ISSUE 18
MAY 9, 1988

W eek #18. It's been 18 weeks since **Mediabase Research Corporation** published our first edition of **Monday Morning Replay**. Obviously, we've been elated by the industry acceptance. Additionally, we've lent an open ear to every response and suggestion. There have been many. The radio and record industry have reconfirmed the need for real information. Real information is what Mediabase and MMR are proud to represent. Our research philosophy and emphasis will continue to expand in every coming month and year. It's our intent and our focus.

T his week, **Tuned In** takes you to the reaches of Denver for a birds-eye view of **KQKS**, to Salt Lake City for a close-up look at **KBER**, and to Boston, as we examine A/C powerhouse **WMJX**.

U ni Records. They were a force in the sixties and early seventies producing smashes by the likes of the **Strawberry Alarm Clock**, **Elton John**, **Desmond Dekker**, **Fever Tree** and more. Now they're back! **Monday Morning Foreplay** has details on the new release from **Wet, Wet, Wet**, along with **Sade**, **John Cafferty**, **Richard Marx**, **Eric Carmen** and **Louise Goffin**.

N ational Sample Hours take you on a musical trek through the early morning hours as we zoom in on morning drive on America's hottest radio stations!

"Wishing I Was Lucky," the American debut single from **WET WET WET** is already putting the "Oh" back in radio and it's just the first of three top ten singles (UK) from their million selling #1 LP "Popped In Souled Out."

Cut for cut, the classic sound of **WET WET WET** is re-writing the role of blue-eyed soul with the tough new attitude that ran away with the B.P.I.

Award for Best Newcomers of the Year.

America better get ready for the next level of cool, because radio's already getting **WET WET WET**.

WET WET WET "Popped In Souled Out" the album—in store June 14th—featuring the single "Wishing I Was Lucky"...already making a splash at radio now!

There's only one label we'll admit to. **UNI RECORDS**. The kind of commitment artists will kill for.

USERS GUIDE: TRACER TRACKS are ranked by actual number of plays. Arrows are maintained by either an increase in plays or an increase in rank over the previous week. For a precise look at market saturation, reach index numbers are provided (gross impressions). Reach index is calculated by each radio station's average quarter hour (SOURCE: ARBITRON) multiplied by the number of plays given the title. Numbers are calculated for average weekly, estimated 6am-midnight impact from base monitor hours.

For a more precise and defined look, MMR WEIGHTS EVERY STATION INDIVIDUALLY, according to quarterly, average quarter hour shares (SOURCE: ARBITRON — used by permission).

Significant downtrending disqualifies a title for further current consideration and reassigns recurrent status (see HOTTEST RECURRENTS).

CITY TRACKS (HIT RADIO)

USERS GUIDE: City Tracks are a potpourri of music, promotional, positioning, market news, information and 12+ average quarter hours shares supplied by ARBITRON (used by permission).

CLEVELAND:

Everyone will be chowing in Cleveland over Memorial Day weekend as **WMMS** gets set to host "The National Rib Cook-Off." Congratulations to **RICH PIOMBINO** as he takes over the Promotion Director duties. . . . **WRQC** ("92Q") is helping local teens say no to drugs and alcohol. Station representatives are following in the footsteps of Tiffany and hanging out in the mall. You won't hear them doing Beatles' remakes, however, they will be handing out information and "Just Say No" pledge sheets.

THE CHURCH and **THE ADVENTURES** are the newest additions to **WMMS**'s airwaves. **BRUCE HORNSBY & THE RANGE** and **MICHAEL JACKSON** debut at **92Q**.

NEW ORLEANS:

The Jazz Fest was a huge success this year boasting the biggest crowd ever and **WEZB** ("B-97") was there broadcasting. The station is also getting set for Mother's Day by interviewing famous peoples' mothers including Madonna's. . . . **WRNO** recently held their "Annual Kite Festival," thousands of people showed up to claim prizes for the smallest, largest and most beautiful kites.

MICHAEL JACKSON and **ROD STEWART**'s "Lost In You" are receiving the hottest new play in Cajun Country on **B-97**. **WRNO** picks new music from **DEF LEPPARD** and **DAVID LEE ROTH** this week.

SALT LAKE CITY:

KCPX ("Power 99") is cruising the streets and hanging out at Hardee's. Not only do they have a hamburger while they are there, they hand out "Cash Plus Stickers." When listeners hear their license plate number over the air they can win cash, plus various other prizes including stereos and TV's. . . . It was "A Weekend of a Thousand Winners" at **KISN**. Station representatives were making the rounds all over the Wasatch Front handing out envelopes filled with cash to innocent bystanders, all the while broadcasting live.

KYLIE MINOGUE and **MICHAEL JACKSON** freshen things up at **KCPX** this week. The new music action at **KISN** includes **CLIMIE FISHER**, **PEBBLES** and **BOZ SCAGGS**.

DALLAS:

To say that **KEGL** ("Eagle") recently underwent some air talent changes would be an understatement, they've undergone major changes. The new lineup includes **KID CRADICK** and **JULIE PATTERSON** on mornings, **ANDRE GARDNER** middays, **FAST EDDIE COIL** afternoons and **RUSS MARTIN** on late nights. Congratulations to all. . . . "The Weekend to Wipeout Cancer" is fast approaching on **KHYI** ("Y-95"). The station will be presenting **GLORIA ESTEFAN & THE MIAMI SOUND MACHINE** in conjunction with the NFL Oldtimers Game. All proceeds will benefit The Childrens Hospital.

The **Eagle** is rockin' with new music from **CHEAP TRICK**, **ROBERT PLANT** and **DONALD FAGEN**. Receiving strong new play at **Y-95** are **MICHAEL JACKSON**, **ROD STEWART** and **AL B. SURE**.

NEW YORK:

The money is free at **WHTZ** ("Z-100"). To win listeners send in a postcard saying when they will be listening, and if they are they could win anywhere from \$100 to \$10,000! **WQHT** ("Hot 103") has got the "Music Monitor Contest" going. Listeners wait for the "Hot Song" to be announced, and if they're able to name the 10 songs played prior to it, they win \$103 for each one they name. Congratulations to new air talent **Tim Bird**. . . . **WWPR** ("Power 95") is still running their "Cash Call," giving away at least \$18,000 a day. They're also the official station of "Atlantic Records' 40th Anniversary Party" to be held at Madison Square Garden.

New to the Big Apple this week are **MICHAEL JACKSON** and **DEF LEPPARD** on **Z-100**. **STEVIE WONDER** with **MICHAEL JACKSON** debut on **WQHT**. **FOREIGNER** received the most new play on **Power 95**.

SAN DIEGO:

KLQ ("Q106"), the station that boasts "A better mix of music," is rolling the "\$1,000 Secret Song." A piece of the mystery tune is played on the morning show with clues given throughout the day until someone correctly guesses the song. \$106 will be awarded for each incorrect guess and \$1,000 for the right one.

NATALIE COLE's remake of "Pink Cadillac" continues to be the hottest at **Q106** while **AL B. SURE**, **BRENDA K. STARR** and **PEBBLES** are new.

DETROIT:

WCZY ("Z-95.5") had loads-o-fun this weekend at "Derby Day." A \$2,500 windsurfing package was amongst the prizes given away. . . . "The **WDTX** \$25,000 Scavenger Hunt" is the "major fun thing" going on at 'DTX according to Promotion Director **CAROLINE KREGGER**. The grand prize will be given away on May 21. Happy belated B-Day to morning man **CHRIS EDMONDS** on April 29. . . . **WHYT** ("Power 96") afternoon driver, **MICHAEL J. FOX**, has some real ups and downs in his future as he will be riding a roller coaster at Boblo Island 96 consecutive times to benefit charity, lets hope he doesn't eat too many hot dogs before the big ride.

Welcome **CLIMIE FISHER** and **MICHAEL JACKSON** to **WCZY**. **THE JETS**, **J.J. FAD** and **KOOL MOE DEE** are all new at **Power 96**.

SACRAMENTO:

The "Superstar Super Cruise" is getting set to leave port and on board will be 97 **KROY** listeners along with **Rick Springfield**, **Jody Watley** and **Brenda Russell**. Big, big fun is expected to be had by all. . . . **SUPER DAVE** of the **KSFM** ("FM-102") Morning Zoo is going underground on Friday the 13th. **DAVE** will be buried alive for 48 hours to raise money for the Sacramento Blood Bank. Congratulations to **TONY COX** who has filled the noon to 3PM position. . . . **KWOD** is going to help Atlantic Records celebrate their 40th B-Day by sending two capitol city residents on a "Power Weekend" to NYC to visit Madison Square Garden for an all star lineup which will include **ROBERT PLANT**, **GENESIS** and **INXS**.

D.J. JAZZ JEFF's "Parents Just Don't Understand" is a very popular song in Sacramento this week as all three hit stations gave it new play.

ST. LOUIS:

Crocodile Dundee is back and two lucky **KHTR** listeners are Los Angeles bound to see the world premiere. The winners will also be privy to the private cast party which will follow the show, and as if that weren't enough, the winners will be off to Australia for a real live taste of Down Under. . . . "The Q-Word of the Day" continues at **WKBQ** ("New 106.5"). A little twist has been added however in the form of a million dollars! All that is required is some fast hands, as the winner will have 106 seconds to grab as much money as they can in the "Dash For Cash."

KHTR adds new music from **PEBBLES** and **PRETTY POISON** while, **HALL & OATES** continues to be the hottest. **JANE WIEDLIN** and **ROD STEWART** are the newest additions to **WKBQ**.

TUNED IN

KQKS: DENVER

The most recent entry into the two-station Denver hit radio race came a year ago, when **KQKS** switched formats and became "All Hit KS-104". Since then, their numbers have increased sevenfold; from an initial .4 in the Winter '87 book, they've jumped to their current 2.9.

Those numbers are sure to keep increasing too as KS-104's "Big Switch" is on. Live and recorded promos encourage listeners to "make the switch" to KS-104 and their hourly 10-in-a-row music sweeps. Unsolicited listener testimonials are also aired from those that have already switched their listening loyalties.

Western Cities Broadcasting owns **KQKS** and **Dave Van Stone** programs it. His lineup consists of: **Craig Hunt**, **MD Devin Durant**, **Steve Taylor**, **Doug Hammond**, **Mary Chavez** and **Stacy Cantrell**.

As listeners continue to "make the switch" we "switch-on" **KQKS** for **Tuned In!**

KBER: SALT LAKE CITY

In Divine Communications' long line of stations bearing the "Bear" moniker, it seems only fitting that one of these is located in "The Beehive State"; Salt Lake City's **KBER**.

"The Bear" fights-it-out along the Wasatch Front with rival rocker **KRSP**. Leading the charge for **KBER** is PD **Katherine Brown**; who's also a part of the morning team with **Street Snyder** and **Steve Seaver**. Music Director **Tricia Griffith** does middays, followed by station vet and Assistant PD **Allen Bain**, **Chris Haggin**, **Greg Thomas** and **Steve Walker**.

To entice listeners to their side of the dial, "Utah's Rock 'N' Roll Radio" is currently running a couple of killer promotions. For starters, four listeners and their guests will be in attendance at Atlantic Records' upcoming 40th Anniversary Party at New York's Madison Square Garden. To top that off, another lucky listener is going to be handed the keys and deed to a \$75,000 house in the "Home Sweet Home" giveaway.

This week, **Tuned In** sinks its teeth and claws into K-Bear... **KBER!**

WMJX: BOSTON

Take the W from the Wilbur Theatre, use the M from the Boston Museum of Art, grab the J from John Hancock and borrow the X from the Red Sox. They're four very different, yet distinctive letters; all well-known around the Boston Area. Put them together, and you have the logo for **WMJX**; we'll Tune In to this distinctive Boston A/C this week.

Greater Media, Inc. operates **WMJX** ("Magic 106.7"), with **Phil Redo** at the Program Director's desk, **Nancy Quill** taking charge of music duties and **Wendy Davis** heads the promotion department. **Bill Stephens** handles the Magic morning show, with **Paul Ciliano**, **Nancy Quill**, **John Kosian**, **David Allen Bouchet** and **Jesse Sandridge** rounding out the airstaff.

It's Bouchet's "Bedtime Magic" show that draws lots of attention. **WMJX** sets the mood with a mix of continuous soft hits, love songs and light jazz. The station has even expanded their "Bedtime Magic Nightshirt" giveaway to middays, based on the success of the program.

Presto! It's the Magic of Boston... as we're **Tuned In** to **WMJX!**

USERS GUIDE: TRACER TRACKS are ranked by actual number of plays. Arrows are maintained by either an increase in plays or an increase in rank over the previous week. For a precise look at market saturation, reach index numbers are provided (gross impressions). Reach index is calculated by each radio stations average quarter hour (SOURCE: ARBITRON) multiplied by the number of plays given the title. Numbers are calculated for average weekly, estimated 6am-midnight impact from base monitor hours.

For a more precise and defined look, MMR WEIGHTS EVERY STATION INDIVIDUALLY, according to quarterly, average quarter hour shares (SOURCE: ARBITRON — used by permission).

Significant downtrending disqualifies a title for further current consideration and reassigns recurrent status (see HOTTEST RECURRENTS).

CITY TRACKS (ROCK RADIO)

USERS GUIDE: City Tracks are a potpourri of music, promotional, positioning, market news, information and 12+ average quarter hours shares supplied by ARBITRON (used by permission).

BUFFALO:

Lots of sore bodies at **WHTT**, as PD **BILL WESTON** put his troops through their paces Saturday during the American Heart Association "20K Heart Run," raising a record amount of money along the way. "Pastrick's Classic" pays \$104 cash (\$1,000 on Thursdays) to the listener who hears the designated song named the day before. . . Queen City residents will be up on two wheels for the **WPHD** "Rock & Ride At Lasalle Park." It's an all-day bike-a-thon and concert, featuring Glass Tiger, Del-Lords and local faves Gamalon. All proceeds benefit Camp Good Days, a summer camp for children with terminal cancer. **ELLEN CARROLL** is the new 'PHD Promotions Director.

ROD STEWART's "Lost In You" wasn't lost on 'PHD; also hot are **BRUCE HORNSBY** and **DEACON BLUE**.

INDIANAPOLIS:

Indianapolis revs up for race weekend in a big way. **WFBQ** ("Q-95") is giving away 50 pairs of tickets to the race and is holding a tent party for 1,000 Q-95 listeners; with free beer, food and T-shirts. **MARTY BENDER** prepares to exit for **WRIF**, Detroit. He'll handle both stations until a replacement can be found for Q-95. . . New **WKLR** PD **SIMON JEFFRIES** is pleased with the response to their "Classic Artist" feature. When the classic artist of the day is played, the ninth caller wins \$100. May 10 is **WKLR** night at the Indiana Repertoire Theatre Cabaret; which will feature a buffet dinner, and a show appropriately titled "Annette Saves The 500". By the way, the "500" happens Memorial Day weekend, so look for future 'KLR tie-in promotions soon.

Q-95 likes **ROD STEWART**'s "Lost In You", **HALL & OATES**, **HONEYMOON SUITE** and **GLASS TIGER**.

SALT LAKE CITY:

Congrats to the **KBER** Morning Team of **STREET STRYDER**, **KATHERINE BROWN** and **STEVE SEAVER**; chosen to represent Utah in the initial broadcasts of the ChinAmerica Project. Turn to this issue's Tuned In section for an in-depth look at **KBER**. . . **KRSP** ("Rock 103") sends Utah residents to the Land Down Under May 15; then to the depths of their imaginations, as Rock 103 staffers will escort a lucky winner, by limo, to dinner and a screening of the new George ("Star Wars") Lucas movie "Willow" May 19. The festivities also include jousting by the Society For Creative Anachronisms. Tally-Ho!

CINCINNATI:

Sixteen **WEBN** listeners will be heading for New York May 13 & 14 to join in Atlantic Records' 40th Anniversary celebration. Each winner will also receive a catalogue of records from selected Atlantic artists. May 28, it's off to the Ohio Stadium Pink Floyd show for 40 'EBN listeners on "Frog's Big Pink Express"; five chauffeur-driven motor homes. The 'EBN VISA card has a bit of a twist, each person who applies is eligible to win \$20,000 which must be spent in a lunch hour, and no more than \$5,000 at once! **JAQUI BRUMM** is the new GM; replacing **DAVE MACEJKO** who heads for the GM slot at the Jacor-owned station in Tampa, Florida.

'EBN likes **JOHN COUGAR** **MELLENCAMP**'s latest "Rooty Toot Toot", as well as fellow Midwesterners **THE BEARS**, and **ROD STEWART**'s "Lost In You."

MILWAUKEE:

When **WKLH** does "No Repeat Work Weeks", they'll repeat ONE song during the 40 hours of music; but that one song, when played, will win the 96th caller a brand new car. They're into "No Repeat Work Week" #3. 'KLH bumper stickers are on the streets and contest tie-ins are being planned. . . **WQFM** ("93 QFM") hits the streets running — or should we say "cruisin'" — May 28 for their Third Annual "Cruisin' With Q." Last year, 4,000 vintage cars and 10,000 people relived the ritual of cruisin' Wisconsin Avenue; at least that many are expected again this year. Upcoming 93-QFM events include the First Annual "Chili Cook-Off" May 21 with Miller Beer; proceeds to benefit the Kidney Foundation.

WLZR ("Laser 103") shows play for the **BODEANS** "Waiting On Love" from the **PERMANENT RECORD** Soundtrack, **JOHN KILZER**'s "Red Blue Jeans" and starts to "Tear It Up" with **ROBIN TROWER**'s latest.

SAN ANTONIO:

In an effort to help promote voter participation, the entire **KISS** ("99.5 KISS") staff was "deputized" by county voter registration officials. Anyone wishing to register to vote in the November 8 elections can do so at any KISS promotion til October 9; and there have been plenty of opportunities! KISS has five appearances in April, including the "Think Pink" party where listeners won tickets to the KISS skybox for the Pink Floyd show; and the first annual "Glad Bag-A-Thon" to help keep San Antonio beautiful. Five more live events are planned in May. KISS is looking for a Promotions Director, as **DONNA TATSCH** leaves to pursue other interests; send resumes to **RICH GUEST**. **RICHARD SMITH** fills in as acting Promotions Director.

HOUSTON:

The Fifth Annual **KLOL** "Rock & Roll Auction" April 23 raised \$39,000 for the National Runaway Hotline. Hottest auction items were a shirt belonging to Michael Jackson that netted \$3,550; a platinum LP award for Bruce Springsteen's "Born In The USA", that brought \$2,700; and the guitar signed by Texas guitar legends, which was snapped up for \$2,600. At the auction, **KLOL** made it official, as of September 1, **MOBY** will be returning to Houston to anchor afternoon drive, **DAYNA STEELE** will move up to middays and PD **RICH LAMBERT** goes off-air. The new lineup will be: **STEVENS & PRUETT** 6-10AM, **DAYNA STEELE** 10A-3P, **MOBY** 3-7PM, **GARTH HEMP** 7-midnight and **LINDA SILK** overnights.

PHILADELPHIA:

The joke's on **WYSP** ("94-YSP"), as they collect the best of their "Live From The Comedy Works" series into an LP featuring local comedians. Proceeds will benefit Philadelphia Healthcare for the Homeless; the local Comic Relief charity. A May 18 release date is expected. 94-YSP also looks forward to Memorial Day Weekend and the Third Annual "Jambalaya Jam", and is sending 94 listeners to New York May 14 for Atlantic Records' 40th Anniversary celebration.

Speaking of anniversaries, it's **WMMR**'s 20th, and they're showing their usual support of local acts by showing play for **RICHARD BUSH** and **FLAMIN' HARRY**'s "American Steel."

TAMPA:

Imagine that! "Useless Hawaiian Facts" are winning a **WKRL** listener a trip to the next stop on their World Tour: eight days and seven nights in Hawaii in June. 'KRL listeners also chose the songs included on their "Classics CD Volume One," out now and selling well — so well, in fact, that they're looking towards volume two. . . **WYNF** ("95-YNF") celebrated their seventh birthday with Michael Bolton and Glen Burtnick live in concert at the Florida State Fairgrounds. A portion of the proceeds goes towards the effort to get a liver transplant for 18-month-old Valerie Tokajer; a cause 95-YNF took up in April. Lots more up 95-YNF's sleeve in coming months; stay tuned!

95-YNF gives **VAN HALEN**'s "Black & Blue" flying colors; as well as giving the nod to **ROD STEWART**, **BRUCE HORNSBY** and **SMASHED GLADYS**' "Lick It Into Shape".

USERS GUIDE: TRACER TRACKS are ranked by actual number of plays. Arrows are maintained by either an increase in plays or an increase in rank over the previous week. For a precise look at market saturation, reach index numbers are provided (gross impressions). Reach index is calculated by each radio stations average quarter hour (SOURCE: ARBITRON) multiplied by the number of plays given the title. Numbers are calculated for average weekly, estimated 6am-midnight impact from base monitor hours.

For a more precise and defined look, MMR WEIGHTS EVERY STATION INDIVIDUALLY, according to quarterly, average quarter hour shares (SOURCE: ARBITRON — used by permission).

Significant downtrending disqualifies a title for further current consideration and reassigns recurrent status (see HOTTEST RECURRENTS).

TITLE: Hold On To The Nights
RELEASE: 7"/12"/Pro CD
LABEL: EMI/Manhattan

Commenting on the success of his debut album, which neared the 1.5 million mark in sales, Richard Marx said he was pleasantly surprised. "I really went into the project to have fun, and of course, make it good enough to make another record."

With the success he's had in Rock Radio, Hit Radio and A/C, the 24-year-old from Chicago seems well on his way. Concerning his wide variety of appeal, Marx said he doesn't write the material with that in mind. "It's just the way I write. I listen to different types of music, everything from Def Leppard to Peter Gabriel." He also admires Sting and Bryan Adams and calls Steve Perry, "the best singer out there."

Concerning his fourth single, "Hold On To The Nights," Marx said it's a ballad, but, not your typical one. "It doesn't follow your typical pattern most ballads do. I didn't want it to. I wanted it to stand apart from all the other ballads out there. There are moments in that song... it's like when the drums kick in on Phil Collins, 'In The Air Tonight'. That's like an orgasm!"

TITLE: Paradise
RELEASE: 7"/12"
LABEL: Epic

"Paradise" is the first single from Sade's latest release STRONGER THAN PRIDE. It was produced by Sade and engineered by Ben Rogan and Mike Pela.

Sade was born Helen Folasade Adu in a Nigerian village 50 miles from the capital city of Lagos. ("Sade" is an affectionate, diminutive form of her African middle name.)

As a teen she worked various jobs, while devoting all her spare hours to music. She was particularly inspired by the works of Marvin Gaye, Al Green and Billie Holiday. At St. Martin's College in London Sade created her own line of menswear; some of her work was showcased in New York in 1981 in conjunction with the first U.S. appearance of Spandau Ballet.

Despite her international success, Sade remains a quiet, unflashy woman of simple tastes. "All the cliches of glamorous sophistication have little appeal to me," Sade said.

TITLE: Song & Dance
RELEASE: 7"/12"
LABEL: Scotti Brothers

From the album ROAD-HOUSE, comes "Song & Dance," the latest effort from John Cafferty & The Beaver Brown Band. It was produced by Cafferty and Karl Rasmussen.

The path chosen by Cafferty towards fame and fortune is not your typical one. "What happened to us," says singer/songwriter/bandleader John Cafferty, "is a real-life Rocky story."

It's also a rock & roll story without precedent. Consider the fact that the band spent nearly a decade on the road honing its craft and building a reputation for live performances without ever landing a record contract. Then, to get on vinyl, they record a soundtrack album and watch as actors 'play' their music as Eddie & The Cruisers.

Wait, there's more... The movie fizzles at the box office, but the soundtrack sells well enough for Cafferty & The Beaver Brown Band to win a record contract. The movie does much better on cable TV and soon the band has a platinum album and two hit singles.

"Song & Dance" is Cafferty's first release since "Voice Of America's Son" from 1986. The video was directed by Greg Gummer, who recently did "Endless Summer Nights" by Richard Marx. The band is currently touring with dates in Providence, Hampton Beach and Wilmington scheduled, along with their annual return to the 'National Rib Cookoff', May 28 in Cleveland.

TITLE: Make Me Lose Control
RELEASE: 7"/Pro CD
LABEL: Arista

It's amazing what a little 'Dirty Dancing' will do to your career. Consider the plight of Eric Carmen whose success was stalled until the movie "Dirty Dancing" hit the screen.

Few projects can rival the success "Dirty Dancing" has had. At last count the movie grossed over \$100 million at the box office and has already sold over 500,000 video cassettes. The first soundtrack has sold over ten million copies world-wide, which featured Carmen's "Hungry Eyes" a collaboration with former Raspberries producer Jimmy Ienner.

Again Carmen and Ienner join forces with the release of Eric's latest single, "Make Me Lose Control" from a greatest hits package on Arista Records.

Carmen, along with Bill Medley, Merry Clayton and the Contours will perform in "Dirty Dancing — The Concert Tour". That tour will commence memorial Day Weekend at the Concord Hotel in the Catskills, the site of the movie's original story.

Thanks to some Dirty Dancing, Eric Carmen is back where he wants to be... in the public's eye, and more importantly, the public's ear.

TITLE: Bridge Of Sighs
RELEASE: 7"/12"/Pro CD
LABEL: Warner Brothers

Having famous songwriters Carole King and Gerry Goffin as your parents could be an asset, or a hindrance. That's why 26-year-old Louise Goffin decided to relocate to England to record her debut album, THIS IS THE PLACE, featuring "Bridge Of Sighs" as the first single.

"Bridge Of Sighs" is the name of a famous bridge in Venice, Italy, but the song has nothing to do with Italy," Louise says. "It's a love song... about growing up and being on your own and finding strength in that."

Louise said a verse in "Bridge Of Sighs" was intended to be a compliment to her father. "The second verse goes, 'once I saw my father and there are chains you just can't see.' That's a reference I put in cos' he wrote 'Chains' that the Beatles did... He got that."

Still Louise is quick to caution that she didn't go into the recording project to please her parents. "I didn't make the record for them and I don't want their approval. I don't need Carole King to tell me that this is great... but if she does, then great. They both have called zillions of times and said how much they like the record. That's a great compliment from two of the best pros in the business."

TITLE: "Wishing I Was Lucky"
RELEASE: 7"/12"/Pro CD
LABEL: Uni

"Wishing I Was Lucky" is the new American single from Wet Wet Wet, whose name was inspired by a line in "Getting, Having and Holding" done by Scritti Politti.

"We are first and foremost a soul band," Wet Wet Wet declares in an inner-sleeve note, "not only in influence and direction, but more importantly in attitude and ambition."

Wet Wet Wet hails from Glasgow, Scotland where "Wishing I Was Lucky" went to #6 in the summer of '87. According to vocalist Marti Pellow, working with producer Willie Mitchell (Al Green, Ann Peebles) in Memphis, Tennessee had a big impact on the band. "Willie taught us an attitude. He said to me 'I want you to get aroused. I want some funk on this record.' So I went down naked, got turned on as much as I could and did the song!"

Wet Wet Wet hopes to achieve similar recognition here in the States as they have in England where they were voted "Best Newcomer" in the British Phonographic Industry Awards. Their lp, POPPED IN SOULED OUT shot to number one and has been certified Double Platinum.
