Giuttari Programs WYGY/Cincinnati

Clear Channel Country KBQI/Albuquerque PD **Steve Giuttari** has been named PD for Susquehanna Country WYGY/Cincinnati. Giuttari, who also programmed Urban KSYU/Albuquerque, starts his new gig Sept. 7. "It'll be a good Country battle with WUBE," he says of his new situation. He also gives a couple reasons for accepting the job: "One, it was a great opportunity in a great Country market. Two, I have family on the East Coast, and this gets me closer to them."

Moran Moves To Sony/Midwest

Equity Music Group Midwest Regional promoter **Tom Moran** has joined Sony/Nashville as its new Midwest regional, replacing **Matt Corbin**, who exited a few weeks ago. Moran had been with Equity the last 12 months. He was doing pop promotion for Geffen in May 1994 when he joined Polydor as it was launching a country label. He moved to Warner Bros./Nashville in February 1996, also for Midwest regional promotion.

Mama's Axe Comes Home

Mother **Maybelle Carter's** 1928 Gibson L-5 guitar has been purchased by philanthropist Bob McLean and donated to the Country Music Hall of Fame and Museum's permanent collection. The guitar had been on loan to the museum but was recently reclaimed by its anonymous owner and listed for sale at Nashville's Gruhn Guitars. McLean purchased the instrument for \$575,000, ensuring it remains part of the museum that tells country's history — a history that in many ways begins with early recording sessions of The Carter Family conducted by Ralph Peer in Bristol, TN. "Today Mother Maybelle's spirit, embodied in the round, melodious sound of her guitar, is back in the building," said museum Exec. Director Kyle Young. (Country Format Room, www.radioandrecords.com, 8/24)

Cox Gets Honolulu Country

As part of a deal with Salem, Cox has acquired Country KHCM/Honolulu. In July 2000 Cox Radio sold Oldies KGMZ/Honolulu to Honolulu Broadcasting for \$6.6 million in order to satisfy FCC ownership limits

in the market. Cox then entered into a joint sales agreement with Honolulu to continue operating KGMZ, and now Cox is exercising its option to reacquire KGMZ for \$6.6 million — and then spin the 100kw FM to Salem. In exchange for KGMZ, Cox gets 10kw Country KHCM-AM and 10kw News/Talk KHNR-AM. (Country Format Room, www.radioandrecords.com, 8/27)

Austin joined Emerald after a radio career of on-air and MD duties in Charlotte; Atlanta; Winston-Salem, NC; and Nashville. She succeeds Bob Guerra, who recently left to form his own company. Also promoted at Emerald is **Sam Caputa**, who has been named Broadcast Sales Coordinator. With the company four years, he had been in charge of the operational coordination for Emerald's radio remotes.

Life Notes

Heartiest congratulations to two of our favorite people — Sony/Nashville VP/Promotion **Bill Macky** and radio marketing specialist **Karyn Bishop** — who are getting married this weekend on the beach in Destin, FL. The happy couple will spend a few days in the sun before returning to Music City. They plan a Nashville reception in October and a honeymoon later in the year.

R&R/Bullseye:

This week's R&R Country Callout America by Bullseye question posed to 200 Country listeners had two parts. First, respondents were asked "Do you think country artists should use their celebrity to publicly support a political candidate?" Of the total sample, 69% said no.

The second part of the question was, "On a scale of 1 to 5, with 1 meaning you strongly disagree and 5 meaning you strongly agree, how do you feel about this statement: 'It's OK for entertainers to speak out about political candidates during a live concert performance.'" In response, 49% of the total sample strongly disagreed, 12% somewhat disagreed, 20% were on the fence, 9% agreed and 10% strongly agreed.

For complete breakouts — including men and women, 25-34, 35-44 and 45-54 — check out the **R&R Country Callout America by Bullseye** research page in the Sept. 3 issue of **R&R**.

113 Country reporters. Songs ranked by total points for the airplay week of 8/22-8/28. Bullets appear on songs gaining points and/or plays or remaining flat from previous week. If two songs are tied in total points, the song with the larger increase in points is placed first. Songs below No. 1 and down in points and plays for three consecutive weeks are moved to recurrent. Most Added is the total number of new adds officially reported to R&R by each reporting station. Songs unreported as adds do not count toward overall total stations playing a song. Most Increased Points lists the songs with the greatest week-to-week increases in total points. Station Weight = AQH Persons + (Market rank X 10) divided by 4180. Total Audience equals Average Quarter Hour Persons times number of plays (times 100). Each daypart on each station is assigned an AQH number. "Do I Ever Cross Your Mind' was one of my favorites from his Country/Western albums and I think singing it as a duet makes it even more powerful. Getting to record with Ray has been a lifelong dream and being part of this project has been one of the proudest and most moving moments in my life."
