufacturers, 1%, 2% or more, some leading operators believe, should be pledged to a national public relations campaign.

Many compliment *The Cash Box* on its 15 year crusade to bring into being a "National Public Relations Bureau". They claim this is a most desperately vital need today. They urge this publication to continue its editorials and articles to bring a "National Public Relations Bureau" into active being.

All in all this industry continues to progress. Right thru this business recession. If all favorable factors were added up and weighed against the unfavorable, the balance would be heavily in favor of this industry being definitely on its way to an ever greater, more progressive era.

In fact, the definite optimism prevalent among the great, great majority of the operators, distributors and manufacturers, assures all concerned with the industry that with the first sure upward turn of the nation's economy, this field will enter into its greatest boom period.

NEW FALL SEASON STARTS IN JULY

Summer Season Disappears As Chi Factories Start Rolling Out New Products On Reopening After Employees Return From Vacations.

CHICAGO—It reads like "June in January" but, it's really a fact as far as the coin machine industry is concerned, the Fall season now starts in July.

In previous years, manufactories here staggered employees' vacations. This usually resulted in skeleton production crews. It meant very few machines being produced.

If the machines were considered among the best, the factory would usually find itself with a backlog, at least until all employees had returned from their vacations and full production could start up once again.

The same problem was encountered among factory executives. Visitors would find that the person whom they had come to see was away on his vacation.

This caused loss of time. Even though someone else would step into the missing executive's position, the actual dealing, many times, would have to await the return of the vacationer.

A few years ago some of the manufacturers decided to eliminate this problem. They closed down their entire factories for the vacation period.

This didn't help. Only because other factories continued their stagger vacation system so, the closers felt, they were losing business to these others.

This year almost every single factory closed its doors and allowed its employees to take off on their vacations along with most of the executives.

And though there was no concerted or correlated plan, whereby all factories closed during the same period, the fact remains that, beginning with the end of June and throughout July, the factories have, one after the other, been closed for the vacation time period.

Distributors were notified. They were urged to prepare themselves in advance, by ordering what they believed they would require, during the time their manufacturers' plants were closed down for vacation time.

Certain factory executives remained on the job to handle whatever business and problems might arise. Some of the engineers and salesmen were also present. But as far as production was concerned, this halted.

It has worked out. The manufacturers are ahead. The executives are pleased. The employees are thrilled. The factories close down for the vacation-time period, and the distributors and operators accept this closing. They buy in advance. They are prepared. All are happy.

But the big result is that the factories reopen with the return of the employees all full of pep and ready to get going big again.

While the employees were away, the engineers prepared the new product. Production specialists arranged tools and components.

Executives and salesmen were alerted to what would be the first new product on the return of the factory's production crews.

The effect is that the slow summer season seems to have been eliminated. There's no summer anymore, as far as many manufacturers and their executives are concerned.

"We plunge right into the Fall season," they state.

And the Fall season, therefore, now starts in July instead of in September.

The first new products appear as the factories reopen for production again. Distributors start visiting here the end of July. Looking over the new products. Discussing sales. Planning campaigns to cover their areas far in advance of when such plans used to be planned.

It has helped the entire industry. It means new action. New life. And new business earlier than ever before.

It also means that, by September, business is well under way. The entire field is in faster and better action than it has ever before been. Because the Fall season now starts in July.

The cost of closing down an entire factory for two weeks or more is, to say the least, very startling to those who haven't yet seen the figures and listened to the facts. But, as manufacturer after manufacturer reports:

"It's worth it."

Worth it because better and speedier action gets under way the moment the factory reopens.

The new products which are being presented this July would have been the same products usually presented in September.

The operator is ahead of schedule. He can please his location owners at a time when they don't look forward to anything new.

He can still take advantage of late vacationers. He is in a position to better build his route into his best period, the Fall season.

"Yes," one well-known manufacturer remarked, "it's well worth it."

"Just to eliminate the summer slump and bring the trade the Fall season in July gets all in the industry into better action again."

"This makes closing down of our plant the best thing we could do during the summertime vacation period."

Trent Brothers Music Company Appointed AMI Distrib For State Of No. Carolina

GRAND RAPIDS, MICH. — AMI Incorporated, this week, announced the appointment of Trent Brothers Music Company, Reidsville, North Carolina, as distributor of AMI juke boxes for the State of North Carolina.

Heading up the new AMI distributorship are George W. Trent and Elton H. Trent who have a background of more than a quarter century ex-

Bally Introduces New Golf Game "Golf-Champ"

BILL O'DONNELL

CHICAGO—"The new Bally 'Golf-Champ' golf game," reports Bill O'Donnell, Bally general sales manager, "is moving into all types of locations—and is invariably ringing up top earnings."

"But the biggest and best news about 'Golf-Champ,'" continued O'Donnell, "is that the game is opening up locations that have long been dormant as far as coin operated amusement is concerned. We all know that—either because of player indifference or other local conditions—thousands of spots around the country need a new type of game to stimulate player interest. Wherever pinball or bowling games, regardless of reasons, are not what they used to be, 'Golf-Champ' is 'the answer to the operator's prayer.' Packed with player-appeal, requiring less floor space than the average bowler, welcome in all territories, 'Golf-Champ' has a new look that attracts players, a new angle of play that insures continued repeat play. And games already on location prove that 'Golf-Champ' brings

experience in the coin machine business.

Commenting on the new appointment, E. R. Ratajack, AMI vice president-sales, said, "I am pleased to announce this new distributorship and am confident that the operators of North Carolina will find that the Trent brothers are set up to give them every possible attention and service. I invite every operator in their area to call upon them."

AMI district sales representative for the area is George Klersey.

the deadest locations back to life in a hurry—and earns the kind of money that makes operating worth while."

Describing the new game, O'Donnell stated, "'Gold-Champ' is cleverly designed to appeal to a big cross-section of the public—non-golfers as well as golfers. Combining the smooth skill-shot appeal of putting in official golf with the trick-shot of miniature or 'Tom Thumb' golf, 'Golf-Champ' appeals to every person who likes a little fun and relaxation with a certain amount of 'show-off' skill appeal.

"Main reason why 'Golf-Champ' holds the player's interest and keeps players coming back is a built-in system of doubled scores that encourages players to play the entire green, instead of concentrating on one or two shots. For example, 'Red Holes' in flat section of green are doubled on first shot. Naturally, the player will shoot for 'Red Holes.' On second shot 'Red Holes' revert to normal and 'Blue Holes' on up-hill ramp are doubled. Finally, on third shot 'Red' and 'Blue Holes' are normal value, while '19th Hole,' located in 'wavy' section of green, is doubled. Sequence then starts over with 'Red Holes' doubled. The '19th Hole' is one of the most fascinating features of 'Golf-Champ.' Normal value of the '19th Hole' is 30, or 60 when doubled. But, if the player shoots a ball into the 'Booster Hole,' before shooting '19th Hole,' value of '19th Hole' is raised to 100, or 200 when doubled. Ball shot into the 'Booster Hole' is a free shot. Thus, the player will usually try for 'Booster Hole,' a really tricky shot, before shooting for '19th Hole.'"

Designed for one or two players, "Golf-Champ" requires only 9½ feet by 2 feet of floor space. Game is 9 shots per player for a dime.

"Golf is the fastest growing participant sport in America," concluded O'Donnell, "gaining thousands of new adherents each year, in all walks of life. This fact, together with the growing popularity of miniature golf, insures continuous popularity for 'Golf-Champ.' Operators who get in on the ground floor with 'Golf-Champ' will ride one of the biggest booms in coin operated amusements."

Seattle, Wash., Approves New Games-Juke Box Ordinance

Many Interesting Provisions Included

SEATTLE, WASH.—Mayor Gordon S. Clinton signed, July 24, into Seattle law an ordinance tightening city control over pinball and jukebox operations.

He said that while he had some reservations about some provisions of the ordinance, it met virtually all of his and City Police Chief H. J. Lawrence's specifications.

"I will not hesitate to ask the city council to pass additional remedial legislation, if need be," Clinton declared. He said that enforcement of the ordinance would be the responsibility of City Comptroller Carl Erlandson's license division.

The mayor's main concern involves a provision barring more than one pinball operator and one jukebox operator from having machines in an establishment.

"It is my understanding," Clinton said, "that the ordinance provides that a location owner does not have to deal with his pinball operator in order to get music. That is the way the ordinance will be enforced. If it were different—creating a monopoly for the pinball operators—I would have vetoed the ordinance."

What he termed good features of

the ordinance were listed by the mayor as follows:

1. The identity of all persons having financial interest in corporations operating pinball or music machines must be made known to the City Council license committee.

2. No sublicenses for pinball or music machines on locations may be transferred within a year without approval of the license committee.

3. Operators will be limited to 100 pinball machines and 150 jukeboxes.

4. Operators or manufacturers are barred from having any direct or indirect financial interest in locations where their machines are operating. They may not give or loan money to location owners. The penalty is forfeiture of the license.

5. Operators must be American citizens and residents of Seattle for five years.

"The ordinance is designed to eliminate subrosa financial dealings between operators and location owners," the mayor said.

"It is also designed to keep any one operator from getting too big, and it brings into focus more clearly the responsibilities of the license committee."

Postal Rate Increase Dramatizes Necessity For Added Income

NEW YORK — Once again this week the economic facts of life were forcibly brought to the attention of the American public. The newspapers

of the nation featured two items on its front pages which emphasized the inflationary period in which we now live—Steel and Aluminum increased its price per ton; and postal rates went up.

The most dramatic impact is the postal rate increase, as it effects all of the people directly. This price increase, the first since 1932, is about the last commodity (or service) to be effected by the inflationary trend—with the exception of the operator of coin machines who still holds on to nickel play. Since The Cash Box instituted an editorial campaign some fifteen years ago, a majority of operators have switched to dime play, most of them in the past three or four years.

However, there are still some operators who continue to run music machines on a nickel, despite the fact that they realize it is now uneconomical to do so. Even operating at a dime, in most instances, doesn't bring sufficient income to meet today's con-

ditions, and The Cash Box has been suggesting "Dime Play—Plus A More Equitable Share Of The Gross Intake".

The postal increase, effective August 1, provides those operators still operating equipment at 5¢ a most glorious opportunity to effect a change to dime play. The postal increase will hit every person in the United States. It is the most dramatic message to the people of the country that inflationary conditions have made it absolutely necessary that prices be upped. Operators who go out into the field right now, and change over all their nickel play machines to dime play, are sure to run into a sympathetic and understanding location owner. And this location owner will not run into any resistance from his patrons. If the operator waits too long to make this changeover, the public will soon forget the postal increase, and once again, some resistance may occur.

This is the most opportune time to change any equipment still operating at a nickel to a dime. We suggest that operators get to work immediately.

15 Million Visitors Attend Belgium World's Fair At Half-Way Mark

Expect 20 Million More By Closing Time Oct. 15

BRUSSELS, BELGIUM — Starting off slowly, attendance at the Brussels World's Fair has been reaching peak heights in recent weeks, due, it is reported, to the influx of tourists as well as improvement in weather.

At the half-way mark in mid-July, the fair reported its 15th million visitor. Based on this attendance figure, officials of the Fair believe that the 35 million tourists expected will be exceeded by the time of closing on October 15. Under this premise, it is expected that Fair will culminate in a financial success, as well as helping the entire Belgium nation.

An estimated 400,000 Americans were expected to attend, and it is thought that half that amount may have already been to the Fair. Last year, U. S. tourists spent some \$21 million in Benelux countries, with about \$10 million of that total going to Belgium. The figure this year is expected to reach \$50 million, the lion's share going to Belgium because of the Fair.

According to reports, the biggest influx of visitors seems to be coming from West Germany.

This report of stepped up attendance coincides with the report of the operators of the Arcades at the World's Fair, who advise that after a slow start, business has been tremendous. In addition to patronage at the arcades on the Fair grounds, operators at local spots throuth the city have seen increased play, due to visits from the tourists.

Europe's coinmen point out another advantage which will help them in that the continent's visitors at the Fair have the opportunity to become acquainted with the newest of American made coin amusement machines. "We expect that upon their return to their own countries, they will seek out those locations featuring these latest machines," stated a visiting European coinman. "And if these machines aren't available, they will demand that the locations obtain them. We are sure to profit from this great Fair."

Urges "Better Relations"

OCEANSIDE, N. Y.—The following, according to Hal Zimmerman of Riteway Amusement, this city, are the things which every operator should observe.

"Better relations amongst the operators themselves", he says.

"Better relations with all the accounts an operator has", he continues.

"The operator", he advises, "should, at all times, conduct himself like a gentleman."

Zimmerman also believes, "We need more music hits."

Music Ops Of N.Y. Sets Annual Banquet For Oct. 25

Will Be Held At Ben Maksik's "Town & Country Club" Brooklyn—World's Largest Night Spot. First Attempt Away From Top New York Hotel

NEW YORK—Al Denver, president of Music Operators of New York, this city, announced that the association will hold its 21st Annual Banquet and Show at Ben Maksik's "Town and Country Club," Fatbush Avenue and Avenue U, Brooklyn, N. Y., on Saturday evening, October 25.

This is the first time the Music Operators organization has ever held its annual affair away from one of New York's leading hotels. The membership and officers of the association felt that a change to a club would be in order after the many years of just hotel affairs.

"Ben Maksik's club in Brooklyn is world famous, and sufficiently large enough to give our guests and mem-

bers the service we need," stated Denver. "In addition, the greatest variety shows are presented here, and, together with the top recording artists, who usually are on hand, we will be able to provide the greatest show of all time.

"Other advantages are numerous. One is the facility provided for dancing to both an American and a Cuban band. Of course, this club is well

AL DENVER

known for the top quality of food served.

"We are all convinced," concluded Denver, "that our 21st Annual Banquet and Show will be a big hit with all our members and friends, and will be one long remembered."

As usual, Music Operators of New York will produce a Souvenir Journal, and Nash Gordon will devote his time to this task.

"One problem we will solve by holding our affair at this wonderful night club," sighed Gordon, "is that of seating. Practically everyone will be right on top of the stage, and there will not be any poles to interfere with the view. However, some of our friends want to be seated practically on the stage. To those, we state: 'Send in for your ticket reservations immediately—don't wait.'"

Distributors Do Phone Biz As Heat Slows Visits

NEW ENGLAND NIBBLES

Heat wave has brought increased telephone biz to Boston distributors. Ops are phoning in their needs, instead of braving the heat and parking problems these days, distributors report. Vacation schedules are still on, with some having returned, and others on their way. Business has been holding very well all around this summer on music, games, rides, arcade equipment and guns. The outdoor spots are having what is known in the trade as a "red" one, meaning that biz has been phenomenal at the fun spots and beaches bordering New England's coast line.

At Trimount Automatic Sales Corp. (Seeburg), over the phone biz is the order of the day reports Marshall Caras, sales. There is a little good used equipment showing up, but for the most part it is still very scarce, it is reported here. Dave Bond, prexy, and Irwin Margold, gen. mgr., have been getting in some golf when they have time away from the air conditioned Waltham St. plant. Back from their vacations at Trimount are Dave Riskin and Dan Brown, sales. Excellent reports are in on the new Seeburg electric cigarette vending machine. Floor samples are in of the new Williams' "Turf Champ," which looks to be a big winner and has ops enthusiastic. . . . At Redd Distributing (Wurlitzer), Bob Jones, genial sales mgr., is back from vacationing on the Cape and in N. H., sporting a fine tan and full of enthusiasm for new games and Wurlitzer phono sales. Al Levine, sales, holding down the fort while Bob was on vacation, will be taking off shortly on his vacation. Ops are phoning their needs in here, beating the heat, and business has been holding up well. Si Redd is making the Cape on weekends for the summer. Demand is still high for "ABC Super DeLuxe Bowler" and Bally's "USA" and Genco's "Flying Aces" are nabbing the coin for ops and orders are good, it is stated. . . . At Atlas Distributors (AMI), Louis Blatt reports few ops have braved the summer heat this week, but are phoning in. AMI phono sales have stood up well during the hot spell and outlook for Fall selling is good, he advises. . . . At Associated Amusements (Rock-Ola), Dick Mandell, gen. mgr., wife, Ruth Mae, and daughter, Shelly Beth, week-ended in New York. Ed Ravreby getting in some sun at Hyannis where he has a summer place. Used equipment is going good here, but is still in short supply, it was noted. Kiddie rides have been sailing along at a good pace this season and arcade equipment has been really big.

Few ops have been in town this week from out of town, but Boston based ops have been making trips to the distributor plants. Among those in were: Saul Robinson, Newton; Phil Swartz, Brookline; Arthur Sturgis, Jamaica Plain, Sumner Segall, Boston; Ted Rubinovitz, Chelsea; Manny Andelman, Cambridge; Luke Levine, Boston; Dave Baker, Arlington; Stan Cokas, Lynn; Connie Pocius, South Boston; George Chopelas, Malden; George Campbell, Medford; Guy D'Giovanni, Allston; Ray Shea, Worcester; Harry Brooks, Dover, N. H.; Mike Pascovitch, Nashua; Tom Libby, Haverhill; and Dave Hammett, Hyannis. . . . Recording stars are big in the New England area night spots and are hyping music. . . . N.Y. Op Writes On "Loans And Bonuses"

FOREST HILLS, N.Y.—"We must eliminate loans and bonuses to location owners", writes Ben Chicofsky of Benray Music, this city.

"We are forced to buy back our locations by continuous change of ownerships.

"In some locations", he claims, "this happens twice a year.

"The small operator", he concludes, "will, eventually, be forced to sell out unless this practice of loans and bonuses is stopped.

"It's a terrible 'Frankenstein'."

(Editorial Comment: The Cash Box has been writing of this problem over the years. In the August 2, 1958 issue, The Cash Box highlights this serious matter now existing thruout the country, with the suggestion that "Op cooperation seems only way to combat this 'Frankenstein'."

"Respect Competitor's Locations"

ROME CITY, IND. — "We must learn to respect competitor's locations", says Jack Hartman of this city.

Operators do not cooperate. They do not work together as businessmen should. They should make it their business to help each other and, in this way, all will enjoy better business.

Jack Hartman claims that the one big job ahead for all is to "respect a competitor's locations".

New Jersey Swim Club Attracts Coinmen EASTERN FLASHES

Although the weather continues to be uncooperative, and the arcades have been hurt not only by the weather but by dire weather predictions that have been wrong in a surprisingly large number of instances, Tenth Avenue has seen a strong rise in activity the last few weeks. It seems that operators in goodly numbers have again gotten down to business and are finding it necessary to visit the distributors for new equipment and parts.

The Koepfel brothers, Harry and Hymie, Koepfel Distributing, are busy getting games, phonographs and bowlers ready for immediate shipment. The orders must be quite large because so much equipment was packed on the floor it was difficult to find a path that led to the office. Hymie talks longingly of his forthcoming vacation. "Boy, do I need it," he sighs. Hymie plans to visit his daughter in Petersburg, Virginia, for one week—and then another week of just fishing. Harry was deep in discussion with Dave Stern, who was on the street visiting his friends. . . . Abe Lipsky, Young Distributing; also looking forward to his vacation—although he's not sure just when he'll get away. Sandy Moore and his wife, Estelle, managed to run away for a weekend at Laurel's Country Club, Sackett Lake. Lipsky reports a shortage of Wurlitzer phonographs due to the closing of the Wurlitzer plant for vacations. Moore's compact sales manager says they need a raft of merchandise to fill the backlog that has accumulated. Harold Landesman was so busy answering phone calls one after another, that after a rapid succession of "Hello, yes . . ." he put down one receiver and grabbed for the other phone. He picked up the ashtray and said, "Hello, yes . . ." before he realized he wasn't talking into the phone. . . . Ed Czajka, Danbury, Conn. operator, elated with the results of the ten new Wurlitzers he added to his route. He said it livened up the whole operation. . . . Murray Cohen, Peter Cohen Amusement, Woodridge, New York, moving about among the street's distributors, happily reports this summer has been and is a very busy one. . . . Also visiting Tenth Avenue for parts was Murray Wollman, Bronx operator. . . . Morris Rood, Runyon Sales, handling the problems that arise with the skill of a diplomat, tells us in between phone calls that Dave Taub's and Dave Stern's Brookside Swimming Club is becoming a haven for local coinmen. Last week, in addition to Rood and his family, there were Barney "Shugy" Sugarman, his son Myron, Irving Morris, Irving Kaye, and Dave Rosen. In addition, Abe Green's (Runyon Sales) son, Irving is employed there as a counselor. Irrepressible Irv (Kempy) Kempner was in from the road for the day and as a result the airwaves around the Runyon establishment were bouncing. . . . Bernie Boorestein, Leslie Distributors, dropping in on Rood at Runyon, looking fit enough to go 72 holes. Boorestein dropped fifty pounds and looks years younger. . . . Al Simon, Simon Distributing Co., back after almost four weeks vacationing and travelling. Al D'Inzillo, demonstrating the new Chicago Coin "Croquet". Looking on were Jack Semel, New York operator, and Sam Engelman, Mayopac and New York City operator. D'Inzillo was talking up such features as economy price, simple makeup with almost no servicing problems, and intriguing skill appeal. Semel, back from Boston where he was hospitalized for a checkup, is feeling much better. . . . Claire and George Morano, will leave for a three week jaunt to the Virgin Islands on August 3. . . . Mike Munves moving rapidly from office to the parts department to the rear of his establishment as he handles a steady stream of customers. Munves looking forward to his vacation coming up in a couple of weeks. He and Rose will make it the Catskill area in New York State. Taking over the parts department in lieu of vacationing staff was Alvin Munves, Mike's son. Joe Munves was out visiting the trade.

Murray Kaye, Atlantic-New York, reports that business is holding at the normal for the summer season for the Seeburg phonograph line, and plus business coming in from the newly added Seeburg Cigarette Vender. Kaye is sadly short of equipment for export orders. Although he has quite a bit due him on trade-ins, the machines won't be forthcoming until the vacation spots give up the ghost and equipment is pulled. In the meantime Kaye is backordering in large quantities. . . . Also seen visiting the trade were Eddie Goldberg, Archie's Amusement, White Plains, New York, William Lengwel, So. Norwalk, Conn., and Ben Fagan, Tarrytown, N. Y. Fagan is back after a recent operation.

Industry's Two Worst Plagues—Loans and Bonuses To Locations CHICAGO CHATTER

From all over the country ops report that the two biggest plagues in the industry are "loans" and "bonuses" being given to locations. As the old timers in the industry realize, this is saddling the operator with an extra heavy burden which, in due time, will break his financial back. Especially in these days when small businesses are going bankrupt one after the other. Furthermore, if it takes a loan or a bonus to hold onto a location, then the logic is that, as soon as someone else comes along and offers a bigger loan or a bigger bonus the location is lost. The fact remains that operators must "sell" the locations on service, friendship and constant change of new and better equipment to such a point where the location owner realizes that loans and bonuses are only offered by those who are not interested in serving him correctly.

Trouble comes in bunches. Paul Huebsch and his lovely Rosemary are wondering what's next? With Roy McGinnis in the hospital recovering from major surgery, Rosemary phoned Paul at the office to tell him that their little Johnny was lost and that the Skokie Police Dept. were all out looking for Johnny. Two hours later the wanderer showed up wondering what the fuss was all about. The very next day Rosemary again phoned Paul at the office to advise that 12 year old son, Bob, had just had his nose broken in a baseball game. Says Paul, "I'm afraid to answer the phone when Rosemary calls." . . . Drop a cheery post card to Roy McGinnis c/o Resurrection Hospital, 7435 West Talcott, Chicago, Ill. (Room 225). . . . Ed Levin advises, "From reports we've already received from most of our distributors, it looks like 'Croquet' is going to be one of the best tables ever turned out." Ed reports that, due to

tremendous interest, Mort Secore left for a road trip east and orders are flooding in from that area with distributors calling longdistance to make sure shipments sent quick. . . . Harry "Commando" Glick off on a road trip that will take him thru Iowa, Minnesota and Missouri to answer requests about 'Commando Machine Guns' that have been gathering up.

Where's Al Siegel? (Aside: Suggest Al phone Bill Gersh early part of this week). . . . United's Bill DeSelm reports, "We're getting better action every day. Business is improving everywhere in the country." Bill also advises that Johnny Casola off to New Orleans and the gulf coast area and then to Florida. Ralph Sheffield making a very intensive coverage of Ohio. Al Thoele on his way to Salt Lake City and all points northwest up to Seattle. Asked why all this sudden action, Billy replied, "Wait'll you see what we've got here at United." (?????). . . . When R. F. Jones returns from his vacation will he please contact the Chicago office of The Cash Box. . . . Allied's Billy Knapp phones to suggest a golf game. Billy's one of the best golfers in the coinbiz. . . . Harry Williams back in town after speedy coverage of some of the newest distributors for his firm.

How to learn about music. Simply phone Jack Mitnick and listen to Jack tell about the difference between "balanced music", "hi-fi music" and "stereo music". What Jack doesn't know about the technical details, and how to explain them so that they're easy to understand, hasn't yet been written. . . . There's a new horse race game over at Williams that'll give a lot of old timers many a nostalgic memory. The name goes back to the days of the late Ted Stoner. Can just see Ted standing here, shaking hands and smiling as he received congratulations from ops on this game he produced which had the same name as this new Williams game. And just as many old timers will recall the late Ed Pace, when they see the action of this game, as well as Harold Baker, and also remember when Pace absolutely and completely startled everyone at one of those wonderful, early conventions in the '30's, when he asked what sounded like a phenomenal price for this type of play action. Can't see how Sam Stern and Sam Lewis can go wrong with both of these great things in their favor. . . . Al Warren reports that he's going to have "outstanding news" next week about a most complete distributing organization for Auto-Bell.

While Ben Coven has a prospect on his boat out on Lake Mich. demonstrating his directional finder, Sid Paris and Irv Ovitz busy demonstrating their full view program holder for the Wurlitzer models "2000" and "2100". Busy days at Coven Distributing. . . . Clarence Schuyler hies himself off on a vacation to get some rest for a few days. . . . Congrats to Pvt. Jon Ingalls Wright, son of Budge Wright of Portland, who was married on July 11 to Suzanne Carol Horn in Bern, Switzerland. The couple will be "at home" in Darmstadt, Germany, where Jon is attached to U.S. Army. . . . Gil Kitt and Joe Robbins both acting excited over the new game that came into their

offices this past week and both betting "It'll be the greatest." . . . Happy to hear that Dorothy (Mrs. David) Gottlieb out of the hospital and well on her way to recovery in her Oak Park home. Gave everyone a scare for a day or two. . . . Bill Suter happily advises from Manila, P.I. that license fee cut for phono operation. . . . First's Sam Kolber enjoying the role he likes best to play. That of host to visitors from foreign countries. Max Grosso and M. Madera to see Sam from Habana, Cuba. M. Fotschki from Germany. T. Robert from Venezuela. And others. In the meantime, Joe Kline and Wally Finke listening in and getting an education in foreign operating techniques. . . . Now that Ted Rubenstein back from his vacation, Estelle Bye breathes a long, deep sigh of relief. . . . Late Feinstein reports that new "Speed-Read" program older has helped increase collections for the Seeburg phonos on which it has been installed. "The operators are mighty happy", Nate reports. . . . Fred Skor back at his desk at World Wide sporting a very healthy looking tan and advising that he just had to plunge right into business the very first moment he returned. "Whew", whistled Fred, "never knew how much action there had been going on here while I was away." And from what Joel Stern reported, looked like Fred has no idea how much more action is

under way at this moment at World Wide. "We're busy", is all Joel would say. Margaret Trippe of St. Louis reports that Chain-O-Rocks Amusement Pk. has been enjoying a record breaking season. Simply have to take your hat off to this gal who, in addition to raising her family, so efficiently operates this big amusement park, a city coin machine route, a country coin machine route and arcade equipment on the S. S. Admiral. A real coin machine gal if ever there was one. . . . Talking about St. Louis, three men with business only in mind are: Tony Koupal, Dale Rymer and Ed Randolph. With AMI, United, Williams and Auto-Photo to handle, these are 3 busy men. . . . From all over the country come reports that ops fear big license fees when state, county and city legislators meet again. Revenues have dipped so badly, ops believe they'll be among first swatted in campaign to raise funds. . . . Talk about credit and collections, get copy of Small Business Administration Bulletin No. 33, Washington 25, D.C. (This ties right in with suggestion of so many years from The Cash Box for a "National Credit Bureau").

Hear from Kansas City that, with John Baik away "just fishin'", the entire gang at his office trying their best to show him up by coming up with some outstanding business. . . . Carl Hoelzel, Irv Weiler and Ed Ponder are reported to be busier than ever trying new sales ideas which, they believe, are bound to make '58 one of the greatest years in Uni-Con's history. . . . Also hear that Harry Silverberg of WB and all his men tremendously enthused over the new "Seeburg Cigarette Vendor". . . . Bally's Bill O'Donnell so mighty pleased this past week with little booklets, we hear, that he's going to mail one each to his many good friends. Bill reports that Bally is, without any doubt, on their way to establishing a new record year. . . . Max Lewin of AMI is a walking address book. Just ask for the address of anyone whom he contacts—bingo—there it is. . . . To get some idea of how important commercial jet airline services will be to members of this and all other industries, get copy from TWA of their booklet "Entering The Jet Age".

Injunction against seizure of bell parts and bells which were destined for shipment overseas has relaxed many here. . . . Rock-Ola's Les Rieck of belief that music biz due for one of the biggest years as trade gets under way again with vacations far behind and forgotten. . . . H. F. Burt of Evanston no longer connected with the industry. . . . Johnny Frantz has some new ideas which, he reports, he's feverishly working on "to get out to the field just as quickly as possible." . . . Distributors are starting to visit the Windy City again. . . . Hear that Bob Slifer is getting his family settled out in Park Forest.

Manila Juke Box Ops Look For License Fee Reduction

Would Reduce Fee From P300 to P100

MANILA, PHILIPPINES — William J. (Bill) Suter, far east director of sales for AMI, Inc., reported that the city's operators are in a jubilant

mood. Reason is the recent action of the city Mayor who recommended to the municipal board the enactment of an amendatory ordi-

nance that would reduce from P300 to P100 the annual license fee for juke boxes.

Almost a year ago, the municipal board introduced and passed an ordinance licensing juke boxes at P300 per year. The former fee was P50. The operators put up a consolidated front to fight this excessive fee. They even brought their case to court, but to no avail. The court ruled against them and said they have to pay the P300 per year fee.

The Mayor's recommendation at this time followed a report turned in by the city treasurer who undertook a survey and came to the conclusion that P100 was a "reasonable" license for juke boxes.

New Machines Stimulate Action At Distribbs

CALIFORNIA CLIPPINGS

General business trends in the one-stops and distributors along Pico Boulevard are good with a few "hot" new machines and several new record releases creating a busy atmosphere. . . . At Minthorne Music George Mahlum says Seeburg's new "160" juke box is going very well. As George says it "bridges the gap" between the 100 and 200 selection machines and seems to be finding ready acceptance among the operators. George leaves this week for a 10 day vacation at Lake Tahoe. . . . Phil Robinson, west coast representative of Chicago Coin, is anxiously awaiting the samples of the new "Croquet" tab. Phil feels the new table will fill the need for a good "hot" lower price game. . . . At Leuenhagen's Record Bar the Solle Sisters say that the new hot record this week is "Dandylyne" on the Melodies from Ashley De label. They feel it should be one of the real big ones. . . . The passing away of Lee Webb, former L.A. operator, left a sad note along Pico Blvd. . . . Badger Sales Marshall Ames planning to spend the weekend working in the Barstow and Bakersfield areas. . . . Ben Chemers, business manager of the L.A. chapter of California Music Merchants Association, is in the middle of moving the office to the new location at 2932 W. Pico Blvd. The new convenient location should make C.M.M.A. headquarters a rendezvous for operators. George Miller in town to attend the August 7th meeting of the C.M.M.A. their new offices. More news regarding the juke box jury will be discussed. Jerry Jacobs will preside over the meeting. . . . Al Cohn of Trico Music says his new baby is doing just fine. . . . Bill Yedlin from Sherman Oaks caught "big one" while fishing on vacation in Mexico. . . . Paul Vogel left Minthorne Music recently but remains in L.A.

At California Music Al Chapman, of Modern Distributors, played "Alrig Private" by Mo Klein on Crystelette Records and Al feels, along with the gang at California Music, that it should prove to be a big one. Little Will John dropped in at California Music this week to talk about his new Kir record of "You're A Sweetheart". Val Zuniga, a clerk at Cal Music, opened the Golden Mirror last week with his own group called Vals Pals. Val is featuring Bobby Williams on piano and Vince Macaluso on guitar. Harry Jenkin new west coast representative from RCA Victor, dropped in to see Samm Ricklin. Buddy Robinson going over to Ensenada, Mexico, for three days, and spending the rest of his vacation here in town. . . . Loren Farmer's wife out of the hospital and reported to be doing fine. . . . At Simon Distributors Co., Jack Simon going on another trip and this time will be in San Francisco, Reno and possibly Lake Tahoe. Sonny Lomberg busy preparing a large expo order to be shipped in the near future.

At Associated Distributors, Al Silberman says they have had a lot of success showing the new Wurlitzer model "2200". The three successful shows were in Bakersfield, San Bernardino and Long Beach. Associated Distributors is putting added emphasis on service at the present time to establish confidence in the product on the part of the operators. Al says that business at Associated has shown a gradual upward trend over the past few months. . . . At Norty's Music Center Earl Grant dropped in on Norty to discuss new trends in the record business and the condition of the music business in general. . . . At American Coin Machine the Lanzy brothers say the Easy View Title Holders attachment for phonographs is going out at a fast clip. American Coin has also designed and built a new coin machine game and the model will be shown to one of the large manufacturers next week. The firm is now contracting the service work of several local firms and its building will be expanded to allow for this increased business. . . . Tony Pedroza is the proud father of a brand new baby boy called Tony Jr. . . . At Paul Laymon's the new novelty pin ball machine, Bally "U.S.A.", is proving very popular with the operators. Ed Wilkes was proudly showing the beautiful Christmas cards his son Tom designed. Tom hopes to sell them to a card company and get them on the market for next Christmas. Don Peters, from Laymon's service department, is on his way to Yellowstone National Park for a week's vacation. . . . Dave Neel, Las Vegas operator, is in town recovering from injuries he received in a freak accident while repairing a TV set. . . . Charlie Cahoon, from Long Beach, stopped in Reno on his way back from a fishing trip in the High Sierras and made the expenses for his trip. . . . C. B. Ellison spent last week at Newport Beach with his family and attended the crowning of Miss University at Long Beach. . . . Frank Tabata on Pico discussing the latest releases with Emanuel Bingas. . . . Some of the visiting operators on Pico this week were Don and Dolores Wikoff, Newhall; Herman Stauffer, San Bernardino; Dal Hopper, Pacific Palisades; and Mr. and Mrs. Dick Hall and son, Oxnard.

Location Sales

FARGO, N.D. — "We must try to find a way to stop sales of equipment direct to locations", says Charles Rose of Rose Music, this city. "This will put operators out of business", he continues. "Both the distributor and the operator are guilty of this practice", he concludes.

Stay Out of Politics

RIPLEY, O.—"Keep the coin machine business free of politics," advises Leo Caproni of Marysville Automatic Music, this city. Leo Caproni believes that, by delving into politics of any kind, operators make themselves vulnerable to many unnecessary obligations.

Bally Introduces New Kiddie Ride "Speed-Queen"

CHICAGO — Discussing the newest Bally Kiddie-Ride, "Speed Queen", Bill O'Donnell, Bally general sales manager, points out that the new speed-boat ride "fun for kiddies from two to twelve, and positively safe for the youngest child, attracts the widest age-range in kiddie-ride operation.

"Two-year-old tots," O'Donnell said, "feel perfectly safe aboard 'Speed Queen', safe and snug in the deep, smooth seat. Parents, too, approve of the safety-styling of the seat, and the close-to-floor construction of 'Speed Queen'. Result is that toddlers 'too little' for other rides happily 'go to sea' in 'Speed Queen'.

"But," O'Donnell emphasized, "Speed Queen" is not "for babies" only.

"Big guys' of ten or twelve, and girls, too, are thrilled by the new double-roll action," he stated.

"Speed Queen" action is not a mere monotonous up-and-down bounce," O'Donnell explains. "Exciting 'starboard-to-larboard' roll alternates with thrilling 'fore-and-aft' pitch to insure a big dime's worth of fun that keeps youngsters coming back. Convenient 'shift-lever' enables rider to speed up or slow down at will.

"Iron-tough plastic boat, heavy metal base, finished in weatherproofed enamels, permits operation indoors or outdoors in all seasons. 'Speed

How To Use "THE CASH BOX PRICE LISTS"

[Also known as the "C. M. I. (Coin Machine Industry) BLUE BOOK"]

FOREWORD: Many times, wide differences appear in the quotation of high and low prices of certain equipment. Like any true reporter "The Cash Box Price Lists" can only feature the market prices as they are quoted. "The Cash Box Price Lists" act exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Cash Box Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, serial, appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added cost of reconditioning.) "The Cash Box Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: "The Cash Box Price Lists" should be read as follows: First price listed is lowest price quoted for the week; Second price listed is highest price quoted.

FOREIGN BUYERS: To cover cost of packing, crating, shipping, etc., figure an additional \$20 to \$25 on Pin Games—and \$25 to \$30 on Phonographs.
