JOE WALSH.....FABULOUS THUNDERBIRDS.....INXS AND JIMMY BARNES.....MARILLION  
.....ROGER DALTRY.....THE CALL.....X.....WARREN ZEVON LP.....Y&T LP

### JOE WALSH, "THE RADIO SONG", WARNER BROS.

Joe's obviously a real radio-holic at heart, so it's only natural that his "other career" would lead to this spirited salute to the airwaves. The equitable use of keyboards and guitars sound quite refreshing and once your audio compression gets a hold of this high tech hit, you can bet the world will be singing along. Starting with a simple Phil Spector beat, Joe stacks layers of harmonies, slightly tropical keyboards, screaming guitars and his trademark nasal pipes in a Terry Manning production that's as cool as it is commercial. It's ready for power, bet the tower!

### THE FABULOUS THUNDERBIRDS, "STAND BACK", CBS ASSOCIATED

Leave it to the trendsetting T-Birds, who spearheaded the current roots-rock revival with last year's near platinum "Tuff Enuff" Lp, to throw us a big breaking curve ball like this. Backed by the mighty Memphis horns and produced by Dave Edmunds, Jimmy & company get the joint jumpin' with a wicked round of R&B in the Stax/Volt tradition that cooks from start to finish. Take the rhythm track from "Tuff Enuff" and fuse it with the chorus of Sam & Dave's "Hold On, I'm Comin'" and you're starting to get the idea. So when the time comes, add air and "Stand Back"!

### INXS & JIMMY BARNES, "GOOD TIMES", ATLANTIC

Astute programmers at KLOS, The Loop, KQRS, WCMF, WDIZ and others have been praising and pounding the import for some time, and now thanks to the Atlantic troops, here it is for mass consumption. Pair up two of Australia's hottest exports with a Vanda & Young sizzler like this and it's instant tear-up-the-town, shut-down-every-joint-around rock and roll nirvana. There's always room for a pump it up powerhitter like this and coming off INXS' most successful album ever, why wait? Let the "Good Times" roll!

### MARILLION, "INCOMMUNICADO", CAPITOL

Just when it looked like quality progressive rock was headed for the endangered species list, along comes Marillion with this much needed high texture triumph. "Incommunicado" is a step up in terms of energy--a forward moving, majestic 18-49 mutha destined to be their biggest yet. Mark Kelly's machine gun synth assault gives way to a lilting Who-like chorus in a superbly paced, future Reaction Record that challenges and satisfies. Nice to see a good band on the road to greatness.

### ROGER DALTRY, "TAKE ME HOME", ATLANTIC

Roger takes a walk on the wild side for what's clearly his most adventurous and ambitious solo outing yet. Funky and futuristic, "Take Me Home" has a dangerous after-hours flavor, embellished by Roger's dirty lowdown growling and some highly inventive instrumentation. We've all been anticipating some new moves from Roger and although not apparent on first listen, this heady mix of jazz, jive and quirk guarantees to grab your audience.

### THE CALL, "I DON'T WANNA", ELEKTRA

1985 was a breakout year for The Call, with Top 15 and Top 20 tracks and the unanimous verdict from programmers that this was a band whose time had come. Based on that and the undeniable power, emotion and intensity of the new 12", "I Don't Wanna" should be one easy call. As WXRT's Lin Brehmer puts it, "Combine the most urgent vocal delivery this side of Bono Vox with an unforgettable refrain and you've received the Call, a band whose maturity is balanced by their passion." Larry Miles, KOMA seconds with, "The new Call record is just phenomenal!"

## X. "4TH OF JULY", ELEKTRA

They've come a long, long way since their L.A. beginnings and nowhere is it more apparent than on this seasonal, homegrown guitararama. Exene's and John Doe's voices weave and blend together the way Kantner & Slick used to in the early days of the Jefferson Starship, while the song is unquestionably their most market conscious to date. WBCN's Carter Alan declares, "X is back in the trenches. '4th Of July' should blast onto radio everywhere. This is a future classic hit." Xstatic!

## WARREN ZEVON, "SENTIMENTAL HYGIENE", VIRGIN

"Hygiene's" cleaning up in statland, with an imposing 30 play hikes--2nd only to Richard Marx this week, 13 Top 5 phone locations (WEBN, WGTR, KXRX, WPDH, KZEL, WXRC), 15 Power reports, 49 Heavies, 160 cume, and chart status to match: 13\* Trax, #14 Most Requested. Sporting an all-star cast--Dylan, Henley, R.E.M., Stan Campbell, Brian Setzer, Neil Young and others, Warren bashes out an Lp that delivers on the promise of that classic debut album. His intelligent, slightly twisted perspective on first rate rockers like "Detox Mansion", "Bad Karma", and "Trouble Waiting To Happen" makes for sparkling stand-out programming material. A comeback record of major proportions.

## Y&T, "CONTAGIOUS", GEFLEN

It's burnin' after midnight as well as all day long, "Contagious" that is. WBCN, WLAV, KZRR, WOVR and CILQ catch it this week expanding the now playing column to a hefty 74 and with 12 play increases (WNOR, WQFM, WYNF, WDHA, KOZZ, KMOD, WKLC), the track sprints 51-43\*. Now for the performance check: 34 stations report Good/Excellent calls and 6 cite Top 5 mentions (KBPI, KSJO, KKDJ, KRXQ, KMBY, KDJK). For more of that potent, power-driven rock Y&T style, simply sample these impressive depth charges. The infectious and melodic "L.A. Rocks", the tasty change of pace "Temptation" and we also like "Bodily Harm", (go ahead, call us masochists).

# DOUBLE SHOT

Deserving Second Trax From Newer Acts

## HOODOO GURUS, "OUT THAT DOOR", ELEKTRA

The early buzz on the Hoodoo's follow-up emanates from the Pacific Northwest, where Larry Snider, KXRX advises, "Don't let the 12" sit in your pile too long. This is the track for AOR. You can hear it on the vinyl, the charisma of David Faltner, the band's chief lyricist and lead vocalist." KZEL's Jim Trapp seconds with, "We like the gritty sound of 'Out That Door'." It's new this week at KXRX, KZEL and WMJY, with KGB, KILO, KNCN, KZOQ and WDHA already "Out That Door". Listen and you'll hear a fierce, no-frills rocker that's totally in synch with the format.

(16 New/59 Cume)...Last week's checklist, which uncovered an incredible 53 stations considering, pointed to great things in John's future. And indeed, this report finds "Thank You Girl" once again among the top add getters as 16 new play mentions paced by KRXQ, WCCC, WQFM, KOME, KBER, WDIZ, WHEB, WAAF, WLZR, KWIC, KNCN, KRNA and WWWV dilate the cume to a fat 59. With added impetus from increased air at seven, "Lil' Devil" surges 47-38\* Trax while the album elevates 28-25\*, 24-21\* Metro. ## NIGHT RANGER, "HEARTS AWAY", MCA

(13 New/19 Cume)...The rockin' Rangers have always scored, and scored big when it comes to heart-melting, female demofavorable power ballads, and "Hearts Away" finds them once again delivering what wins for them. Just ask KLOL's Harvey "Dr. K" Kojan, "Night Ranger's ballad 'Hearts Away' works in the same way that 'Sister Christian' did. It seems that this is what they do best"...More raves from Jack "Should be huge" Emerson, KGGO...Dick "Veritable killer" Sheetz, KRZQ... The Most Talked About New/Developing Artists

## ENVY, "AIN'T IT A SIN", ATCO

For the second straight week, Envy grabs #1 Buzzband honors by virtue of 15 newcomers including WXRK, KAZY, WRXK, WHEB, KRIX, WRCN, KDJK and KMBY, augmenting the start-up cume to a significant 32 (WHJY, WDIZ, WYNF, KISS, WAQX, WCCC, WEZX) and generating a 79\* Trax appearance. Charlie Logan, WYNF is jacked, "Envy has the phones hot. Searing guitars and lusty vocals, a favorite combo of mine!"...Tim Jeffreys, KAZY remarks, "Straight forward rockers" and KDJK's Beaver Brown heralds, "Envy, the next female rock queens!" Now get a dimensional feel for the depth of musicianship as well as songmanship displayed on this impressive debut Lp release. "I Believe In You" is part power ballad, part mid-tempo rocker featuring Rhonni's emotive and assured vocals along with Gina's tasty fret work. We also like the energetic rockers "You're So Hot" and "Heartache." Depth with distinction!

## FIRE TOWN, "CARRY THE TORCH", ATLANTIC

We'd be hard pressed to recall a former Buzzband that made as dynamic an impact on the format in terms of airplay and programmer reaction as quickly and forcefully as Fire Town. "Carry The Torch" has been a veritable inferno for the past three weeks, garnering a 13-14-14 add trend, the kind generally foreign to all but the more established acts. Among this reports 14 new torch carriers are WHJY, WBCN, WBRU, WRXK, KWIC, KMOD, WLZR, WEQX and WZEW, inciting a smoldering 91-78\* Trax charge. Among the 41 now on it, WQFM, KZEL and KFMH are up; seven are already at Max/Heavy; WMAD and KFMH report Top 5 phones, while a massive 53 more consider. Raves continue to come in waves...Jim Trapp, KZEL sez, "One of the best new bands out, Fire Town and their lead off track has found a home on my compact disc machine like you wouldn't believe. This band will be one of the best remembered in 1987"...Alison Stewart,

WBRU asserts, "Carry The Torch" is easily the catchiest tune around. The finely woven vocals will charm anybody."

### STEVE JONES, "MERCY", MCA

Lawd have mercy on anyone who doesn't find Steve's turn-about debut solo project one of the more pleasant surprises of the year. We're happy to report though that just about everybody we've heard from was bowled over by those big, fat merciless hooks. Witness the 12 fresh play mentions paced by KRXQ, WQFM, WTPA, WKLC, WIMZ, WDHA, KMOD and WRUF powering a Hot Trax debut at 91\*; the 27 location come count in just two-short weeks, and the monstrous 56 considering mentions--21 of which say they are close. More high praise from Steve "Tremendous voice" Bridges, KFMH...Inessa "Very sexy and very surprising" York, KGON...Rad "A hook that sucks you in" Messick, WDIZ...Mark "Billy Idol meets Robert Cray" Williams, WWZU...and Lex "Good texture record for the format" Staley, WFYV...This pistol is H-O-T!

### KEEL, "SOMEBODY'S WAITING", GOLD MOUNTAIN/MCA

Although they've had some success within the format before, AOR programmers have been waiting for that rock-solid Keel release to really deliver the airplay support necessary to break the band wide open. "Somebody's Waiting" would appear to be the ticket. Witness these enthusiastic endorsements from "Catfish" Phil "Keel feels real" Colwart, WHMD...Carter "A melodic surprise" Alan, WBCN...Tricia "Great rock for nights" Griffith, KBER...Michael "Different--a lot smoother" Lowe, WORZ...Lenny "Big improvement" Bloch, WRCN...Tom "Their best effort yet" Scheppe, KISS...Jeff "Lots of hooks--very melodic" Carroll, KLBJ...and Kevin "Solid track worth playing" Vargas, KWHL...WPLR's Christina turns in this startling report "#1 phones on first play"...and KILO's Alan White informs, "We'll move on Keel early because Ron Keel reaches down and gives his best vocal performance yet"...OTB play is provided by KUPD, KISS, KILO, WEZX, KNAC, WKLC, KFMH, KLPX, KNCN, KWIC, KBER and KATP, joining early bird WWZU. A certified Keel-er!

### THE CURE, "KISS ME, KISS ME, KISS ME", ELEKTRA

How's this for an OTB Buzz on The Cure's latest Lp? Larry "The Duck" Dunn, WLIR, lauds "Kiss Me" is The Cure's best Lp to date. The album promises to bring the band long overdue American success!...KTXQ's Redbeard exclaims, "This is going to be one of the big albums of the year. First week sales are phenomenal, some stores sold out in one day!...This isn't Ozzy or Priest, it's The Cure! Talk about a retail pre-release buzz, not to mention confidence, how's advance orders of over 400,000 units (on a two Lp set) sound?...Why Can't I Be You" did manage to find its way on over 30 stations, and now with the Lp pounding the pavement it's time to sample what this euphoria's all about. The bright and bouncy "Just Like Heaven", on at WBCN, WFNX, WLIR and KROQ, appears to be the consensus follow-up. Let us also recommend the funky and chic "Hot, Hot, Hot" and the moody "Catch".

### THE EDGE & SINEAD O'CONNOR, "HEROINE", VIRGIN

WTOS's Duane Sherman takes center stage: "The Edge conjures up just a taste of 'October' on the 'Captive' Soundtrack. What is it some people are calling it? 'New Edge Music'...Call it whatever you like, but call it great rock and roll from one of this decade's greatest contributors to the format. With Sinead O'Connor providing a complete change of pace from The Edge's powerful partner in pipes extraordinaire, Bono, this captivating record reminds one of a scaled down version of the original Irish foursome fronted by a female vocalist. It's absorbing and entrancing, and new at KBCO, WEQX, KBLE, KSTM, WXXP, WTOS, WUVA, KTCZ and KTCL; already on WLIR and WHFS.

### FIGURES ON A BEACH, "NO STARS", SIRE/WARNER BROS.

WRIF, WXRK, WHFS, KGRQ, WTOS and WEQX become Figures

On A Beach as "No Stars" impacts Album Radio this week. This track is a solid, energetic and powerful pop/rock performance that possesses a back beat that holds you from the get go, and when those mega hooks kick in you're wrapped for the duration. "No Stars" is a dynamic record loaded with mass appeal. It's sure to go big time across the street, so crank it up and give it a ride. It's one of those "good feeling" type tracks that you just know will sound oh-so-fine. Just ask KZEL's Jim Trapp, "We project good things for Figures On A Beach. 'No Stars' refuses to get off my turntable!" Now get it on your turntable!

### THE SILENCERS, "PAINTED MOON", RCA IMPORT

The Import Buzz on the Silencers is alive and kicking and, oh yeah, on the radio at WLIR, WFNX, WRAS, KFMH, WHFS and KTCL. Currently available only on import, "Painted Moon" blends Pink Floyd's Meddle era intensity with the sparkling acoustics of Simple Minds, the result in a word is mesmerizing. The many hooks are subtle yet effective and those melodic harmonies are ultra compelling...WXRT's Lin Brehmer steps up: "If you're in the market for guarantees, I've got one for you. 'Painted Moon' will be a Top 10 album track by mid-July. A smash, I guarantee it!"

### THE ART OF NOISE, "DRAGNET", CHRYSALIS

OK, ma'am, just the facts! Well, now that we're in the spirit, what better ensemble than the unique, distinctive and above all unpredictable Art Of Noise to bring to the radio airwaves a little film noir in the guise of the title song from the "Dragnet" movie? This "Dragnet" theme is extremely imaginative, energetic and in the typically outrageous character of the Art Of Noise, with a narrative cameo from Dan Akroyd to boot. Already takin' names at KTXQ, KBCO, WLIR, WRAS, WTOS and KTCL.

### PAUL JANZ, "ONE NIGHT (IS ALL IT TAKES)", A&M

We needle-dropped the record and were amazed at the Queen/Bryan Adams similarities -- palatable power chords, mainstream melodies, and that big, full production. Paul's already got a Juno under his belt (Most Impressive Male Vocalist/1985) and his songwriting abilities speak for themselves (Whitney Houston, Journey). "One Night" combines heartfelt vocals with compelling guitars and a "shot & a beer" chorus. In other words, it's custom-made for Rock Radio. Hear it already on CHOM and CFOX, with the rest of North America soon to follow. One listen is all it takes!

### BRUCE COCKBURN, "WAITING FOR A MIRACLE", GOLD CASTLE

It looks like this wax is worth more than just watching. It's worth going after! WIZN, KMMX, KFMH, WEQX, KVRE and CFOX join the already playing Cockburn clan including KTCZ, WMAD, WZEW, WHFS, CHOM, CHEZ, KSTM and KBCO where Doug Clifton steps up, "Bruce is a great upper demo artist"...Chris Garrett, WHEB, shouts "Another Cockburn smash!"...Tim Drayer, WHTF, reports "Testing well on New Music Show"...And WIZN's Steve Cormier assesses, "Good upper demo appeal"...Early response on the Cockburn is not too shabby considering the oh too-many-haven't- heards unveiled on this week's checklist. Let's do our homework on this one -- Bruce deserves it.

### DAN FOGELBERG, "SHE DON'T LOOK BACK", FULL MOON/EPIC

Who else could stay away from the format this long and still come back strong? Colorado Dan gets fresh air at 11 (KTXQ, WGTR, WRFX, WGIR, KFMX, KPEZ), play increases at 19 (WQBK, WOUR, WDHA, WTUE) and climbs 13-11\* Hot Trax. WKLT's David Fortney professes: "Mr. Fogelberg has made the crossover, we're starting to get good phones!"...WLVQ's Wendy Steele relates: "Dan Fogelberg sounds good on the radio, it

came to well over 30 stations. Get behind it now, before it gets behind you!

## WAX TO WATCH!

### BELOUIS SOME/"LET IT BE WITH YOU" - CAPITOL

Belouis Some who had previous success with "Some People" two years back serves up "Let It Be With You", an upbeat rocker with James Brown guitar riffs, a multitude of horns and an intriguing vocal dub style. Increasing their funk factor out of the box are WLIR, WXXP and KTCL.

### THE YOUNG FRESH FELLOWS/"AMY GRANT" - FRONTIER

These fellows from Seattle bring a welcome dose of enthusiasm and energy to their pop tunes. If you thought a song about Amy Grant would be as staid as her image - think again. The song's wit is as memorable as the hook. The Young Fresh Fellows weave furious fretwork and escalating harmonies into an unforgettable uptempo song parody.

### DEPECHE MODE/"STRANGELOVE" - SIRE/WARNER BROS.

An Adventure Club core artist, Depeche Mode release another pop/dance tune that goes out of the box at KROQ, WTOS, WXXP, WLIR and WRAS. "Strangelove" weaves a hypnotic rhythm track through a strong and steady percussion backbeat. Sure to keep your feet tappin'.

Dye's twelve years in Philly radio include four at WMMR ('70-'74) and eight at 'WIOQ (since '79). He's also jocked at and programmed WBLM, Lewiston, MA ('75-'78).

## CERPHE ADDS MD DUTIES AT BMW

Washington Rock Radio vet Cerphe has been named MD at the city's new album outlet, BMW. Cerphe, whose voice intros Little Feat's live "Waiting For Columbus" Lp, has put in stints at WHFS, WAVA, and most recently DC101, during his seventeen years in the Washington AOR zone. He recently crossed to 'BMW for afternoon drive.

"It's always a challenge when you go into a new position like this," sez the man who testified at Washington's infamous porn rock hearings with Frank Zappa and Dee Snider. "We call our format Adult Rock 'N Roll. It's something that's never been done before, so it's a learning process. One of the reasons I was hired here was because of my involvement in the Washington area, and because I have a good grasp of what the community likes musically."

Also getting behind the wheel at 'BMW for weekend air work are: Brad Lust (ex-KTCL, Fort Collins); Charley Fish, Dennis Keefe, Max and Bob Scott. This week's guest morning show host is Rich Shydner ("Beverly Hills Cop II" and "Married With Children").

## CHANGING OF THE GUARD AT WKFM: BECKER EXITS, ILLES ACTING PD

Steve Becker has resigned as WKFM, Fulton/Syracuse, PD. The programmer who took the station from Top 40 to Album Rock told FMQB: "After two years as PD, I'm parting company with WKFM to seek my next career challenge. From both a local and industry perspective, I feel I've given this radio station credibility as an important AOR in upstate New York. We took on a heritage station in the form of WAQX (where I used to work), and proved that there is room for two rock 'n roll stations in Syracuse. With that accomplished, I'm ready to apply my talents and abilities to a fresh challenge. I can be reached at (315)446-9037. I wish good luck to Brian and my staff."

Asst. PD/Promo Dr/afternoon driver Brian Illes, has been named Acting PD and has already interviewed for the permanent position. Music calls are now 10AM-12Noon, Thursday and Friday, and 7P-8P for west coast types only.

## MORNING MOUTHS IN MOTION: KDKB'S ALL FEMALE MORNING TEAM; WFYV'S "CLEAN HOWARD STERN"

Saying that near-unanimous listener reaction has been, "It's about time something like this was done," KDKB, Phoenix, PD

John Sebastian has implaced what he calls the nation's only all female morning team in a major market. Phoenix, AM drive vet Cindy Wine and ex-KATT, Oklahoma City, morning ace Shelly Dunn have teamed up for an off-the-wall, sometimes risqué wake-up show that utilizes comedic bits and character voices. "It's an idea whose time has come," says Sebastian. "It's kind of shocking that in this day and age it doesn't exist. Many stations have a female news person, and a few adventuresome souls have a female morning anchor person, but they always felt the need to balance that with a male news person. What we've done seemed like the obvious thing to try. It really stands out on-the-air and makes a unique statement."

New to mornings at WFYV, Jacksonville, are Mark Steven and Rose Imperato via KLAQ, El Paso. They replace Chris Jones and company who have exited Rock 105. "Jacksonville has spawned major morning talents like The Greaseman and Jay Thomas (WKTU, KPWR)," points out 'FYV PD Brian Taylor. "I see some great raw talent here and this is an excellent market for Mark and Rose to develop their talent in." Brian describes Mark as a clean Howard Stern. "He has a shock radio element to his show but he doesn't talk about the size of his organ."

Also joining the new and improved KAZY are: Bridget Bunte as Promo Dr from local club promo/advertising work, and Laurie Johansen as Research Director from the research dept. at crosstown KBPI.

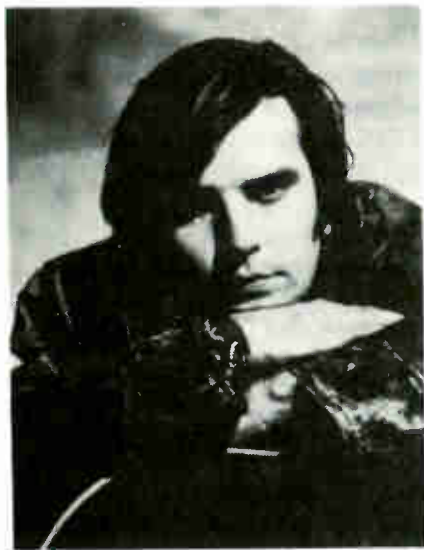

16-year Bay Area radio alumnus Steven Page has been named Interim MD at KOMA, San Jose. Steven, who's been with KOMA for two years, retains his midday air shift. PD Ron Nenni tells us his immediate priority is to find a great 6P-10P jock to take over Larry Miles' old shift. Look for an announcement next week.

Look for MIA rocker Willie Nile to resurface soon. We've heard some of Willie's new demos and they are shit-hot! Word is three major labels are already very interested.

## THE DAY ROCK DIED IN SAN ANTONIO

At approximately 3:30AM this past Tuesday, during a storm that left much of Texas running for cover, the KISS, San Antonio tower was ripped out of the ground and mangled by what the local weather service called a "wind shear," causing the station to go off the air for 15 hours. PD Jimmy Christopher and Asst. PD/MD Tom Scheppke are not meteorologists, but if you ask them, their broadcast was cut off by a tornado. The KISS tower, located in China Grove, Texas—one of four to be damaged or destroyed during the incident—is designed to withstand up to 180 mph winds. Must have been one hell of a wind shear. "I saw the KNAC tower bent in half like a paper clip once, but this was worse," Christopher told FMQB. "The towers were just ripped right out of the ground and bent like a pretzel. It was an awful, horrible sight and one I don't ever want to see again." Thanks to the diligence of station engineers, KISS was back on line later that day through the use of a makeshift tower—an antenna strapped to the top of a 135 foot crane! But in the tradition that makes AOR the leading format on the airwaves, the station turned the incident, which Scheppke dubbed "The Day Rock Died" in San Antonio, into one clever promotion. Now, when KISS listeners hear the sound of thunder on the air, the seventh caller wins a KISS survival pack complete with things like a KISS T-shirt, a piece of the old tower and an aircheck (just in case it happens again). Winners of the survival pack are then registered for a grand prize drawing in which the winner receives a color TV.

## CHRYSLIS EXPANDS FIELD STAFF

Chrysalis Records has expanded and realigned its promotion department, awarding Liz Grove the newly created position of Manager of National Alternative Promotion. Grove had been the label's National Promotion Coordinator. Concurrently, Laura Kuntz, former assistant editor of the Dance Music Report, has joined as Manager of National Club Promotion. Kuntz and Grove will report directly to Senior National Album Promotion, Kevin Sutter. Also occurring were the promotion of Andrea Cooper from Promo Asst. to National Promo Coordinator; the appointment of Laura Hinson, formerly with the Music Business Institute in Atlanta, to Southeast Regional Promo, based in Atlanta; and the appointment of Grant Spofford, formerly an account service rep for CBS, to Southwest Regional Promo. Commented label VP/Promo Daniel Glass, "As our A&R and marketplace grows, we must also. We have developed people like Liz Grove who are ready for the next challenge. I am personally proud of our internal growth and ability to attract the high caliber of music people we recently hired."

## STATION TO STATION

KSJO MD/evening personality Dave Numme is exiting the station to pursue the completion of his college degree. On Dave's decision, KSJO PD Ken Anthony said, "Dave was a great asset and will be missed. But he was close to getting his degree before and wants to finish up. He's happy and I'm happy for him." With Dave leaving, the station is in need of a replacement. Anthony told us his first concern is filling the airshift void with a first-rate AOR personality. Once that is done, he will make a decision as to who will take over the music responsibilities, and indicated "I'm prepared to take my time and find the right person." It would seem that Ken might not have to look too far, what with former KMBY, Monterey, MD Patty Martin currently doing a weekend airshift at KSJO, and former KOME, San Jose, MD Candy Chamberlain

still in the area. Anyone interested in applying for the position/positions should send a tape, cover letter and resume to Ken at KSJO, 1420 Koll Circle, San Jose, CA 95112. No calls, please.

Paul Marszalek has joined WMAD-FM, Madison, as the station's new MD/morning personality, effective Monday, June 8. Marszalek, who relinquishes the programming reins at progressive AOR KQAL-FM, Winona, MN to join 'MAD, replaces David Anderson, who exited for the MD chair at WIOQ, Philadelphia.

The record setting \$27.5 million agreement of sale of KLBJ-AM&FM, Austin, reached between owners LBJ Co. and Chase Group has fallen through due to a failure on the part of the Chase group to meet financial deadlines necessary to close the deal.

Dave Ross is new to the KFMU, Steamboat Springs, MD chair replacing Diane Hicklen.

Veteran San Diego AOR personality Bill Hergonson, formerly of KGB and XHIT, joins KRXQ, Sacramento, to team up with Mary Ellen O'Brian as the station's new morning show.

Mike Biggins exits as KZYR, Vail, MD.

David Chaney ups from part-time to nights at KRQR, San Francisco, replacing Rick Anderson.

## E PLURIBUS DIRT

Former WNOR-AM&FM, Norfolk, OM Bob Bedi has joined Demers Programming/Marketing as a consultant. Bedi, who programmed WNOR-AM, one of the country's first Classic Rock outlets, for two years, also has four years as PD for WCPZ-FM, Sandusky, to his prior credits.

Canada's answer to the Grammys, the CASBY Awards (Canadian Artists Selected By You) will take place this year on June 19-20 at the Toronto Convention Centre Theatre. The awards ceremony honors Canadian musicians in various categories and features live performances from nominees as well as past CASBY winners. Winners are chosen strictly by the Canadian public through ballots run in major newspapers for two months prior to the event. Some of the more notable nominees include: Tom Cochrane and Corey Hart for "Best Male Vocalist"; K.D. Lang and Luba for "Best Female Vocalist"; and 54.40, The Spoons and Eight Seconds for "Best Group". The ceremony also honors the best native non-recording artists.

WPYX, Albany, MD Andi Turco stepped out from behind the studio mike recently to get a taste of some live audience limelight, when she joined REO Speedwagon on stage to sing back-up on a rousing rendition of "Roll With The Changes" during the band's Glenn Falls concert two weeks ago. Sez Andi, "It was a blast and I think I found a new calling in life." Can Andi and the Turcettes be far behind?

Williamsport, PA nights can now be classified as somewhere between a rock and a hard place thanks to WWZU's new nighttime music format. The station has increased its PM balls factor by adding a "generous supply of current hard rock and heavy metal," according to 'WZU PD Mark Williams. Between the hours of 6P-4A, the station's music mix combines currents, vintage rock classics, and recurrences, with the majority made up of hard-edged rock tracks. See Mark's comments in Radio Action for more details.

After more than six months of planning and construction, WEQX, Manchester, NH began broadcasting in its new studios on Friday, May 29. According to WEQX PD Ellen McKinnon, "It's the most space-age, high-tech, well designed and beautiful studio" she has ever encountered. GM Brooks Brown promises that pictures of the studio, which he likened to the bridge of the Starship Enterprise, are on the way.

And how 'bout Capitol/EMI Head Honcho and "parttime King of M.C.'s" Joe Smith, who was caught live on Nationwide television at L.A.'s Forum during Game 1 of the NBA finals. CBS' Pat O'Brien chatted at halftime with Joe about the red hot Lakers, his front-row seats, and the recently released Beatles "Sgt. Pepper" CD. Now that's taking care of business!

Weymouth, who brings a background in studio work, live mixing, stage management and artist management—and has done live mixing for such acts as Suzanne Vega—joins as East Coast A&R rep and will be based in New York.

WDIZ, ORLANDO-P.D. NEIL MIRSKY: PERSONAL TO BILL MIMS: Win or lose (and I think we'll win), I will always look back upon this past Arb as the most competitive, demanding, and fun battle I have encountered in 10 years of radio. You guys fought hard and so did we. As a result, the people of Orlando were treated to some pretty damn good innovative rock radio. But your stunt the other day (you know what I'm talking about) reeked of unprofessionalism, childishness and generally asinine behaviour. You broke an unwritten rule, and I personally lost what little respect I ever had for you. In short, you're an asshole!

KRST, ALBUQUERQUE-P.D. BOB SHULMAN: (EVOLUTION ACTION)

THE TEN COMMANDMENTS OF UNDERGROUND RADIO: 1) Thou shall not have any pimple commercials. 2) Thou shall not talk too loud. 3) Thou shall be hip. 4) Thou shall not kill a long version before it's done. 5) Thou cannot play too much 'In-a-gadda-da-vida'. 6) Thou shall use the phrase "oh, wow man" whenever possible. 7) Thou shall honor Jimi and Janis. 8) Thou shall be more concerned with rolling numbers than getting numbers. 9) Thou shall not covet thy neighbor's AM playlist. 10) Thou shall play "Freak Out" by Frank Zappa on a regular basis.

THE TEN COMMANDMENTS OF AOR RADIO: 1) Thou shall not have any pimple commercials. 2) Thou shall not talk too loud. 3) Thou shall be hip. 4) Thou shall not kill a long version before it's done, except in the morning. 5) Thou cannot play too much Led Zeppelin. 6) Thou shall use the phrase "superstars" as often as possible. 7) Thou shall honor thy ARB. 8) Thou shall be concerned with all kind of numbers. 9) Thou shall play about the same stuff as thy neighbors AM playlist. 10) Thou shall never play "Freak Out" anymore.

WLUP, CHICAGO-M.D. SKY DANIELS: The insane Coho Lips held a march on Point East, the midwest's largest disco. Commander Steve Dahl wipped the masses to a frenzy. The militia was brought in with full riot gear. I can't tell you how big this thing is getting...Next stop, the Chicago White Sox Cominsky Park for the largest anti-disco movement in history!

DR. JOHN PARIKHOL (CONSULTANT TO THE BURKHART/ABRAMS CHAIN): "There is an interesting theory as to why rock people are opposed to disco—rock is aimed at young men who are afraid of sex!!! The 'violent' sex rhythm of rock reflects their frustrations. Women cannot relate to this. Disco has a smooth sex rhythm which has a wider appeal. Rock reflects teen-age sex frustrations of kids who are afraid they won't measure up sexually. There will be great teen-age peer pressure this summer against disco. Disco, like rock, is a lifestyle which must be studied, analyzed, isolated, and served."

This week's Rock Request is for a British classic of 1981, "Vienna" by ULTRAVOX. Not just one interview guest, but seven, as we meet the stars at the Montreaux Rock Festival and chat to MARK KING, NICK VAN EEDE, CHRISSIE HYNDE and lots more.

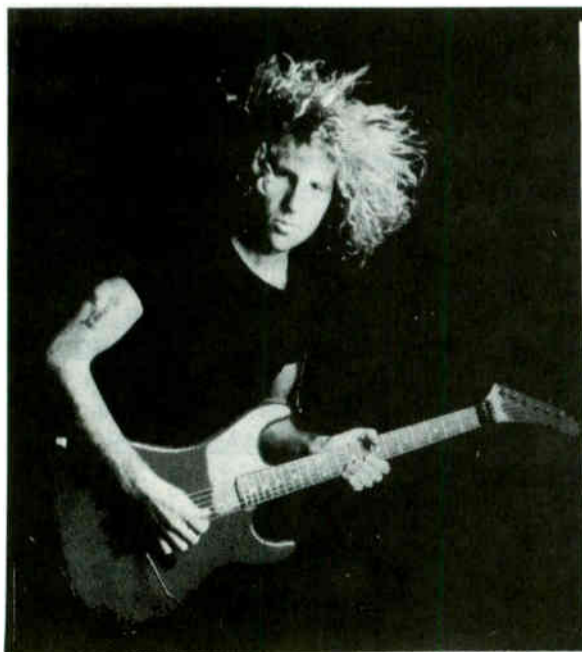

DAVID BOWIE has just added a second show at Manchester's Maine Stadium on July 15...the support for both dates there will be ALISON MOYET along with TERENCE TRENT D'ARBY. An update on the line-up for U2's Wembley Stadium dates-responsible for warming up the crowd on June 12 will be WORLD PARTY, SPEAR OF DESTINY and THE PRETENDERS and on the 13th LONE JUSTICE, THE POGUES and LOU REED.

U2 managed to have Wembley Arena enlarged for their gig there this week - in a manner of speaking, anyway, because they made 1,000 extra seats available by deciding to perform on a stage in the middle of the arena instead of at one end. Needless to say the tickets were snapped up in the time takes to say the band's name.

For a forthcoming "Whatever Happened To..." interview on the weekly ROL radio show we chatted with ERIC BURDON, who talked enthusiastically about writing new material...we followed it up last week with a conversation with Jerry Goldstein, the American producer of all the hits by the band Eric launched in 1969, WAR. Goldstein himself has a fascinating musical

history pre-War, as you might say, including songwriting credits for "Sorrow" and "My Boyfriend's Back" and membership of the STRANGELOVES, who did the original version of "I Want Candy" which was a Top Ten UK hit for BOW WOW WOW in 1982. Anyway, to cut a long story short, Goldstein revealed not just that he's rounding up all the members of WAR for possible live dates and promotion of a series of single remixes for UK release (they're currently in the lower end of the chart with Arthur Baker's remix of "Low Rider") but that there's a chance WAR and Eric Burdon may be reunited for live work next year. Goldstein says he still meets people who tell him how wonderful their 1971 tour was, and it sounds an enticing prospect.

As you'll see by this week's ROL playlist, rumours that ECHO and the BUNNYMEN'S new single would be a version of the DOORS song "People Are Strange" were proved wrong, and the cover won't even be appearing on the band's next album, which is due in the summer, recorded in Brussels and Cologne. But it will, we hear, be featuring on a film soundtrack, details of which will be announced soon.

CLARE GROGAN, the former ALTERED IMAGES lead singer who as we reported last week is back with a new single called "Love Bomb", is putting the finishing touches to an album on London Records, due at the end of the month and titled "Trash Mad". The single was produced by Mark Kamins, who lays a claim to having discovered MADONNA.

THE ALARM, due for one of the support slots on U2's British dates, have been in the studio working on their next LP which should be finished by the end of June and apart from the U2 gig they're planning another warm-up show in Loughborough.

Those Culture Clubbers are getting everywhere with BOY GEORGE and JON MOSS both releasing singles last week, ROY HAY isn't far behind - he has a new band called THIS WAY UP and they should have single out by the end of June.

BEN E. KING, number one in the UK charts earlier in the year with his re-release of "Stand By Me", releases the first single in his new deal with Manhattan Records in the UK on June 15 and it's to be a new version of the DRIFTERS' classic "Save The Last Dance For Me" - of interest to a rock audience because we hear it features Mark Knopfler on guitar. We'll be chatting to Benny this week so expect the full story on how Mark came to be involved in next week's column.

THE OUTFIELD, the British exports who sold two million albums in America last time out but still mean next to nothing back at home, are as you already know back with a new single called "Since You've Been Gone"...it's taken from the follow-up LP "Bangin" which doesn't get a UK release until early August but will be upon more appreciative ears much sooner than that.

Two-thirds of the way through THE MISSION (UK)'s American tour, bassist Craig Adams had to fly home suffering from nervous and physical exhaustion and soundman Peter Turner had to step in for the remainder of the dates.

More information about The Roxy co-presenting the weekly TV music show along with DAVID JENSEN (voted Independent Local Radio DJ of the year) will be Kevin Sharkey who's black, Irish and very hip...Kevin's relatively unknown this side of the Irish Sea but his quirky personality and interest in soul music should make him the perfect foil for Jensen who'll tend towards the more mainstream rock items. Nescafe, who already sponsor the Network chart on radio, will sponsor it on The Roxy too, and it'll be updated before the show airs both midweek and Saturdays in order to take account last minute

record sales. We also hear that the show intends to expand its coverage beyond the 40 to the Top 75. Director Gavin Taylor has a track record that promises well...among his past achievements are the DIRE STRAITS "Brothers In Arms" concert and QUEENS' "Real Magic At Wembley" last year, he also directed the U2 at Red Rocks video, and ERIC CLAPTON and PHIL COLLINS at Birmingham. The Roxy will be providing a seven day telephone service allowing viewers to call up and hear the Top 40 rundown, the show's artist interviews, demo tapes sent in by new bands and a list of what will appear on the following week's program.

Controversy hit the chart that The Roxy will be using last week as rival chart compilers Gallup claims MRIB's rating of number two for the WHITNEY HOUSTON single (when it was only number 10 on Gallup) was "an error of enormous proportions". MRIB are sticking to their guns, but things are hotting up - especially as the world is that by July, Gallup plans to bring their "chart day" forward two days from Tuesday to Sunday, making the competition between the two alternative bestseller lists even more keen.

Still talking charts, SWING OUT SISTER proved that their number one entry in last week's LP survey was no fluke, as they stay there for a second week, untroubled by the competition from SUZANNE VEGA, CURIOSITY KILLED THE CAT and FLEETWOOD MAC, whose sales have enjoyed a big resurgence with the Top Ten singles success of "Big Love". The highest new entry of the week was MOTLEY CRUE'S "Girls, Girls, Girls" at 14, with BARBARA STREISAND'S "One Voice" appearing at 27 and THE SMITHS previously import-only set "Louder Than Bombs" debuting at 38. Further down the listing, ANDY TAYLOR made a modest start to his post-Duran UK chart career at "Thunder" entered at 61.

Just to preview next week's look at the album chart, advance orders in the UK for the SIMPLE MINDS LP reached 300,000, so it should make a very healthy debut. "In The City Of Light" was originally intended to be an all Australian recording but Jim Kerr says when they listened back to those tapes they sounded "just professional". In France they achieved the desired "rawness" alongside the professionalism and it was decided that these recordings would form the majority of the LP. And in case you were wondering just how many times SIMPLE MINDS toured the world before coming up with their first concert album - Jim puts the current tally at 12.

HOLLYWOOD BEYOND take their debut album "If" on the road this week. It's the first exclusive tour for what singer MARK ROGERS calls their "three-man partnership".

BILLY BRAGG fans can get all the old favorites on his retrospective double LP "Back To Basics" - out this week. It includes songs from his early albums "Life's A Riot" and "Brewing Up" and the EP "Between The Wars". A Bragg songbook has also been published for all those who want to learn how to sing like the bard of Barking.

ERASURE pushes the capacity of the CD single to its limits with a 5 tracks accompanying the current release "Victim Of Love".

TOYAH's album "Desire" appears this week with her husband Robert Fripp and Ron Wood contributing their talents.

THE STYLE COUNCIL are supporting the Nicaragua Solidarity Campaign festival with a guest appearance at the Brixton Academy, South London on July 19. THE RED WEDGE pre-election tour has been continuing with BILLY BRAGG and MATT JOHNSON (THE THE) appearing together in west London and in joining the WEDGE in Wolverhampton are four of the original BEAT members - DAVE WAKELING, RANKING ROGER, EVERETT MORTON and SAXA.

Talk of the BEAT reminds us that we sadly can confirm stories of the demise of the band that grew out of them, GENERAL PUBLIC. The BEAT's former keyboard player Dave Wright was in the ROL studio the other day, talking about his excellent new band TWO NATIONS, and said he'd heard the same thing. Let's hope Dave Wakeling and Ranking Roger bounce back soon.

An update on EURHYTHMICS' first live double album we mentioned last week...the release has now been put back from late June to September due to delays with the remixing and the artwork. A video will be released to accompany the album which will have the exciting title "Eurythmics - Live". Meanwhile the duo have been the losers in a High Court action brought against them by their old record company TransAtlantic over unpaid royalties. It is thought that Annie and Dave must now pay something in the region of 300,000 pounds to TransAtlantic because of an agreement made with their management company Bulltown in 1980 regarding royalties payable on their past and future albums both as THE TOURISTS and as EURHYTHMICS.

Pirate station Laser is off the air again and there were reports last week of skulduggery on the high seas as the station's creditors were alleged to have kidnapped the ship from its mooring off the Essex coast. The station has denied the stories and maintains that it has simply been moved nearer the French coast for a refit.

While the news-stands are full of Sgt. Pepper retrospectives, the popular press have been pursuing their own brand of Beatlemania following revelations by Radio 1's breakfast D.J. Mike Smith concerning an imminent reunion. He claims that "a very large rock star" (Demis Roussos?! ) revealed Ringo and Paul had joined George at his home studio where he's been working on an album with Jeff Lynne. In Montreaux, JULIAN LENNON backed this up when he said George had approached him to take part in the LP, but Julian claimed to have refused the offer to take the place of his father. As we write, there is nothing but speculation that the other three may make a surprise appearance together at this weekend's Prince's Trust concerts at Wembley.

## ROCK REPORT

VERY RELIABLE SOURCES TELL THE ROCK REPORT that THE WHO are planning to reform for a select number of live dates sometime next year in celebration of their 25th anniversary. Apparently ROGER DALTRY, PETE TOWNSHEND and JOHN ENTWISTLE are in England looking for a suitable

drummer to join them as KENNEY JONES will not be involved in the reunion. In the meantime, you can catch ROGER out on the road later this year in support of his forthcoming solo record which is rumored to contain a collaboration with PETE TOWNSHEND.

THE ROCK REPORT GOT A CHANCE to speak with BEATLE producer, GEORGE MARTIN, in London last week who told us that he is planning to release several compact disc complications of BEATLES singles. MARTIN said the cd's will feature the singles in their historical order of release and will contain the maximum amount of music that time allows. GEORGE also told us that Capitol Records may release the first four BEATLES cd's in stereo as early as next year.

JOHN WAITE IS GEARING UP FOR the release of ROVER'S RETURN, his new Lp for EMI shipping June 17. The single, THESE TIMES ARE HARD FOR LOVERS, which was penned by WAITE and DESMOND CHILD (who also helped produce the tune) has just been released. The Lp takes its name from the British television soap drama CORONATION STREET which features ROVERS as the pub where the characters gather. Other tracks included on this follow-up to 1985's MASK OF SMILES are ACT OF LOVE, ENCIRCLES, WOMAN'S TOUCH, WILD ONE and DON'T LOSE ANY SLEEP to name a few. JOHN had help on the album from such notable musicians as drummers ANTON FIG and THOM PRICE, bassist JOHN REGAN and guitarist JOHN McCURRY from CYNDI LAUPER'S band. The album was produced by WAITE and FRANK FILLIPETTI of FOREIGNER fame. At this time there are no tour plans but if and when they're announced, we'll let you know.

REACT IS THE NAME OF THE forthcoming FIXX album due later this month from MCA. The Lp contains six live tracks recorded in Toronto and Montreal at the end of the band's last tour, as well as four new compositions recorded in the studio with producer HUGH PADGHAM (POLICE, GENESIS). This marks a first for THE FIXX as they previously worked exclusively with producer RUPERT HINE.

WHILE IN LONDON, WE ALSO GOT A chance to speak with ALAN PARSONS and ERIC WOOLFSON, who are currently hard at work on their follow-up to last year's GAUDI Lp. Since that album was the band's last for Arista, they are looking for a new label but won't worry about it until the new project is done. They hope to have the new disc done by the Summer of '88. In the meantime, ALAN and ERIC are digitally remixing their first release, TALES OF MYSTERY AND IMAGINATION, for compact disc. You can look for that to arrive in stores sometime in the Fall. PARSONS and WOOLFSON are still standing by their claim that they will eventually tour, which is something the duo has never done.

STEVE WINWOOD AND PATTY SMYTH are just two big names to lend their vocal talents to the forthcoming ROSEANNE CASH Lp due this month. The two help out JOHNNY'S daughter on a track entitled ROSIE STRIKES BACK which is a song dealing with abuse against women. The album, KINGS RECORD STORE, takes its name from the historic Louisville, KY. establishment of the same name.

FORMER TOTO VOCALIST, BOBBY KIMBALL, has formed a new band called MGM, with former members of the group WHITESNAKE (BERNIE MARSDEN, NEIL MURRAY) and former TRAPEZE artist MEL GALLEY. The band will enter a Worcester, England studio later this month to begin recording the debut project.

AZTEC CAMERA FANS: be on the lookout for the band's third Lp for Sire/Warner Bros. due before the end of the Summer. The band, which now consists of the sweet Scot, RODDY FRAME, percussionist CAROLE STEELE and keyboardist ROB MOUNSEY, just completed the forthcoming disc at New York's Unique Recording Studio with producer RUSS TITELMAN. No word yet if the new line-up will tour but we'll keep our fingers crossed.

TERRY MARSHALL'S DAILY INSIDER, 708 Cole Street, San Francisco, CA 94117...(415) 564-5800

GEORGE MICHAEL: George Michael is halfway through the recording of his first album as a solo artist at a studio in Denmark.

RUN D.M.C.: Aerosmith's Steve Tyler and Joe Perry will be special guests at the first date on the Run D.M.C./Beastie Boys' "Together Forever" tour in Honolulu on June 12th.

BOY GEORGE: Boy George makes his debut in the U.S. as a solo artist when both his album, "Sold", and single, "Everything I Own", are released by Virgin Records on June 22nd.

NO TOUR SPONSORSHIP FOR PETTY: Tom Petty is one of the few artists on the road this summer without a tour sponsor. A spokesman says although Petty has had tour sponsorship in the past, no offer that was considered appropriate was presented this time.

ANDY SUMMERS TO DEBUT NEW BAND IN JULY: Andy Summers begins a six week U.S. tour with his new band in Boston on July 10th. Summers says he doubts the Police will ever play together again. Summers' band will actually make its performing debut a week before on July 4th at a rock festival in Marrakesh. Summers says the festival was arranged at the request of the Moroccan royal family and that he will be the

headliner on the July 4th bill. A new album by the Andy Summers Group will be released soon.

PRETENDERS: The songs Chrissie Hynde is contributing to the James Bond movie "Living Daylights" are titled "Where Have I Seen You" and "Where Has Everybody Gone?".

LOUDNESS: Japan's heavy metal export, Loudness, release their third album in the U.S. at the end of June. "Hurricane Eyes", produced by veteran Eddie Kramer, features two ballads. The album was recorded in Tokyo, Los Angeles and Woodstock, New York. Members of Loudness are said to be almost fluent in English now. They'll be launching another U.S. tour after the release of the album.

## NIKE COMMERCIAL COULD STILL END UP IN COURT SAYS

BEATLES ATTORNEY: The controversial Nike commercial which uses the Beatles' "Revolution" could still end up in the courts, according to the group's attorney. Leonard Marks says the songs use is the result of a deal between the shoe manufacturer, record company and music publishing company owned by Michael Jackson. But Marks says the deal was consummated without the Beatles' Apple Corp. being consulted. So far, Yoko Ono is the only one who has commented publicly on the commercial. She sees it as positive because running shoes promote health.

ALTHOUGH MANY WERE RELUCTANT to confirm it until now, it is official that veteran Billy Squier band members Jeff Golub and drummer Bobby Chouard are out of the group but have joined forces with Peter Wolf, former lead singer of Boston's J. Geils Band. Of course Messrs. Golub and Chouard had been with Billy for many, many years. FMQB understands that former Cyndi Lauper guitarist John McCurry is expected to join the "Squier Squad" as the new lead guitar player. P.S. A little birdie says that bashful Billy will shortly harken back to his classic "Led Zep", which was so successful in the past. Remember "Everybody Wants You"? Watch for that kind of sound from Billy.

# PROMOTION FILE

## TWENTY YEARS AGO TODAY

Unless you've been living under a rock recently, you should all know that the June 1st release of "Sgt. Pepper" on compact disc celebrates the 20th anniversary of the "Sgt. Pepper" album. Rock Radio stations across the country have found numerous ways to tie into this event ranging from live broadcasts from London to time slides in programming back to 1967. Here is just a hint of some of the "Sgt. Pepper" promotions.

## THE LOOP. FM98.

WLUP in Chicago broadcast live for four days from the Abbey Road Studios. Midday personality, Bob Stroud, hosted the show which was heard on both the LOOP-FM and the new LOOP-AM. Alan Parsons, Steve Perry, Edwin Starr and Beatles' publicist Derek Taylor were just a few of the guests who stopped by the studio for interviews. The station also gave listeners a chance to join Stroud in London by asking them to answer five "Sgt. Pepper" trivia questions correctly. Out of all the correct entries, five winners were picked in a random drawing. The winners were entitled to roundtrip airfare, hotel accommodations, a rock and roll tour of London, a tour of London's pubs, admission to the current hot rock clubs and a chance to participate in the live broadcasts.

## 96rock Pure Rock 'n' Roll

WKLS, Atlanta turned their clocks back on June 1st, 1987 to June 1st, 1967. Their broadcast in the year 1967 from 6AM to midnight, featured lots of Beatles' songs and drop-in segments from an interview with George Martin as well as Mike Love, Timothy Leary and Roger McGuinn to mention a few. The evening of June 1st, WKLS broadcast live from the "Sgt. Pepper" party they held at a local club. They gave away incense at the door, and CD players, lava lamps and blacklights were the prizes for best costume. In addition to these prizes, one winner was selected to win the grand prize of a round-trip for two to see the Grateful Dead in San Francisco. The "Sgt. Pepper" party was a huge success; they had a great turn out and WKLS received coverage by all three local television networks.

WBLM in Portland, Maine also sent their listeners into a 1967 time warp on June 1st. Just after midnight they dropped in "Twilight Zone"-style sound effects, hit the top of the hour ID and were instantly in the year 1967. The station stayed in character from midnight to midnight. They dropped in speeches and news pieces from the time, talked about what was on TV in 1967, how much cars cost then, etc., totally re-living the year. The station put listeners on-the-air to relay their own stories from '67. People talked about being in Vietnam or in San Francisco for the "Summer Of Love". As an extra added treat, everytime a listener heard a track from "Sgt. Pepper" they could call in to win the CD and all CD winners were automatically entered into a drawing to win a CD player. The twenty-four hour radio presentation was well received by WBLM listeners and it was even covered by the local TV news.

WBYR in Buffalo celebrated the release of "Sgt. Pepper" with a series of events. One listener and a guest were sent to London for a week to see the Abbey Road Studios, London's best pubs and clubs, and of course the famed tour of Liverpool to visit Aunt Mimi's house, Penny Lane and Strawberry Fields. The Bear also gave listeners a chance to win a compact disc player. When entrants names were heard on-the-air they had ten minutes and seven seconds to call in and win. To really get into the spirit of 1967, WBYR held the world's largest Twister party for charity and, in conjunction with a local Mobil station, they turned gasoline prices back to what they were in 1967 while 'BYR personalities broadcast live from the roof of the station.

**POLYGRAM PRESENTS**  
**QUESTION**  
of the  
**WEEK**

This week, we're asking a lighter question from a recent FMBQ TIMESLIDE. Describe your competition in 25 words or less.

**CHARLIE KENDALL, WSHE:** "My competition is still behind me."

**THE BEARMAN, WGTR:** "Hell, I can do that in one word...On both sides of the dial, 'hurtin'!"

**JEAN CASHMAN, WZTA:** "WGTR leans toward a younger audience, they play a lot of teen heavy metal. WSHE-we're not sure who their audience is. Their music mix doesn't blend well, they'll play new music and psychedelic music; it doesn't seem to work. Both stations have said that there's not enough room for a third AOR in South Florida. All I can say is-that's true! So, which one of you guys is leaving?"

**TOM EVANS, WIYY:** "WHFS-the last bastian of free form rock...DC-101-Greaseman is Greaseman, the one and only. The rest of the day, they disappear. WGRX-sorry, they still don't have a signal."

**CURT GARY, WWDC:** "To describe 15 FM signals in 25 words or less is very difficult. They're all our competition 'cause they're on the dial. But to be more specific--Baltimore sounds confused, WBMW sounds boring, and the Top 40 stations keep slamming us, which means we must be doing something right!!"

**ANDY BLOOM, WYSP:** "Well, as you know, I have the opportunity to have competition in two cities currently. In Philadelphia, there's a number of people who we would consider compeition. The one that comes to other people's minds first can best be described as overrated. I can prove it with an unscoped tape. Call for one. In Washington, currently the competition can be described as defensive. It kinda reminds me of fishing, when I was a kid I used to go fishing and, well my poor small little hand would get stuck by a fish fin and I would drop the fish, and watch it flop around on the bottom of the boat. That reminds me of Washington competition."

**TED UTZ, WMMR:** "Each week, I would have to have a different description for the competition here in Philadelphia. Classic new songs done by old artists -- or classic old songs

done by new artists -- or no, maybe it's a talk show this morning -- no -- maybe -- I don't know what it is!"

**KURT KELLY, KLOS:** "L.A. is probably the most fractionalized market in the country. You can hear more variations of rock & roll here than in most other markets. If a record even resembles rock at all, it gets played here at one of the stations or another, and sometimes you can even hear the same record on more than three of the rock stations."

**LIN BREHMER, WXRT:** "On the one hand, we have a station for whom music has not existed for ten years; and, on the other, we have one of the most visible and entertaining talk radio stations in America."

**RAD MESSICK, WDIZ:** "That's easy, let me put it to you like this. The April Arbitrend: WDIZ-7.8-7.9 (12+)...WORZ-4.0-3.5...WHTQ-2.8-3.3...That'll do it!"

**POLYGRAM ROCKS RADIO**  
**ROCK N' QUOTE OF THE WEEK**

"Tom Kimmel's 'That's Freedom' sounded real fine the first time. After repeated listens, I'm hooked! It's sincere, well-crafted, rock and roll."

**Harvey "Dr. K"**  
**Kojan/KLOL**

**DAVID GARIANO, WHTQ:** "WDIZ is a pretty good station. They play a lot more kiddie rock and roll than we do, and they also have a pretty good morning show. They still have a lingering heavy metal image left over from their headbanging days."

**TOM "T-BONE" SCHEPPKE, KISS:** "KZEP is like a boring junior high history lesson given by an ugly four-eyed female teacher, with a lisp. KMMX should be played only in Volvo and BMW showrooms (Bruce Hornsby all day, all the time) KSAQ--all Poison, all the time!!!"

**CARTER ALAN, WBCN:** "WBCN drives a wedge between CHR competition with a flavor on soul, and a classic rocker with a bent towards softer oldies."

**HARVEY "DR K" KOJAN, KLOL:** "A charming beautifully maintained facility featuring brick veneer siding, composition shingles, ceiling fans, woodburning fireplace, atrium, parquet

## QUESTION OF THE WEEK

Continued From Previous Page

floors, jazcuzzi, microwave and abundant free parking."

**BOB BITTENS, WHCN:** "Respectable, but destined to lose. Confused. Never had an original idea in their entire history. Around here we say their call letters stand for Copy Copy Copy."

**HARVE ALAN, WCCC:** "WHCN, a radio station that's living on past history. While they are trying to figure out what WCCC does, we remain dominant. When WHCN starts taking us seriously as a radio station, maybe they'll start playing catch up."

**BOB BUCHMANN, WBAB:** "For add dollars, our prime competitor is not radio: it's Long Island's print monopoly--Newsday...In terms of programming, we tap the available 'AOR pie' to its fullest, so that our real competitor is Long Island's top CHR, WBLI. They are a tight, music-emphasis CHR (daytime AC/CHR) with little attention to personality and lots to advertising and promotion. They own the Island's 18-44 women and we, the Island's 18-44 men."

**LENNY BLOCH, WRCN:** "WBAB: Musically a broad AOR/CHR appeal; promotionally sound; great execution; airstaff with major market sound; punchy processing...WPLR: Funny, untamed morning show; musically confused; great signal."

**TED EDWARDS, KGB:** "91X is a teen based super trend oriented left of center dance rock station; with heavy street directed promotion and weak undisciplined air talent."

**GREG MULL, WRXK:** "I will describe both direct competitors. The AOR station is a JPC clone. The CHR station has had the market by the balls for too long. They're poised to be knocked off the throne. To borrow a line from my friend Charlie Daniels, 'We've got 'em all out there a steppin' and a fetchin', like their heads are on fire and their asses are catchin'!"

**BRIAN KRYSZ, WKLC:** "In the words of Glenn Stewart...'We have no competition'."

**CHARLIE LOGAN, WYNF:** "Copycat radio doesn't warrant a comment."

**DAVE KANE, WCMF:** "We have none, unless you count a dance oriented CHR or a Classic Hits station that plays Neil Diamond. Like I said, we have none."

**LEX STALEY, WFYV:** "They suck, but their numbers are great. You guessed it, they're a CHRI!"

**PAUL SHUGRUE, WRXL:** "One of each format, none particularly that good."

**CHRIS GARRETT, WHEB:** "Dead in the water."

**PAM BROOKS, WPDH:** "What competition?!"

**ALISON STEWART, WBRU:** "HJY is a great group of WBRU alumni who rock a little harder and prove that BRU trains people very well."

**KAREN ANDERSEN SMALL, WGIR:** "It's good, but we're better."

# RADIO ACTION

**WXRK, NEW YORK, NY M.D.-BOB KRANES:** "As of June 22, 1987 I will be at Polygram Records in the A&R Department. 'How does it feel?', is the most asked question of the week. Well, being music director at WBCN/WXRK has certainly given me a chance to play music I believe in; working at WLIR gave me the spirit. A music director's dream is A&R. When Dick Wingate approached me on the subject, it really didn't take that long for me to make up my mind. My talents lie in exploring and hearing new and exciting music. Working for such a musical force as Polygram Records and working with an outstanding A&R team is an opportunity I just can't pass on. I expect the transition to be smooth. I'll be on the road seeing a lot of music and getting the chance to meet a lot of new people. There are lots of great ears in radioland, and I will now have the chance to not only meet them but the chance to hear what they've got to say. I want to make sure that a stone does not remain unturned. As I can attest to, there are a lot of great bands out there that radio knows all about. I want to know about them. Send tapes. Call! I'll be in touch."

**KOME, SAN JOSE, CA M.D.-LARRY MILES:** "Our adds this week include the new one from the Outfield. While they sound pretty much the same as before, it's the sound that worked for them. 'Since You've Been Gone' fills the Outfield gap that we've had since their first release...New track from Gregg Allman, 'Can't Keep Running'. Gregg's been doing real well here in the Bay Area with the previous two tracks, so we of course elected to go with this one...John Waite is back strong. 'These Times' are gonna make 'Good Times' for John...The new Call record is just phenominal. If you haven't heard tracks yet, 'I Don't Wanna' is just the beginning...Tom Kimmel 'That's Freedom': I have to echo the sentiments of fellow Arizona rocker, J. David Holmes, 'This song, as well as this Lp, are certainly a standout for the artist'...John Hiatt's 'Thank You Girl': We've been trying to get it on, and we're happy to finally get this one on!...As far as me personally, these are my last Radio Action comments from the San Jose and California coastline. Looking forward to talking with everyone from Tucson, Arizona, as I will officially be available June 15th in the programming chair. Keep talking with Jack Green on that end, as Jack will continue to handle music and so on."

**KXRX, SEATTLE, WA M.D.-LARRY SNIDER:** "This Warner Bros. release of the Williams Brothers has more than just a few tracks that are airable. The track we're going on, 'State Of Mind', is just one of many gems. Take note of the Mike Campbell production on several tracks, and the Petty feel provided by that production and Campbell and Stan Lynch. Downright great playing by the Williams Bros. This is a surprise that shouldn't go unnoticed. It will really stand heads above many of the things you're getting worked hard on if you'll just give it a chance. And that's what we're doing now--giving it a chance...Also, pleased to hear Elektra Records going with 'Out That Door' as the next release from the Hoodoo Gurus. Don't let the 12" sit in your pile too long. This is the track for AOR. You can even hear it on the vinyl, the charisma of David Faltner, the band's chief lyrics writer and lead vocalist...Is anyone else getting the buzz on

the Blues that we're getting here in Seattle? I felt for years that this is a good Blues town, but things are starting to bust open--not only the turnout on off night club Blues performances, but on the retail level with a light rotation run on product like the Collins/Cray/Copeland showdown on Alligator Records. By the way, the track there is 'The Dream'. It's especially good for those Cray fans out there in your cume."

**WBCN, BOSTON, MA M.D.-CARTER ALAN:** "Here we go again.

The walking wounded of Celtic green meet Los Angeles. No bets on this one because it's gonna be tough, but of course I'd have to leave town if I didn't give my vote to the Celtics all the way!...Musically, Thrashing Doves has a special show at the Paradise for WBCN. We gave away all the tickets to the Friday night dance party, which also featured an excellent punk rock outfit named Skin. Thrashing Doves were incredibly tight on stage delivering a set that delighted us all. It's easy to see why A&M signed them...Little America swung back to Boston for a killer lunch time show for WBCN. Thanks to all from the band and Geffen...The Saints bow on our playlist for the first time. We've been playing 'Just Like Fire Would' in medium rotation for weeks, and the requests got too deep to wade through so we upped the record to heavy. This is a great album, and the CD sounds great on the air as well...Although The Cult's 'Lil' Devil' debut on the playlist, 'Born To Be Wild' is still garnering a ton of airplay. It was our #2 request last week...Finally, hope you all like the U2 interview record, which was great to do for Island. It should be in your hands this week, and if you have any suggestions or comments drop me a line at: WBCN, 1265 Boylston Street, Boston, MA 02215."

**WGTR, MIAMI, FL M.D.-THE BEARMAN:** "Just once, before you're old, you gotta hear Roger Waters 'Radio K.A.O.S.' on the big stereo with the big speakers--real loud. It is to die (but at the end Roger sees to that anyway.)"

**WLIR, LONG ISLAND, NY M.D.-LARRY "THE DUCK" DUNN:**

"What a strange day! To start, the Billy Idol/Cult show at the Garden was cancelled due to asbestos falling from the Garden ceiling. How come this never happens at Barry Manilow and Knicks games? On the other hand, Jon Astley paid a warm visit to the station. My thanks to Don, Jon, Danny and Jackie at Atlantic. The pilot was wonderful--and the crew thank you...The new Cure album has tremendous depth. We're four cuts deep staring at a Cure Garden party. Special thanks to Robert Smith for phoning in live to kickoff the album...As an import, we've been pounding a single from That Petrol Emotion entitled 'Big Decision'. This Irish band delivers the goods... 'Mary's Prayer', Jesus And Mary Chain, the PTL, 'Dear God' and now 'Jesus On the Payroll'. Yes, here at WLIR we spare no expense to find great talent and the Thrashing Doves have a winner on their hands...Speaking of Jesus And Mary Chain, is this their most accessible single to date--or what? Only their chain saw knows for sure...If you're looking for fresh new product, try the Scottish band the Silencers with a single entitled 'Painted Moon', managed by Bruce Finley who also manages Simple Minds and China Crisis (to name a few). These guys have tremendous potential to make a place for themselves in America...Special thanks to Billy Duffy of The Cult and Johnny Marr of the Smiths for phoning in live...Screamer Of The Week: The Replacements 'Alex Chilton'."

**KLOL, HOUSTON, TX M.D.-HARVEY "DR. K" KOJAN:** "It was like, far out, man! Monday morning at 10:00AM KLOL became, as we promoted it for a week, "A Thing Of The Past". For 14-hours we were 1967. We didn't just play 'Sgt. Pepper'

and the music from '67, we featured vintage '67 commercials (a Mustang for \$1999), newscasters, promotions (including a station sponsored 'Magic Bus' trip to the Monterey Pop Festival, only \$10.50, man) and a Love In from the Hard Rock Cafe. We dressed in bell bottoms, Neru jackets, and showered our listeners with flowers and beads. Reaction from listeners has been sensational. Long hours in the production studio and library were well worth it. As far as music goes, we really dig 'Sgt. Pepper' and that new Buffalo Springfield thing is--oops, wrong decade...It's 1987 and that new Neil Young thing is incredible. Am I crazy or did I hear him do that on the last tour?...Tom Kimmel's 'That's Freedom' sounded real fine the first time. After repeated listens, I'm hooked. It's sincere, well-crafted rock 'n roll."

**KYYS, KANSAS CITY, MO ASST. P.D.-ELLEN GERDES:** "Okay, so last week's comments sounded risqué but, hey, so does my ad in the personals of the local paper. (JUST KIDDING!)...I guess I should stick with talking music only, so-- We are having no problem finding follow-up tracks with proof of adding another Bryan Adams, 'Hearts On Fire', and last week's Cult 'Lil' Devil', and P-Furs 'Shock'. The majority of artists with airplay right now have the quality of work that goes deeper than just one track. It's been relatively easy to keep the listener familiar with the artist for a long period of time."

**KTCZ, MINNEAPOLIS, MN P.D.-ALAN LAWSON:** "After a month of heavy airplay, Bernie Taupin's still getting great phones for 'Citizen Jane'. Do yourself a favor and check it out!"

**WBAB, LONG ISLAND, NY M.D.-RALPH TORTORA:** "I am so excited about this Fogelberg Lp I could scream. This is the type of powerful music, melodies and harmonies that made me a fan in the first place. Even the ballads have that old punch, and bravo for covering Mannass's 'It Doesn't Matter'. Welcome home, Dan...I know it sounds like it was recorded in Herman Munster's basement, but we're gonna get serious about Jon Astley. 'Jane's Getting Serious' is so quirky and so cool, it just might work...Don't let the Pretty Maids Lp slip through the cracks. This is very good hard rock, and Epic should have another Europe on their hands. Personal faves are 'Eye Of The Storm' and 'Yellow Rain'...Yo, EMI, if 'Blue Avenue' from Peter Wolf doesn't work both AOR and CHR, I'll eat my shorts!"

**KGON, PORTLAND, OR M.D.-INESSA YORK:** "I found a real satisfying album last week: 'Exit O' from Steve Earle. He's really put together a tremendous piece of work. It sounds country at first, but then you realize he's a great rock and roll singer...Last week I saw a band I've been watching from the sidelines: Faith No More. They played to a small audience. They drive around in a truck or a skateboard, as the case may be. They stay at a friends home during their stay in any given city. But that does not diminish their energy or expertise. They play with a great vengeance. Faith No More isn't for everyone. It's raw and some of it is reminiscent of Iggy's early stuff. Better catch 'em now and you can say you saw 'em when...Also, count me in on that Steve Jones Fan Club."

**WXRT, CHICAGO, IL M.D.-LIN BREHMER:** "We all use a lot of adjectives. I like to save a few of them for special occasions. Lugubrious. There's one I like to save for new Cure releases, but I never use it because it leads people into considering the record's mood rather than the band's burgeoning following and importance...Brilliant is an adjective I reserve for records that are. Warren Zevon's new album is brilliant. He has revived the muse that haunted his earlier Lp's. We can enjoy a bemused perspective that is warped only by virtue of the realities of this world. Mostly, this confessional record is moving and powerful. The songwriter has not lost his sense of humor. Listen especially to 'Boom Boom Mancini', 'Reconsider Me', 'Detox Mansion' and 'Bad Karma'...We put on two new John Hiatt songs, 'Memphis In

The Meantime' and 'The Thing Called Love' from one of my favorite albums of 1987...Combine the most urgent vocal delivery this side of Bono Vox with an unforgettable refrain and you've received the Call, a band whose maturity is balanced by their passion...And if you're in the market for guarantees, I've got one for you. The Silencers' 'Painted Moon' will be Top 10 album track by mid-July. A smash. I guarantee it."

**WBRU, PROVIDENCE, RI M.D.-ALISON STEWART:** "The Fire Town song 'Carry The Torch' is easily the catchiest tune around. The finely woven vocals will charm anybody...John Waite makes an offer that AOR can't refuse. It's rock oriented and it's ready to roll...With the anniversary of 'Sgt. Pepper', we pulled out the A-Z, or actually it was the Beatles A-Y because we couldn't find any Zs, with special hours of Beatles songs and original songs that the Beatles covered as well as all request solo artist hours. Made for a mighty fine special. It was the talk of the town."

**WPLR, NEW HAVEN, CT M.D.-CHRISTINA:** "Since everyone talks about how this is such 'a great song', let's all shut up and play Jon Astley's 'Jane's Getting Serious'!...WPLR morning show character Guido Stein (Bruce Barber) has just released his debut 45, 'Guido Stein Rocks Volume 1', featuring 'The Check Is In The Mail' B/W 'Dentist's Chair'. Get yours now!!!"

**CFNY, TORONTO, CN M.D.-DON BERNS:** "It was Lin Brehmer (see, I don't always refer to Larry 'The Duck's' comments) who mentioned a couple of weeks ago that WXRT is playing certain artists who might be deemed inappropriate. I think we all do that on occasion and, in fact, CFNY has been doing it for years with the Nylons, a group whose time has come with the incredible success of their Lp, 'Happy Together'. Rather than talk about their recorded music, however, all I will do here is urge you to see them in concert when they appear at a venue near you. These guys are great, and I guarantee you'll be grinning from ear to ear when you see and hear what they have to offer. Congrats on one of the concerts of the year, guys!...I'm off to meetings and a press conference, so I'm turning these comments over to Ivar Hamilton—after I ask all record companies, who have artists on their rosters that we play, to get your artists to call us at 416-453-7452 weekdays from 10AM-3PM (EDT) with 10th anniversary greetings. Please ask for Walter, who'll record the greetings. Thanks. And now, here's Ivar"...**ASST. M.D.-IVAR HAMILTON:** "A big week for concerts in Toronto. Billy Idol and The Cult rolled into town last Tuesday. The Cult are definitely ready for the big leagues. The gut-wrenching, heavier approach to new and old material makes them the next big stadium contenders...Thanks to Ian Astbury for dropping by to reminisce about his teenage roots in Hamilton, Ontario. If you're afraid of playing Skinny Puppy, you may change your mind after going to one of their concerts. Theatrically, they are one of the strongest new bands on the road today. Although the music is highly intense, it is very worthy of the alternative teen market. Network Records were in town to record the Skinny Puppy show for a forthcoming video...Another up-and-coming act to watch are Fuzzbox. They turned in a very pleasing debut Canadian appearance at the El Mocambo this past week that perhaps could have been stronger had more of the performance been original work. Still, it was a whole lot of fun and Fuzzbox can borrow my collection of water pistols anytime!...Suicidal Tendencies 'Possessed To Skate' moves into our Top 10 request spot the first week out. Yes, it is really heavy, but it's an instant reaction getter and makes a great alternative to the Beastie Boys in the midst of all their recent bad publicity."

**WYNF, TAMPA/ST. PETERSBURG, FL M.D.-CHARLIE LOGAN:** "Steve Jones: Besides his R.A.D. PSA, this is the best project Steve's ever been involved with. When the word 'feel' was

invented, the linguist must have had this record in mind. A tasty and subtle song that's sure to appeal to a broad segment of your audience. From punks to Blues lovers, this song will cover all bases. Great song, play it!...Sammy Hagar 'Give To Live' is an absolute monster—immediate power. Eddie and Sammy are the dream team of the '80's. This song has the phones exploding...Songs that sound great on the air: Shy's 'Breakdown The Walls' is getting great phone action. This is more than just a light rotation record...Envy, too, has the phones hot: Searing guitars and lusty vocals, a favorite combination of mine...Suzanne Vega is performing marvelously. Every spin is generating reaction from our listeners, who are now as enthralled with the lyrical content as the music...Roger Waters has the Floyd freaks freaking. Strong reaction record...Thanks again to Craig Lambert and Jordan Zucker of A&M for bringing Bryan Adams by the station. After shooting his next video the night before till 4:00AM, Bryan was nice enough to spend a hour on-the-air, and answer phones. Not many people that big still do that; we wish they would. A great guy, a great show, a great album—thanks again."

**WLWQ, COLUMBIA, OH M.D.-WENDY STEELE:** "John Waite could have his biggest hit to date with 'Times Are Hard'. What a baby doll!...Dan Fogelberg 'She Don't Look Back' sounds good on the radio. It brings me back to the Lp 'Capture Angel'. I like the title cut, 'Exile', as well...It was great to see again and meet my fellow TAVT industry giant in Cicada (Cincinnati) county. Especially my bud Beth Kepple of WKLS. Can't wait to go back to The Waterfront and hang out at the bar in the bathroom."

**KBCO, BOULDER, CO M.D.-DOUG CLIFTON:** "Best New Music: Dan Fogelberg. The new album 'Exiles' is pretty well balanced between ballads and up-tempo songs. The title track, 'What You're Doing' and 'The Way It Must Be' are good for starters. Dan has great upper demo appeal, so he's perfect for us...The 'Captive' Soundtrack features The Edge from U2. It came out last year as an import and now Virgin has made it available domestically. The song 'Heroine' is perfect for Adventure Club stations...Speaking of imports, Del Williams dropped off an import copy of Curiosity Killed The Cat. We liked it so much we added it right away. It's already #1 in the British album charts and we anticipate that success spreading across the Atlantic...Building: Fleetwood Mac 'Seven Wonders'; R.E.M. 'Ages Of You'; and Jon Butcher 'Holy Wars' move into power rotation...New Additions include Gregg Allman 'Can't Keep Running'; The Long Ryders 'I Want You Bad'; and Wendy Waldman 'Living In Hard Times'...Top 10 Retail: U2, Nylons, Suzanne Vega, Robert Cray, XTC, Fleetwood Mac, Smiths, R.E.M., Gregg Allman, David Bowie. Also doing well: The Replacements, Hoodoo Gurus and Chris Daniels...Top 5 Phones: The Damned, World Party, Tom Petty, Danny Wilson and U2...Concerts: Last Wednesday we had three very different shows in town, and all three received rave reviews from our listeners. The shows included: The Doobie Bros; reunion at McNichols Arena; Psychedelic Furs at Red Rocks; and The Bears at Boulder's Coast...Thanks: Richard Butler of Psychedelic Furs for stopping by; Lisa Wolf for setting up the interview; Jeff Patton for dropping by with Gino Vannelli; and Del Williams and Michael Linehan for their visits."

**KUPD, PHOENIX, AZ M.D.-J. DAVID HOLMES:** "Sammy Hagar 'The Red Rocker' rolls out his best solo song to date. 'Give To Live' is not only melodic, it has something incredibly positive to say. If Sammy had done nothing else, this would place him in my Rock And Roll Hall of Fame. 'Give To Live' is a future classic...Listen to the depth of Tom Kimmel's debut. Not only is 'That's Freedom' a winner, but Kimmel hits the bull's-eye with the tracks 'Shake', 'Trying To Dance', and the title cut, 'Five To One', would make Springsteen jealous. Here's a singer/songwriter in it for the long haul. The whole Lp scores a direct hit!"

**KGB, SAN DIEGO, CA M.D.-PAM EDWARDS:** "Sammy Hagar has found a soul mate in Eddie Van Halen. These buddies are

making great music and sounding like they're having a lot of fun in the process...Amid rumors of becoming Foreigner's lead singer, John Waite released one of his best records ever. John's voice is so incredible he can do justice to just about any tune, and this time he's got a great song. Glad to have you back, John!...Kudos to Columbia Records for the first copper CD ever. It was an ultracool idea...Many thanks to Roger Glover of Deep Purple for his lengthy on-air chat...And also thanks to Don Bernstein for getting all the details straight, and to Brian Howe of Bad Company for being quite the gentleman...To Jean 'Tirebiter' Johnson - two big nights of Polygram hospitality in one week. I don't know if I can handle that, you crazy Momma!...And a special thanks this week to Jeff Laufner at Chrysalis for making the World Party show really happen. Your effort and dedication to the band are laudable. Don't miss the World Party show if it comes to your city. Many superlatives come to mind, especially thinking about their rendition of the Beatles 'A Day In The Life'. It was truly spectacular!"

**WLNZ, LANSING, MI M.D.-CATHY DOWN:** "In 1967 Sgt. Pepper taught the band to play. 20 years later, in 1987, Sgt. Pepper's band has upgraded their tune in the way of digital laser disc. We commemorated the fact in a major way starting at 6:00AM on Monday, June 1st. We broadcast our Morning Show live in an area record store to welcome the compact disc arrival! To make sure the CD's felt at home, we decorated the record store with the latest 1967 decor, complete with black lights, love beads, incense and the morning and afternoon teams even dressed in Sgt. Pepper-like costumes. We gave away special Sgt. Pepper t-shirts, posters and the brand new '20 Years Ago Today' book. Throughout the day we played the Pepper's CD in its entirety--not once, or twice, but actually 3 times! Intermixed with this was Beatles bits, info and commercials from the '67 time slot and all of the music played Monday was from 1967. A wide variety from Wilson Pickett and Lulu, to the Mommas and The Pappas and the Electric Prunes. Later that evening we moved the Pepper's excitement over to a big Beatles bash we threw at an area club. We came prepared with Sgt. Pepper's birthday cake, Pepper's costume contest and gave away a compact disc player equipped with all 8 of the Beatles CD's currently available. It was our way of showing our appreciation to an album that we, as true rock and rollers, truly appreciate. An album that continues to sound better with every spin. Rick and I would also like to deeply thank Capitol's Dave Morrell and Dave Tezak for doing an absolutely terrific job in helping us pull this extravagance off with flying colors. Guys, we'll have to do it again 20 years from now...This week's adds are also showing their colors: Sammy Hagar 'Give To Live' is a s-m-a-s-h; John Waite's latest I feel is the best he's done since his Babys days; and the live mix of Judas Priest 'Turbo Lover' shows the band at their finest. All and all, a very exhausting emotional week, but definitely a memorable 'day in a life'."

**WDHA, NORTH JERSEY, NJ P.D.-MIKE BOYLE:** "I don't know what's hotter here in the New Jersey area--the weather or the upcoming Summer concert season. It's still early and here is a list of shows: Dead/Dylan; Boston; Peter Gabriel; Tom Petty; Bryan Adams; Heart and Billy Idol!...Sammy Hagar's new song, 'Give To Live', will be on the radio all Summer long. So will John Waite's 'These Times Are Hard For Lovers'! This song has the edge John has needed to do for a long time...We featured the new Judas Priest live album on our 'Metalmania' show last Friday, and wow! People couldn't get enough! This will be a big store item this Summer! By the way, the 'Copper CD' is real cool too!"

**WDVE, PITTSBURGH, PA M.D.-ANTHONY ALFONSI:** "If Sammy Hagar's 'Give To Live' is any indication of what's going to be on the album--we're in for a great Summer of

rock 'n roll...John Waite's 'These Times Are Hard For Lovers' has a lot of muscle. John lets loose on this one...The more I listen to 'Luka' by Suzanne Vega, the more I like it...Thanks to Arnold Lanni and Woof Hassel of Frozen Ghost for stopping by the station...On Tuesday night, June 9th, WDVE's Morning Man, Scott Paulsen, will be conducting his own Gary Hart monkey business boat cruise on the three rivers in Pittsburgh. Scott will be giving away copies of the new Heart album, as well as video cassettes of the Marx Brothers' movie 'Monkey Business'. Pittsburgh's own Gary Hart will be on the cruise, but at press time, Donna Rice was still looking for a wedding dress."

**WCCC, HARTFORD, CT P.D./M.D.-HARVE ALAN:** "Good sounding stuff from Sammy Hagar. Audience response is sure to be nothing short of 'play it again'...Track three from Gregg Allman is bound to put this album back into Top 10 sales in Hartford...A tough call this week was whether to play or not to play Danny Wilson's 'Mary's Prayer'. It took more than one listen to hear this record but I think it has h-i-t potential...If John Waite crossed your desk and the response was like mine, all you have to do is listen to the tune and you'll change your mind."

**KICT, WICHITA, KS M.D.-PHIL THOMPSON:** "They talked me into it. We're going to give Hedge V a test drive! We'll try it out for a couple of weeks. Hopefully everyone will like it as much as I do...Everyone seems to really like the Richard Marx record. Two weeks on and it's already Top 5 phones. We've got to move this one into heavy this week!...Looking forward to the Whitesnake show and anticipating Little America coming back to town...To all the reps: Keep the CD's coming!"

**WTPA, HARRISBURG, PA ASST. P.D.-CHRIS JAMES:** "Thank God Sammy Hagar owed Geffen Records another Lp! Otherwise we may have never gotten his most marketable song yet. 'Give To Live' zooms into heavy rotation...John Waite proved he's still a rocker with 'These Times'. The song should produce in all demos...Gregg Allman continues to produce hits and never say die. 'Can't Keep Running' should sprit into power in no time...Doug & The Slugs continues to light up the phones. We've been on our second cut 'I'm Excited' for three weeks now. Now pulling Top 10 phones! The sound, very reminiscent of J. Geils will floor you...Another steady builder over the past weeks has been Tom Kimmel. He'll be the next Bryan Adams...Herb G: Thanks for the Lp...iQ Top 5 phones the last two weeks."

**WXXP, PITTSBURGH, PA M.D.-DEB BRADY:** "Many thanks are in order this week, beginning with Howard Jones for a night Pittsburgh won't forget! He helped us kick off our First Anniversary celebration with a super performance...Thanks to Brad Hunt; Steve Schnur; Jay Brooks and all at Elektra...Thanks to Steve Tipp at Warner Bros. and Johnny Marr of the Smiths for the phone-ins; and as well to Linda Kirishjian at Columbia for setting up the trump call to Alison Moyet. Artists' calling in and stopping by is true excitement for listeners, and we certainly couldn't do it without all the help...As for music, INXS teaming with Jimmy Barnes is 'Good Times'. We've had tremendous succes with it as an import and our audience still wants more. 'Jesus On The Payroll' is a great follow-up to 'Beautiful Imbalance', to say nothing of the timely lyrics...And individually or collectively, U2 has the magic...Listen to 'Heroine' from the Edge."

**KZEL, EUGENE, OR P.D.-JIM TRAPP:** "Summertime sounds great at KZEL, with a little help from Mason Ruffner. The man who owns New Orleans, who moves into heavy this week!...We're also moving up on the Long Ryders track 'I Want You Back'...One of the best bands out, Fire Town, and their lead off track, has found a home on my compact disc machine like you won't believe. This band will be one of the best remembered of 1987...We also like the gritty sound of the Hoodoo Gurus 'Out That Door'...Something smooth from Jude Cole, 'Like Lovers Do' also gets a nod...And to our ear the

best thing on Little Steven's album is 'Bitterfruit'. This duet, with legendary performer Ruben Blade, is as topical as treaties and far more accessible on a purely musical level...We also project good things for Sire recording artist Figures On A Beach. The 12" 'No Stars' refuses to get off my turntable...From Eugene, Or (where the sun has finally decided to shine), good luck to all of you in the Spring Book!

**KEZE, SPOKANE, WA ASST. P.D./M.D.-BREW MICHAELS:**

"Can't say enough about the new Cult record. It's pure, genuine and the slashing guitars make one hell of a lot of noise...On the opposite end of the spectrum, the two fave soft songs on the ROCK106 playlist are Patty Smyth's 'Downtown Train' and the new Neil Young 'Long Walk Home'."

**WEGR, MEMPHIS, TN M.D.-KELLY CRUISE:**

"Richard Marx is pulling incredible phones and his sales are pretty h-o-t, too. This song really seems to fill a void for Eagles' fans, and also give a listen to 'Should've Known Better'...Don't wait to add John Waite's 'These Times Are Hard For Lovers'. John's melodic vocals and harmonies should make it a quick crossover tune...We couldn't resist adding John Hiatt's 'Memphis In The Meantime'--It even mentions the Rendevous!...I enjoyed visiting London over the past week. The music scene is alive and well. Warren Zevon and Suzanne Vega just wrapped up some shows, and I caught David Cassidy in a Dave Clark production of a musical called 'Time'. Incredible set and laser show but the ex-Partridge family member is still a 'wimp'!"

**WQMF, LOUISVILLE, KY M.D.-KEITH TAYLOR:**

"Congratulations to Scott Stanley, the big old funky Q. The job offer was great but we hung on to you! Thanks to Chal Martina for another groovy time here in the Derby City--Can't wait to do it again!"

**KILO, COLORADO SPRINGS, CO M.D.-ALAN WHITE:**

"If he isn't already, 'Give To Live' will make Sammy Hagar a household name. Sammy sings from the heart with enough punch for the rockers and enough emotion for the females...John Waite bounces back with a streamlined rocker that we knew he was capable of delivering...Night Ranger's ballad 'Hearts Away' works in the same way that 'Sister Christian' did. It seems that this is what they do best...We'll move on Keel early because Ron Keel reaches down deep and gives his best vocal performance yet...Thanks to Lisa Wolf of CBS, Denver, for the gorgeous Outfield plaques."

**WPYX, ALBANY, NY M.D.-ANDI TURCO:**

"Okay, I admit it! John Waite has always been one of my favorites since the Babys and he could sing anything shy of Gregorian chants, and I would still love it. But yes, the last two since 'Missing You' were a bit disappointing. When I first heard 'These Times Are Hard...' it was close to the big O right on the spot. He sounds great and I'm glad he put the rock back into the roll! Needless to say that was one of our adds this week...The other is Sammy Hagar. The phones lit up immediately with positive response. Can't wait to hear the rest of the album...Last week I had one of the best experiences ever in the days of my career: I got to sing on stage with REO Speedwagon on 'Roll With The Changes', when they played in Glens Falls. Albeit it was just back-up but I had a blast and I think I've found a new calling in life. I would like to thank Epic's Terry Coen for setting things up for us and our listeners...That's it for now, and keep on rolling."

**KWIC, BEAUMONT, TX M.D.-TIM KELLEY:** "Thank you, Tom Petty, for 'Jammin' Me' in Houston. And, MCA for the after show highlight 'Bubba Wayne Live At The Black Swan'. Too cool!...Don't let the instant adds from the Red Rocker, the Outfield, and others, keep you from listening to some of the

most extraordinary music I've tasted in a long time. iQ's 'No Love Lost' is too good to keep to ourselves. The listeners deserve quality and iQ delivers...KWIC has kicked off the 108 days of Summer. We need artist ID's saying: 'Hi, this is \_\_\_\_\_, celebrating 108 days of Summer with 108--The Rock'. Tapes to: 4945 Fannett Road, Beaumont, TX 77705 or (409) 842-2210."

**KLAQ, EL PASO, TX M.D.-MAGIC MIKE:** "We've recovered from our Memorial Day weekend. The 2nd Annual KLAQ International Balloon Festival was a huge success with over 80 balloons in 3 days! Thanks to the Gregg Allman Band for joining us. Our listeners are still talking about our show. We're already planning for next year, and you're invited!...After hearing the pre-release cassette from our friends the Cruzados, I'm convinced it should be a natural for every rock station in the nation. Give it a good listen...Last but not least, adios and good luck to our ex-morning team Mark Stevens and Rose Imperato who are on their way to Florida. Our O.M., Nat Lamp, is accepting tapes and resumes."

**WRCN, LONG ISLAND, NY P.D.-LENNY BLOCH:** "I was all set to thank Mark Diller and Chrysalis for the fabulous Billy Idol show, but due to circumstances beyond their control, Madison Square Garden had to cancel the Sold-Out performance. I thought maybe Earl Monroe's retired jersey had fallen from the rafters. Nope, just maintenance problems at the Garden...Look for Cruzados to 'burn up' the airwaves on a rock radio outlet near you soon!...The Dead are alive and well too, with a healthy Garcia. Thanks to the merriest prankster I know, Sean Cokley, for the preview...We just completed a very successful promotion with RCA on Autograph's 'Loud And Clear', thanks to Steve Stoff and David Ross...Thanks to Cledra White, Virgin and Warren Zevon, for the insightful and entertaining talk. Two years ago, WRCN was first on Long Island to play a band called Poison Dollies on our Backyard Vinyl show. This year, Envy hits the bigtime with 'Ain't It A Sin'. We're very excited about this record. Early phones are good...Motley Crue scoots to #1 sales on the Island, followed by Suzanne Vega; Paul Simon; Heart and U2...Sergeant Slaughter hits our airwaves this Sunday for a guest DJ slot. I'm not scared, I'm an American. We should get along fine. They tell me he l-o-v-e-s rock 'n roll!"

**WZZO, BETHLEHEM, PA P.D.-GENE ROMANO:** "WZZO's Pink Floyd mania: Z95 party express to Pink Floyd in Toronto, CN filled up ten busloads of listeners in less than seven hours, for an overnight trip to the show!"

**KDJK, OAKDALE, CA M.D.-BEAVER BROWN:** "I don't envy anyone who hasn't heard Envy. Rhonni and Gina Stile saute on 'Ain't It A Sin'. Envy, the next female rock queens!...It took me a while to come around, but take a good listen to Jon Astley 'Jane's Getting Serious'. The phones immediately lit up -- The women love it...Oh by the way, love the new Sammy. Niced bass playing, Edward!"

**KRXQ, SACRAMENTO, CA M.D.-RON GARRETT:** "Ozzy Osbourne's 'Tribute' album continues to perform well, pulling Top 10 phones and giving us an image edge among his legions of fans -- Not to mention the huge following Randy Rhodes has. Put the two together and you have a guaranteed sales smash...If you missed the opportunity to be early on the Europe album, Pretty Maids is here with an album that could very well develop into the same success story...Don't let another day go by without listening to Michael White's 'I Know You Need Someone'. A masterful ballad of scorching guitar and a beautiful melody line. This album has depth...John Hiatt, shades of the Rolling Stones 'Beggar's Banquet'. With a Tom Petty/John Mellencamp attitude, 'Thank You Girl' is a fresh shot at the mainstream...Our weekly new music show Out-Of-The-Box has taken off and is doing very well. Sacramento's hottest new music show. Any questions regarding Out-Of-The-Box, call Programming Assistant Pamela Roberts...Thanks to Katie and Brenda at Polygram for a fun time with Don Bernstein and Deep Purple...See ya!"

**KRZQ, RENO, NV M.D.-DICK SHEETZ:** "Pleased to see Whitesnake follow best with better. 'Here I Go' is the ultimate power ballad...As far as new additions, the Call is a great song--'I Don't Wanna'--I think everybody should give it a spin!"

**KMOD, TULSA, OK M.D.-JOHN FOSTER:** "Just saw America and Three Dog Night.G.F.S... Waiting for the Moody Blues on the 26th. Expecting an outrageous show."

**WAQX, SYRACUSE, NY ASST. P.D.-LORRAINE RAPP:** "95X just wrapped up a killer month by giving away 'A Vacation A Day In The Month Of May'. Winners were awarded two round trip tickets to the city of their choice in the continental U.S. We also gave away weekend getaways to upstate New York resorts...Little America played in a 95X showcase concert event last night and had the crowd eating out of their Southern California hands. Great response on 'Walk On Fire'. Thanks to Rob Ellis; Christina Anthony; Marko and of course, Julie and the band, for a great afternoon and night...95X did an exciting week-long promotion around the 20th Anniversary of the 'Sgt. Pepper' release. Thanks to Jack Snyder for his support...The staff is howling over Omar & The Howlers' 'Hard Times In The Land Of Plenty'. What a wailing tune...Richard Marx and Warren Zevon are sounding real good too...Personal thanks to Bruce and Doug: Could be great!"

**WRQK, CANTON, OH M.D.-GREG MORRISON:** "Drippy, sweaty days in Ohio usher in the Summer concert season. We're getting geared for area performances by Stevie Ray Vaughan; Eddie Money; The Truth; Brighton Rock; Gregg Allman and a bunch more! Pink Floyd's September gig sold-out in an orderly stampede. The new Ticketron purchasing policies fell on the confused ears of our listeners, who were nevertheless eager to buy...We're switching tracks on Gregg Allman. This album's impact continues...Nothing like a new Sammy Hagar tune to spark up the phones...Listeners are very curious about the new Roger Waters album. It is eagerly anticipated."

**WIOT, TOLEDO, OH M.D.-JIM STEEL:** "Call 'em C.C. Top or the Z.Z. Revival, or whatever you want. Omar & The Howlers' debut release is chock full of the right ingredients to keep them on rock radio throughout '87...Following in Omar's blaze of glory on the airwaves is Sammy Hagar. 'Give To Live'--what a record--what a topic--what a masterpiece! Efforts like this make it possible for us to achieve a 20 share. Hats off to Sammy Hagar for putting his heart and soul into his final Geffen release. This is no slouch and it shows what a class individual he is...The last thing I expected to receive after testing John Waite's 'These Times' was extremely strong 25+ male response. We all know that when John's on, he can melt a woman's heart at 25 paces but add the grit that this tune has and even the guys will stop dead in their tracks...Next on the praise list is Tom Kimmel. Just drop the needle and let it go. 'That's Freedom' is a brilliant record."

**WOOJ, FT. MYERS, FL M.D.-STEVE AVERY:** "Over the next weeks I'm definitely looking at Robin Trower 'Passion'; John Farnham 'Voice'; John Hiatt 'Thank You' and Envy 'Ain't It A Sin'...Don't hesitate with Vigil 'Until The Seasons'. Your listeners will find it a welcome relief from a lot of the boom boom electric bozo music that gets passed off as good rock 'n roll."

**WIXV, SAVANNAH, GA M.D.-VIRGIL THOMPSON:** "A

somewhat belated thanks to the Chrysalis crew of Daniel Glass, Kevin Sutter and Laura Hinson for the World Party concert in Atlanta. The show inspires--don't miss it or 'All Come True'. Go back and listen, if need be...With the Georgia Satellites on the Tom Petty tour, the momentum is still there, and this week we believe in 'The Myth Of Love'...Mason Ruffner has been generating many curiosity calls--but it's a little hard to take when callers ask 'On what Hendrix album is 'Gypsy Blood'? No kidding, I've had at least 15 calls in the last two weeks from people who think it's a Hendrix tune. A nice compliment, I'd say...Four more weeks to go in this still-one-book-per-year market, and we're kickin' ass with concert trips to see Deep Purple; Tom Petty; David Bowie; and the big one; Boston and the Texas Jam!"

**KQWB, FARGO, ND M.D.-TY BANKS:** "Disappointedly, we finally dropped The Long Ryders 'Gunslinger', after a very successful run. Hopefully, the next single 'I Want You Bad', will give the group the national attention they deserve with this record...I'm in l-o-v-e with Suzanne Vega!...Finally, thanks to Beau for turning us on to Stan Campbell."

**WGLU, JOHNSTOWN, PA M.D.-BRIAN WOLFE:** "First off, good luck to our old pal, Garrett Hart, who is leaving Pittsburgh for WAPL, Appleton/Green Bay. Garrett put 'GLU-92 on the map and there's no doubt he will be a success at WAPL...Musically, new adds include Sammy Hagar; John Waite; Whitesnake and The Cult. Tom Kimmel goes in too. He sounds just like Mellencamp...I cannot say enough good things about Neil Young's new one...Watch out because INXS is gonna knock your head off next week!"

**KMBY, MONTEREY/SALINAS, CA M.D.-STEVE HOOVER:** "John Waite was a rockin' Baby, but baby he's rockin' now!...Eddie And The Tide. Eddie And The Tide. Eddie And The Tide. Eddie And The Tide. Eddie And The Tide. Eddie And The Tide. Eddie And The Tide. Eddie And The Tide. Eddie And The Tide. Eddie And The Tide. Eddie And The Tide. Eddie And The Tide...get the hint?"

**KNCN, CORPUS CHRISTI, TX O.M.-PEPE LOPEZ:** "Cross yourselves! The Cruzados are coming! This ain't no disco! This ain't no dance mix! This ain't no fooling around straight ahead rock 'n roll blazing out of the West! Don't wait until 'After Dark'--contact the Arista rep nearest you and demand 'A Bed Of Lies'...The Saints are touring in New Orleans soon. Looking forward to meeting Chris Bailey. 'Big Hits (On The Underground)' could be a BIG HIT in Dixie!...Sammy Hagar 'Give To Live', on Geffen Records--Go for it!...The new John Waite is just what we needed. 'These Times Are Hard For Lovers' is out. Don't wait for the swelling to go down...Jon Astley is our alternative pick. 'Jane's Getting Serious' has a memorable hook!...**FROM P.D.-TIM PARKER:** "Many thanks to Rhonda Rose and Bubba Wayne of MCA for a great weekend in Houston. The show was very refreshing. No flash--no bombs and whistles--just straight ahead American rock 'n roll from Tom Petty And The Heartbreakers; the Georgia Satellites; and the Del Fuegos. When the rock 'n roll caravan stops at your local oasis, don't miss it!...Also, Bubba--say 'hi' to Phonecia for me and 'yes' a microwave is a beautiful thing!...Finally, thanks to Mark Neiderhouser of Geffen for stopping by with the new Sammy Hagar CD single, 'Give To Live'. Outstanding stuff--heavy rotation out-of-the-box!...**FROM M.D.-ELISE VANDER BORG:** "Okay, listen up. For you record people planning to come down for C-Sculptures--here's the plan: Arrive Friday evening or night. Your best bet for hotels would be the Anchor Resort Condominiums on Padre Island (512-949-8141), or Holiday Inn, North Padre (949-8041). For those of you with kids, the Hershey in town has baby sitting services (887-1600). Make reservations now!!! If you stay in town, you better leave for the beach by 8:00AM, or you'll never get there. We expect a crowd of 80,000+ so you get the idea. Also, bring plenty of sunscreen! OK, enough about C-Sculptures, June 13th with Tesla...Thanks go to Bubba and Rhonda Rose of MCA and Phil Poulos of Elektra, for Tom Petty; Del Fuegos; and Georgia

Satellites in Austin. Great show! After that, Mom and I checked out Will Sexton & The Kill at the Back Room and ran into the Unforgiven. L-o-v-e those guys...Next week I promise I'll talk music, I swear!"

**WWZU, WILLIAMSPORT, PA P.D.-MARK WILLIAMS:** "Here at ZOO-92, we have been playing around with a new style of nighttime format. What we have come up with is a unique sound that really stands out in the market, and also delivers those much sought after upper teens and 20's listeners. 6:00PM-4:00AM, for the most part, is a combination of our current playlist. Some real choice vintage rock tracks--some healthy recurrences--and most of all a generous supply of current hard rock and heavy metal. According to phones and sales, hard rock/metal is the dominating force in the music industry here: Whitesnake; Bon Jovi; Europe; Motley Crue; Judas Priest; Autograph; Keel; TNT; Ozzy and Ace Frehley are just some of the top go-getters here. The best thing about hard rock/metal fans is they possess all the characteristics of a loyal AOR listener. For instance, the immediate support of record sales, immediate support of phones and requests, the ability to go deeper faster on an album. Hard rock/metal fans are very loyal to the station that gives them the 'jams' that all the other stations haven't the balls to. Hard rock/metal listeners support live music whether it's concerts, station promotions or live music programs featured on the radio, and most of all, the hard rock/metal listener buys records and tapes\$\$\$\$."

**WPDH, POUGHKEEPSIE, NY M.D.-PAM BROOKS:** "WPDH's morning show, with Stew and John live from London, celebrating 'Sgt. Pepper's' 20th Anniversary, sounds great! Of course, I'm running around back here in the States with twice the amount of work to do--but, I couldn't go away anyway, because I would have missed THE CALL!"

**WHTQ, ORLANDO, FL M.D.-SLATS:** "With the new immigration laws in effect, the heat and humidity the past couple of days in Florida has prevented our new arrivals from leaving the Atlantic. At last check, the surf temp was 80 degrees...I'm curious about the new Outfield...If the single is an appetizer, the Lp must be one hell of a main course!"

**WXRC, CHARLOTTE, NC M.D.-JUSTIN PHELPS:** "New music seems to be dominating our phones: Suzanne Vega is ringing with lots of females...Motley Crue continues to dominate the phones and local sales...Warren Zevon didn't have to turn into a werewolf this time to convince us or our listeners--Top 5 phones!...By the way, we consider it important to get the important new music on first. We love CDs, but we're more than willing to play the new stuff the old fashioned way--on vinyl."

**WBLM, LEWISTON/PORTLAND, ME M.D.-ROBIN MATHIEU:** "Adds include: Sammy Hagar; Roger Waters; John Waite; Tom Kimmel; Envy and iQ...Sammy Hagar gives his best-ever solo effort on 'Give To Live'. Sounds like a BIG HIT--power it!...There's plenty of phone interest in Roger Waters. Leave it to a former Pink Floyd member to make waves before we even got him on-the-air. This rivals 'Pros And Cons Of Hitchhiking'. Can't wait for the album...Tom Kimmel gets a shot this week. I believe this album has h-i-t potential...We're also early believers in Envy and iQ. Envy should satisfy even our hardcore rockers and iQ certainly reminds us of early Genesis. Lend your ears to this soon-to-be AOR classic...Thanks to CBS for the recent 'Castle Rock' extravaganza. Mason Ruffner is attracting a lot of attention here in Portland. We're looking forward to his return with Peter Wolf this month...Also, thanks to Tony Chalmers of Capitol for the help on our 'Twenty Years Ago Today' promotion to celebrate the release of 'Sgt. Pepper' on CD. Heavy commuter rotation on The Call and Cruzados. Do yourself a favor and listen A.S.A.P."

**WKQQ, LEXINGTON, KY M.D.-STACY YELTON:** "Boy, have we had catching up to do! Wrong week to freeze the list. So, in catching up we have eight big adds this week!...Don't you just l-o-v-e the piano? Anyway, I do and Steve Earle & The Dukes have a winner with those 88's laying the foundation for a big hook on 'I Ain't Ever Satisfied'...Whitesnake's 'Here I Go Again' should top the phones soon. Great to have this power ballad on. Safe for every daypart...Tom Kimmel's 'That's Freedom' is sheer wonderfulness. Let it ring right through 4th of July!...Heart's had plenty of hype and hoopla. Need I add anything? Well, why not? 'Alone' is doing some time on our telephone line as I'm sure the next four or so tunes from the Lp will. I'm ready for the tour...The Cult is just smokin' on 'Lil' Devil'. Watch this track outdo 'Love Removal Machine'...Roger Waters 'Radio Waves'--what a concept, literally. Which of us in this business isn't going to love a record like this? Requests started before we even played it!...Suzanne Vega now owns the top spot on our request line. Knew it wouldn't take long."

**WCLZ, PORTLAND, ME M.D.-ALAN ARMITAGE:** "The FMQB Sampler III is the best yet! Love the Cruzados and The Edge...Finally grabbed a copy of Richard Marx--thanks to Tom Jodka for an aggravating conversation and the Lp. We like his style...Still h-o-t for Nicholas Tremulis with another cut in medium...My pick of the week is Alison Moyet--the music and performance move me."

**WMAD, MADISON, WI P.D.-BILL ROBBINS:** "Ears! Just hunk of flesh and cartilage? Maybe! I'm happy to announce that I've discovered a new set of ears! Our new Music Director and Morning Man is Paul Marszalek (what is a Marszalek? Robin Kravitz says it would make a great name for a new candy!) Paul was programming KQAL-FM in Winona, MN and will start this week. Record call times to follow soon...If you're not playing Fire Town yet, sit yourself down. Remember your first love and listen to 'Carry The Torch', then ask yourself when the last time was that you heard such solid, straight forward rock 'n roll writing!"

**WGIR, MANCHESTER, NH M.D.-KAREN ANDERSEN SMALL:** "Glad to see that A&M is going after Bryan Adams' 'Hearts On Fire'. This is the one off the album...Has John Waite cleaned up his act--or what? 'These Are Hard Times For Lovers' gets back to that good rocking in the Babys tradition...Speaking of rocking, the Cult continues right on with 'Lil' Devil'. I definitely like this one better than 'Love Removal Machine'. These guys have their rock 'n roll chops down...Sammy Hagar 'Give To Live' is a real hooky tune. I expected to hear Eddie Van Halen cut loose at anytime when I first heard the record, but I wasn't disappointed when he didn't! This song stands on its own and Sammy sounds relaxed and confident...Many thanks to George, from Warner Brothers, for bringing Fahrenheit by the station for a live in-studio interview. These guys are the nicest you'll ever want to meet. Their set, along with the Smithereens, for a Rock 101 Night at Club Casino, made for an evening full of good rocking."

**KAZY, DENVER, CO M.D.-TIM JEFFREYS:** "Big 'thanks' to Joe Walsh for doing our Morning Show last week. Guitar lessons for the deaf; Ringo Starr; the Doobie Bros.; acoustic versions of some of his bigger songs -- what a week!...Got some great raves already for Tom Kimmel. Good voice, clever lyrics, great hook -- yeo! Tom's got the formula!...Sammy Hagar is happening in a big way! Four days on-the-air and it hits power rotation...Also, great music this week from Envy. Straight forward rockers that are fun to look at...The last time I heard from John Waite he was chasing some 17 year old on 'Paper Dolls', but forget all that. 'These Times Are...' is a great song that should have the Waite fans running to the record stores in droves...Looking to beef up your nights? Try any cut from Judas Priest live, or Shy's 'Break Down The Walls'."

WXKE, FORT WAYNE, IN P.D.-RICK WEST: "Hey, how about that Pink Floyd?"

WKLT, TRAVERSE CITY, MI P.D.-DAVE FORTNEY: "Had a chance to hear Great White's 'Rock Me' last weekend, while Dave Tezak of Capitol was in town. Wow! What a tune! Put this one on, turn it up and let it make your ears smoke. ...What a great song from John Waite. 'These Times' is right on time...Mr. Fogelberg has made the crossover--we're starting to get good phones...June 1st we celebrated the Summer Of Love. All day we played tunes from '67, gave away a Beatles and Doors library and some Jefferson Airplane albums. Thanks to Dave Tezak; Jim Cortez and Mike Whitemack for all the giveaways. And also thanks to Doug Berton who helped us send some people backstage to meet Bon Jovi. The people had a great time - 'thanks', Doug...Final note: Boston against L.A. again? How boring! Detroit should have won!"

WRXK, FT. MYERS, FL P.D.-GREG MULL: "It's great to have a new production room, and I did it myself!"

KWHL, ANCHORAGE, AK M.D.-KEVIN VARGAS: "I enjoyed the FMQB Super Sampler 3 personally, and as a preview...The Great White song 'Rock Me' will be the band's breakthrough. If you haven't heard it yet, grab the Super Sampler and give it a listen...As a station that played 'Face The Day', we found their appeal to be wide-ranging. The band is hard, without being abrasive. Their lyrics tap into adult emotions and our audience appreciates their straight-ahead-approach. No glam, no spam, just good meaty rock 'n roll that even a vegetarian could appreciate...I'm banging for 'Bangin''. The album shows the band's growth and excelleration. If this Outfield declared free agency, Columbia would drop in the sales standings quicker than the Mets without Dwight Gooden. Not because Columbia's roster is that weak, but because the Outfield is that strong!"

Instant dance hit!...Depeche Mode sounding better this time around. This one takes me back to the earlier stages of their career. They always do such creative mixes...The Edge conjures up just a taste of 'October' on the 'Captive' soundtrack. What is it some people are calling it? 'New Edge Music'? ...I recently rented 'Captive'. It's the story of a rich girl brought down to earth the hard way, through humiliation. Well worth seeing...Wall Of Voodoo goes heavy this week. 'Do It Again' is a great Summer song destined for the boom boxes on the beach, boys...Pick-of-the-week: World Party 'All Come True'. Anyone reading this is cordially invited to stop in and see what we're so proud of. Thanks to G.M.-Brooks Brown and C.E. **ANDY ALLEN, ISLAND (212-995-7814):** "Look for the commercial 12" of 'Still Haven't Found...(U2) this week. It contains two more unreleased B-sides. 'Spanish Eyes' is very worthy of airplay. Also included in this mailing is an hour long interview with the band conducted and produced by Carter Alan. BONO AND THE EDGE discuss 'The Joshua Tree' Lp, touring America and have some very interesting things to say. We hope you find it useful... 'I Want You Bad'-LONG RYDERS ships as a 12" this week. It's also available on sampler CD. It's an excellent cover of the NRBQ song."

**ED TRUNK, MEGAFORCE (201-254-6533):** "ACE FREHLEY'S 'Comet' continues to soar: 'Into The Night' has just made its debut on Powercuts with an interview and airing of the single. The video for 'Into The Night' is on MTV and about to move from Breakout to Medium rotation! Don't you think it's about time to move this mass appeal rocker into the heavier rotations on your playlist too! The audience response is certainly there as 'Into The Night' moves to #9 Most Requested in FMQB and from #13 to #10 Most Requested in Album Network! The single also continues to climb the hot 100 and retail is exploding. FREHLEY'S 'Comet' is a top forty album on Billboard after just four weeks!! Look for ACE and TOD HOWARTH to be interviewed on MTV next week, and special thanks this week to WXRK (K-Rock) in N.Y.C. for interviewing ACE and TOD. Jimmy Finks metal show will be missed greatly! FREHLEY'S 'Comet' is now in rehearsals for their first world tour to kick off June 20...ANTHTRX 'Among The Living' tour continues to roll. The album is at #62 on Billboard and the video for 'Indians' hits this week. Look for ANTHRAX to host MTV's Headbangers Ball later this month... Also keep an eye on TESTAMENT'S 'The Legacy' and OVERKILL'S 'Taking Over', as these records continue to build nicely. Out now on Compact Disc are ANTHRAX 'Among The Living' and ACE FREHLEY 'Frehley's Comet'. Please satisfy the public's demand and play 'Into The Night'. Thanks for the support!!!"

**MATT POLLAC, RELATIVITY (718-995-9200):** "They say cats have nine lives, however, this one hasn't forfeited any. SCRUFFY THE CAT is alive and scratchin'. Just ask these enlightened few: WTOS-ME, WMRY-ILL, WXRK-N.Y., WBCN-MA, WBRV-RI, WVOG-GA, KZEL-OR, WDHA-NJ, KTAO-NM. Also, sit tight because the 12" will be on your turntable in two weeks. It contains 'Time Never Forgets' and 'Never Never'. They're presently on tour, doing the East. Give me a buzz for dates and places. One last huge footnote: THE PUSHTWANGERS are from Sweden and are as catchy as their name. 'Strangler From Behind' is the name of the 12" and it sits comfortable beneath your needle."

**JEFF "HIT AND MYTH" COOK, ELEKTRA (404-344-5080):** "Hiya radio rockers. This week I want to inform you about a few hits and myths from Elektra records. Now first, let's talk about MOTLEY CRUE. All the myths have been shattered! This band shipped 1,200,000 copies of 'Girls, Girls, Girls', becoming the first band to ship platinum for WEA in two years. Now that's momentum! Also Album Radio has embraced 'Girls, Girls, Girls' (I bet you have) and is powering it up the charts. Stations that swore they'd never play it, now are. If you haven't accepted that this is a mass appeal hit, you're mything the boat... 'I Don't Wanna' by the CALL is out and the raves are already starting. The band has been praised and touted by both radio and some of the most influential musicians in the business today. 'I Still Believe'

continues to sound as fresh today as it did when it was released, and 'I Don't Wanna' is destined to find major chart action at Album Radio. Trust me—I wouldn't myth-lead you. Wanna start the summer with a bang? Try 'Fourth Of July' by X. This track is very cool and your listeners are sure to myth it if you haven't added it...STAN CAMPBELL--now here's a record some of you are mything. Stations all across the country are testifying about the fact that 'Years Go By' is a great female record...The GEORGIA SATELLITES 'Myth Of Love' is no myth, it's a hit! The band is knocking 'em dead on the TOM PETTY tour and radio has given the nod to this track because it rocks so good. Just so there's no myth-understanding, we're gonna bring this record home...THE CURE Lp is now out and perhaps you're wondering why it's selling so well. It's because advance orders on this double album were over 325,000, which ain't shabby for a band that only now is starting to see commercial airplay. THE CURE is one band that radio should react to! The sales are there, the audience is there and radio should be there. To not play The Cure would be myth-take...The HOODOO GURUS 'Out That Door' is in your hands and should be on your turntables. There're out touring with the BANGLES, so don't myth it!"

**JEFF NAUMANN, VIRGIN (213-278-1181):** "Well, WARREN ZEVON'S long awaited album is finally out and is by a long shot the best music this man has ever done. If you can find one weak song on the album, I'll give you my house, mutant fish included. Other great album tracks are 'Detox Mansion', 'Boom Boom Mancini' and 'Bad Karma', to name a few. WARREN is back stronger than ever...Our second phase in the continuation of breaking GARY MOORE is now ready for airplay. It's 'Wild Frontier'. Along with the 12", we'll be servicing all of Album Radio with a CD of the entire Lp. 'Wild Frontier' is a super follow up to 'Over The Hills' and should expand his audience even further...SPEAR OF DESTINY'S Lp is really coming alive with 'Stranger In Our Town' getting strong response and a hefty amount of adds. 'Stranger In Our Town' is not a New Wave song either. It's pure rock and roll...A CUTTING CREW update: sales are approaching 600,000 and 'One For The Mockingbird' is quickly becoming a multi-format smash. Finally, THE EDGE'S 'Heroine' is getting great response from many, however, this song must be listened to maybe three times to realize its potential as a veritable suckaah. It has been reported U2 fans have been having orgasms everywhere this record is played. Don't deprive your audience of their thrill, play The Edge...Michael Plen was last seen shoving bottle rockets down a possum's throat."

**DAVID ROSS, RCA, (212-930-4518):** "As mature as a 1937 Chateau D'Yquem and as ageworthy, so long lived will a JOHN FARNHAM be. 'You're The Voice' continues its momentum and scores good rotation and phones where played. Let your listeners make the choice for 'You're The Voice'...SHY'S 'Break Down The Walls' gained 7 new believers this week and we're on the verge of breaking another new rock and roll sensation. Check out the tremendous P1 action. BERNIE TAUPIN'S 'Citizen Jane' comes out of the box with a dozen new adds and looks as though we have the possibility of breaking this record before CHR does...BRUCE HORNSBY AND THE RANGE have a CD out that's blowing 'em away. Check out the 7 minute instrumental intro of 'The Way It Is'. Please leave two slots open because June 15 is the day the STARSHIP hits with 'It's Not Over ('Til It's Over)' and the SILENCERS 'Painted Moon'...Thanks for your continued support."

**VIC LENTINI P.A.R.A.S. (818-500-7677):** "Success! Bob Pfeifer! Success! Bob Pfeifer! Success! Success! Success! WHFS, WTOS, KABL, KROQ, WFNX, WMDK, KZEL, WEQX, WNCS, KTCL, KTAO, KEYX, KSTM, KVNF, WOXY, WHTG, KFMH are all having success with Bob Pfeifer. There are two videos from this fine Lp, known as after words for 'Success' and 'Maybe It's Stupid'. Check your local or national listings for details. Last week, Bob Pfeifer: Gavin#45, Hard and Rockpool--Bubbling Under, and CMJ-#88. Mr. Pfeifer was well

TESLA'S "Little Suzi" and "Weapons Of Love" by the Truth are both solid with heavy viewers. 20+ females lend their support to RICHARD MARX's "Don't Mean Nothin'". Male teens are responding positively to TOM PETTY's "Jammin' Me"...Top 10 Best Selling Albums in Surveyed Markets: 1) U2, 2) Paul Simon, 3) Fleetwood Mac, 4) Whitesnake, 5) Bon Jovi, 6) Prince, 7) Ozzy Osbourne, 8) Steve Winwood, 9) Poison, 10) Beastie Boys.

## VIDEO NEWS

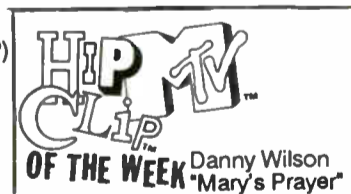

U2's "Joshua Tree" tour has been as successful in Europe as it was in the U.S. but the band gave a special jolt to the city of Rome. Their show there was so loud it touched off an earthquake alarm. And nearby residents reported rattling windows and shaking furniture...Recently, DAVID BOWIE took a break from rehearsals for his world tour to shoot his Pepsi commercial with Tina Turner in Amsterdam. It'll feature Bowie and Tina performing Bowie's "Modern Love" in a concert setting. Bowie laid down a new vocal for it in New York last month. The spot will start in July, when Bowie's tour hits the U.S...BRUCE HORNSBY AND THE RANGE just wrapped up the bulk of their American tour and are getting ready to work on their next album. They've got a couple more live dates over the Summer, including some Japanese baseball stadiums with Huey Lewis. But they'll be anchored in the studio by August and are looking to release an album early next year...THOMAS DOLBY has a new band together, and starting early next month they'll use a variety of assumed names, before recording a new album in late July. Dolby found the 4 musicians through want ads in the L.A. papers. Dolby says his new songs are very danceable and eccentric, like his hits "Hyperactive" and "She Blinded Me With Science"...JOHN COUGAR MELLENCAMP is still John Cougar Mellencamp. Apparently, since last Fall's announcement that he was dropping the "Cougar" from his name, Mellencamp has had yet another change of heart. Meanwhile, he's finishing up recording his next album, which is due in August, with a tour to follow in the Fall. We're told the new album will feature a lot of acoustic instruments.

## INTERVIEWS

LINDSEY BUCKINGHAM: There's an axiom in this town certainly, or perhaps in America, which is: "if it works, beat it into the ground" and I don't buy that. I think you have to be reasonable to your own needs--as an artist you have to be responsible to the work you're doing. You can't shoot for the stardom per se, you've got to shoot for the quality of the work and the growth, and if that means going from a "Rumors" to something that's going to confound a lot of people's expectations, then so be it.
