Eric Logan Named President/Programming At Citadel

The former Infinity VP/Programming started his new job yesterday, and he'll remain based in New York. In his new post, Logan will oversee the day-to-day programming for Citadel's 140 FM and 65 AM stations, located in 42 markets. When not on an airplane, he can be reached at 212-355-5656 or at eric.logan@citcomm.com.

Logan, who left his Infinity post in mid-May, tells **R&R Country HotFax**, "I really enjoyed the time off. Being newly married, the time I got to spend with Erin was wonderful. And I had a chance to recharge my batteries as I figured out what I wanted to do. During that time I also did a little consulting work for [Citadel CEO Farid Suleman] and for a few other companies. I enjoyed the interaction with Farid and [Citadel COO Judy Ellis] and couldn't wait to join them. My focus early on is to help build a company that attracts top-level talent while creating an environment where it can flourish."

A 16-year radio veteran, Logan has programmed or held operational positions at WUSN/Chicago, WQYK & WRBQ/Tampa, KYCY/San Francisco, KYCW/Seattle and KEBC/Oklahoma City.

Pratt Climbs On A Camel For Mornings

For the second time in 15 months, KMLE (Country 108)/Phoenix has completely revamped its morning show. Taking the wake-up reins yesterday was 22-

year market veteran **Dave Pratt**, who had been last hosted the afternoon shift at Infinity Alternative sibling KZON. Before joining the Zone last year, Pratt spent more than 20 years in morning drive at KUPD. He commented, "I have worked in rock radio for over two decades, but I have also listened to KMLE for 15 years. Dave Pratt on KMLE Country may seem like a stretch to some, but not to me. It feels natural; I feel right at home."

Remaining with Pratt in the morning is newscaster **Stacey Brooks** and "Shappy," morning show do-it-all **Scott Shapiro**. Making the move to Camel's morning slot with Pratt is his long-time producer **Paul Surra**.

In April 2002, KMLE announced that CHR/Pop KJYO/Oklahoma City morning teamers **TJ & Tooker** — T.J. Brown and Dan Tooker — would be replacing **Ben & Brian**, who were headed to WMZQ/Washington for wake-up duty and for other Clear Channel-related work. TJ departed the station in April; Tooker has now also departed the station. He can be reached at 480-216-4504.

noons at WSM-FM/Nashville by mid-June. Now comes word from WSM-FM PD **Lee Logan** that circumstances have changed. The station has signed a deal with David, but Dex has chosen to remain in Chattanooga for family reasons. This will split the 10-year team and 1999 CMA Personalities of the Year. David is expected to start at WSM-FM by the end of this month. In the meantime, Logan is searching for David's new co-host (Country Format Room, radioandrecords.com, 7/3).

Nashville Street Talk: The name of one of Music City's top personalities is being bandied about as a potential partner for Hughes. While it may come as a shock to hear that WKDF morning legend **Carl P. Mayfield** keeps popping up as a potential WSM-FM personality, we've been hearing for a while that he may not re-sign — or be retained — at WKDF when his deal comes up for renewal in August.

Radio News

Format: Clear Channel has acquired the intellectual property and call letters of Bel Mead Broadcasting's Smooth Jazz WDRR (Dream 98.5)/Ft. Myers, which will relocate on July 14 to the 107.1 MHz facility previously used by Country WCKT/Ft. Myers. WCKT has already shifted to its new 100.1 FM frequency and will be simulcast on 107.1 until WDRR moves ... KTTG (Coyote Country)/Mena, AR flips from Country to Sports as "ESPN Radio." PD **Johnny O.** remains.

Programming: Former KSCS/Dallas PD **Dean James** joins crosstown Dance-formatted KKDL as PD.

Personalities: WYYD/Roanoke, VA hires WTSH/Rome, GA morning co-host **Amy Byrd** for middays.

She replaces Anne Carter, who has relocated to Orlando to be with her family. Byrd's first day on the air is set for July 18 (Country Format Room, radioandrecords.com, 7/3).

Address Change: WCTQ/Sarasota has moved into new offices and studios. The station's address is now 1779 Independence Blvd., Sarasota, FL 34234. The new phone is 941-552-4800, and the new fax number is 941-552-4900.

Record News

Columbia/Nashville VP/Promotion **Ted Wagner** exited last week, ending a seven-year run at the label. Wagner had spent 12 years with RCA/Nashville when he'd joined Columbia as Director/National Promotion in April 1996. He was elevated to VP/Promotion in April 1998. Also exiting Sony/Nashville on July 3 was A&R staffer **Tammy Brown**.

Lyric Street Manager/A&R Administration **Robin Gordon** rises to Sr. Manager. She had been with what is now the Universal Music Group when she joined Lyric Street when it launched in August 1997.

Warner Brothers/Nashville Promotion Coordinator **Erin Beller** has left after nearly four years with the company to take a public relations position at a local investment firm. Her last day is Friday. After that, she can be reached at erinbeller@hotmail.com. Her replacement is expected to be announced shortly (Country Format Room, radioandrecords.com, 7/2).

things are one step closer to fulfilling our prophecy of two months ago, when we asked, "Are other Sony/Nashville promotions in the offing? Don't be surprised if **Larry Pareigis** takes over promo responsibilities for both Epic-Monument and Columbia." Look for a *major* bump for Mr. P. in the next week or two.

WSIX/Nashville PD **Mike Moore** has been elected to the Board of Directors of the Country Radio Broadcasters. He fills the Radio Category vacancy created by the resignation of Larry Wilson. Moore will serve on the Board through CRS-35, which will be held March 3-5, 2004 at the Nashville Convention Center.

KZLA/Los Angeles morning personality **Peter Tilden** is on vacation. Get a load of PD R.J. Curtis' vacation relief line-up: Today and Wednesday, it's **Howie Mandel**; **Bill Engvall** will hold down Thursday's duties, while former *Saturday Night Live* star **Kevin Nealon** will entertain on Friday. KZLA is also giving away tickets to an upcoming Dixie Chicks concert under the banner of a "Damned If We Do, Damned If We Don't Dixie Chicks Week."

R&R Associate Country Editor **Angela King** is no longer with the newspaper. She can be reached at 615-221-8026.

Chronicle

Congrats to WXTU/Philadelphia morning side-kick **Mark Vizza** and his wife Tracie on the July 2 birth of daughter Anna Elizabeth.

Best wishes also go out to "the Senator," **Merle Kilgore**, and his wife Judy, who recently celebrated their 25th wedding anniversary. Sounds like a good reason to return to Ireland to once again kiss the Blarney Stone. (I have pictures of their first visit!)

Finally, our sincerest condolences go out to the family and friends of industry veteran **Bobby Yarbrough**, who died July 4 following a heart attack. He was 49. Visitation is set for 10-11am this morning, with the funeral to follow at 11am, at Roesch-Patton Funeral Home, 1715 Broadway, Nashville, TN 37203. Phone 615-244-6480 for further details.

R&R/Bullseye: Today's Music Excites America

Here's this week's **R&R Country Callout America** by Bullseye question, which was posed to 200 Country listeners: "On a scale of 1 to 5, with '1' meaning you find today's country music very boring and '5' meaning you find it very exciting, how would you rate the current music you hear on your favorite Country station?"

Of the total sample, 67% said they found today's country music "Very exciting" (a 5 — 28%) or "Kind of exciting" (a 4 — 39%). Interestingly, the most top scores came from 25-34s, 76% of whom gave it a 5 (30%) or a 4 (46%). Next, at 73%, were the P1s with 37% 5s and 36% 4s and Females with 33% 5s and 40% 4s.

The fewest top scores came from the P2s (54%), where 11% gave it a 5 and 43% gave it a 4.

On the other end of the scale, only 6% of the entire sample said "It's not very exciting" (2 — 5%) or "It's really boring" (1 — 1%). The range of 1s and 2s were from 2% among 25-34s and 3% among P2s to 11% among 45-54s.

For complete breakouts — including Men and Women, 25-34, 35-44 and 45-54 — check out the **R&R Country Callout America** by Bullseye research page in the July 11 issue of **R&R**.

MUSICNOTES

☞ Talk about gettin' your money's worth: **Alan Jackson's** upcoming Greatest Hits Volume II, set for release on August 12, will feature 18 songs, including a pair of new cuts — "Remember When," and the current single, Jackson's duet with **Jimmy Buffett**. The past hits on this CD include "Little Bitty," "Everything I Love," "Who's Cheatin' Who," "There Goes," "I'll Go On Loving You," "Right On The Money," "Gone Crazy," "Little Man," "Pop-A-Top," "The Blues Man," "It Must Be Love," "Www.memory," "When Somebody Loves You," "Where I Come From," "Where Were You...," and "Drive."

But Jackson's not done there, Bunky. Nooooo. Buyers will also get a second disc that contains eight album cuts from his complete catalogue to

round out the collection. Songs on the bonus disc include "Tropical Depression," "Hole In The Wall," "Job Description," "When Love Comes Around," "The Sounds," "Let's Get Back To Me And You," "You Can't Give Up On Love" and "Buicks To The Moon."

Yee-haw! ... as Alan would say.

☞ **Sara Evans** is teaming up with ABC Radio Networks-syndicated radio personality **Sean Hannity** and Freedom Alliance and will perform at the Hannity Freedom Concert, a special benefit concert from which proceeds will benefit scholarships for children of military personnel killed or permanently disabled in the line of duty. The event will take place Friday at Six Flags Great Adventure Theme Park in Jackson, NJ. On the night before the concert, Evans will appear on Hannity's FOX News Channel program Hannity & Colmes and sing "Backseat Of A Greyhound Bus."

☞ **Willie Nelson** is throwing his support to Democratic presidential candidate Dennis Kucinich and plans to stage fundraising concerts for his campaign. "He stands up for heartland Americans who are too often overlooked and unheard," Nelson says in a statement posted on the Ohio Congressman's campaign website, thespiritoffreedom.com. "Big corporations are well-represented in Washington, but Dennis Kucinich is a rare Congressman of conscience and bravery who fights for the unrepresented," says Nelson, who is a co-founder of Farm Aid. "Dennis champions individual privacy, safe food laws and family farmers." Nelson, who notes he normally does not get heavily involved in politics, says he plans to hold concerts that benefit the campaign. None have been announced as yet.

👉 **The Mavericks** will release their first new studio album in more than five years, with September 23 set as the release date. The CD, to be released by Sanctuary Records, will feature 11 tracks, 10 of them written or co-written by Raul Malo. The 11th cut is a new take on The Hollies' "The Air That I Breathe." Willie Nelson joins Malo for vocals on "Time Goes By."

👉 Singer/songwriter **Paul Brandt** will host the 27th annual Canadian Country Music Awards Show, set for September 8 at Calgary's Pengrowth Saddledome. This is Brandt's fourth consecutive year in which he has hosted the event.

👉 CMT is giving away the 1966 Pontiac GTO featured in the video of Brooks & Dunn's "Red Dirt Road." From today through August 8, viewers can enter to win the classic car on CMT's website. Ronnie Dunn said that during the video shoot, "I actually snuck off and smoked the tires. I couldn't resist. I mean, that's what you do with muscle cars, right?" The "Goat" spent a few days in the Emerald recording studio parking lot, stubbornly refusing to turn-over, as cars of that vintage often won't do.

👉 You've probably seen more of **Neal McCoy** than his mama has over the past day or two. He's been seen and heard singing on CNN, ABC, NBC, MSNBC and all the other major networks that aired the U.S. Central Command ceremony in Tampa, where Lt. Gen. **John P. Abizaid** assumed command from General **Tommy Franks**. Gen. Franks personally invited Neal to perform at the ceremony. his farewell address yesterday, Gen. Franks thanked Neal, **Wayne Newton** and **Robert DeNiro** for all they do to boost morale for the U.S. troops. To "express his feelings" about the troops, Gen. Franks turned the mic over to Neal, who sang "I'm Your Biggest Fan," a song from his upcoming Warner Bros. album *The Luckiest Man In The World*. The song is about a performer giving thanks to his fans, and it took on a whole new meaning when it was performed for military personnel throughout the world. Moved by the troops' reaction to the song, Gen. Franks also included the song in his command video.

155 Country reporters. Monitored airplay data supplied by Mediabase Research, a division of Premiere Radio Networks. Songs ranked by total points for the airplay week of 6/29/03-7/5/03. Bullets appear on songs gaining in points or remaining flat from previous week. If two songs are tied in total points, the song with the larger increase in points is placed first. Songs below No. 1 and down in plays and points for three consecutive weeks are moved to recurrent. Most Added is the total number of new adds officially reported to R&R by each reporting station. Songs unreported as adds do not count toward overall total stations playing a song. Most Increased Points lists the songs with the greatest week-to-week increases in total points. Breaker status is awarded to songs reported by 60% of the panel for the first time. Station Weight = AQH Persons + (Market rank X 10) divided by 4180. Gross Impressions equals Average Quarter Hour Persons times number of plays (times 100).
