Hard Choices

GTR, "WHEN THE HEART RULES THE MIND", ARISTA I went into this record remembering the old tip sheet axiom, "two or more virtuosos usually a boring supergroup make." But au contraire--half a listen later I realized messrs. Howe and Hackett have their talented fingers square on the pulse of what the public wants to hear--and it's obviously not guitar greats noodling around. "Heart" is a powerful, concise crossover supreme--with expectedly great playing, plenty of pop appeal and a hook big enough to catch a continent. You've got established acts galore right now, so pop this platter on the table and make one more.

LOU REED, "NO MONEY DOWN", RCA... Admit it. "I Love You Suzanne" caught you napping. Luckily, most of album radio woke up in time to cash in on a terrific reaction record. Now Lou's back with his first new album in two years, and "No Money Down" sounds different and distinctive enough to keep the streak alive for the king of talking blues. Do the lou!!!

TIP: JOHN COUGAR MELLANCAMP, "SCARECROW", RIVA/POLYGRAM... why am I tipping such an obvious single, you might ask? Hey, if anyone reading got into programming in the last fifteen minutes, they might not know that it's time to re-emphasize a track that never really got spotlight play. It's also to let you know the stock copy has a neat live version of "Pretty Ballerina". Next...

TIP: FEARGAL SHARKEY, "YOU LITTLE THIEF", A&M... For whatever reason, Feargal's quirky first single didn't cut it stateside. Not to be bummed, fellow Feargal freaks--the follow-up's much better suited for album radio play. Ben Tench hit the Front Page twice--this time for writing this fine tune. Already a big hit overseas (but don't count that against it).

Reaction Records

BOB SEGER, "LIKE A ROCK", CAPITOL... Bob debuts 7 more new songs on top 100--and his grand total of 9 sets the new record for tune tonnage on that chart. And, although the LP debuted at #3, if "Fortunate Son"'s points were factored in, Bob would even top Van Halen. "Like A Rock" is #2 Most Added with 78, with 13 max and a #26 debut. "Tightrope" debuts at #52 with 38, with "The Aftermath" new at 74, "Sometimes" at 75, "Miami" at 81, "The Ring" at 88, and "It's You" at 92. The single goes 2-4 with newer material moving "Fortunate Son" to 23... Now the four-star raves: Wally "American classic" Walker, KQRS... Inessa "Great basic Bob" York, KGON... Steve "How can you top perfection" Becker, WRPN... Cindy "Full of good songs" Bailen, KZEW... Pepe "A triumphant return" Lopez, KLAQ... Tom "Worth the wait" Starr, WOUR... John "Best of his career" McRae, KROR... Scott "Better than 'The Distance'" Douglas, KATL... Zak "Best in years" Phillips, KAZY... And Jim "Powerful songwriting" Robinson, KZEL.

HEART, "NOTHIN' AT ALL", CAPITOL... They're positioned for another big one, no doubt. Take it from WKUP's David Hall, "No hesitation here on going with the new single. Coming off a huge #1, they won't be denied. 'Nothin' At All' will continue the comeback"... Phil Manicki, WKLT, asks, "Is there any doubt that Heart's LP is their best ever? If so, listen to 'Nothin' At All'". No exception to the consistent quality found on the rest of the LP... It's #3 Most Added with 52, with the Back Page Primers ranking #1 in moves and points gained. 44-28 Nationally, 36-23 Metro--with "Nothin' At All" new at #43.

BOB DYLAN WITH THE HEARTBREAKERS, "BAND OF THE HAND", MCA... 48 more reports give Bob and the heartbreakers 65 to date--and that motivates a nifty 80-40 Song Index Underline, easily #1 in points and positions. The phone survey found "excellent" calls at WRPN, WUJZ, KICT and WAPL, and 14 more "good" listings, including WFBQ, KZEW, WRXL, WCCC, WOUR, WPOH, WROX, KAZY, KLBJ and KLAQ.

JOHN EDDIE, "JUNGLE BOY", COLUMBIA... John's first foray into the vinyl jungle comes pre-tasted via plenty of radio play here in his hometown--and we'll definitely stand up and scream for a song that always kills 'em live. The street lyrics are guaranteed to hit your core audience where they live, and once the tribal rhythm kicks in, you'd better put fresh towels in that spare bedroom. Got a feeling there's a go-rilla moving in, boy howdy!

CACTUS WORLD NEWS, "YEARS LATER", MCA... Hear their great ringing guitars once and you'll know what put Bono over the edge. And how about that "wha-hoo!" (Irish for Yahoo). While the first act on Bono's Mother Records label does offer some interesting sonic similarities to U2, the vocals and lyrics distance them from the "Mother" band just enough. Definitely an airworthy first effort.

TIP: BRIAN SETZER, "BOULEVARD OF BROKEN DREAMS", EMI... Since you're in the business of adding and subtracting--Brian's rhythmic sure makes sense to us. He's hot on the heels of a Top 10 album radio track, and you know American music has never been hotter. Gene Pitney meets Bryan Adams with Benmont Tench hammering the Hammond!

THE MOODY BLUES, "YOUR WILDEST DREAMS", POLYGRAM... Radio's adds and attitude say they've done it again! "Dreams" dominates the adds with 112--for the week's highest #15 debut, and it's clearly the most talked about new song out there: Cindy Bailen, KZEW, "As good as anything they've put out in the last fifteen years"... Candi Chamberlain, KOMA, "One of their most catchy and yet melodic pieces ever"... Zak Phillips, KAZY, "They sound up to date while maintaining image"... Ron Chapman, WMO, "Their best radio single in years"... Amy Dahlman, WROX, "One of their best in years"... Glenn Stewart, WJZY, "Catchy crossover"... Inessa York, KGON, "Wonderfully similar"... Steve Kosbau, KRNA, "Tomorrow's classic"... Rick Van Gii, WIOT, "Tremendous surprise"... And from Mark Chernoff, WNEW, "Great comeback"... Rated a four-star classic at 43% of those stations surveyed.

GIUFFRIA, "I MUST BE DREAMING", CAMEL/NCA.... One of the finest remakes this year starts with 29 stations, including WLAV, WYSP, WLIZ, KSJO, KMDD, KLOL, WKQQ, WSHE, WQFM, WLLZ, XGME, KLPX, KGB, KISS, and KMET...KICT's Lee Roberts reacts, "Biggest surprise of the week"...WAAP's Russ Mottla says, "Very accessible mainstream"...Great remake was the word from WYSP's Mike Wolf...To KLAQ's Pepe Lopez, it's "A musical masterpiece"...WGLU's Garrett Hart says, "Strong follow-up"...WQHA's Mike Boyle hears a "Song for every format"...KRKE's Jessie Brice mentioned the "Catchy hook"...WLAV's Aris Kampers said, "Great cover version"...It's "Excellent" to KSJO's Ken Anthony...And KZEL's Vince Mertz feels "They out-journey Journey"...New at #71.

ICEHOUSE, "NO PROMISES", CHRYSALIS.... Nice to see such healthy reaction to the tune that delivers on the promise of their debut album. 27 OTB adds include KGOV, KLAQ, WKQQ, WQFM, WSHE, KTAQ, WQHA, WLAV, KRLE and WGLU—good for a #83 Debut...WMOG's Al Branca calls it "My favorite add this week, such a haunting melody that got instant phones on the first play"...KPMI's Steve Bridges sez, "They may just achieve commercial success with very good and very well-produced tunes"...WLIR's Larry Dunn notes, "From the producer who gave us Bryan Ferry and Roxy Music, Brett Davies gives us the sure shot that I'm confident will cross over to Hitsville, USA"...WCHN's Bob Bittens comments, "Really haunting sound. Takes a while but hooks you"...WRKL's Paul Shugrue sez, "As good as their first"...WEZX's Jay Daniels rates it "Their strongest track yet"...From KRKE's Jessie Brice "A real visual night time song"...From WKQQ's Rob Ellis "Hip sound, upper demo"...And Amanda Tepper, WFLR, compares "Best of Ultravox and Spandau Ballet."

TEARS FOR FEARS, "MOTHERS TALK", MERCURY.... I was surprised to hear a number of programmers "Top 40 only" type comments on the new tears last week—but as evidenced by 25 new and 60 now playing, that sentiment has pretty much passed. The 60-44 song move ranks #5 in points and #3 in positions, and you'll note the LP has recharted at 33 and 49. Play ups include WYDD, WLAV, WQHA, WQFM and KRQR.

HOWARD JONES, "NO ONE IS TO BLAME", ELEKTRA.... New air on 24 and a 54 station three-week total brings the album on at 40 Nationally and 44 Metro—and the 73-49 Song Primer ranks second in positions and third in increased points...Play ups include WYDD, WLAV, WMOG, WQJX, WQHA, WLUP and WAPL, with WTUE, WLIR, WLUP, CHOM and KAZY already listing max...WOUR, WLIR and WHEB have "excellent" phones, with WFBQ, WPDH, WUAB, CFNY, WMOG, KAZY, WAQY and WLIZ indicating "good" calls...WVCT's Phil Manicki sez, "When teamed up with Phil Collins, Howard should get female listeners in droves"...WVOT's David Hall updates, "I was raving about this song when 'Dream Into Action' came out. Now that Howard has enlisted Phil Collins and Hugh Padgham for another take, he just made a good thing better."

Buzzbands

KROKUS, "BURNING UP THE NIGHT", ARISTA.... 18 second week adds makes it 50 after two—and with help from ups at WLAV and KRQR, the tune cops a 67-59 Primer, and the album debuts at 44 Nationally, 50 Metro. KZEW's Cindy Ballen feels "Krokus sounds like they've got their first shot at mass metal"...KBER's Rob Roman says, "Knowing Krokus' track record, the new 12" will do very well and is worthy of major airplay"...And Aris Michaels, KLPX, agrees, "Their previous work has been leading up to this one. Nice craic—ship, great hooks, and showmanship to match, once they get out on the road"...Phones are "excellent" at KRNA, KISS, WLIZ, WITF and KQRS... "Good" at KLAQ, WGLU, KILQ, WAPL, WQJY, KQHL, WLOT and four more.

ROB JUNGTLAS, "BOYSTOWN", MANHATTAN.... With Seger currently charting nine, and the Stones, Van Halen and more grabbing multiple cut exposure, Rob's 18 OTB adds look especially healthy. He's got a slot at WLWQ, KRQR, WYSP, KZEW, KTAQ, KLQI, WSHE and KGB, and plenty of programmer positives: Wayne Summers, WRCH, "Count us in among the early believers. Strong vocals and a Springsteen feel on 'Boystown' say deal with it now or play catch up later"...WQHA's Mike Boyle "This sucker smokes!"...Jeff Carroll, KLSJ, "Strong writing and execution"...Lee Randall, WLWQ, "Rock with expression"...Mike Wolf, WYSP, "Incredibly well thought out lyrics"...Andy Preston, KPOL, "Outside shot at a big one"...Redboard, KTAQ, "Universal positives"...Ken Anthony, KSJO, "Surprisingly good."

THE MODELS, "OUT OF MIND, OUT OF SIGHT", GEFEN.... A song we feel certain is moments away from smash status locks another 10 adds (WRLS, WLAV, KMDD, KMET), firing up one of this report's strongest LP moves, 50-45. The song gains 63-58, with 51 now on board, including WYSP, WMMR, KSRR, WFLR, WQFM, WNEW, WLUP, WSHE and WCCC...KPOP's Carmy Ferreri sez, "This one will grab your ears and pull them right off your head", which seconds our opinion that even a deaf man should be able to hear this one.

ROBERT TEPPER, "DON'T WALK AWAY", SCOTTI BROS.... New air on KSRR, KSHE, WLAV, WYSP, WSHE, KISW, and 6 more move Robert into triple bullet territory: "Walk" runs up an 81-70 Underline, with LP debuts at 48 and 46. Now on 36, including WOUR, WLLZ, WQJY, WFLR, WNEW, WCCC, KLPX, KRQR, KMDD and KBER. The "good" call count includes CFNY, WPDH, WQJY, WFBQ, KLAQ, WHEB and WAQY.

BIG AUDIO DYNAMITE, "MEDICINE SHOW", COLUMBIA.... B.A.D. makes good at 6 new stations: WKLC, WPTX, WBRU, WQBK, KPIX, and WOPZ, moving 84-76. It's now on 35, including WAAP, WKLS, WMMR, KISW, WQFM, KBCO, WNEW, WBAU, WSHE, KRQQ, KOZZ and WGLU...Phones are "excellent" at KZEW, KRQQ, CFNY and WLIR, "good" at KLAQ, WLOT, WHPS and WAPL.

PET SHOP BOYS, "WEST END GIRLS", EMI.... The single is closing on #1 CHR status—and album radio continues to quicken the pace. The LP pushes to 37 Nationally, debuts at #48 Metro—with "West End Girls" #48. Play ups include WBRU, WTUE, WUAB, KAZY and WTKX. It's new on KXDJ, CHEZ, WRKL and WMMV, with WQHA, WMOG, WBRU, WQBK, WKQQ, WKDF, WPOU, KRNA and KPMI among the top fivers. Still maintaining beautifully on the Checklist, with 13 building and one dropping.

THE ROARING BOYS, "HOUSE OF STONE", COLUMBIA.... It's just out and already causing talk...KPMI's Steve Bridges notes, "House of Stone" is going to be hot! You may not like it at first, but the audience will pick up on it as quickly as ours has...WLIR's Larry Dunn agrees, "I love the new single. If these guys stay on track, we can look forward to greatness and longevity from this British band"...KBER's Rob Roman advises, "Keep listening and you'll hear it"...Ken Anthony hears "Progressive Floyd meets Roxy"...WSKS's Marty Bender and WHEB's Chris Gerratt both reviewed "nice record"...And Dave Kane at MCHF calls it "intriguing"...One of the best surprises in weeks.

JEFF PARIS, "BACK ON MY KNEES", MERCURY.... WEZX, KMOY, KZEL and WQJX add, WLAV, KATI and WXRK up, and the end result is a 44-31 Primer. Now ready to cross with an album base that includes WLAV, WLLZ, KLAQ, WMOG, KISS, WQHA, KLPX, WQJZ and WYSP.

THE BODEANS, "FADEAWAY", SLASH/WB.... KPMI's Steve Bridges analyzes their special appeal, "They take us on a musical vacation away from the highly processed 80's sound of music. It's a well-deserved vacation and they make it a pleasant one"...KZEW's Cindy Ballen adds, "I can't take it off the turntable. I heard the tape of 'Runaway' years ago when it was played on Boston college radio stations. I'm so glad they got signed and I hope they happen"...WYSP's Mike Wolf predicts, "They'll make Milwaukee famous again"...WITF's Tim Drayer calls it "A very good sound with interesting vocals"...And from WLIR's Larry Dunn, "Dire Straits meets Dave Edmunds."

Builders

JOURNEY, "BE GOOD TO YOURSELF", COLUMBIA.... The week's best 27 play ups pops it 9-2, and that 6-2 Most-Requested romp is equally menacing to all comers. It's now max at 75, and 14 adds give it 122 station saturation play. The Checklist has "excellent" calls at 25, "good" ones at 21 more. All we can say is, bring on the main course.

New on WIYY, WFBQ and WYV, with 34 max and 91 now playing. The 24-22 Metro Primer ranks #4 in points, the 15-13 National move is #5 in points.

"PRETTY IN PINK" SOUNDTRACK, A&M... Can you afford to ignore a rock soundtrack that shoves 8-6 on Billboard's Lp chart? Especially when the album's variety makes it a cinch to locate a track that'll fit your station? The P-Furs' title tune adds on KTXQ and WPDH with above-average play at WMMR, CILQ and KROQ for a 97-93 Underline. WCMF joins majors KLOS, WLUP, KZEW, KLOL, KQRS, KILO and WCCC on INXS' "Do Wot You Do". OMD's "If You Leave", a bonafide CHR smash, adds on 3, at #73 with the Suzanne Vega track slightly ahead at #69. We'll bet you're seeing larger-than-life retail, too.

JULIAN LENNON, "STICK AROUND", ATLANTIC... As promised, the phone Checklist is in--with WIOT, WKFM, CHOM, KICT, KATT, WKDF, WHMD, and KLBJ reporting "excellent" calls, and 25 more, including KZEW, WDIZ, WFBQ, WCCC, KISS, WHJY, WKQQ, KBER, KILO and KLAQ listing "good" phones...Airplay builds 4-3, with WYSP, KEZO, KSRR, WDHA, WXRK, KLOS and four more increases. DAVID BOWIE, "ABSOLUTE BEGINNERS", EMI... Phone interest solidifies into a #14 Most Requested debut, with the rotation build pacing. "Beginners" bangs 15-10 with KYYS, KMOD, KLOS and four more adding, and 14, including WRXL, WBAB, WDHA, WSHE, WXRK and WRUF increasing. Double album Underlines, too: 17-15 and 15-11 Metro...Max at 21, led by WMMR, DC101, WLUP, KAZY, KRQR and WXRK.

JOE JACKSON, "RIGHT AND WRONG", A&M... Joe's by now standard style change up may have caught more than a few programmers looking the first couple of weeks out, but the audience was obviously ready and waiting. Witness "good" to "excellent" calls at KZEW, WDIZ, KFOG, WRXL, WCCC, KROQ, WAAF, WHJY, WKQQ, CFNY, KAZY, WGIR, WLIR, WHTF and more--25 in all. 18 more adds make it 77 now playing, with ups from WZZO, WBRU, WMGM, WHCN, KFMG and WKQQ--against no decreases. KBER's Rob Roman feels "Right And Wrong" has all the hooks you need. Plus, the unusual way it was recorded makes for the ultimate pre-sell on the air. Once again Joe defies categorization...KLPX's Arin Michaels seconds, "Nice to know people here in the old Pueblo appreciate exactitude. Top 10 sales and requests. You can't beat it."

JUDAS PRIEST, "LOCKED IN", COLUMBIA... And who could ignore this song's tremendous phonepower? It's already up to "excellent" response intensity at 26--fronted by KILO, KLAQ, KSJO, WRXL, WCCC, KISS, WHJY, KICT, WKDF, WAQX, WBAB, KTXQ, WPLR and KATT--with 13 more "good" reports...Adds at WKLS, WLQ, WHMD and WKXE spread the action to 88, with 10 ups, (WRKI, KLAQ, KISW, WYNF, WCCC, WNOR) only 1 decrease, and 23 "4" emphasis or better rotational reports..."Locked In" line drives 30-28, moving the Lp to 23 Nationally, 21 Metro.

JIMMY BARNES, "WORKING CLASS MAN", GEFEN... Those class adds continue to blow in--with this week bringing new air on WHCN, WIOT, WRKI, KTXQ, WQFM, KYYS and 6 more, and ups from KRQR, WAQX and WDHA... Chartwise, it's up 29-24, moving the Lp to #24 Nationally, #28 Metro.

INXS, "LISTEN LIKE THIEVES", ATLANTIC... Ups from KGB, KPOP, WKLC and WTKX help with the 54-42 Underline...WBLM's Robin Mathieu tells us "'Listen Like Thieves' shows even better early reaction than 'What You Need'"... Hmmm, think phones and sales for the Checklist next week.

FIONA, "LIVING IN A BOY'S WORLD", ATLANTIC... Boy, it sure sounded great on KMET last week. And we'd sure like to see more than 52 reports to date. That count was enough to give the Lp our third strongest Metro Primer, 48-43, thanks to ups from KMET, WXRK, WAPL, WDHA and KFMG. It also Primes 43-41 in the National, with the single Underlined at #51. Now "4" or better emphasis at KZAP, WLAV, WMMR, WLLZ, KQRS, KMET and WXRK.

UFO, "THIS TIME", CHRYSALIS... Two heavy adds--WXRK and WIYY--highlight this report period--along with ups from WHIG, WDHA, KILO and WAPL, and no decreases. THE STARSHIP, "TOMORROW DOESN'T MATTER TONIGHT", GRUNT/RCA... The single's consistent progress puts the package in triple bullet territory again this week. "Tomorrow" picks up 15, as 9 increases (WRIF, WCMF, WDHA, WYDD, WRCN) cook up a 38-36 Underline. That, in turn, Primes the album 32-31 and 46-38. DIRT ALERT!

"NO MAN IS AN ISLAND" (EXCEPT FOR BOB CATANIA)

Charly Prevost has left his post as Prez of Island Records, citing "philosophical differences" with company founder Chris Blackwell. Describing his current employment status as "ready, willing and able", Charly told FMQB he prefers not to put any parameters on his job search. "I'd rather keep it wide open" he says. Prior to taking the Island helm in September '84, Charly represented The Fixx, Rupert Hine, Chaz Jankel and others through his product management company, CPI, and produced radio specials with George Taylor Morris under the moniker of Self Portrait Productions. Those projects were preceded by a 10 year run with Mismanagement as co-manager of Supertramp. Reach Charly at 212-242-9647.

Meanwhile, widespread speculation continues regarding the future plans of Island VP National Promotion Phil Quartararo...

PARIKAHL, CHARLES AND SINTON FORM JOINT COMMUNICATIONS INTERNATIONAL

John Parikahl and Dave Charles of Toronto-based Joint Communications have teamed up with consultant Jon Sinton to form Joint Communications International. The new partnership marks Joint Communication's entrance into the increasingly competitive U. S. consulting market. Drawing on the resources of Joint Communications and Jon Sinton Associates, (both of which will remain intact as individual companies), JCI will offer both research and consultation to client stations. "We think it's the next logical step for a consulting company" reflected Sinton. "We don't really feel there's a consulting company in the U.S. that is heavily into research, nor is there a research company that's heavily into consulting. You can get one or the other from most companies, but you can't get both. We have the ability to combine the two services into one turnkey operation." Clients of all three companies will receive identical services. The addresses are: 943 Otter Way, Marietta, GA 30067 (404) 971-4647; and 41 Peter St., Toronto, Ontario Canada M5V2G2 (416) 593-1136. Concurrently, Joint Communications has terminated its relationship with Burkhart/Abrams/Douglas/Elliott, an arrangement that has allowed Superstar stations to receive Parikahl's think pieces for many years.

BROWNING BAGS WIOQ PD; ROYER ASSUMES KGB ACTING MD

KAZY/KLZ, Denver OM Chuck Browning, a 16 year radio veteran since age 17, adds the WIOQ, Philadelphia PD position to his long list of credentials. He starts April 21st replacing Alex DeMers who resigned last month to form his own consultancy (WIOQ and WGRX, Baltimore). Citing Chuck's impressive track record, VP/GM Joseph Chairs declared, "We just couldn't be more pleased to get somebody of his caliber." WIOQ's unique position as Philadelphia's Rock 'N' Roll Alternative in a market with a combined AOR share of 16.5 was obviously a major consideration to Chuck. "What we've done at KAZY is a little left of center, too. I'm looking forward to doing that kind of radio in a market that supports AOR as well as Philly does." Browning's background includes the PD post at KZAP Sacramento ('83-'84), five years as PD at WTUE, Dayton, coupled with two as OM at AM sister WONE, along with a morning man stint at former Cleveland AOR M-105. Music Asst. Zak Phillips has been named Acting PD at KAZY.

Morning show producer/3A-6A personality Keith Royer has assumed the Acting MD title at KGB, San Diego. "We're continuing to talk to people and we're open to talking to others" offered PD Ted Edwards, regarding the future of the highly coveted MD position. "So far no one candidate has emerged as the clear cut choice. In that regard, the work here at KGB needs to be addressed, and Keith will be handling the responsibilities of the MD position." A two-year KGB vet, Keith will continue as morning show producer and take your calls Noon-4PM Monday, Tuesday and Wednesday.

DEAN AND DON FLIP FOR KKDJ PD TITLE

At KKDJ, Fresno, it's still Dean and Don in the morning, but now Dean's the PD instead of Don. Confused? So are we. Dean Opperman, who programmed the station from '80-'84, and left in '85 to do mornings at 91X, San Diego, returned to KKDJ six months ago to do mornings with Don Fischer. Don had been programming and doing mornings but now has relinquished the PD title to Dean, as the two continue in mornings together. Word is Don will concentrate exclusively on mornings, as Dean works on "regaining the market" and bringing back the station's glory days of '84 when they had an 11.1 share.

MDs IN MOTION: GARRETT GRABS KPOP; DOC TAKES A HOLIDAY FROM WIXV

Sixteen year California radio prodigy Ron Garrett lands the KPOP, Sacramento MD title, replacing Charlie Thomas who is now Production Director. A former MD/air talent at KRQR, San Francisco, and air personality at KGB and 91X, San Diego, Ron was last seen working at KDJK, Modesto. Prior to that he toured Europe with his bud, Ronnie James Dio. P.S.: This week, KPOP joins the illustrious, industrious ranks of FMQB reporters. Welcome aboard to PD Carly Ferreri, Ron and the staff.

Also joining the FMQB reporting station roster is new Savannah AOR, WIXV. OM Bill Weston is in need of a MD/midday personality pronto, due to the resignation of MD Doc Holiday. Speed your T&R to Bill at WIXV, PO Box 876, Savannah GA, 31498.

DIRT ALERT!

FOURTH ANNUAL ROCK 'N' BOWL: "THREE DAYS OF FUN AND MUSIC"

What were the highlights of last weekend's bowling party in L.A.? A typical response might include sugarludes, Heather Locklear's "bowling style", the Atlantic suite, Marko's golfing get up, the meeting of the tired minds, and of course, having your picture taken with the Elektra pig. But apart from raising \$110,000 to benefit the T.J. Martell Foundation for Leukemia and Cancer Research, this year's Rock 'N' Bowl confronted a number of issues head on at a Saturday afternoon panel co-hosted by Bill Hard, Steve Smith, and Steve Feinstein.

Indies and oldies were tops on the agenda. Many programmers felt lessened indie services had resulted in reduced qualitative music information, and a cloudy national overview. "The local guys can't provide a national picture, and the nationals can't possibly talk to everyone" typified the radio reaction. Heavy Lenny pointed out the immediacy of indy info and its incremental nature. "It's as immediate as my last phone call." Atlantic's Danny Buch brought up the label bias issue, claiming that indies aren't as biased toward one label's product enabling them to provide a more objective perspective. However, Buch felt labels were more than qualified to convey a clear picture of their own product nationally. ♡

Some observations were made regarding the changing role of the national AOR promotion director. Seen in the past mainly as a phone hammer, today this position entails more meetings and managers and allows increasingly less time for working the phones.

How will the lack of indies affect airplay for new artists? And, are we already seeing fewer baby bands break? Opposing answers were offered to this question with the suggestion that the number of recent superstar releases could be a big contributing factor here. Island's Bob Catania believes the next six months will provide a test of the effectiveness of the indies vs. beefed up label field staffs. He suggested the industry monitor the progress of a label like Island who have retained indies vs. the majors that have dropped their services. Lenny felt it was too early to tell what effect curtailed indies will have on breaking new acts.

How is the future perceived? E/P/A's Bill Bennett expects labels will sink more money into radio through time buys, promotions and tour support, noting that recent Ozzy Osbourne time buys in certain problem markets got the record added. "An era has passed" observed Columbia's Paul Rappaport. He predicts record companies will go back to some of the older, tried and true promo tools, because "They worked in the past, and now they're fresh." "We're hiring Jeff Pollack and we'll be 'Classic Promotions'" quipped Bennett.

An Arbitron representative presented new ways of measuring radio listening which included the electronic diary (a portable device that you talk to), and Scan America (a magic wand that can detect what station a passing car's radio is tuned to). ARB is also investigating ways of sending ratings info to client stations via satellite dish. The news that tests are underway in five Arbitron metros to remedy the problem of 18-24 male undersampling was greeted with overwhelming enthusiasm.

A spokesman for Birch Radio introduced an encouraging demographic/psychographic profile of the typical AOR station's audience. It painted the 1986 AOR as: 15% 12-17; 42% 18-24; 35% 25-34; 5% 35-44 and 3% 45-54. According to Birch, the typical AOR listener is college educated, affluent, a car buyer and airline user, owns a single house, consumes soft drinks and massive amounts of beer. EOR stations have an extremely high qualitative listener profile, suggests Birch.

The growing number of classic rock stations promoted this observation from Sanduskey's Jeff Sattler regarding the cyclical nature of radio: "In the early 80's, AOR's music mix was heavy on oldies and light on currents, resulting in a burned oldies library. By 1983 it was 70% current, 30% library to freshen the format's sound. Now in 1986, we're back to approximately 70% oldies."

VINYL TAP

Look for Atlantic to announce four new regional promotion directors in the near future. They are: Northeast--Bruce Tenenbaum (from local New York); Midwest--Bob Clark (from local Cleveland); Southwest--Kim Stephens (local New Orleans/Houston); West Coast--Mark Gorlick (local L.A.). But the big question is, will the Hot 'Lantic hospitality suite be open 24 hours a day at next year's bowling party?

Capitol is now handling distribution for Enigma Records. Capitol Records has the option to pick up Enigma product and jointly release it on a Capitol/Enigma label. Those projects would then be jointly promoted.

ALL THE DIRT THAT FITS, WE PRINT

Nick Sommers resigns as MD/afternoon personality at KDKB, Phoenix. No replacement has been named yet; midday man Steve Trella is covering afternoons for now, with Production Director Larry Hayes temporarily slotted in middays. PD John Larson is looking for an afternoon drive jock. T&R to 1167 West Javelina, Mesa, Arizona 84202.

WMMS PD John Gorman, who's been moonlighting as a consultant lately, has added another station to his expanding client list. KWK, St. Louis have just joined the ranks of WPHD, Buffalo and KSRR, Houston as G-Man consulted stations.

Laura Townsend has been added to the 106 Breakfast Club line-up at WWCT, Peoria. Laura is doing news and also assists with station promotions.

KBER, Salt Lake City PD Drake Hall will be spending some time in Buffalo this week to assist in the set up of new Queen City AOR WBER. Drake will oversee the station's programming and "is quite anxious to receive tapes and resumes immediately. If you don't want to work hard and win big, don't bother" warns Drake. Send to KBER, 19 East 200 South, Suite 1065, Salt Lake City, 84111.

And rumor has it that hot on the heels of the Bear coming to Buffalo, another Western New York area AOR may be brewing just across the border. St. Catherine's country formatted CJQR (97.7FM) is said to be considering a switch to AOR, and may call itself 97 ROCK.

The new Promotion Director at WRIF, Detroit is Greg Raab. Greg most recently programmed WCXI AM/FM in the Motor City.

St. Louis freeform outlet WMRV ups GSM Brian Krueger to GM.

At WFAL, Bowling Green, Dale Stead and Lisa Braun have swapped titles. Dale is now PD and Lisa is MD.

FLASH! Lou O'Neill Jr reports that David Lee Roth, former lead singer of Van Halen, secretly slipped into New York City last week and is now laying down tracks at the Power Station. Roth is said to be extremely excited about his new material. In addition, Tina Turner continues the recording process on her follow-up effort to "Private Dancer" with you-know-who, from Canada, producing - twisting all the dials. Whether Tina and Bryan are involved in that sizzling romance we cannot say, but everybody in Gotham tells us they look very, very friendly.

THERE WAS A BIG NEWS CONFERENCE last week in New York which confirmed the forthcoming show set for Giants Stadium in the Jersey Meadowlands complex on Sunday, June 15th. It will headline none other than Sting and will also feature Bono of Ireland's U2, plus many, many surprises. The one-day spectacular is being held as a fund-raiser for Amnesty International, an organization designed to protect the human rights of political prisoners everywhere in the world.

FMQB UNDERSTANDS that Jimmy Page, of The Firm, couldn't resist the temptation last week and jammed at a birthday celebration for his pal, Tony Franklyn...Speaking of Page, the former lead guitarist for Led Zeppelin called WNEW-FM's venerable Scott Muni on Thursday, April 3rd, and did a live Q&A session on 'NEW-FM. Of course, that night The Firm opened in New York with a one-nighter at Long Island's Nassau Coliseum...They then did several shows in the metro area, and Lou O'Neill Jr. caught their blistering performance at the Jersey Arena in the Meadowlands. Says Lou, "No doubt, J.P., Paul Rodgers, & Company are operating at maximum capacity these days. To boot, J.P. reincarnated his classic, 'Let's Play The Les Paul Inside The Laser Pyramid Routine', from the Zeppelin's '77 tour, to the audience's delight. Also, Jimmy took his violin bow out for the first time in recent memory, and delighted the predominantly male and leather-clad audience." FMQB notes that Virginia Wolf - featuring Jason Bonham, son of John Bonham of Led Zeppelin - was the support band for The Firm, and did very well indeed. They are an up-and-coming group from London that should be watched...Last week's show in New Jersey concluded this part of The Firm tour, although Jimmy Page assures us they'll be back for Leg II.

LOU O'NEILL JR TELLS THE QUARTERBACK that it appears likely that England's Def Leppard, a group that has not released a record in nearly 3½ years, will come with their follow-up to "Pyromania" in September. At least that's the current thinking at 810 7th Avenue.

FLASH! Lee Heiman of the RockBill organization in New York, says that super-New York City rock collector, Marc "The Shark" Zakarin, was dealt a devastating blow last week when a semi containing an irreplaceable collection of personal rock artifacts was highjacked in Hollywood and stripped of its entire contents. It was a total loss for Zakarin, the man who operates New York City's collectibles store, It's Only Rock 'N' Roll, on West 8th Street in The Village. Heiman adds that although there was \$100,000 insurance on Zakarin's rock collection, almost all of the items ripped off were irreplaceable - including many Gold and Platinum albums originally awarded to the Beatles. It's a tragic, tragic story for a fellow who's had his share of hard luck. It included 175 matted posters, numerous Gold and Platinum albums, and it was part of the rock 'n' roll caravan in the Rock-On Tour. There's a \$10,000 reward offered by RockBill Magazine's Lee Heiman.

FMQB NOTES that Rolling Stone writer, Chris Connelly, has been engaged by ABC-TV's "Good Morning, America" to do a series of rock profiles scheduled to run on "GMA" in late May. According to Producer Trish Daniels, it will be a total look at the business from top-to-bottom including touring, merchandising, and a how-to guide to get into the business.

LOU O'NEILL JR HAS LEARNED that the backbone of the forthcoming Stevie Nicks touring band will be made up of Rick Marrota and Waddy Wachtel, two veteran musicians who have worked with Ms. Nicks extensively in the past. Watch for Stevie to unveil several surprises as she crisscrosses the United States.

MOTOR CITY "MADMAN", Ted Nugent, had to cancel a slew of interviews in New York City last week because of his opportunity to do Rock Line. Atlantic Records assured that the Q&A sessions will be rescheduled... FMQB can't help but be impressed by Aerosmith's rocketing return to the New York City concert scene last week, with a sold-out performance at Madison Square Garden. Ted Nugent opened the show by bringing out "Little Miss Dangerous". We take Nugent's comeback attempt very seriously and, if the response he evoked with Aerosmith is any indication, the kids are glad to have Ted back and rocking again. Backstage it was pandemonium as Aerosmith and Nugent let an estimated 350 to 450 guests party, party, party. Spotted were Mark Goodman and Carol Miller; Adam Bomb; Carol and Rickie Byrd; WAPP's Randy Rhodes; and the Atlantic Records family, including Doug Morris, Perry Cooper, Patty Conte, Diane Gilmour and Bob Kaus. Also, Howard Bernstein from the Deep Purple organization was there, plus a contingent of Warner Brothers/Geffen executives led by Jack Hopke. Lou O'Neill tells us Hopke's new look is stunning, that Jack looks like Clint Eastwood in one of those early spaghetti movies, with his face adorned with whiskers. Maybe Jack will be running for Mayor of Carmel, California. As the lights went down, it was an unbelievable scene as Aerosmith took the stage with heavy metal maniacs raising their fists in a defiant roar.

MICK JAGGER let it all hang out last week when he did "Entertainment Tonight" and answered just about every query put to him. The rubber-lipped singer has reaffirmed that he will not be touring with the "world's greatest rock 'n' roll band" in 1986. There are however, rumors afloat that say Mick is secretly working with Daryl Hall, as the former half of Hall & Oates continues recording his forthcoming solo album for RCA at the Right Track Studios in NYC. Tipsters say that in addition to Jagger, Daryl Hall is working with Cob Dylan, although the Quarterback has not confirmed this as we go to press.

Is EMI National AOR Promo Director Tony Smith trying to tighten up those ab muscles, or is this a demonstration of some sort of new South Bay kamikazee over-hand bowling technique? (Just a glimpse of Bowling Party pictures to come...)

(ABOVE) A DANGEROUS MEETING?

Fellow Atlantic recording artists Ted Nugent and Marilyn Martin recently ran into each other at the label's L.A. offices, where they were both fielding interviews in support of their new albums. The Rock Report

DETROIT DIESEL is the band we told you about back in January that features guitarist ALVIN LEE, keyboardist JON LORD (DEEP PURPLE) and ex-BEATLE GEORGE HARRISON, among others. The band has just wrapped up recording and plans to release its debut disc on June 6th via 21 Records. The first single from the ALVIN LEE produced record will be "HEART OF STONE". The group plans to tour this Summer, possibly with GOLDEN EARRING, but no confirmation yet if GEORGE HARRISON will accompany them.

Speaking of GOLDEN EARRING, the new album hits the streets April 28th under the moniker of "THE HOLE". The first single, "QUIET EYES" should be out this week. The band just wrapped the video for the first single and it was shot by noted photographer ANTON CORBIN. According to those who have heard it, "THE HOLE" is by far the best record the band has recorded.

No word on why QUIET RIOT pulled out of THE CONCERT THAT COUNTS but maybe their upcoming record, "Q R 111", had something to do with it. The band has been hard at work on this Lp which is due from Pasha/CBS sometime this Summer. The group's lineup consists of new members CHUCK WRIGHT (GIUFFRIA) on bass and keyboardist JOHN PURDELL (RICK SPRINGFIELD), along with KEVIN DU BROW, CARLOS CAVAZO and FRANKIE BANALI. QUIET RIOT are planning a large Summer tour kicking off in Japan.

"TRUE STORIES", the movie directed, co-written and starring TALKING HEAD DAVID BYRNE, will be released this Fall. Accompanying the film will be two separate soundtracks, one coming from Warner Bros. which is a TALKING HEADS Lp, and the other being a record of just the score. Both soundtracks are set for release in August. The Warner Bros./TALKING HEADS record will feature the first single "LOVE FOR SALE". The band, (they all appear in the movie) is still mulling over a decision to tour in support of it. DAVID BYRNE has also written a book about the film for Viking Press that is set to hit the stores in September.

In other silver screen news, "WATER", the movie from GEORGE HARRISON's company, Handmade Films, is opening Stateside this week. The movie, which was completed last Summer, boasts quite a soundtrack including ERIC CLAPTON, who wrote and performed the first single, "FREEDOM". HARRISON plays guitar on a good deal of the album and took part in writing the tunes. The title song features the vocal talent of EDDY GRANT (remember ELECTRIC AVENUE?). JCI Records out of California, will be releasing the record which is titled "WATER": ORIGINAL SOUNDTRACK RECORDING.

Work continues on the new EURHYTHMICS album set for release sometime later this Summer. DAVE STEWART, who is once again producing, and ANNIE LENNOX have just left Conny Plank's German Studio for Paris to complete the recording. Apparently ANNIE and DAVE are very excited about this album as they are being joined in the studio by some very special guests.

Former BOW WOW WOW vocalist ANNABELLA L'WIN returns with a debut solo Lp this Summer via RCA. Titled "FEVER", the album will feature the first U.K. single, "WAR BOYS". ANNABELLA is working out details for her first solo tour set to kick off in Britain soon.

News From Rock Over London

The premier of the much-touted musical, "Time", took place this week at London's Dominion Theatre. That's the production by DAVE CLARK starring CLIFF RICHARD, with a soundtrack album (also just out) featuring the likes of JULIAN LENNON, FREDDIE MERCURY, ASHFORD AND SIMPSON, MURRAY HEAD and DIONNE WARWICK. The premier was sold out months in advance and the show looks set for a long run, especially as it features a truly unique appearance by Sir Laurence Olivier. Larry's not really there at all...and yet he is, projected by a hologram. A good way of acting and resting at the same time.

Suddenly, it was the singer-songwriter generation all over again in London last week when JAMES TAYLOR returned to the U.K. to play his first concerts in 15 years. Rock Over London's Paul Sexton, Graham Dene, Steve Saltzman and Tarara Chant saw J.T. play a really outstanding show at the Hammersmith Odeon which proved that even if the hits are harder to come by these days he's still a tremendous musician and raconteur on stage. Also espied in the audience: The Dream Academy's Nick Laird-Clowes. Picking up some tips for the next album, maybe?

A less than auspicious start to BIG COUNTRY's British tour, when on their first night at Newcastle City Hall, the mixing desk decided not to play ball just as the band were hitting the opening chords of "Wonderland". But that wasn't going to beat them, the chaps proceeded to play a two-and-a-half hour set just the same, even if the sound was less than 100 per cent, and to their further credit, they announced a free show for a few days later and handed out tickets for it as the audience left.

The BLOW MONKEYS, ROL Top Five residents recently with "Digging Your Scene", begin their U.K. tour on April 18th.

Another album by an ROL-featured band to look for is "Hipsway", by the band of the same name and includes their recent breakthrough song, "The Honeythief". They're off on a major British tour next month.

It's been a while since TALK TALK played any full-scale British concerts, but having completed some unannounced gigs, they've announced a series of appearances around the country for the end of April/beginning of May. Meanwhile "The Colour Of Spring" album has gone gold in the U.K., so well-done to Mark Hollis and the band.

The COCTEAU TWINS' 4th album "Victorialand" is released on April 14. This marks a change of style in the band's sound--they are using more acoustic instruments and less percussion. Due to technical problems in the mastering, the Lp plays at 45rpm. The Twins have recently completed their own studio and are already recording a follow-up album.

There's been much talk in the British music press of a link between top concert promoter Harvey Goldsmith and certain South African business interests. To put an end to them, Goldsmith has completed a buy-out of his Allied Entertainments Group from Kunick Leisure, which had taken over the company last summer and had connections with the South African company, Kersaf Investments. That company, in turn, was headed by Sc..., the man behind Sun City, and you don't need us to tell you what a dirty name that's become in the rock business...

...and there have been bitter exchanges between Sun City bosses and Rod Stewart's manager, who stated that Rod would only return to the resort to celebrate the end of apartheid. The Sun City spokesperson has alleged that Stewart gave them "commitment and encouragement" when he played there.

If LIVE AID taught us anything, it's that out of all success stories comes a good idea for a television programme...producer MICHAEL APPLETON is piloting a rock show that will broadcast live via satellite between London and Los Angeles. If it works, the programme could become a regular spot on BBC2 in the autumn. Appleton is also working on an idea for a European rock co-production, again with the BBC.

Still on the subject of music on TV...that new chart show we told you about (ROL News, 28/3/86) is being seen as direct competition for Top Of The Pops from the independents. "The Chart Show" which will be produced in Soho, just a stone's throw from the ROL office, is replacing "The Tube" this week and will be followed by "Revid"--a review of the week's new music and other video releases from Britain and the States. Channel 4 will be running these shows for 26 weeks.

And not to be outdone, the BBC have now announced that they too are considering a new pop video series to be produced in Birmingham...meanwhile independent television are still trying to make up their mind whether it's worth jumping on the same old bandwagon. At the moment, the broadcasters don't pay the record companies for the promotional clips they show, but that looks set to change when the competition to fill our screens with videos really heats up!

As the abolished Greater London Council--who during the past few months have funded concerts by such names as Madness, Marc Almond, Annie Lennox, Pete Townshend, Pretenders and Paul Weller--fades into a memory, Red Wedge's BILLY BRAGG says who he thinks will be coming up with the funds in the future. He's putting his money on the Unions and the return of a Labour government who might regard rock music on a par with ballet and opera. Meanwhile, New Order's PETER HOOK has been expressing his extreme disinterest in the left-wing rock movement, RED WEDGE, which despite some newspaper reports, seems as strong as ever.

One of the papers headlined its review--"Absolute Disaster", another said--"Absolutely All Over The Place"... yes, "Absolute Beginners" has arrived and the superlatives are flying! The nostalgic 50's style film starring DAVID BOWIE with leading lady, PATSY KENSIT (who, apparently has always wanted to be a legend) is now showing. The producers want it to become a teenage cult movie, not least because the future of Goldcrest Films rests upon its success. In fact, in the opinion of ELVIS COSTELLO, who spoke about the film (for which he was originally commissioned to write some music) to ROL a few weeks ago, they'll singlehandedly "destroy the British film industry if they fail". But the men behind the movie don't admit to being worried about the bad or indifferent reviews. Co-producer, Steve Woolley, says "Quite honestly, the film is bigger than the critics... we didn't make it to appeal to the older generation.

And the BEATLES are back in the USSR...officially on record for the first time. The state recording company, Melodia, have signed a deal with EMI to produce two albums--"A Hard Day's Night" and "A Taste Of Honey". Up until now Russians have relied on the black market for their western music. There were queues outside the Moscow store when the first of 300,000 copies went on sale for 3.5 roubles--about 6 pounds.

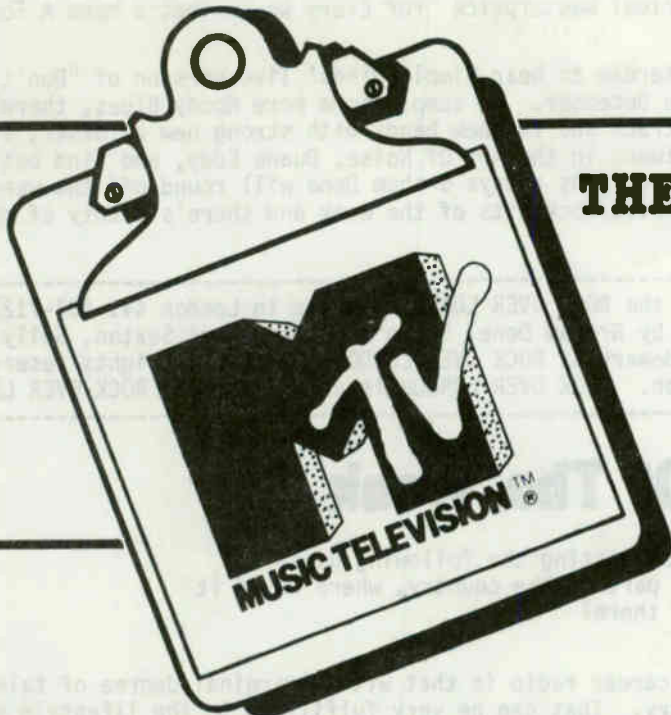

Latest news on the WHAM boys follows their recent (separate) appearances on British TV. George says both thought it was best to quit while they were ahead and assures fans that they're still the best of friends.

One-liners: THE JESUS AND MARY CHAIN, just back from the States, will be recording a new single to be released in the U.K. in May, and play two concerts in Britain the same month, with the promise of an extensive tour in June...we're sad to record the death two weeks ago of veteran industry photographer, Dezo Hoffman, who took pictures of just about anyone who was anyone in the biz for many, many years.

The controller of Radio One, Britain's national pop/rock station, has been expressing his concern about the future of music broadcasting in Britain. Johnny Beerling says he wonders where the next generation of good DJs is going to come from and that although we're now entering a new phase in radio with the introduction later this year of a series of "Community" stations, he's not too optimistic that this will be a great success. Unless new DJs are allowed to cut their teeth and be more adventurous on these new outlets, says Beerling, he feels that the stations will just be "more of the same, only infinitely worse". Unfortunately, we can only share his pessimism.

GEORGE HARRISON makes a rare on-screen appearance in a video for ERIC CLAPTON's new song, "Freedom". The video, which also features RINGO STARR and DEEP PURPLE's JON LORD, is actually the closing scene from the upcoming company, Handmade Films...The BEATLES, or at least two of their albums, are back in the U.S.S.R., setting off a wave of Beatlemania in Moscow. Melodiya, Russian's only record company, put out 300,000 copies of "A Hard Day's Night" and "A Taste Of Honey". His name is RAY GILLEN -- no relation to onetime Sabbath singer IAN GILLEN. Ray replaced GLENN HUGHES, who has severely strained his vocal chords. It all happened because Ray, who sang with New Jersey band RONDINELLI, is an old friend of Sabbath bassist DAVE SPITZ. When Ray visited Dave backstage after Sabbath's New Jersey Meadowlands gig last week, Dave introduced him to guitarist Tony Iommi. He auditioned for Tony on the way to the next show, and Ray got a standing "O" from Sabbath fans at the New Haven Connecticut Coliseum. Tony says Ray is now Sabbath's permanent vocalist.

INTERVIEWS

ROBERT PALMER: "The most exciting thing in the studio is players' personalities, because you can sit at home and devise your tunes and arrange them, and hang them on the wall to see if you can live with them. So when you actually come together as a unit, the whole thing is the personality and the excitement that happens. After a while, you take it for granted that the people that you're working with can play, otherwise you wouldn't be there. It's not a matter of aptitude -- it's more attitude that counts."

Rock Over London Continued

NICK LOWE has just released a companion album to his "16 All-Time Lowes" compilation. It's a set of previously-released tracks from his F-Beat albums entitled "Nick's Knack"--but then our old friend Basher always did have a way with a title. We still fondly remember that lyrical masterpiece "For Every Woman That's Made A Fool Of A Man (There's A Woman That's Made A Man Of A Fool)".

This coming week, ROCK OVER LONDON takes a trip to Rotterdam to hear Simple Minds' live version of "Don't You (Forget About Me)", from their Ahoy Theatre concert in December. We sample some more Moody Blues, there's Sade's contribution to the "Absolute Beginners" soundtrack and two new bands with strong new releases, It Bites and Outside Edge. We meet the man who put the twang in the Art Of Noise, Duane Eddy, and find out why David Bowie's in hot water in the Naughty Bits Department. As always Graham Dene will round off the weekly British music hour with a countdown of the U.K.'s Top Five rock hits of the week and there's plenty of chopping and changing going on there.

For further information about the above stories, call the ROCK OVER LONDON hotline in London 441-437-7122 or 441-437-2860. Question Of The Week

Thanks to Kevin Vargas, KWHL for suggesting the following question:
If you could work in radio in any part of the country, where would it be and why would you want to work there?

KEVIN VARGAS, KWHL: "One of the great things about career radio is that with a marginal degree of talent, you can find a job in any type of area in the country. That can be very fulfilling to the lifestyle you want to follow. I feel very fortunate to currently be residing in the 49th state. While living in Alaska does have its disadvantages, there's something very gratifying about being surrounded by all this unspoiled wilderness, fresh air and fresh water. I live in a giant outdoor playground. I think my entire career would be gratifying if I could spend it in beautiful areas of the country that were as enjoyable as this. The New England area is another area I would consider as very satisfying to call home. Some day I would like to go home to Chicago, but that's because you can take the boy out of Chicago, but you can't take Chicago out of the boy."

DON BERNS, CFNY: "San Diego because it's the closest to paradise I've ever been and besides they need a station like CFNY there. Hint, hint!"

RON CHAPMAN, WHMD: "I'm already there - in Southern Louisiana. To work close to New Orleans with the Mardi Gras, baseball, the good food and the symphony orchestra is all I need. The only thing better would be to program an AOR in New Orleans."

DAVID HALL, WKDF: "I've always tried to move further south into warmer climates each time. So Florida would be an offer I'd seriously consider. I've heard the pay is bad down there because they expect you to just be happy you're living there. But I've also noticed that, for example, Rad Messick hasn't been in any hurry to leave. Having just lost a girlfriend to the L.A. area, Southern California became more attractive, even though I've never been fond of earthquakes or air you have to slice before you breathe."

TOM SCHEPPKE, KISS: "I've been here seven years and I'm still digging it."

JEFF CARROL, KLBK: "Austin, Texas because this town has what every big town has, except the problems. Come visit and I'll show you. L.A., eat your heart out, babe!"

PEPE LOPEZ, KLAQ: "Right where I am, cause this is the hottest little radio station in the world."

WAYNE SUMMERS, WRCN: "New York City because it is the most exciting city in the world. There's some great radio there, and I'd make a lot of money. However I'd still live on Long Island."

MIKE BOYLE, WDHA: "Right here in North Jersey! You're between two major cities, plus the shore, and the mountains! What more could you ask for? Well, maybe more money!"

ROBIN MATHIEU, WBLM: "Definitely on the East Coast or West Coast because I love the beach. But to narrow it down a little, any large city with a competitive radio market and a decent local music scene. Boston, New York and Philly all sound good."

AL BRANCA, WMGM: "If I could work anywhere I wanted, I'd work in Atlantic City from June to August cause nothing cooks like A.C. in the summer. From September to November I would like to work in Florida or Southern California just to keep my tan. December or January I would move to Philly or New York because it wouldn't feel like Christmas if I didn't freeze my ass off and witness one snowfall. February to April it wouldn't really matter where I worked because I'm always depressed around that time of year. And from April to June I would just go for the money."

HAL BRANDT, WXKE: "I would like to work in Columbus, Ohio because I could be with my family and freinds and stop this nomadic existence. Hi, Pat Still."

HARRY REYNOLDS, KOZZ: "I would work in San Francisco mainly because I'm familiar with the Bay Area plus I love the Bay Area. I have a fear of buildings falling on me, but that can be overcome with therapy."

ALISON STEWART, WBRU: "New York, New York because it's a hell of a town."

PAUL SHUGRUE, WRXL: "Boston or Philadelphia because of the high concentration of colleges there. In other words, more intelligent people."

VIRGIL THOMPSON, WRUF: "I love this question, where I'd like to work. The answer is anywhere. Seriously, I'm moving on from ROCK 104 in the very near future. I plan to remain here until the end of the spring book in late June, but that could be sooner if you have any offers. I've got five years in radio, three in AOR and a passion for this biz. I know the music, I know the format and I'd love to be on another winning team. I love to talk Monday thru Friday 11:30 to 5 (sometimes earlier, many times later), 904-392-0771. Any other time: 904-378-9618. Call anytime! This ain't no B.S. I want to work!"

MARTY BENDER, WSKS: "Boston because they deserve me."

JAY DANIELS, WEZX: "I'd love to work in the South because of the nice weather, and being from the South originally could relate to 'Southern radio' but my choice is based on geographic area - not because one part of the country has better radio than any other."

DAVE KANE, WCMF: "I was born and raised in the Northeast and I'd prefer to stay there. Specific cities include Toronto, Rochester or New England or if I'm feeling that I need to get away from winters, South-eastern states like the Carolinas or Florida would be groovy."

JOHN TOWER, KQDS: "I'd like to work at KQRS. I think the company is fantastic and I would still be in Minnesota."

QUESTION CONTINUED

- BOB BITTENS, WHCN:** "If money and position were absolutely no object I'd most like to live and work in one of the following places: Boulder, Colorado; anywhere Northwest; Connecticut or the Massachusetts Berkshires; Chittenden, Vermont; Boston; San Francisco; New York City."
- MARK CHERNOFF, WNEW:** "Right where I am now in New York at WNEW-FM. I'm from the area and this is my dream job."
- ALAN WHITE, KILO:** "Frankly there aren't too many other places quite as nice as Colorado, and I'm already here. Otherwise, I think that Boston would be an exciting place to live and work."
- GARRETT HART, WGLU:** "Any place that'll pay me. I don't care if it's a tundra or a desert. If they're into rock and roll, I'll have a good time."
- JON ERDAHL, WFXR:** "I'm already working here, because basically after living in Fargo, North Dakota for ten years, need I say more?"
- RUSS MOTTLA, WAAF:** "Being trapped in the Northeast for most of my life, I would love to go where the sun shines a little more and the temperatures are warmer. But I would also like to stay close to areas of dominant musical influence because it makes radio much more exciting. So let's just ship Boston down south about 500 miles and I'll be having fun."
- BILL WESTON, WIXV:** "Anchorage, Alaska, but only if I could work a 2 day work week and ski the rest of the time, not to mention taking pictures of herds of caribou, while munching on whale steaks, and swilling vats of off shore oil."
- REDBEARD, KYTX:** "Right here in Dallas/Fort Worth because I'm having a wonderful time and a love affair with the city and Texas music is exploding."
- CARMY FERRERI, KPQP:** "Probably San Francisco because it's a city full of character."
- AMANDA TEPPER, WPLR:** "I'd love to live in New York or Boston because I love those cities. Other than working at BCN I'd really like to work in radio in L.A. because I grew up listening to those station and every time I go back I still think KROQ is the coolest."
- RICK VAN GIL WIOT:** "I'd love to work in the city of Toronto. I think it's the neatest city in North America. Living there I could root for major league sports teams and the minor league hockey teams, the Maple Leafs."
- MARK DEVINE, WRKI:** "New York, because I'm from there and it would be nice to work in your home area."
- GREG TORRINGTON, CHEZ:** "Vancouver, CN on the radio side a good eclectic AOR, on the environmental side it's got great weather, great scenery and great skiing and it's closer to Hawaii."
- DUANE SHERMAN, WTOS:** "Southern California, because it's there."
- STEVE BECKER, WKFM:** "Syracuse - it's rare to stay in one place for a long time in radio. Somehow that's been achieved here over the past seven years. Chalk it up to the city, the people, and the radio station. Now if you really forced me, I'd probably say Hawaii. The reason is obvious."
- JON RUSSELL, KFOG:** "San Francisco and the Paris of the United States."
- KAREN ANDERSEN SMALL, WGIR:** "California, because it's warmer there than here. New Hampshire winters are just too long."
- BOB SHOWACRE, WHFS:** "Right here because we're the only ones who do what we do."
- MICHAEL DAVIS, KFMG:** "After twenty Minnesota winters and the fact that the Southwest has always intrigued me, I feel right at home in New Mexico. Four years of mountain life makes me never want to leave. The only thing I long for is water. To answer the question, a warm climate and water."
- INESSA YORK, KGON:** "San Francisco because I still hear good radio there and because it's the most beautiful city in the world."
- BRIAN ILLES, WCCC:** Fort Lauderdale/Miami, Florida. You want to know why? Tune in Friday nights at 10, pal. I've lived that good life and I'd do it again at the drop of a hat, or the drop of anything else the Coast Guard doesn't beat me to."
- BOB KRANES, WBCN:** "It would be in Boston because after my travels over the past 2½ years, Boston is one of the most musically healthy, musically stimulating places on the planet!"
- JEFF MICHAELS, KSQY:** "On the West Coast, because I've never seen the ocean!"
- DOUG CLIFTON, KBCO:** "It's tough to beat where I am now. KBCO is a dream station in a dream location! But, looking past Colorado, I would have to say the Northwest (Vancouver, Seattle or Portland), or the Northeast (Toronto, or possibly, Portland, Maine); the reason being that those places have a lot more water than Colorado does."
- AMY DAHLMAN, WAQX:** "Hawaii, cause of the surf."

NEXT WEEK'S QUESTION: Following up a question discussed at the AOR meeting at last week's T.J. Martell Rock 'N Bowl, what's your feeling on music and program directors dealing with record companies in terms of time buys, promotions and related airplay support? Is it ethical for programmers to directly solicit such support? Should it be left to the sales departments? And do you feel record companies have followed through in backing up your airplay?

Radio Action

- WHJY, PROVIDENCE, RI ASST. P.D.-GLENN STEWART:** "Vacations!!! As you read this, I'm enjoying mine. Adds will be ready this week at Tuesday, 3PM as usual, and music talk can begin anew next Monday when I return. But this time, my hours will be different. I'll be handling the 10AM to 2PM shift, so the early bird can catch me 9AM to 10AM or later, 2 to 4PM...Congratulations are in order for Joe Ianello and Charlie D'Atri on their ch-ch-changes...Welcome back Bob Seger, the consummate American rock and roll artist. 'Like A Rock' is 'Night Moves' ten years later...Another New England band is ready to take off - the Neighborhoods have cranked up 'W.U.S.A.' and you shouldn't mind sharing those call letters with yours. Watch out America!!!... Hey, if we've added Seger's 'Like A Rock', and the Neighborhood's 'The High Hard One' album, does that mean that HJY is between a rock and a hard place? Sorry, just asking."
- KSJO, SAN JOSE, CA M.D.-KEN ANTHONY:** "Many thanks to Jon Scott, John Schoenberger and many of the radio and record folks who made this year's rock 'n' bowl party a smashing success. Thanks also to Jon Kirksey, Alan Wolmark, Jeff Naumann (the station wagon king), Ray G., Rock D, and all the other record folks for all their fine hospitality...Finally, congrats to two former KSJO rockers, who've landed primo gigs at KNAC: Paul 'Lobster' Wells and Tawn Mastrey. You guys deserve the best."
- WHCN, HARTFORD, CT ASST. P.D.-BOB BITTENS:** "Effective immediately, HCN's music department has a new phone number. It is 203-724-0600. This is a direct line to my office. I can be reached at this number Monday through Thursday 3:15 to 5:30PM. Please note that I will no longer be taking calls on Friday afternoon. Adds will still be available as of 10AM Tuesday at the main switchboard number, but all other music related callers should use my direct line."

RADIO ACTION CONTINUED

KZEW, DALLAS, TX M.D.-CINDY BAILEN: "The Bob Seger Lp is loaded with deep cuts. My fave so far is 'Sometimes', but 'Like A Rock' and 'Miami' are right behind...Have you heard the BoDeans? So far I can't take it off the turntable. I had heard the tape of 'Runaway' years ago when it was played on Boston college radio station. I'm so glad they got signed and I hope they happen...Krokus sounds like they've got their first shot at mass appeal...And the Moody Blues record is as good as anything they've put out in the last fifteen years...Three records on my 'soon as possible list': Giuffria, who deserve congratulations for doing the first Mink DeVille cover I've ever heard (Editor's note: Moon Martin's 'Cadillac Walk?'), Icehouse (sounds more like Bryan Ferry than the new Bryan Ferry record), and the Rave Ups. This band shouldn't have been left off of the 'Pretty In Pink' soundtrack, but I think they'll make it even on their own...Enjoyed meeting Rob Jungklas in L.A. He seemed like a real down to earth guy. The record is in - good lyrics and he sings them like he means it."

WLWQ, COLUMBUS, OH M.D.-LEE RANDALL: "Van Halen's '5150' top selling record, exploding at every level retail, number 1 single, number 1 requests, grand slam!...Robert Palmer at a strong number 2 followed by the Rolling Stones and Heart...Other sales movers: Honeymoon Suite, The Outfield, Mr. Mister, all top twenty...Number one CD in our market: Heart...While the best of the new music continues to flow in and hit the turntables/CD players, one group stands out, The Cult. If the chance arises to see the band, don't cheat yourself. A great raw edge for a band who is musical, strong and creating quite a street buzz in the early stages of their marketing. A pleasant group of chaps who'll make the adrenalin flow once again after too many mediocre shows...Best interview of the week: Robert Prosky who helped us out with sports last week and we'll help him out with the rest of the country May 25th...After studying a number of publicity shots, the question might be who is footing the bill for the different color wigs Ann and Nancy Wilson are wearing? Could this be hairola?"

WSKS, CINCINNATI, OH P.D.-MARTY BENDER: "Hey, I'm not going to Cleveland, there's no AOR there. Oh, wait, what am I saying. There's AOR in Cleveland. It's in the antique wing of the rock and roll hall of shame."

KGON, PORTLAND, OR M.D.-INESSA YORK: "It was a couple of weeks ago but for the record, we had a wonderful 'rising star' show with the Del Fuegos and you know they still continue to be in the top five phones this week...There is life beyond Phil Collins...Next week a free concert with Tommy Keene. It feels very good to be supportive of rookie rock...Meanwhile, heavyhitters will be heavy hitters and the air is certainly dominant now with these sounds of Seger, Van Halen, and the Rolling Stone. But I'm glad to say that in between we are managing to squeeze in Icehouse with their ecstatic rhythmic lust, you name it sound... I really like that Loverboy track 'Lead A Double Life'. Sounds so different from typical Loverboy fare. I think it's really wise for them to show off a different side of themselves."

WCCC HARTFORD, CT M.D.-BRIAN ILLES: "Amazing retail story of the week is 'Turbo' from Judas Priest. Second week on the chart and already top ten sales. There's a killer song on the end of Side One called 'Rock You All Around The World' and it is personally responsible for wearing out two styluses on my turntable at home. It's such a hot song I'm afraid it would melt the poor old CCC transmitter. It may not be for your station, but if you like to rock and roll, you owe yourself a listen to this one...Also doing strong with retail and requests is INXS and this week we go with perhaps the strongest cut on the record: 'Listen Like Thieves'."

WYNF, TAMPA/ST. PETERSBURG, FL ASST. P.D./M.D.-RON DIAZ: "Last week The Outfield played to a sold-out crowd in Tampa and the band was phenomenal. It was a real pleasure watching the crowd throughout The Outfield's high powered set. 'Play Deep' is loaded with hits and we're now on our third, 'All Of The Love'. 'Play Deep' is a great Lp from a hot band that gets the job done on vinyl, and on stage...Another great bowling party. Great seeing everyone. Nice shirt, Mr. Hard."

WMMR, PHILADELPHIA, PA M.D.-ERIN RILEY: "Well I've returned with many less brain cells, I might add. As always, the bowling party was the highlight of my year. More fun than a white woman should be allowed to have. Being away, the only way I was able to hear the new Bob Seger Lp was to listen to David Perry on KMET. Being that I got so excited when I heard 'Sometimes', I nearly drove off the Ventura Freeway. We've added it...oops, I'm experiencing brain shutdown. More next week."

WNEW-FM, NEW YORK CITY, NY M.D.-MARK CHERNOFF: "Well, we did it, 2 million rock and roll records and still going. We gave away a \$40,000 Porsche to a winner who guessed song 2 million, which was Argent's 'God Gave Rock And Roll To You'. Over 1 million entries for the contest with a buzz that was heard over the entire New York metro area...The superstars keep on coming - Bob Seger, Moody Blues, and a funky Bob Dylan With The Heartbreakers. plus we world premiered the new Lou Reed song 'No Money Down'...In the 'sounds good to me' category: Rob Jungklas (I hear some Bowie, Cougar and Warren Zevon)...And also looking forward to GTR and 38 Special."

CFNY, TORONTO, CANADA ASST. P.D.-DON BERNIS: "Gotta tell ya about a great concert last week with Simply Red at the El Mocambo (yes, the same stage where the Rolling Stones once played). Mick Hucknell & The Boys (and girl) are most definitely a band to be reckoned with. They blew the house away with a tight, tight set of hot funk, blues, jazz fusion and dance rock. It took them about two songs to win over the normally staid audience which is a feat in itself. And when everyone got up and danced at the end of the show, I knew I was watching a hit act...I thought David Bowie would continue to dominate our airplay chart with the stunning 'Absolute Beginners' (here is an instance, by the way, where the 12" is far superior to the album track/single), but it turns out that the hottest single we have on the air right now is 'April Fool' by Toronto's Chalk Circle. In fact, the reaction to this record is so strong that some U.S. labels ought to consider seriously getting the rights for it in the States...The latest Pet Shop Boys single 'Love Comes Quickly' is also pulling mammoth immediate requests and a ton of airplay. You'll find it on the hot selling Lp 'Please' along with 'Opportunities', the Boys follow-up British single to 'West End Girls', plus there are several other strong tracks on this Lp which may not be corporate enough for some, but sure is successful for us. And thanks to the Pet Shop Boys for stopping by for a live mike interview...I can't end these comments without mentioning the phenomenal success we're having with the 'Pretty In Pink' soundtrack: Suzanne Vega, The Furs, New Order, and OMD are all solid hits here and the latter two have real hot 12" remixes available as well...This week's hot add: Feargal Sharkey's 'Someone To Somebody', a track we missed the first time on the Lp, but is super strong nonetheless."

WBCN, BOSTON, MA ASST. P.D./M.D.-BOB KRANES: "As I stepped off the airplane in Los Angeles, I telephoned the radio station to find out that Prince had just put tickets on sale to a performance at the Metro, Boston's premiere rock and roll club. Needless to say, I was a bit disappointed to be over 3,000 miles away, but what took place during the next few days was well worth it. A great time was had on the links and on the lanes. Thanks to Jon Scott and Marsha Costa for a job well done. Apologies to Bill Hard for bowling one of my worst games ever. But thanks for letting me roll with the rockers from Cherry Hill. Thanks also to Drew Murray, Champion Entertainment, Polygram and especially John Cougar Mellencamp for one of the most exciting rock and roll shows ever...Well, this week is gonna basically be a catch up week. The Rolling Stones and Van Halen continue to explode. Two great albums that we have the pleasure of playing the shit out of...Journey debuts Top 10 requests, as does Prince's 'Kiss'...We are hard at work on the 1986 WBCN Rock And Roll Expo that takes place on the weekend of April 18. More info to follow...Charles Laquidara's Big Mattress Song Of The Week: Fiona 'Living In A Boy's World'...P.S. Thanks to RCA for their hospitality and thanks to the Droid for all the CD tips. Special thanks to Atlantic for all of their hospitality. Great to see Martee Lebow and Fiona out in LA, but the biggest treat was seeing Tunj. Once again, Atlantic were the hosts with the most, even though Buch was on crutches."

SYRACUSE, NY P.D.-ED LEVINE: "Thanks to Howie Castle and Superspots for the terrific custom spots, combined with Billboard's cash giveaway and bumper stickers, equals a \$100,000 spring campaign. Syracuse's never seen anything like it."

BOULDER, CO M.D.-DOUG CLIFTON: "Bob Seger 'Like A Rock' takes me back to the album that made this band big in the 70's, 'Night Moves'. The songwriting is powerful and the melodies are sweet. This is definitely Bob's best effort in the past decade...A song that knocked me out on first listen is the new release by Bruce Hornsby And The Range, 'Every Little Kiss'. This song has more hooks than Kareem Abdul Jabbar. I can't wait to hear the rest of the album...Other strong efforts this week: Moody Blues, Icehouse, and Paul Brady. On the instrumental side, listen to Art Of Noise, 'Peter Gunn Theme', and the new Lyle Mays... Lloyd Cole proved to me that his band is going to be a contender with the superb show at the Rainbow...Tommy Keene's set was also very powerful. Thanks to Larry Butler for the opportunity to meet with the band... Congratulations to Bob Margolis on his appointment as the new local Geffen rep."

SAN JOSE, CA M.D.-CANDI CHAMBERLAIN: "And yet another smashing successful 'dancin' in the ruins' weekend goes into the scrapbook. Thanks to Jon Scott and everyone else responsible for the T.J. Martell bowling fund raiser. I would like to extend my own special personal thanks to Kellie Castruita, Tony Berardini, and Gino Mitchelini for what I consider to be one of the most seriously memorable times I have ever had...On the musical front, I'm really excited about the Giuffria song. Excellent remake of Mink DeVille's 'I Must Be Dreaming'...The Moody Blues have come through with one of their most catchy and yet melodic pieces ever...Robert Palmer is not letting up with the 'Riptide' album --look out, here comes 'Hyperactive' and it'll burn up the turntables every bit as well as 'Addicted' did."

PHOENIX, AZ ASST P.D.-CURTISS JOHNSON: "This week there are a few changes around 98 KUPD. Some air-shifts have changed along with my music hours. I'll be on the radio from 10 A.M. til 2 P.M. from Monday thru Friday and accepting music calls 2 P.M. thru 5 P.M. Wednesdays thru Fridays. Music adds will be ready by 10 A.M. Tuesday...Musically this week, Giuffria 'I Must Be Dreaming' finds itself on the radio. I hear a smash. I was telling Bob Osbourne if the MCA promotion staff can't land this one in the Top 10, they're light...Bob Seger has given us a very solid album, even though it sounds as if Bob has occasionally plagerized himself. Listen to 'Night Moves' Against The Wind'...or 'The Ring' maybe? 'Tightrope' has a refreshing sound. 'Like A Rock' is solid and 'The Aftermath' is a great one for drumming on the dashboard on the ride home... How could I not add the new Joe Jackson 'Wild West' looking out my window, staring at a Saguaro cactus and Camelback mountain in the distance? The production is sterling--I can hardly wait for the CD."

CHARLESTON, SC P.D.-JON ERDAHL: "Greetings from gay, exotic Charleston! Hot on the turntables this week: The Moody Blues, which is testing great with females and males--nice song for mornings and middays. Anxiously awaiting the release of their new album. According to all sources, it should be a h-o-t one!... The Howard Jones is fantastic! Combined with the new Joe Jackson album, these two cuts add a nice texture to give our listeners a break from some of the harder edged material. Don't be afraid of this Howard Jones cut. Males voted 80% 'yes' on this one. Go with the gut...Also, my apologies to Richard Pachter, who should have been given credit for the Jimmy Barnes phoner! Richard Pachter is a rock 'n roll god and I just hope he will forgive me for giving credit to his brother, Steve Pachter, whom I don't even know, and who never calls me at the FOX because I'm out of his local territory. See if I ever take Steve Pachter side hill gaucho hunting in gay, exotic Charleston!...R. G. Jones officially takes the helm as the FOX Music Director next week. Call him anytime from noon to 3PM Monday through Wednesday...The Spring is great down here in Charleston, with some of the hottest rock 'n roll these here parts have ever seen. We have Van Halen in concert in Columbia next week, along with Jason And The Scorchers and The Outfield tonight--a complete concert update from your rock 'n roll force--the all new FOX next week...Peace, love and groovy flowers!"

"Tyranny"

WORCESTER/BOSTON, MA M.D.-RUSS MOTTLA: "Space continues to be a problem, with all the superstar product out now--which at first always seems like a negative, but the upside to lots of superstar product mixed with some really appealing new AOR artists like The Call, The Cult, Charlie Sexton and Joe Lynn Turner, make for an exceptionally well-balanced playlist and hopefully great ratings for AOR radio...Some of the things we're looking at for the coming weeks are Giuffria; INXS 'Listen'; and Wax, which sounds like a surprisingly good pop rock record!"

NORTH JERSEY, NJ G.M.-BOB LINDER: "Warning: CD scam! All Disc Music in Trumbull, CT is actively promoting and selling the 'Peppermint Twist'--a three, CD package representing over 50 hits from the late 50's and early 60's. Too good to be true? You bet! Although clearly stating these are the 'original hits by the original artists', these songs are in fact 'sound-alikes'. I should have gotten my clue when I read these songs were digitally mixed...Congrats to Jerry Lembo, heading up Local NY/NJ Columbia promotion!...And, real happy to hear of Fred Deane's top Polygram post!...FROM P.D.-MIKE BOYLE: "What a milestone album from Bob Seger! It was well worth the wait! Our favorite here is 'The Aftermath'...We're real excited about Icehouse! If you have the cassette, check out a song called 'Mr. Big' as a depth cut!...Looking at the new Giuffria and the Rob Jungklas. Both will be stand-out records in the weeks to come!...Late flash: Don't pass on the Eric Johnson project. Whoever found him is a genius! 'Off My Mind' and 'Zap' are real rock 'n roll!"

YORK, PA M.D.-TIM DRAYER: "After listening to the new Bob Seger album, I feel many of the tracks on the album are very strong...The new Icehouse 'No Promises' sounds very good on the radio...Considerations for next week: Big Audio Dynamite; ELO and Loverboy...Spend some time with the BoDeans 'Fadeaway'. It makes very interesting listening...Last weekend, I spent some time in Boston and I had a chance to check out a lot of rock radio on the East Coast. Lots of good stations, especially WHJY in Providence, RI. You guys sound great!"

POUGHKEEPSIE, NY M.D.-PAM BROOKS: "The week starts off with a monster new song from the Moody Blues. Good male phones happened immediately; and if the rest of the album stands up to 'Your Wildest Dreams', it's going to be a seriously interesting record. The Moody Blues have given us some of music's most memorable classy classic songs, so it's always a treat to spin something new in hopes that it, too, will follow suit in that genre...With every spin, I l-o-v-e the new Katrina And The Waves more and more. Chalk me up as one of the biggest Aretha Franklin/Motown-sound fans, and 'Is This It' gives me the same feeling--the same rush of energy, and excitement. What a h-o-t follow-up to their previous smash! And what a great way to exhibit the group's talents. I'm impressed...Echoing Mark DiDia's words, 'this Lp kills me', I can't find a song on Van Halen's new '5150' that doesn't click with the first listen and doesn't burn up the phones on first play. Eddie and Sammy use every inch of this vinyl to perfection. Every note sung and played is right on the money, and our fourth nod goes to 'Love Walks In'...I'd said a few weeks back that I was hoping for something deeper on the Seger Lp, and fortunately I've not been disappointed. 'Tightrope' is a pleasure--the best I've heard from this band in a long time. Very 80's sound--it's full of life and energy, and I think it's the track to focus in on. But, I'm also into 'Like A Rock', 'Miami' and 'The Aftermath'."

PROVIDENCE, RI M.D.-ALISON STEWART: "The story on The Cult is if you play this pure second generation rock 'n roll, you'll get the phones! Ask anyone in Providence or Boston! The Cult is #1 requests with 'She Sells Sanctuary'...why no one thought of this duo before is beyond me: Howard Jones and Phil Collins is a natural combination, like peanut butter and jelly--gin and tonic--and cognac and baloney. 'No One Is To Blame' is more than well-produced. Sleek as hell and four minutes and ten seconds worth of h-i-t!...Triumph is a good word for Bob Seger. He has taken an impressive and mature approach to his new album. It's so-o-o refreshing to see someone grow with time, rather than resting on his superstar laurels...Adds this week included: Big Audio Dynamite 'Medicine Show'--it's a great little song that hustles along and is tattooed in your head before you know it!"

KPOP, SACRAMENTO, CA P.D.-CARMY FERRERI: "If you don't hear the Models on your turntable, put it on the air. This one will grab your ears and pull them right off your head...Honeymoon Suite's 'Bad Attitude' has a feel much like 'New Girl Now'. 'Feel It Again' was a bit of a departure for the Suite, but this is the kind of song that put them on the map in the first place, and it's the sound that will make this band happen."

WRKI, BRIDGEPORT, CT M.D.-MARK DEVINE: "I don't know if it's going to bring him back to mega-star status, but I like the Bob Seger Lp. We've added the two best cuts 'Like A Rock' and 'Sometimes'. The title cut is him at his best...And while we're on the Capitol label, another great Lp from Katrina And The Waves."

WKDF, NASHVILLE, TN M.D.-DAVID HALL: "I was raving about 'No One Is To Blame' back when 'Dream Into Action' came out. Now that Howard Jones has enlisted Phil Collins and Hugh Padgham for another take, he just made a good thing better...I think that the gems on the Seger album are 'It's You' and 'The Aftermath'...It's good to have the Moody Blues back, and I hope they give me a personal break and stop in Nashville on tour... No hesitation here on going with Heart's new single. Coming off a huge #1, they won't be denied. 'Nothing' At All' will continue the comeback...That's all the time I have this week because I've got to get back to work on Form 1040 and Schedule A."

KLAQ, EL PASO, TX O.M.-NAT LAMP: "KLAQ has declared April as Laser Rock Month. We'll be passing out a Taser rock machine every weekday throughout the month. We want to thank these people for helping us out with the promotion: Rob Sides and Elektra Records, June Colbert and Arista Records, Marko Babineau and Geffen Records, Jon Kirksey/Joe Bravo and Epic Records, J.B. Brenner/Dick Merkle and A&M Records, Bob Conrad and Columbia Records, James Bishop and Capitol Records, and Bubba Wayne and MCA Records. Without these fine people and their companies, we would've had to resort to giving away a house--and who wants to do that?"

WRCN, LONG ISLAND, NY M.D.-WAYNE SUMMERS: "We made one of our listeners very happy this past week with a set of Neil Pert autographed Tama drums (the brand Neil plays). It was a drums/Rush promotion to tie in with their recent date at Nassau Coliseum and proved to be one of our most successful thus far...Count us among the early believers on the Rob Jungklas. There're strong vocals and a Springsteen feel on 'Boystown'. Deal with it now or play catch-up later...Upon first listen, I was blown away with 'No Promises' from Icehouse. It's my kind of music. If your market has a lot of Genesis fans, they should love Icehouse... Probably the best balladeer of our times is Mr. Bob Seger. 'Like A Rock' shows Bob's talent at songwriting and is in a league by itself. I especially like 'Somewhere Tonight'...Until next week, remember nature's creed 'Use It Or Lose It'."

KICT, WICHITA, KS ACTING P.D.-LEE ROBERTS: "This past weekend, while I was reliving the NCAA final four, and working on a four day stubble, I happened to come across an album that two months ago I raved about! It's the Jeff Paris Lp. Programmers--listen for yourselves! If Side 1 doesn't have at least 3 possible airworthy cuts, I'll eat my air Jordans...Polygram sent up two 12's, the last being 'Mystery Girl', and now 'Back On My Knees'. Personally, 'I'm Better' and 'Don't Make Promises' are in hot rotation at my house. Remember when we said John who? and Brian who? I really think this guy is another Jon Bon Jovi or Bryan Adams. I'm really gonna try and get this guy on my radio station. I really think it's a h-i-t...Thanks to Bob Finot of RCA and the ever beautiful Sharon White of MCA for making Wichita a little better...And one last thing--To Paul Brown at Atco: 'Jr. Ried signs with the Tar Heels in '87, and I'll see you in New Orleans!'"

KLPX, TUCSON, AZ P.D.-ARIN MICHAELS: "Second week out, and just watch that Joe Jackson record spin off the turntable and out of the stores like a lunar frisbee over the Palo Verdes and rugged rocks, where reality is a frightening fact of life. Nice to know people here in the old Pueblo appreciate exactitude. Top 10 sales and requests. You can't beat it, so jump on the buckboard and join us. It's real!...Krokus is gonna be a bin burner too. Their previous work has been leading up to this one. Nice craftsmanship, great hooks and showmanship to match, once they get on the road. They are much more than metal (even Swiss metal--or metal from Malta--Arkansas maybe?)...On the ethereal end of the scale, the Moody Blues may tip in a bit light, but this one has all the earthly goods it needs. A nice melody that'll grab your sensitive side when you least expect it. From the female point of view, it's a natural. Go for it guys!...P.S. FROM MARGIE: "Hi! I'm still recuperating from Bowling Mania. What a night--I loved it. When can I move in? Thank you Jeffrey and Jeff for saving our lives with rides to and from!"

WLIR, LONG ISLAND, NY M.D.-LARRY "THE DUCK" DUNN: "WLIR's party of the year ended up being our greatest non-conformal ball ever! What a night at the Ritz--a superb performance by the Hoodoo Gurus and a memorable set by special mystery guest, Lou Reed. His first performance in New York in nearly two years! Special guests at our ball included Joey Ramone; Fred Schneider (B52's); Lee Rocker; Professor Irwin Corey; Neville Keighley (Belouis Some); the cast of Toxic Waste; John Scher; and Jimmy Page. We would like to especially thank all of the Bangles for spending time on-the-air the afternoon of the ball...I love that new Roaring Boys single. If these guys stay on track, we can look forward to greatness and longevity from this British band. Just go back and check out their last import single, 'Every Second Of The Day'...Duck-Pick-To-Click: Icehouse 'No Promises'. We're talking one of the biggest LIR import faves for the last five months. From the producer that gave us Bryan Ferry and Roxy Music--Rhett Davies, gives us the sure-shot that I'm confident will cross over to Hitsville, USA...Screamer-Of-The-Week: Pet Shop Boys 'Love Comes Quickly'."

WAPL, APPLETON/GREEN BAY/OSHKOSH, WI M.D.-RICK PANNECK: "Another Wisconsin band has put out a great debut album! BoDeans is classic American rock 'n roll. I can't stop listening to this. There's definitely a 'Wisconsin Scene' happening here. Both the Violent Femmes and BoDeans come from Milwaukee! The diversity in both bands' approach proves that there's more to Wisconsin than beer and the Green Bay Packers...I have to give Journey credit for not doing any videos for the new album 'Raised On Radio'. But, then again, Joe Jackson has been doing that for years. I'd like to thank Warner Brothers' Nancy Stein for all the help on the Violent Femmes show...Thanks also go out to Columbia's Dave Remedi for the Loverboy concert."

KFMG, ALBUQUERQUE, NM M.D.-MICHAEL DAVIS: "Springtime and rock 'n roll--tough to beat! Rock 108 is five deep on the Seger record, obviously plenty of depth on this record!...How 'bout the Moody Blues? Justin has penned another ear catcher...'86 is off to a successful start for the band Giuffria. 'I Must Be Dreaming' is really tight--one of those relateable type records...The Heart Lp continues to sell locally and nationally! We have no problem with getting 'Nothin' At All' on-the-air. Don't miss the cleavage tour (they made it up--not me!)!"

WIOT, TOLEDO, OH M.D.-RICK VAN GIL: "The magic is still with Bob Seger. 'Like A Rock' is rock-solid all the way through. The Lp is a good mix of rockers and ballads, and you know it's just not Springtime without the Silver Bullet Band on the radio...The new Moody Blues tune is really pulling in upper demo phones. 'Your Wildest Dreams' is better than Mr. Sandman's best magic dust!...I'd love to waste more of your time but after one game, the Cleveland Indians are in 1st place and for the time being, the shock is just too damn much!"

KBER, SALT LAKE CITY, UT M.D.-ROB ROMAN: "Knowing Krokus' track record, the new 12" will do very well and is worthy of major airplay. But, if you're a fan like we are, you know there'll be even better stuff on the Krokus Lp...Don't discount the new Moodies after an initial listen. It will grow on you, and we're seeing strong, early phone response from the over 30 crowd...Joe Jackson's 'Right And Wrong' has all the hooks you need, plus the unusual way it was recorded makes for the ultimate pre-sell on-the-air. Once again, Joe defies categorization!"

WIXV, SAVANNAH, GA O.M.-BILL WESTON: "It is great to be back in the ranks of AOR. It's been over two years since the glory days at WGRQ. Don Henley sings 'Don't Look Back, You Can Never Look Back', and Ian Anderson sings about living in the past; so why am I still reporting to Paul Heine?!...Music: Some good some; well...The Loverboy is down right confusing. Sounds like Devo singing 'Subterranean Homesick Blues'-- the guitar break is great however...Honeymoon Suite 'Bad Attitude' reminds me of what John Lennon would have sounded like without Yoko in the studio. This is rock 'n roll with the bite of a Georgia gator! If you haven't already, go back and put 'New Girl Now' into RC...My favorite release of late: 'Reconciled' The Call is worthy of Talking Heads' comparison and more. Who remembers 'The Walls Come Down'? You want a substantial album side? Track side one!"

WKQQ, LEXINGTON, KY M.D.-ROB ELLIS: "Talk about great non-offensive--a real comfortable sound--The Moody Blues are right on track with 'Dreams'. This song is so-o-o good...We were one of a handful of stations to play Mink DeVille's 'I Must Be Dreaming', and we had a real nice run with it. The cover of this tune from a name band like Giuffria is a true winner and Greg and the boys sure do give it a nice rock 'n roll edge... A real class sound from Icehouse this time around. It has kind of a Bowie/Bryan Ferry kind of a feel. We picked up strong immediate phones on Joe Jackson 'Right And Wrong' and Honeymoon Suite's 'Bad Attitude'."

KMBY-FM, CARMEL/MONTEREY, CA M.D.-PATTY MARTIN: "ADDS: Journey 'Be'; Moody Blues 'Dreams'; Models 'Out'; Robert Tepper 'Walk'; Jeff Paris 'Knees'; Krokus 'Burning'; Bob Seger 'Tightrope'; Alarm 'Absolute'... It's said that this happens just because of the deluge of product with bands that have name value. We here at FMX feel an obligation to give our listeners the best music available to them. The Del Lords have earned their way to power rotation this week!"

More, yes, more from Van Halen. 'Love Walks In' is, in one word, BIG...Howard Jones when teamed with Phil Collins adds female listeners in droves. No exception to the consistent quality found on the rest of the Lp...Another great combo with Dylan With The Heartbreakers. Upper demos, yes...More 18+ with the Moody Blues. No doubt these guys can still do it!"

I put it on on Friday and we've had steady phones and steady on-air exposure ever since! It's worth taking a real good look at!"

WKGR, WEST PALM BEACH, FL ASST. Steve may not always enunciate, but he sure can sing!...If you need a kick butt and take names attitude to inspire you, Chuck Poet is the man to talk to! The man is ready to take us over the top--look out Northern Michigan!"

WBLM, LEWISTON/PORTLAND, ME M.D.-ROBIN MATHIEU: "The Seger album was certainly worth the wait! Seger's sound takes a welcome turn with 'Tightrope' and 'Miami'-- sounds to me like classic Seger we'll play forever... We're getting lots of positive phone and sales response on INXS. 'Listen Like Thieves' shows even better early reaction than 'What You Need'...And with the widened appeal of INXS, I'm hoping for the same performance from the Models--a band with a similar sound...The new Joe Jackson has the edge of the 'Look Sharp' album along with the mass appeal of 'Night And Day'. Best of all, it sounds like nothing else we're currently playing...Thanks to Elektra's Karen Durkot for a stunning performance by Simply Red. The limo was nice too!...Personal to Pete Litman: Stick with those fruits and juices and whatever you do, avoid anything that looks chicken-ish!"

WMGM, ATLANTIC CITY, NJ M.D.-AL BRANCA: "I've always been a great Journey fan, and 'Raised On Radio' just adds fuel to the fire. 'Be Good' goes from heavy to power. We'll go four or five deep into this Lp, no problem...Joe Jackson is really growing on everyone here--What a talent! How many musicians can cut an entire Lp in one take and be happy with it?...Adds this week: Moody Blues 'Wildest Dreams'--dead giveaway on first listen; Icehouse 'No Promises' -- my favorite add this week, such a haunting melody that got instant phones on the first play; Tears For Fears 'Mothers Talk'--great remix; Krokus 'Burning Up The Night', and Bruce Hornsby and The Range 'Every Little Kiss' -- don't overlook this track. I think it's got great potential--very original and hooky!...Top Five from the world's playground: Van Halen 'Why Can't This Be Love' still reigns #1; Ozzy Osbourne 'Shot' #2; Journey 'Be Good To Yourself' is #3; Pet Shop Boys 'West End Girls' debuts at #4; and Rolling Stones is #5."

WTKX, PENSACOLA, FL M.D.-J. D. STONE: "Like to thank Bobby B. from Warner Brothers for getting the staff backstage at Van Halen. We had a great time!"

WTCS, FAIRMONT, WV M.D.-SCOTT REPPERT: "ADDS: Tears For Fears 'Talk'; Simple Minds 'All'; Dokken 'Unchain' (Re-add); Translator 'Gates'; Roaring Boys 'House'; Hurricane 'Arms'; Loverboy 'Lead'...CONSIDERING: Doug Wain...MOST REQUESTED: Rolling Stones; Van Halen; The Firm; Krokus; Blue Oyster Cult...INCREASED PLAY: Hoodoo Gurus; Krokus; Judas Priest; Husker Du; Howard Jones...INCREASED SALES: None."

It's a well deserved vacation, and they make it a pleasant one...The Roaring Boys 'House Of Stone' is going to be h-o-t! You may not like it at first, but it will grow on you and the audience will pick up on it quickly, as ours have...Icehouse may just achieve commercial success with the song 'No Promises'. It is a very, very good tune and very well produced!"

WRUF, GAINESVILLE, FL M.D.-VIRGIL THOMPSON: "The title cut to Seger's 'Like A Rock' reminds me of 'Night Moves', but not in the same way. 'American Storm' reminds me of 'Even Now'--you know what I mean? 'Like A Rock' is one of those classy tunes that adds sophistication to a radio station...We were a little slow on The Call's 'I Still Believe', but it took no time at all to become our most requested song once we finally made room for it!...The Moody Blues 'Your Wildest Dreams' is another example of the band's enduring quality sound, and I l-o-v-e that quirky beginning!"

KFMQ, LINCOLN, NB ASST. P.D./M.D.-BOB ALLEN: "Program Director, Tom Barker, has asked me--no, begged me, if he could make some comments this week and I grudgingly agreed to let him have his say, so the following is from Tom..."Who says the Romantics aren't happening anymore? Certainly not Lincoln, NB, as Q102 packed almost 900 listeners into a local club last week for their show. These guys really know how to have a good time and the crowd l-o-v-e-d them. Thanks to personal manager, Arnie Tenser, for everything, including my Romantics staff pass! Also, thanks to Wally Palmar for taking the time to call the station. Looking forward to working with you again. Good luck the rest of the year...Spring has finally arrived in the Midwest and it's good to see a lot of record personnel on the road again. Thanks to Warner Bros. Mary Klinedinst; Buddy Bengert of CBS; and EMI's Ron Geslin for stopping by the station...And, speaking of station visits, our Open House is scheduled for April 29th through May 1st. We'd love to show off our new facilities--ask Bob about the details...Finally, it's Q102's 15th year birthday celebration, and we could still use any ID's wishing us a Happy Birthday and Continued Success in Lincoln!...Thanks in advance for your cooperation!"

WQBK, ALBANY, NY M.D.-PEGGY APPLE: "Ever since Bob Dylan's appearance on Farm Aid, I've looked forward to some vinyl from these masters of music. 'Band Of The Hand' delivers! Can't wait for the tour to hit the Northeast...Bob Seger's new album is aptly titled. 'Like A Rock' shows how solid Seger still is. We're getting a good response to 'The Ring'...A band we jumped on from the very start, The Models, get the Golden-Apple-Award this week. 'Out of Mind Out Of Sight!'"

WTOS, SKOWHEGAN/BANGOR, ME M.D.-DUANE SHERMAN: "ADDS: Moody Blues 'Dreams'; Bob Dylan 'Band'; Howard Jones; Krokus 'Burning'; Doug Wain 'Stay'; Heart 'Nothing'; King 'Alone'; The Roaring Boys 'House'; Bruce Hornsby 'Kiss'; Rob Jungklas 'Boys'; Charlie Pickett 'Seka's'; The Fall 'Rollin Danny'; Dolphin 'Giants'; The Damned 'Eloise'; Zietgeist 'Atlantic City'; Danny Wilde 'Isn't'...MOST REQUESTED: Joe Jackson; Julian Lennon; Violent Femmes; Psychedelic Furs; The Models...INCREASED PLAY: Psychedelic Furs; Suzanne Vega; Journey; The Models; A Flock Of Seagulls...Big week for releases. Most notably, Bob Dylan With The Heart-breakers, and the Moody Blues. Both have already won a place in my heart...Get on The Cure's 'Close To Me'. What a great, extended mix of that song! Robert Smith's voice is incredible!...Yes, Rob Jungklas sounds like David Bowie, but the lyrics to 'Boystown' are very un-Bowie...Also noted this week some great new releases from The Fall; The Damned and Charlie Pickett--who, by the way, does a great instrumental called 'Seka's Wedding'. I guess you can make up your own lyrics!...The Models go into a heavy rotation this week. What a hook that song has...PICK OF THE WEEK: 'The Bolshoi' on I.R.S. This band is going to do very well for college and progressive radio. The title cut 'Giants' is a killer track. It sounds like Echo And The Bunny-men meets Jesus And Mary Chain meets REM...Until next week, stay out of uniform!"

KWHL, ANCHORAGE, AK M.D.-KEVIN VARGAS: "In 1983 I met Krokus! I was not impressed. Their crying because the women were chasing after them and labeling their hometown, Peoria, as a shitty little town--really jaded my opinion of them! Their last album was a pleasant surprise to my ears, and they regained some respect in my eyes with their press release claiming there was too much violence and abuse of women in heavy metal songs. They claimed they were getting back to writing songs about the positive fun of the rock 'n roll lifestyle. Now, with their new song 'Burning Up The Night', I'm very pleased to say we are playing that h-o-t tune. I haven't entirely forgiven them for being assholes, but they were kind of friendly and I guess I just don't understand all the pressures of being a rock 'n roll star. I hope this band has gotten a little smarter in the PR field, while improving on their heavy metal sound. If the album is anything like the advance, Arista could have a huge s-m-a-s-h in their possession!"

WKFM, FULTON/SYRACUSE, NY P.D.-STEVE BECKER: "I've been a Moody Blues fan for the last 20 years and their recent efforts have been a let down--until now. Their search for the lost chord in 'Your Wildest Dreams'--the soaring harmonies and catchy melody remind you of the Moodies hey days! Looking forward to the Lp and tour...I've heard mixed reaction on the Bob Seger Lp. That's too bad--the guy hit a peak a couple of years back, and everyone expects more, but how can you give more when what you give is always top-notch? I like the Lp, especially the title track...Of course you can't go wrong when the master legend teams up with the apprentice legend: Bob Dylan and Tom Petty sound great together on 'Band Of The Hand'--destined to be a classic duo!"

KRNA, IOWA CITY, IA M.D.-STEVE KOSBAU: "We continue to be overjoyed with the tremendous success of the Eurogliders and Mental As Anything. Both of these groups have enjoyed an excellent reception from our listeners, especially the upper demos...Greg Kihn 'Love And Rock And Roll' sounds better with every spin. It's the happy Springtime sound that we all crave every year at this time...Heart's 'Nothin' At All' could easily turn out to be the most successful track yet from this Lp...The new Moody Blues' tune is mesmerizing. I'd bet on it to be one of the Top Ten songs of '86!"

KRIX, BROWNSVILLE, TX ASST. KQDS, DULUTH, MN M.D.-JOHN TOWER: "Journey out-of-the-box! HOT with 'Be Good To Yourself'...Icehouse 'No Promises' is a fantastic record and a possible add next week...Bob Seger 'Like A Rock'--fantastic phone response and the album is too new to report sales...Justin Hayward doesn't miss a beat with 'Wildest Dreams'."

The title cut 'Like A Rock' ranks with 'Night Moves', 'Main Street' and 'Against The Wind'--The true Seger classic and our immediate emphasis track...Thanks to Mark Diller at Chrysalis, I've had an Icehouse advance cassette for some time and believe me 'No Promises' is only the first taste from a truly exceptional album!..If you like the Icehouse (or Bryan Ferry), don't miss The Roaring Boys 12". They purr pretty!...A good week for instrumental music with Albert Lee leading the whole batch of Master Serials recordings from MCA, Pat Metheny's keyboard compadre Lyle Mays, and the surprising Steve Bach, one of (many no doubt) J. S. Bach's descendents! Steve's music owns more to Chick Corea than to his illustrious many times removed grandsire, but it's a good gimmick and even better music!"

Record Action

JEB BRIEN, CHAMPION ENTERTAINMENT (212-765-8553): "There's an issue that today is tearing at America's emotions. And there's a song addressing that issue with overpowering intensity. The issue is the loss of the American family farm. And the song is JOHN COUGAR MELLENCAMP's 'Rain On The Scarecrow'. 'Scarecrow's' issues are urgent. As Mellencamp put the finishing touches on the 'Scarecrow' video, 2,200 Indiana farmers received notices of foreclosure on their property. Among those farmers were John Cougar Mellencamp's friends, including the owners of the spread on which the cover for the 'Scarecrow' album was shot! Newsweek said 'Scarecrow' is 'one of the year's best records.' 'Scarecrow's' melody is arresting. 'Scarecrow's' lyrics have what critic Dave Marsh called 'guts and raw nerve.' In short, 'Scarecrow' is everything rock and roll was meant to be. Your listeners have already given 'Scarecrow' their vote. They've bought over two and a half million copies of the album on which it is the title song. And I feel strongly that you'll find 'Rain On The Scarecrow' is a record you can be proud to play. 'Rain On The Scarecrow', the next single, is on your desk now!"

JON SCOTT/MARSHA COSTA, MUSIC AWARENESS PROMOTIONS (818-883-7625): "My heartfelt thanks to all you rock and rollers who helped make our 4th Annual T.J. Martell Rock And Bowl weekend a gigantic success. Not only did we reach our goal of \$100,000, we exceeded it by \$10,000--- \$110,000 for cancer and leukemia research. I can't believe it. I'm extremely proud of all those who worked, helped, contributed, gave time, sponsored, donated, bowled, and golfed. Calabasas Country Club was a rip-roaring success for our first T.J. Martell Celebrity Golf Classic. It was a sell out with such diverse golfers as Tommy Lee of Motley Crue to Jamie Farr of M.A.S.H., to Mike Peters of The Alarm, Greg Giffria, Greg Kihn, REO Speedwagon, Greg Rollie and so many others, too numerous to mention. Kevin Sutter's Icehouse beer chest was a smash, so remember it next year, guys. The golf champions were Avalon Attractions and included Steve Renni, Mike Peters of The Alarm, Val Garay, and Bob Geddes. As far as the Rock And Bowl, I hope everyone else had as good a time as I did. It was a crazy night but one of the greatest gatherings of people in our industry in one place at one time. As far as awards go, the award for best dressed golfers goes to the Goof Balls, or is that golf balls: Nasty, Marko The Sharko and Rambo... Best dressed female with class: Fiona... Best dressed in another class I can't describe: Angeline... Winning bowling team: Chicago... High score: Randy Brown, KEGL, Dallas... Best bowler with the worst form: John Cougar Mellencamp... Best outfit: Elvira (hands down)... Thanks again to all for participating. If you weren't here in Los Angeles, you must make it next year. Thanks to all for making it the greatest... P.S. Quiche, baby, you're the greatest."

PAUL RAPPAPORT, COLUMBIA (212-975-8616): "JUDAS PRIEST is retailing Top 15 and Top 10 around the country. NOTE: Both retailers and programmers are telling us they perceive this as a major blockbuster for the year. 'Locked In' remains Top 5 phones... Check out LOVERBOY's 'Lead A Double Life'. You may get requests for The Cars on this, but what a track!... HOOTERS' 'Children' looks like their biggest at CHR yet, and the off speed pitch is good for album radio as well... BIG AUDIO DYNAMITE keeps coming. Immediate sales and requests are out of the San Francisco market... And now, introducing JOHN EDDIE. Every once in a while you get blessed in this business. Let the music and the lyrics do the talking--this is the real thing!"

MICHAEL PRINCE/PAUL BROWN, ATCO (212-484-6400): "What could be more wonderful. It's Wednesday, April 9th, at 12:00 Noon and both the Mets and Yankees are in first place... If anyone has reservations about 'Hyperactive', the follow-up to the still wildly successful 'Addicted To Love', consider the fact that those who've already switched tracks are seeing virtually no let-up in phone activity--and retailers still can't keep 'Riptide' in stock. ROBERT PALMER is hotter than Needles, CA on a sunny day in August at 12:00 Noon... Similarly, no one is tiring of the PETE TOWNSHEND Lp. It's just remarkable how fresh-sounding the entire 'White City' Lp is. 'Secondhand Love' is a vital, intelligent and passionate track, and that just about says it all. This record needs no hype... Finally, please make an effort to find some time to give a good listen to BOBBY BARTH's 'Two Hearts One Beat' Lp. It's a helluva lot different from that which you expected, we know. Check out 'Dangerous Games' to back-up the 12", 'Don't Come To Me'... PERSONAL FROM MICHAEL PRINCE: "Thanks to everyone who helped make the first annual T.J. Martell Golf Tournament such a rousing success. Hope to see more of you next year... Since you did, thanks for reading."

SEAN COAKLEY, ARISTA (212-830-2178): "The answer this week is to put GTR's 'When The Heart Rules The Mind' into a heavy rotation, and then sit back and imagine how great the CD will sound when it's available in mid-May. Or perhaps to wonder how this'll play live on stage when the tour begins in mid-June. Steve Howe and Steve Hackett are among rock's premiere GuiTaR players. Those of you within distance of our seven listening parties should come meet these guys and hear the album in its entirety...KROKUS scores another strong week with majors and secondaries alike reporting significant phone action. Those of you who think your target 25+ audience is too old to rock should get your faces out of the computer glow and into the street. If you'd look who's buying these mega-selling rock records, you'd be surprised!...We're delighted with the response to LATIN QUARTER. You want something safe and intelligent, well here it is...ARISTA made a few last minute deals before opening day and undoubtedly have the strongest team in the majors. I'd like to welcome West Coast AOR ace Geoffrey Schulman and Mid-West long ball hitter Tony Gates to the rock promotion staff. It's also comforting to have the great double play combination of Johnny Powell (D.C./Baltimore) and Paul Schwartz (L.A./Denver). Great pitching, great hitting, great fielding, under the best manager in the game. It's our year!!...Personal: Thank you Jon Scott and your amazing staff at Music Awareness for the best golf/bowling party ever. It's wonderful to raise so much money for such a great cause and have fun to boot. OUTSTANDING!!"

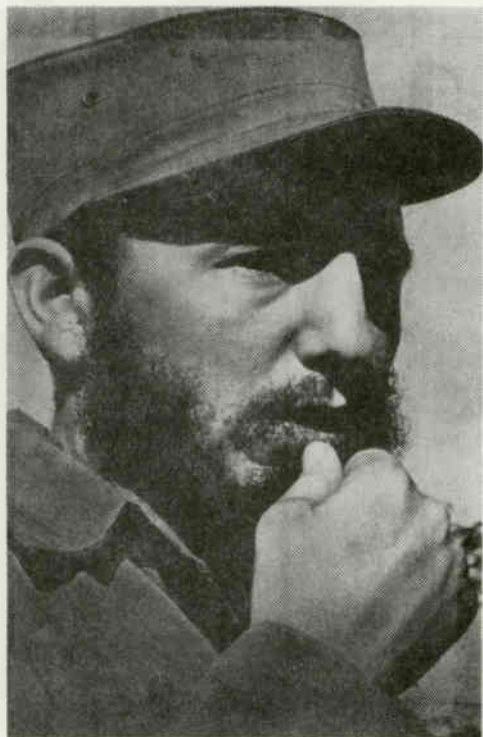

DREW MURRAY, POLYGRAM (212-333-8000): "Later on this week, all you Rock Radio types will be receiving, from your local Polygram rep, a 12" called 'Stars'. The 'band' is called HEAR 'N AID. Yes, it's the same one you've been hearing about for close to a year. Finally, a 'superstar line-up charity song' made with Rock Radio in mind! The artist roster includes various members of (in alphabetical order): Blue Oyster Cult, Dio, Dokken, Giuffria, Iron Maiden, Judas Priest, Motley Crue, Night Ranger, Queensryche, Quiet Riot, Rough Cutt, Spinal Tap, Twisted Sister, Vanilla Fudge, W.A.S.P., and Y&T--along with Carmine Appice, Yngwie Malmsteen, Ted Nugent, and Neal Schon from Journey. To say the song is one of the best Ronnie James Dio (along with band-members Jimmy Bain and Vivian Campbell) has ever written would be an understatement. More importantly, the cause (world-wide famine relief) is still a worthy one; and with 'Stars' you have a song that fits the format. In other words, if there were no cause, it would stand up to practically anything you currently have on the air! Warning: You should order a new bank of phones for the control room now. This song is guaranteed to be among your most requested immediately! Your local Polygram rep will be in touch with details."

RICHARD PACHTER, PROMOTION IN MOTION (305-482-6629): "ROBERT PALMER's 'Hyperactive' sure is!...Don't forget to put an ear to DANNY WILDE's track, 'Isn't It Enough'. You'll love it...Check out that new LOVERBOY tune 'Lead A Double Life'. The live version on the 12" is hot...Boy, that JOE JACKSON album is great...Good luck to Wynn on his new career. Who's next?"

RICK WINWARD, ENIGMA (213-640-6869): "Absolutely the most important deal in Enigma's history has finally been signed, sealed, and now it's time for us to deliver. For those who don't know what I'm talking about, you'll get a hint by noting upcoming articles and full-page ads in industry tabloids. You can expect better product distribution and higher visibility from us soon, with an explanation of what it all means coming from me next week...Visibility is what a three-page spread in People Magazine is creating this week for STRYPER. 275,000 copies sold ain't that bad, and it looks like we'll be cracking Billboard's Top 200 next week after our first six month's run with the record. And, all of this without the benefit of our new big deal, and the confounding circumstances of having a potential hit record on your hands when you haven't been able to beg, steal, or paper your way onto the airwaves in a region before...Watch for the call letters we'll be getting on the NEIGHBORHOODS' high-energy guitar anthem 'WUSA' next week. And proving we're not just looking at a regional phenomenon, the hook has even been heard in Modesto. So get this track on the turntables...POISON AND THE SMITHEREENS are going to be Enigma's biggest radio act ever. We're gearing up now!"

Program Producers

WALT RITTMAN, DIR BROADCASTING (212-371-6850): "Special congrats go out this week to WNEW-FM's Dave Herman and wife Libby on the arrival of a son, Max Charles. Way to go, Herman! Next week, in between diaper changes, Dave, on DIR's 'Pioneers In Music' series, will be tracing the rise of rock 'n roll from rhythm and blues with exclusive live concert recordings and rare interviews with J. Geils; Johnny Winter and Steve Miller bands...Upcoming 'Pioneers In Music' shows will feature British supergroups also with exclusive live concert material. For more details, call your DIR station representative and stay tuned to these pages...Go Yankees!"

The Airplay Index is our ranking system for the amount of play on albums as a whole. We determine rankings by totalling the emphasis points on cuts.

The methodology for our Top 50 markets Metro Index is the same as our Airplay Index, but instead of using the full sample base, we calculate the ranking from airplay reports from the Top 50 markets, as defined by Arbitron.
