KEYY Sets All-Time Record Of \$1.9 Million For St. Jude

KEYY/Minneapolis raised \$1,900,402 last week during its 14th annual Country Cares For St. Jude Kids radiothon, an all-time high for any station in the 17-year history of the radiothon. In fact, KEYY held the previous all-time high total of \$1,551,554, set last year. During the broadcast from the Mall of America, KEYY had 3,847 listeners register as Partners In Hope, with 400 of them signing up in the last 60 minutes of the radiothon. KEYY's 14-year total now stands at an amazing \$10.8 million raised for St. Jude Children's Research Hospital.

In other Country Cares radiothons:

As previously reported, WHKX/Atlanta also cracked the million-dollar mark again, raising \$1,172,000 in early February. The station beat its 2005 total by \$20,000.

WMZQ/Washington welcomed Danielle Peck as a performer for its 14th annual event and raised over \$806,000.

WIL/St. Louis' 16th annual event raised \$564,513 during its 28-hour run last week. That's a new record for the station, which collected \$557,000 last year. WIL has raised over \$5 million in its 16 years.

WGKX/Memphis raised an all-time Memphis-area record of \$521,476.

WQYK/Tampa recently completed the most successful Country Cares event in its history, collecting over \$507,000.

Re-Add Reminder

Just a reminder that, effective Feb. 23, it is no longer necessary for R&R reporting radio stations to report or call in re-adds. A song can only be added at a station once. After that, if a song goes to zero plays or is dropped, it will show as "on title" when it receives any new airplay.

KFKF/Kansas City received donations totaling \$340,404, topping last year's take by more than \$10,000. In its 11 years of radiothons, KFKF has raised more than \$3 million.

WCOL/Columbus, OH took in more than \$284,000 during its ninth annual event last week. 'COL has raised more than \$1.3 million.

WKSJ/Mobile drummed up more than \$244,000, an increase of more than \$60,000 over 2005's total.

WPCV/Lakeland, FL raised \$281,262, besting last year's total of \$201,224.

WFMB/Springfield, IL set its own all-time record with \$178,640 raised last Thursday and Friday. That's an increase of more than \$30,000 over last year.

WKML/Fayetteville, NC received \$155,011 in pledges last week while surpassing last year's total of \$153,309. It was WKML's 19th radiothon.

WNWN/Battle Creek, MI gathered \$105,232 during its recent St. Jude radiothon, surpassing last year's number.

"How 'Bout You"

★ ★ ★ THANK YOU COUNTRY RADIO! ★ ★ ★

And, speaking of raising cash for Country Cares, Capitol/Nashville artist **Chris Cagle** was in Chicago last week doing WUSN (US99)'s Live Country series from Joe's Bar. Cagle's set was interrupted a few times by adoring female fans. So much so, in fact, that he finally declared he'd accommodate anyone who wanted a hug or kiss after the show, in return for a donation to St. Jude. US99 afternoon driver **Drew Walker**, who MCed the show, said Cagle's lovin' raised \$796 for St. Jude.

More Good Deeds

Also on the charity trail were KUSS/San Diego's **Tony Randall** and **Kris Rochester**, who raised \$845,329 during their three-day radiothon for Children's Hospital in San Diego.

KLLL/Lubbock, TX collected more than \$247,000 last weekend during its eighth annual Children's Miracle Network radiothon. It was a new record for KLLL.

WDRM/Huntsville, AL raised \$161,405 for its local children's hospital during its recent Children's Miracle Network radiothon.

Road Stories

Midas VP/Promotion **Bob Reeves** had **Emerson Drive** in Akron last week to play for what they thought was going to be 65-75 people. Unfortunately, an incorrect keystroke sent the invite to a *very* large portion of WQMX's Loyal Listener database. To accommodate them all, ED ended up performing four 20-30 minute sets for 120 people at a time. About 250 folks waited around until after the shows to get photos and autographs.

New RCA/Nashville artist **Jake Owen** and Nipper regional **Mike Sirls** encountered demons of their own on a recent road trip. After the CRS, Owen hit the road to visit Country radio. It was in Chicago's O'Hare Airport that he discovered his wallet had been stolen. Of course, in this post-9/11 world, it's rather difficult to get on a plane without ID. So Owen and Sirls approached the counter with a brilliant plan: They laid out Owen's CDs and 8x10 photos to serve as ID for the airline's customer service manager. But she had seen this act before. Said Owen, "We were prepared for a strip search and a heavy

round of interrogation when Diane [the service manager] told us this same exact thing happened with her many years ago with another young singer. The singer gave her some music that day too and signed CDs for her. So I said, 'Is it anybody we know?' To which she replied, 'Probably. You've heard of Celine Dion?'"

Owen boarded the plane, made his next appointment and then returned to Nashville for some quality time at the Department of Transportation.

120 Country reporters. Songs ranked by total points for the airplay week of 2/19-2/25. Bullets appear on songs gaining points and/or plays or remaining flat from previous week. If two songs are tied in total points, the song with the larger increase in points is placed first. Songs below No. 1 and down in points and plays for three consecutive weeks are moved to recurrent. Most Added is the total number of new adds officially reported to R&R by each reporting station. Songs unreported as adds do not count toward overall total stations playing a song. Most Increased Points lists the songs with the greatest week-to-week increases in total points. Station Weight = AQH Persons + (Market rank X 10) divided by 4180. Total Audience equals Average Quarter Hour Persons times number of plays (times 100). Each daypart on each station is assigned an AQH number.
