ISSUE 74  
JUNE 19, 1989

Monday Morning Replay and Mediabase Research Corporation welcomes attendees to the "1989 BPME and BDA Conference" in Detroit, MI, June 21-24. Over 2,000 of the industry's marketing and promotion executives meet to share new ideas and innovations at this annual gathering. Concurrently, MMR welcomes the near 500 attendees to the "Radio Advertising Bureau's 22nd Annual Radio Workshop" in New York City, beginning June 21.

Week after week, Monday Morning Replay focuses in and meticulously details winning radio stations in our unique *Tuned In* feature section. This week we set our sights on the home of the "Run for the Roses," Louisville, KY, for all the stats on *Hit Radio* leader WDJX. Chris Shebal programs the Stoner Broadcasting station. Next we tune in to one of the industry's pillars of stability, Cincinnati's WEBN. 'EBN glides through the 80's, right into the next decade with a stable vision and huge ratings. The Jacor Communications rocker is lead by PD Tom Owens. On the *Alternative Radio* front, it's Pittsburgh's X-15, WXVX, programmed by Bree Freeman. Then it's A/C — KSTP style. The Twin Cities pay a lot of attention to KS95, as is reflected in their consistent high ARB numbers; Chuck Knapp programs. And as always, we've got video information, as we tune in to MTV.

The Doobie Brothers are back and they're *Captured Live!* MMR travelled to the *Red Rocks Amphitheatre* for the return of The Doobies under the mystic Colorado skies. Details on the gig, complete with band and set information inside.

This week in *MMR Fact Files*, share the past, present and future of leading industry executives:

- ▶ WNCI's Dave Robbins, who has guided the station to record breaking ARB trends, over a 16 in the most recent!
- ▶ Atlantic's Rock Radio veteran Danny Buch!
- ▶ Walter Sabo, President of WR Sabo, Inc., marketing and promotional expert
- ▶ Robert Olshever, Executive Producer, RPMC

*Monday Morning Foreplay* has details on early Summer '89 releases from Bad English (featuring John Waite, Jonathan Cain and Neal Schon), Bang Tango, The BoDeans, Living In A Box, XTC, Peter Dinklage, Robert Palmer and Patsy Kensit & Eighth Wonder.

All of this and more in this week's MMR!

USERS GUIDE: TRACER TRACKS are ranked by actual number of plays. Arrows are maintained by either an increase in plays or an increase in rank over the previous week. For a precise look at market saturation, reach index numbers are provided (gross impressions). Reach index is calculated by each radio stations average quarter hour (SOURCE: ARBITRON) multiplied by the number of plays given the title. Numbers are calculated for average weekly midnight to midnight impact from base monitor hours.

For a more precise and defined look, MMR WEIGHS EVERY STATION INDIVIDUALLY, according to quarterly, average quarter hour shares (SOURCE: ARBITRON — used by permission).

Significant downtrending disqualifies a title for further current consideration and reassigns recurrent status (see HOTTEST RECURRENTS).

\*Quality play index = average number of weekly plays from stations playing track.

## EAST

**T**he *ROCKY ALLEN Show Gram* of **WKSE/Bufalo** ("Kiss 98.5") fame recently celebrated their first anniversary and they definitely did it in style. All the morning show personalities were on hand including LARRY THE LEGEND, PAT BROGAN, MARIA TODD and BLAIN MUTENT BOY ENSLEY. The big celebration was held at a local hotel with free breakfast and mugs for the first few hundred people who showed up. Of course there was live entertainment and cake, but the most exciting event of the morning was the "Pancake Toss." One lucky listener got to don a garbage bag and be covered in maple syrup while contestants threw microwavable pancakes at the person. Those who were able to get the pancakes to stick won very valuable prizes and were allowed to lick the syrup off the garbage bag clad person. 'KSE is now celebrating the "98 Days of Summer" with a little help from Coca-Cola. Listeners can register at different point-of-purchase to win two Mustang LX's with one name being drawn daily until the end of the summer when they'll have a huge party with someone driving away in the cars with 20 cases of Coke. Another way to win during the summer is with the "Cartoon of the Day." When listeners hear it on the air they win \$100 and qualify for the cars, coke and other summer type prizes. ■ **WIOQ/Philadelphia** ("Q102") just gave away \$1,000 to the first person to paint the Q102 logo on the bottom of their pool. The station held a drawing for second place which was worth \$500. The MDA Bed Races were held in Mt. Laurel last week, Q102 was the official radio sponsor of the daylong event which also included games, food and dancing. ■ Daryl Hall & John Oates are heading back to their hometown for a major fundraising concert. **WEGX/Philadelphia** ("Eagle 106") will be featuring "Eaglefest '89" on the grounds of Naval Air Station Willow Grove on Sunday, June 25. The outdoor summer party will also feature aerial displays by the National Guards and fireworks. ■ "What do Wade Boggs and Hot 97 have in common?" They both have the hots for Margo Adams! Last week **WQHT/New York** ("Hot 97") gave listeners a chance to see Red Sox slugger Wade Boggs through the eyes of longtime companion Margo Adams when STEVENS and GRIDNIC of the Hot 97 morning show gave listeners tickets to the Yankees and Red Sox game as well as an exclusive Margo Mask. The 10,000 Hot 97 listeners that filled Yankee Stadium during their season opener and Saturday's televised game were encouraged to wear their mask everytime Boggs took the field.

## SOUTH

**A**ttention! LEO VELA now has a life. The **KSAQ/San Antonio** ("Q96") Program Director recently gave up his morning show responsibilities. It's now up to the "Q Morning Crew — the Next Generation" featuring SCOTT K. JAMES. Assistant Program Director/Music Director KATHY ROMARO has given up some of hers though as she has become part of the next generation doing news on the morning show. Promotionally the station is out and about in the Q96 Ectomobile terrorizing San Antonio. The 1969 Cadillac hearse is the official automobile of the "Ghostbusters II" premiere and is out getting people hyped for the move displaying a number for people to call in their ghost sitings. Even more exciting is that the car will be given away over the Fourth of July weekend. Throughout the summer Q96 is also offering up to 50 minutes of continuous music every hour — and if ever a listener should catch them playing less they'll win \$1,000! ■ **WXLK/Roanoke-Lynchburg** ("92X") recently garnished some national TV exposure on Memorial Day! Mark McKuen, weather personality for *CBS This Morning*, was in town for a weekend festival doing live weather breaks. 92X decided to have a contest awarding \$1,000 to the first person who could prove that they got the station logo on TV. Over 50 people managed to show up on CBS when the camera scanned the crowd showing people wearing station T-shirts, caps and bumper stickers all over their body (some also had banners). ■ **WAPW/Atlanta** ("Power 99") recently achieved a media coup when they got Dan Aykroyd to do a live interview with the Breakfast Club on June 7. Dan who usually doesn't do radio talked about the film he's currently working on in Atlanta called "Driving Miss Daisey" as well as his most recent movie "Ghostbusters II" which Power 99 premiered June 15. In support of the premiere the station played "Slime the Breakfast Club" at a local night spot. Those wishing to participate paid a dollar for a handful of slime to throw at the morning personalities (all money raised went to the Special Olympics). ■ Bon Jovi in Moscow, The Prince's Trust in London, U2 in Sydney and Rod Stewart in L.A. **WZZU/Raleigh** ("U93.9") listeners could be headed to anyone of these glamorous locations on the "U93.9 Summer Concert Tour." All they have to do is listen for the featured artist of the week, when they do they'll win music by the artist and be entered into the drawing that happens every Friday during the "Drive at Five," 93 minutes of nonstop music with ELVIS BRADY. ■ The "Lazer Blazer" is cruising the streets of Montgomery. The huge truck with a massive sound system is out spotting **WBAM**, ("Bam99") bumper stickers for \$99 in cash. The station has also got a couple of wave jammers to give away over the Fourth of July weekend to listeners who register to win at point-of-purchase displays.

## MIDWEST

**W**hat would provoke housewives to rap and call themselves the *Scary White Chicks*? Maybe it was the \$1,000 that **KBEQ/Kansas City** ("Q104") was offering their listeners through the "RANDY MILLER In The Morning *Homemade Commercial Contest*." Listeners had to write, produce and perform their own commercials for the station with the best one winning the cash. Even those who didn't win are getting plenty of air time. Q104 is welcoming The Who to Kansas City by giving away tickets for four prime seats, official T-shirts and tickets to a backstage party six times a day. Station listeners are also busy guessing the voices of famous villains from the Batman series, one lucky listener will win a trip to Gotham City to see the premiere of "Batman." CHUCK NASTY is keeping listeners entertained in the afternoon with the popular contest "Sing Along With the Nasty Man." Fans of MTV's Remote Control know how the contest works, Chuck sings part of a song and then the contestant sings the next line. The winners will garnish trips like ones already given away to Chicago and San Diego. Congratulations to Program Director KEVIN KENNEY who recently got engaged to Ginger Multon, the couple is set to marry next April. ■ **WKBQ/St. Louis** ("Q106") has got their stickers and the Q-Van is back on the street. Prizes include \$100 in cash on the spot with the opportunity to win other prizes throughout the summer including trips and more cash. At the end of the summer one winner will have their choice of six cars with a number of convertibles amongst the choices. Congratulations to new Production Director ROBIN LUSE. ■ **WYZZ/Chicago** ("Z95") is up to its charitable ways again. They recently played a softball game with Poison to benefit Misericordia; a home for 350 infants, children and young adults with mental disabilities. Over 3,000 people attended the game with the station raising \$8,500! The station is currently giving away tickets to Great America. Winners will not only get to enjoy the fun the amusement park has to offer, they'll also get to check out Michael Damien in concert. Last but certainly not least, the station has given away over \$825,000 in the "Z95 Cash Call!" ■ The "Summer Prize Catalog" is going strong at **WZPL/Indianapolis**. The direct mail promotion will be awarding cars, trips, gold and shopping sprees throughout the end of June. TIM FOXX has left his Promotion Director position for the same duties at **WFOX/Atlanta**.

## WEST

**T**he "100 Hot Days of Summer" are under way with 100 different prizes and 100 different ways to win at **KKRZ/Portland** ("Z100"). There's exactly 100 days between Memorial Day and Labor Day, thus all the nutty references to 100. The station is still looking for an Afternoon Driver, T & R to MARK CAPPS. ■ **KMGX/Fresno** ("X104") is history! As of yesterday the calls were changed to **KRZR** ("The Cruiser")! E. CURTIS JOHNSON formally of **KCPX** and **KFMY/Salt Lake City** will handle Program Director duties. BRIAN DEGUESS exits **KXXR/Kansas City** to become Assistant Program Director/Music Director and Afternoon Driver. The station plans to take a "Rock 40" approach much like sister station **KXXR**. ■ BARRY BECK has exited **KWSS/San Jose** to take on afternoons at **KUBE/Seattle**. Program Director TOM HUTYLER will now move to middays and Production Director RANDY IRWIN adds Music Director to his list of responsibilities. Promotionally UBE is out looking for rear window stickers. The station boasts the largest spotting team in the country with 14 people out on land and sea handing out the cash. ■ Donny Osmond is just about as hot as back when he used to wear purple socks and **KLUC/Las Vegas** is going to take advantage of his popularity by giving away a date with the Capitol recording artist. Listeners will qualify everytime they play his latest single "Sacred Emotion" and then have a drawing to determine who will win the big date. The winner will also get to invite 20 friends along for a movie premiere and private party at a Caesars Palace suite. The station is also continuing their "Cash Call" promotion. The station announces an amount of money and then calls a random person, if they know the amount they win. Obviously people are listening because they've given away over \$30,000 already! ■ J.J. MORGAN most recently of **KZHT/Salt Lake City** has made his way back to **KKFR/Phoenix** ("Power 92") as Assistant Program Director and nighttimer. TIM BIRD of **VH-1** fame was recently in Phoenix vacationing and while there he happened to tune in to Power 92. It just so happens that he liked what he heard so he gave PD/Afternoon Driver RON PARKER a call. What resulted was Tim acting as a guest DJ for an afternoon. The station continues to give away "Batman" tickets and one of the lucky winners will be off to L.A. to see the world premiere.

## WDJX: LOUISVILLE

**F**or some people it might be the bourbon. Some, the Kentucky Derby. Others still might be attracted by the blue grass or maybe even the Bluegrass music. But the thing that drew the **Monday Morning Replay Hit Tuned In** crew to Louisville was the #1 *Hit music station 99.7 DJX (WDJX-FM/AM)*!

Always looking for the most music we decided to bop down to "Kentuckiana" to listen to this **Stoner Broadcasting** station, programmed by PD **Chris Shebel**. For a better variety of music 99.7 DJX depends on MD **Jill Meyer**. For fun in the morning, DJX listeners tune in to the **Pete & Joe Morning Show**. Batman-mania? Disney World? Hit of the Day? What do these things have in common with the morning dudes? You can take a look inside for all of these details and more. A complete music breakdown, positioning, accounts...18 hours of WDJX, hit after hit!

"*Nobody plays more music than the #1 Hit music station, 99.7 DJX?*" Well, nobody gives you more details than **Monday Morning Replay**. You can find out for yourself because this week we've got WDJX turned on and **Tuned In!**

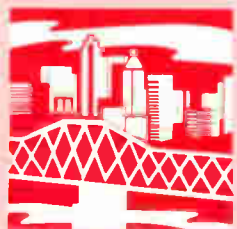

## WEBN: CINCINNATI

**H**ey, fellow babies, welcome back to Cincinnati. No, this isn't the enigmatic Dr. Johnny Fever...it's **Tuned In** and we're going back for yet another bash at *The Lunatic Fringe of American FM...WEBN*.

You wanna talk *change*? Forget it. We went back into the archives to **Monday Morning Replay Issue #9 (February 29, 1988)** to compare and we realized that the staff at 'EBN has remained completely unchanged — something extremely rare in radio! PD **Tom Owens**, APD **Michael Luczak** and MD **Tony Tolliver** keep things on Frog's Mountain under control, and keep the **Jacor** station the market leader book after book.

Promotionally, as **Sports Commando Wildman Walker** moves out of his residence after eight and a half years, 'EBN could think of nothing better than giving the **Wild Manor** away. 'EBN is also sending listeners to the Mens finals at Wimbledon. **Tuned In** also peeks at regular features like the "*Classic Rock Cafe*" with Lunchmaniac **Jay Gilbert** and the "*Katscan*" movie reviews with nighttimer **Kat Thomas**.

Jennifer, hold our calls. We'll be in the Big Guy's office with this week's **Monday Morning Replay**, checking out the **Decadent Destination Station...WEBN**.

## WXVX: PITTSBURGH

**T**his week's **Alternative Tuned In** sneaks down *progressive alley* to see what's happening at Pittsburgh's new music **X-15, WXVX**.

Rising from the ashes of the now defunct **WXXP, X-15** proves you can't keep a good format down. Led by jack-of-all-trades, morning man **Bree (Cheez) Freeman** rides a "*Ramones Wave Wednesday*" through *progressive alley* to take Pittsburgh into the 90's. **Diane Bartko** takes over the reins and plays *the rock 'n' roll for the rest of us*, as well as your favorite lunchtime requests, and **P.F. Wilson** takes the listeners for a ride on the **X-15 time machine**, while asking us the musical question "*According to Queen Elvis, who wrote the book of love?*"

According to **GSM/Promotion Director Ken Vehec**, he doesn't know who wrote the book of love, but he does know that Pittsburgh's best new music from dawn to dusk will be Pittsburgh's best 24 hour new music station on the 4th of July, so watch the sky for those fireworks as **Tuned In** and Pittsburgh celebrate the best in new music **X-15**.

## KSTP: MINNEAPOLIS

**I**n its region of traditions, innovation and diversity (it's an understatement to call any state that produces both Bob Dylan and Prince diverse), A/C listeners in Minnesota (and the Twin Cities especially) look for a sense of fun in their radio.

Relief comes in the form of Minneapolis' **KSTP**, where it's *always 95 and sunny*...although "funny" comes to mind as well. Upbeat is the password, as the station celebrates 10 years on top with some extraordinary giveaways as part of their "*95 Days of Summer*" (details inside).

PD **Chuck Knapp** anchors the talent array with a morning show along with **News Director Mike "Donuts" Douglas**, **Doug McClellan** and **Kim Jeffries** ably hold the midday shift, **Dan Donovan's** strong delivery in the afternoon is balanced by his rapport with newsperson **Grace Lorenzi**, **Pat McKeever's** an informative nighttime jock, **Jim Brunnette (10PM-2AM)** and **Drew McIntyre (2AM-6AM)** finish up **KSTP's** lively combo of old and new music, serious info and serious laughter.

All in all, one of the most consistently digestible A/C stations in the entire country. Read on and enjoy Minneapolis' **KSTP** — this week's **Tuned In!**

But being the white middle class suburbanites that we are, we decided to call our group RHW: Ranch Homes With an Ambience. Those guys rap the news off the front page of the paper. We get our ideas from the real estate section. [RAP] 'A lovely starter home on a cul-de-sac. Two-car garage with a playset out back. Three bedrooms and a bath and a half. An above-ground pool where you can float on a raft.' Also tomorrow, drive in movie critic Joe Bob Briggs and your next shot to get a key to Wild Manor. The Dawn Patrol starts at 5AM tomorrow morning on WEBN." (4X)  
 "Good morning, friends. It's time to brush the sleepy dope from your eyes. Rise and shine. Up'n at 'em! WAKE UP!!! From high atop Frog Mountain, serving 3 states, 40 counties and a gas station in Loveland...WEBN." (2X) [Variations]

## POSITIONING STATEMENTS

**MUSIC** 55X  
 "KS95 is KSTP-FM, St. Paul-Minneapolis." (17X)  
 "It's 95 and Sunny at KSTP (or variation)." (15X)  
 Jingle: "Always 95 and Sunny — KS95." (12X)  
 "The Number One music station under the sun." (11X)

## PROMOTIONAL ACTIVITY

**CASH CALL** 30X  
 Listeners are registering in droves for a crack at the KS95 jackpot, where knowledge of the money total is vital. In addition to big potential winnings, there's a \$5,000 bonus to shoot for — and double cash on weekends. KSTP jocks phone listeners who have signed up and make a point of calling an office per day as well.

**95 DAYS OF SUMMER** 28X  
 KSTP is giving away at least \$1,000 per day (which matches what we heard on the day of our monitoring) when listeners register with the station to win thousands of bucks in prizes. When a KS95 fan hears his/her name on the air, they have 9 minutes and 5 seconds to call in and claim their prize. There's also a small but enjoyable bonus: Callers likewise have a dollar added to their total for every year they've listened to KS95.

**'DALES GIFT CERTIFICATE CONTEST** 13X  
 Talk about nice prizes for Father's Day...A designated KSTP caller claims a \$100 gift certificate for their dad which is redeemable at any store in "The Dales" (Brookdale, Rosedale, Southdale, Ridgedale).

**NEIL DIAMOND TICKETS/GUITAR GIVEAWAY** 10X  
 Neil Diamond's Minneapolis show is a big event, and KS95 throws more goodies into the picture, with designated callers winning tickets to the concert and a chance at a guitar signed by Neil. All they have to do is listen for the guitar to be played on the air (which explains the short acoustic guitar interludes we heard between their playlist tunes).

Accomplishes in this deal were Warner Bros. Pictures and Pepsi.

USERS GUIDE: TRACER TRACKS are ranked by actual number of plays. Arrows are maintained by either an increase in plays or an increase in rank over the previous week. For a precise look at market saturation, reach index numbers are provided (gross impressions). Reach index is calculated by each radio station's average quarter hour (SOURCE: ARBITRON) multiplied by the number of plays given the title. Numbers are calculated for average weekly midnight to midnight impact from base monitor hours.

For a more precise and defined look, MMR WEIGHTS EVERY STATION INDIVIDUALLY, according to quarterly, average quarter hour shares (SOURCE: ARBITRON — used by permission).

Significant downtrending disqualifies a title for further current consideration and reassigns recurrent status (see HOTTEST RECURRENTS).

\*Quality play index = average number of weekly plays from stations playing track.

# CITY TRACKS (ROCK RADIO)

USERS GUIDE: City Tracks are a potpourri of promotional, positioning, market news and information.

## EAST

Canada Day (July 1) means the third annual CFNY/Toronto ("FM 102") Canada Day Festival. Admission is \$3 to see 12 Canadian acts, including Sarah McLachlan and The Jeff Healey Band. Baseball fans can see the Jays in the new Skydome by getting a "hit" in FM 102 "Radio Baseball." A "home run" will find an FM 102 listener to Detroit for a weekend Blue Jays-Tigers series.

- **Up Against The Wall Department:** The winner of the CILQ/Toronto's ("Q-107") "Rock 'n' Roll Wall of Fame" contest will see every Q-107 Skydome rock concert in '89 from the front row. Q-107 has a newspaper coupon featuring a picture of a downtown rock mural. Some faces are blacked out, and listeners must compare the wall to the clipping to guess which rockers are missing. Seven winners joined Q-107 in a private box at the Skydome to see Rod Stewart: the first-ever rock concert there.
- When WAQX/Syracuse ("95-X") solicits listener's feedback they don't mess around. Phase one solicited listeners input, phase two implemented their ideas, phase three finds 95-X handing out their new window stickers at a local shopping center with an envelope filled with cash amounts ranging up to \$1,000; their way of thanking listeners.
- "Get WEASE by the Balls" wasn't a threat — it wasn't even painful. WCMF/Rochester listeners guessed how many golf balls would fit in morning man BROTHER WEASE's pants for \$1 a guess, with all proceeds benefitting Camp Good Days and Special Times; a cancer treatment center for kids. "Free Concert Weeks" have netted CMF listeners tickets for Bad Company at Darien Lake, Steve Miller at the Finger Lakes Performing Arts Center and The Who at Rich Stadium.
- **WDVE/Pittsburgh** presented a check for \$43,000 to the Rehabilitation Institute of Pittsburgh during the Children's Miracle Network telethon; the results of sales of the CD "The Wild & the Innocent" (CITY TRACKS 5/15). Next in line for DVE is the fourth annual Fourth of July fireworks display with the city at Point State Park.
- Aside from giving away multitudes of Who tickets for the June 21 show at the Glens Falls Civic Center, WIZN/Burlington ("The Wizard") asked listeners "what do you want from life?" Listeners qualified by winning various lifestyle prizes like dinners, etc., and then brought those prizes to the Sha-Na-Na show in Burlington to trade in on the grand prize of \$2,000 cash. The Wizard's third annual blues cruise will hit Lake Champlain July 14.
- Not only does WNEW/New York have a new GM (CITY TRACKS 5/29), they have also named DAVE LOGAN as PD, succeeding MARK CHERNOFF who is now at WXRK/New York. NEW is giving away 100 pairs of Who tickets, from whom two grand prize winners will be selected. One will go "on tour" with the Who to Toronto, Philadelphia, Foxboro, Giants Stadium and the "Tommy" show at Radio City Music Hall. Another will get to take 19 friends on the WNEW Magic Bus for the show in Toronto. NEW also has been giving away Yankees baseball tickets, including a weekend series in Boston watching the Bronx Bombers battle the Red Sox in a weekend series.
- **Life's a Beach Department:** WYSP/Philadelphia teams up each week with Budweiser to give away a week at a beachfront condo rent-free, as well as tickets to concerts at Bally's Grandstand if there's a show. Of course, you could win a party cruise to nowhere on the QE 2.

## SOUTH

The KATT/Oklahoma City sneak preview of "Indiana Jones: The Last Crusade" got one listener more than a preview of one of this summer's blockbuster flicks. KATT built a simulated "Temple of Doom," with a maze inside that listeners walked through to win movie passes and other prizes. Twenty listeners got keys and the chance to ride away with an off road four-wheeler.

- The big news in San Antonio was the return of JOHN LISLE to KISS, reunited with former partner STEVE HAHN. Lisle made his debut during Fiesta, as KISS built an 8 feet by 4 feet "cascarone" (giant egg) with him in it. The KISS lineup gets juggled around as follows: overnigher KAZ joins MAXX 6-10AM; PD TOM "THE T-BONE" SCHEPKE is now on 10AM-2PM middays, LISLE & HAHN and their "PMS" ("PM Show") 2-6PM, DEBBIE "THE ELECTRIC LADY" ALCOGER 6-10PM, JOE "THE GODFATHER" ANTHONY is now on 10PM-2AM and JAY TIPTON takes over the swing shift. The "99 Days of Summer" have commenced as well, with KISS out and about giving away "classic Coke cookouts" every other week, Lisle & Hahn "Weekend Starter Parties" Fridays at Dick's Last Resort. Speaking of which, Dick's and KISS are rewarding people named "Dick" by naming them "Dick of the Day."
- **KLLO/Houston's** sixth annual "Rock 'n' Roll Auction" was June 17 and saw bidding on items such as guitars from the Traveling Wilburys, The Grateful Dead and David Letterman's "World's Most Dangerous Band;" gold records, tour jackets, a trip to L.A. to attend a special recording session with Tom Petty and a 1989 Harley Davidson autographed by the auction's celebrity guests. Guests included Julian Lennon, Gene Simmons of Kiss, Vixen, Henry Lee Summer, MTV's Kevin Seal and the entire KLLO airstaff. Entertainment came from The Fabulous Thunderbirds, House Of Lords and Molly Hatchet. As of presstime exact totals raised were not available; all proceeds will benefit the Bering Community Service Foundation which caters to individuals with AIDS.
- Best wishes to **KZEW/Dallas's** RONEI HARDIN who will be leaving the station for the Promotion Director position at NAC station KOAI/Dallas ("The Oasis").
- Look for **WNOR/Norfolk** at Harborfest; broadcasting from four locations simultaneously: Seawall Fest in Portsmouth, on a boat on the Elizabeth River, Town Point Park at Waterside and the Banana Pier downtown.

## MIDWEST

Using the past in the present to help "Rescue the Future," KSHE/St. Louis teams up with Streetside Records to compile the KSHE "Summer Classics" CD. Proceeds will go towards "Rescue the Future;" the Pollack Media Group's environmental campaign to ban dangerous chemicals that are damaging the earth's ozone layer. CAROLINE "KILLER" MILLER joins the KSHE MORNING ZOO, joining SMASH and JOHN "U-MAN" ULETT.

- Dayton's newest rocker WAZU has formed its "WAZU Children's Holiday Fund," which will raise money to go towards visiting children in the hospital during various holidays. Initial fundraising efforts towards this fund have included the WAZU's "putt-putt" golf tourney (miniature golf for all non-Midwesterners) and the refrigerator bash which allowed listeners at tax time to take out tax frustrations on a refrigerator (painted like a W-2 form) for a buck a shot. The station's got a lot of future plans for this worthwhile cause. The search for new morning talent at WAZU is on: T & R to PD JIM LEVEN.
- Grand Prix weekend found WCSX/Detroit broadcasting live from the River Rock café downtown, as well as giving listeners tickets and their "Classic Night Out" package, which includes limo service, dinner and tickets to an event.
- **WONE/Akron** middayer DEEYA McKAY is known as "A.J.," lately, having participated in the mini Indy race during the Cleveland "Square to Square" street festival. It was her first time ever driving the WONE mini Indy car and she came in fourth in the race! A.J.'s next appearance will be in the Akron Grand Prix July 8. Birthday greetings to WONE morning maven JOE CRONAUER "a real live nephew of my Uncle Sam/born on the fourth of July." A double-whammy for BILL HALL, host of WONE'S "Vinyl Word." He celebrated his birthday recently, and so did his son Bill Jr. Congrats Bill & Melody!
- **WXLN/Davenport** ("97-X") gave out autographed posters and T-shirts from Hulk Hogan's new film "No Holds Barred" to listeners who could snap the cigarette out of morning co-host JEFF ROBERTS' mouth with a mousetrap! Sounds like one of the finalists' stunts in the 97-X "\$5,000 Challenge." What would you do for \$5,000? Call their special hotline and you might win. 97-X is also looking for the Quad Cities' best guitarist, who'll win a replica of Joe Satriani's guitar. Will the Cubs go all the way to the World Series; or will they be 10 games out by August? Diehard 97-X Cub fans can guess the date of their demise to win a weekend in the Windy City to watch their heroes. Of course, if that collapse doesn't happen, someone will win the weekend anyway!

## WEST

When a train jumped the tracks, demolished houses and initiated a gas line explosion that destroyed more homes, KCAL/Riverside-San Bernardino rallied their listeners to the cause. They donated over \$1,000 and lots and lots of clothing, toys and household items. One lucky KCAL Cinderella ticket winner won an electric guitar and amp, front row seats for the show and backstage passes to meet the band plus opening acts Winger and Kix. Big doings on tap for KCAL promotionally; stay tuned.

- Newly appointed **KFOG/San Francisco** PD PAT EVANS gives the nod to M. DUNG as MD. "Chef Boy-R-Dung" will continue doing afternoons and the Sunday night "Idiot Show" of oldies and rarities. Yow!
- **KPOI/Honolulu** ("98 Rock") has a new GSM, as MICHOL CHRISTIANSEN returns to the Islands, leaving **WQFM/Milwaukee**. She'll replace HANK McMONIGLE who has gone to pursue interests in print media.
- **Ducks Deluxe Department:** There were 30,000 rubber ducks in the Truckee River, thanks to **KRZQ/Reno** ("96 Rock") during the "Great Truckee Duck Race." Those ducks were "adopted" by listeners for \$5 each with proceeds benefitting the Children's Miracle Network. Each duck had a bar code on it, and one duck had a bar code that won its "adopter" a brand-new Pontiac Sunbird. The 96 Rock "Over the Line" three-on-three softball tournament was a big success, raising funds for the American Lung Association. Look for morning men SARGE AND CHASE making the school circuit; they were chosen as role models by the school district to talk to school assemblies. Also look for 96 Rock's involvement with the Fox Network as it shoots the pilot of a potential Saturday late night comedy-variety show in Reno, with 96 Rock as the local contact station.

USERS GUIDE: TRACER TRACKS are ranked by actual number of plays. Arrows are maintained by either an increase in plays or an increase in rank over the previous week. For a precise look at market saturation, reach index numbers are provided (gross impressions). Reach index is calculated by each radio stations average quarter hour (SOURCE: ARBITRON) multiplied by the number of plays given the title. Numbers are calculated for average weekly midnight to midnight impact from base monitor hours.

For a more precise and defined look, MMR WEIGHTS EVERY STATION INDIVIDUALLY, according to quarterly, average quarter hour shares (SOURCE: ARBITRON — used by permission).

Significant downtrending disqualifies a title for further current consideration and reassigns recurrent status (see HOTTEST RECURRENTS).

\*Quality play index = average number of weekly plays from stations playing track.

USERS GUIDE: City Tracks are a potpourri of promotional, positioning, market news and information.

## EAST

At the crack of the bat and roar of the crowd, **WVBF/Boston** is throwing out Red Sox away game tickets. Following along the same lines as their successful Celtics road trip giveaways, the station is handing out two trips for two every Monday from qualifiers taken throughout the preceding weekend. Every Friday the "LOREN & WALLY Travelling Road Show" takes the VBF Morning Show to a different listener's home, big yellow music box in tow. Listeners are sending in postcards in hopes of witnessing the AM program firsthand from their own front yard. Bostonians are also sending in office pens in an effort to be among the "Pen of the Day" winners. These daily qualifiers then vie for the weekly drawings of an office "Clam Bake" with lobster, steamers and corn-on-the-cob; hand delivered right to the winner's place of business! DAN MEANY joins the airstaff for part-time work. ■ Bruce Springsteen sang about it, Burt Lancaster and Susan Sarandon portrayed it, and **WIOF/Hartford** ("Magic 104") listeners are visiting it: Atlantic City! A number of audience members are chosen each week (from postcards) to fly to the 'Las Vegas of the East' along with some extra 'fun money.' And at the end of the summer, all of the initial winnings will culminate in a Grand Prize "Magical Mystery Tour" to paradise. Further details as we get them! The radio station recently cosponsored the area's Multiple Sclerosis Bike Tour in which over 800 bikers participated; reportedly marking the best year the charity has ever enjoyed! Happy birthday to Ops. Mgr/Midday man LOU TERRI. ■ Thus far in 1989, **WWDE/Norfolk** ("2WD") has given away a ton of fun including three cars and five trips (and the winning is just beginning)! The station is currently at Harborfest — which is the largest water festival on the entire East Coast. Over 2½ million people are expected to stop by; included in that number will be 2WD and their inflatable radio. The station "Beach Patrol" cigarette boat will be there too — reporting, as always, on the very latest water and surfing conditions in the area. July 9th is doubly special for Operations Manager/PD GARY KING — he'll be celebrating both his birthday and his 11th wedding anniversary! ■ "Team Up & Win at Work" entailed **WVOR/Rochester** sending out some 30,000 letters to businesses all over the five county metro. Each letter contained a reply card on which one could list the names of co-workers they wanted to make up their two to 10 person office "team." Everyday (Monday-Friday) the station is reading off the names of various 'players,' awarding both them and the team captain (the person who mailed the card back) \$100 cash. For VOR's "Window Decal" campaign, listeners are being spotted for all-expense paid trips for two to Jamaica! New to Weekends on WVOR is CHIP DOUGLAS (from the city's WPXY).

## MIDWEST

They're living on the air in Cincinnati...**WRRM** ("Warm 98") has just welcomed MARY KUZAN to the "Morning Music Crew" with TOM WALKER and SCOTT SCHIVELY. Kuzan will continue to serve as the station's Promotion Director; a title she has held for the last year. ■ "As wholesome as 'Beaver's dad'..."That's **WLTF/Cleveland's** ("Lite Rock 106 & 1/2") TRAPPER JACK — or so we're told. The station is promoting their morning man and his morning show from a slightly different angle these days. Newly dubbed, "The Wakeup Club," the concept behind the program is a sort of fun, 'wakeup service.' The Fourth of July may be a few weeks away, yet Cleveland's millions are already being treated to great weekly 'Sky Shows.' Saturday night "Laser Shows" continue to be presented by Lite Rock through July at Sea World. ■ The Grand Prix arrived in Detroit over the weekend and Motown was jumpin'! For a week leading up to the actual race, **WNIC** geared up for the roadway event with a series of live broadcasts and special proceedings. "The Breakfast Club's" JIM HARPER, CHRIS EDMONDS, LINDA LANCI and DAVE LOCKHART, live all week from a downtown club oversaw the "Most Unusual Transportation Contest," (awarding the listener who arrived at the broadcast site in the most unusual form of transportation), and gave away a brand-new GEO Metro automobile. To celebrate the anniversary of the first computer, 'NIC employed a steamroller to squash a computer in the club's parking lot! Take that Silicon Valley! Then over the race weekend, both the morning personalities and Midday man GENE MAXWELL broadcast their shows from high above Motown in the Fuji blimp. ■ A day at the **KEFM/Omaha Council-Bluff** ("Lite 96") races sent a total of 30 listeners on their way to anywhere in the U.S. of A courtesy of cosponsor Braniff Airlines. The morning of the races the station gave away four of the trips for two on-the-air. Then at the race track, Lite 96 handed out another 11 — one after every race. For the second year, the eighth race was the official KEFM race; last year it was the only race of the day where the jockey fell off his horse! (PD DWIGHT LANE also had his foot stepped on by a horse in the Winner's Circle last year!) This year, we're told, went off without a...hitch. The radio station is also hosting a 22 team softball tournament fundraiser to help D.O.C.; "Doctors Ought to Care." The group's primary function is sending out pro-health messages to young adults.

## SOUTH

Through the end of July, **WMYU/Knoxville** ("U-102") is giving away a "U-Boat," actually a \$20,000, 20-foot Celebrity bow rider. Just as they did for the giveaway the last two years, 'MYU is taking the boat out to area lakes (and around on land via trailer) for on-site registrations. Also interesting is the fact that, since the boat comes equipped with a cellular phone, listeners that can't make it out to the boat site can call in to the boat to register. U-102's new TV spots are currently all over Knoxville featuring high profile city locales, crisp editing and a great music soundtrack. For the :30 spot, the station enlisted a local motion picture company to do the filming, which had Morning men "C.P. & WALKER" appearing all over (including the balcony of a downtown high-rise bank along with a crowd of listeners). Throughout the filming, listeners were invited to come out and be an "extra" in the commercial. ■ Miami residents and travelling enthusiasts are no doubt benefitting from the recent American Airlines expansion that now has the airline flying nonstop to New York, Los Angeles, Boston and Jamaica. Benefitting more than most are listeners of **WLVE** ("Love 94") — handing out pairs of airline tickets to the destinations listed above everyday. Love also just gave away a brand-new Pontiac, and sponsored Al Jarreau live at Miami Marine Stadium and the premiere of the brand-new Robin Williams flick, "Dead Poets Society." July 3rd, 'LVE will also welcome jazz greats Spyro Gyra, Hiroshima and others to Crystal Lake Country Club for the citywide "Jazz Festival." ■ Frankly my dear...To celebrate the start of the Hurricane Season, **WKRQ/Mobile** held a special showing of "Gone With the Wind" featuring free admission for anyone with "99.9-FM" written down. SCOTT SANDS and AMY BISHOP are set to broadcast live from the fair — high atop the Ferris wheel! Congratulations to PD SCOOT PAISANT on the recent announcement of his engagement. He's scheduling the wedding to coincide the Fall Arbs, or so we're told. ■ **WNLT/Tampa's** ("Lite Rock 95.7") "95 Days of Summer" began by giving away keys to a 15-foot Nissan Powerboat every time the specified 'Summer Song' was played. Qualifiers also picked up a one day 'Sea Escape Cruise' in addition to the key when they were the correct caller. Now station "Beach Parties" are happening twice a month on Sunday afternoons from the Clearwater Beach Hilton.

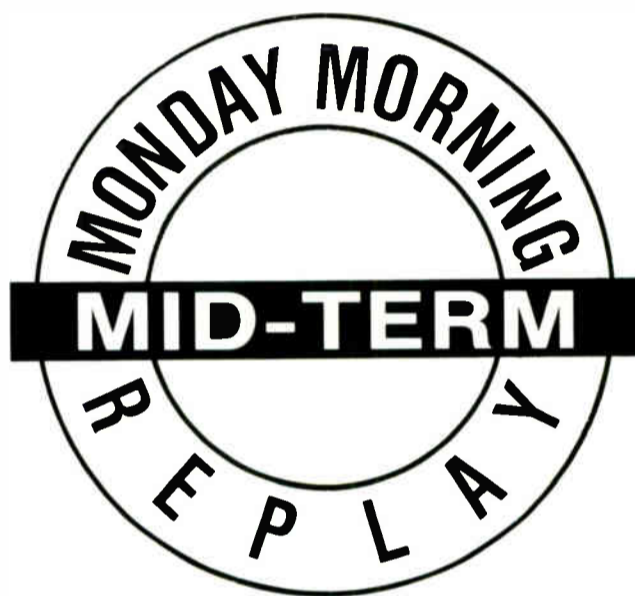

## WEST

"Beans, beans, good for the heart...beans, beans great for the heart..."  
— From "Saturday Night Live" sketch (1988).

**KJUL/Las Vegas** ("K-Jewel") won three honors at the city's annual "Chili Cook-off" competition: Second place for "Best Booth" and third place for both "Best Appearance" and "Best Chili." All proceeds from the event benefitted the Handicapped Children of Southern Nevada. Also of charitable note was the station's welcoming of the largest girl and boys facility in the area. KJUL handed out over 500 tickets to see the World Basketball Association's Las Vegas Silver Streaks and the Las Vegas Stars; the AAA farm team of the San Diego Padres. The "Jewel of the Month" giveaway has just been initiated featuring a different stone each month. This month for example, since June's birthstone is pearl, 'JUL will hand out a \$1,000 His & Hers Pearl Ensemble; next month a ruby ensemble will be the prize. KJUL also just wrapped up participation in the University Medical Center's Children's Miracle Network Telethon. ■ GARY MOSS has replaced PD/Morning host CHARLIE McGRAW as PD at crosstown **KWNR** ("The Winner"). Moss comes to Las Vegas from oldies station, **WMQX/Winston-Salem**. He is also doing afternoons on WNR. ■ **KOST/Los Angeles** ("Coast 103") will be the exclusive L.A. radio station (with sister KFI-AM) to tie-in with the biggest 4th of July fireworks show ever to be held at the Rose Bowl in Pasadena. Prior to the spectacular fireworks display, the night will feature a circus and the legendary Jan and Dean! Last month KOST gave away trips for two to Maui like they were going out of style — 20 in all! The vacation packages were part of an extensive station direct mail campaign that entailed listeners mailing back a reply card and listening for their name on-the-air. Trip giveaways continue this month via "Love Songs on the Coast." Every Friday night the program is handing out adventures to Australia, Paris, Hawaii, Vancouver and Mexico. ■ When **KVYN/Napa** ("The Vine") first contacted Giorgio of Beverly Hills they had no idea securing product for The Vine's Mother's Day promotion would be so easy. As is the case, it turns out, with many nationally and internationally known corporations, a mere product mention can often score a radio station valuable prize product. In the case of Giorgio, for example, VYN secured samples of the company's famous "Red" perfume (normally available at \$250 an ounce) through the promotion section in return for a few brief on-air mentions. The samples were subsequently included in Mother's Day prize packages worth over \$1,000 each. To win the packages, listeners wrote in with their nominations for best mom. GARETH J. NICHOLAS' homegrown "British Top 40" is now heard on nearly a dozen stations nationwide. The three hour program bases its countdown on the BBC charts. Demos are available at (415) 370-8980.

ARTIST: LIVING IN A BOX

ARTIST: PATSY KENSIT & EIGHTH WONDER

ARTIST: BANG TANGO

ARTIST: ROBERT PALMER

**TITLE:** Blow The House Down  
**RELEASE:** 7"/12"/CD Pro/Cass. Sgl.  
**LABEL:** Chrysalis  
**LP:** GATECRASHING

Following the success of their first single *Living In A Box* decided they'd take much more time while working on their follow-up lp *GATECRASHING*. "We sort of slapped our first album together around the single *Living In A Box* (a top five UK single), and it sounded like that as well," **Marcus Vere** told **MMR**. "This time we had a little bit more time to think about it. The second album has more of a consolidated direction that we didn't seem to achieve on our first."

Taking nearly a year to complete, *Living In A Box* used three sets of producers to give *GATECRASHING* the diversified sound they sought. **Dan Hartman** (**James Brown**) and **Tom Lord-Alge** (**Steve Winwood**) gave us that hard-punchy sound," **Vere** explains. **Leon Sylvers** (**Shalamar**) gave us that funky feel while **Chris Porter** (**George Michael**) took care of our softer songs because we liked what he'd done with **George Michael**.

**Vere** co-wrote the first single *Blow The House Down* (already a Top 10 hit in England) with **Albert Hammond**, who has crafted hits for **Whitney Houston** and the **Starship** among others. While recording the track at the Olympic Studios in London, *Living In A Box* found themselves a room away from **Queen** and needing a guitar solo.

**Brian May** came in and said, "I didn't think they made music like this anymore. If you ever need a solo let me know," **Vere** recounts. "Well, we did let him know and **Brian** came in and cranked his guitar up and whacked this monster solo out in a couple of hours. It was perfect."

"I feel like I'm living in a box," is what **Vere's** friend told him and that resulted in their unusual name. Besides **Vere**, **Richard Darbyshire** and **Tich Critchlow** make up *Living In A Box*, hailing from Sheffield, England.

"The disposability of 7" records in England is almost criminal at the moment," **Vere** admits. "Every time you get something out, it's over in a month. Radio here turns records over so fast and record companies put them out so quickly that the single market is shrinking to almost unreal proportions. The element of fad, of fashion and trend and the eagerness of something new turns records on their heels so quickly. In the States things last a lot longer."

*Living In A Box* has scheduled a promo trip in mid-July, hoping to attract a stronger base in America. "America is very important to us, everyone keeps reminding us it's 52% of the world market. But I don't think any English band will tell you they're gonna lose their mind over it. Still, it's that big golden pot at the end of the rainbow that you think you might get someday."

**TITLE:** I'm Not Scared  
**RELEASE:** 7"/12"/CD Pro  
**LABEL:** WTG  
**LP:** FEARLESS

"It's not just me in the front looking nice with these three puppets behind me," insists lead singer **Patsy Kensit** of **Eighth Wonder**. "These guys are great musicians and a brilliant live band, which should be a real advantage in America."

Concerning the inevitable comparisons with fellow sirens, **Kensit** cautions: "They're very flattering, but you should remember that **Eighth Wonder** is a band. We've got a great guitarist in **Geoff Beauchamp**, a wonderful drummer in **Steve Grantley**, and of course, my brother **Jamie Kensit** (guitar) who started the whole thing."

"We all get along great," **Kensit** continues. "It's terrific to work with family in a group. You know each other so well, you can say things you could never say to just anyone. And then forget about them 10 minutes later."

**Eighth Wonder** is looking forward to coming to America to showcase their stage show. "In the early '80s in England, all you had were these synthesized studio bands," **Kensit** says. "Playing live is still the most exciting thing for us, and the most rewarding. That's when you come closest to the people who actually buy your records. The connection we make with our audience is the best part of everything **Eighth Wonder** does."

*I'm Not Scared*, written and produced by the **Pet Shop Boys**, is the third single from **FEARLESS**, **Eighth Wonder's** debut for **WTG Records**. It will also be featured in "*Lethal Weapon 2*," which stars **Mel Gibson**, **Danny Glover** and **Kensit**.

Acting is not something new for the 20-year-old vocalist. The London-born **Kensit** launched her career at the age of four as **Mia Farrow's** daughter in "*The Great Gatsby*," which also starred **Robert Redford**. She also appeared with **David Bowie** in "*Absolute Beginners*."

In a unique arrangement with **Warner Brothers Pictures**, **WTG Records** has arranged for a new video of *I'm Not Scared* to be filmed utilizing new footage of **Gibson** and **Kensit**, who become romantically entangled in "*Lethal Weapon 2*." The film opens July 7th.

**TITLE:** Someone Like You  
**RELEASE:** CD Pro  
**LABEL:** Mechanic/MCA  
**LP:** PSYCHO CAFE

"I'm trying to stand up on my own two feet here in L.A.," says vocalist **Joe LeSté** of **Bang Tango** just minutes after another earthquake rumbled through the city on June 12. "I was in bed and this earthquake woke me up. I don't know what the hell was in my head but for some reason I jumped out of bed and started running." Where does one run to when the Richter scale hits 4.6? "I ran to the bathroom," **LeSté** says. Wise choice.

**Bang Tango**, five rockers from La La land released a six-song EP prior to the release of their **PSYCHO CAFE** album on **Mechanic/MCA Records**. Just who do they think they are, **Guns N' Roses**?

"Absolutely not," **LeSté** quickly points out. "Maybe we think we're **Jane's Addiction** or **Ratt**, they did the same thing. **Guns N' Roses** just happens to be the most recent one to do that before us. The reasoning behind it was that we got the EP deal from **World Of Hurt Records** before we got the record deal. We jumped on it. At the time we didn't even have a demo, so we used the EP as a demo. Things went better than we thought."

"Plus, over 30,000 copies were distributed and that's a good marketing tool 'cos there's already 30,000 people out there that already know what they're all about." Bet it sold well in L.A., right Joe? "Nothing sells well in L.A. It's a pot of musicians who don't want to buy each others albums. That's really sad because I try to support as many people as I can."

Under the guidance of **Howard Benson** (**TSOL**, **Pretty Boy Floyd**) **Bang Tango** flew to Austin to record **PSYCHO CAFE** and get away from the distractions L.A. can offer. "That was **Howard's** idea, and I think it was a great idea," **LeSté** says. "We were in this tiny town outside of Austin and there was nothing to do but pay attention to our music. That's how we came up with **PSYCHO CAFE**, we'd spend most of our time in this little café surrounded by these hicks. I think they made the movie "*Back To The Future*" there. They looked at us as if we came from another planet. It was like visiting Mayberry on Quaaludes."

Describing their music as "Upbeat Groove Rock," **Bang Tango's** influences range from **Yes** to **UFO** and the **Cult**. "If someone says our sound reminds them of the **Cult**, I tell 'em, right on. But when they describe us as somebody that's totally bizarre, I tell myself I don't really think you're really catching it."

**TITLE:** Tell Me I'm Not Dreaming  
**RELEASE:** 7"/12"/CD Pro  
**LABEL:** EMI  
**LP:** HEAVY NOVA

"I sang *Tell Me I'm Not Dreaming* on a night off in Tokyo," **Robert Palmer** said on his last single. "I was in a disco with my background singer **B.J. Nelson**. Some time later I showed my parents a video of this impromptu performance and they suggested I record *Tell Me I'm Not Dreaming*."

"It's a **Jermaine Jackson/Michael Jackson** song which we cooled down and tamed," **Palmer** continues. "We had to do that because it's one of those songs that you know so well you have to start learning it afresh."

A newly remixed version of *Tell Me I'm Not Dreaming*, done by **Al B. Sure** has been shipped to radio. Currently **HEAVY NOVA** (**Palmer's** 10th solo album and his debut for **EMI Records**) is well past the platinum plus stage. Why Heavy Nova?

"I came up with that phrase as a way of describing the moods of the album, simply heavy metal meets bossa nova," **Palmer** explains. "It rolls off the tongue more easily than metal bossa."

Though the **HEAVY NOVA** has been out for over a year, **Palmer** feels no pressure to begin recording the follow-up. Instead it's likely he'll soon retreat to his paradise house in the Bahamas, where **Palmer** and his family have lived since 1976. "I get up about midday, go sit on the seawall, watch the horizon and the boats while I eat my grapefruit," **Palmer** said, when asked to describe a typical day in his life. No wonder he liked the song *Tell Me I'm Not Dreaming*.

"Commercial success has given me the feeling I must be doing something right," **Palmer** claims. "I've earned myself time rather than money and that's very important."

**Nelson**, who has sung with the likes of **Freddie Jackson**, **Roberta Flack**, **Joe Cocker** and **Duran Duran** is currently putting the finishing touches on her debut solo album which will be produced by **Palmer** and due out in August.

**Palmer** is currently on an American publicity tour in support of *Tell Me I'm Not Dreaming*. **Palmer** and his band recently appeared on **Soul Train** and **Arsenio Hall's** show. Catch him on **Johnny Carson's Tonight Show** Friday, June 30th.

**TITLE:** Mayor Of Simpleton  
**RELEASE:** 7"/CD Pro/Cass. Sgl.  
**LABEL:** Geffen  
**LP:** ORANGES AND LEMONS

"We always think in terms of color for each album," XTC's Andy Partridge explains. "The last one, SKYLARKING had a pastoral, paisley feel. ORANGES AND LEMONS is more aggressive. The songs are up and positive. I'm a pretty optimistic person myself, sometimes aggressively so — like jolly sandpaper. This album has a 1,000-watt bulb where there used to be a 40-watt. It's fluorescent. Definitely bright colors."

Those colors, along with an English nursery rhyme also titled ORANGES AND LEMONS, inspired the title for XTC's ninth lp. "The more we looked at the songs the more they seemed like nursery rhymes themselves," Partridge continues. "That's what we're peddling really. Today's pop tunes are the nursery rhymes of the future."

Breaking down the notions of what pop songs should sound like is what makes XTC the unique band it is. "In England some still see us as a punk art rock group," Partridge says. "But our personalities have changed. We're a billion miles away from that now. We're all my favorite groups that ever were. I'm the mincing machine. Some of our music is placid, some borders on heavy metal, some is out-and-out pop. Calling it any one thing is like lumping all furniture under 'furniture.'"

Concerning their first single, which peaked at #10 on MMR's Rock Radio charts, Partridge said, "Mayor Of Simpleton started out as a reggae thing, sad and forlorn. Then I scrapped that and I rewrote it and hit on this chiming, droning musical figure. It fit better with the lyrical idea that you don't need vast academics to be a feeling individual. Emotion is worth more than bits of paper."

Emotions is something Partridge is qualified to speak on, especially prior to recording a new album, which he admits is not an easy process for him. "When I'm under pressure, like making an album, and my brain is working hard, I have a lot of trouble sleeping. My brain doesn't turn off at night. I wake up screaming. It's Wolfman behavior. I go howling and scratching myself. I don't know what I'm doing."

"A few years ago I might have been put in Bedlam for it but it's an actual medical condition. It's scared a few producers to death, that I can tell you. Those who have shared a hotel room with me call the creature Billy Bolts."

**TITLE:** You Don't Get Much  
**RELEASE:** CD Pro  
**LABEL:** Slash/Reprise  
**LP:** HOME

Are you He, or He? Sam Llanas was asked? "I'm He, Kurt's He," Llanas, the vocalist from the BoDean told MMR. "The BoDean's are very much the vision of Kurt Neumann and myself; we are 'He & He.' We've been together for 10 years. We started the band, we write the songs, we sing the songs. It makes us come across as a team."

"Basically, it comes from the Jagger/Richards kind of setup," Llanas continued. "Where as they call themselves the Glimmer Twins, we call ourselves 'He & He.' Plus, it's a private joke which makes it all the better."

HOME, the BoDean's third release was co-produced by 'He & He' and Jim Scott. "We had met Jim while working with Robbie Robertson on his last solo album and got a real good feel from him," Llanas explains. "When it was time to make this record, Jim was at the top of our list."

"We decided to title it HOME because we recorded it in Milwaukee, that's our home," Llanas says. "We were searching for a title that was a small word but would have big meaning to people who heard it. At the time we were going through a serious drought around here, it hadn't rained for months, so a lot of the songs touch on that."

"We were a lot more comfortable recording HOME back home," Llanas says. "This was the first time the band was calling the creative shots. Plus we wanted to save some money with this record. That was a big concern of the band. We don't think it's necessary to spend \$250,000 to record an album. When you go to New York or L.A., you end up spending that much just to live somewhere. Plus we're not the New York or L.A. type band, we're not really crazy about the attitude in L.A."

Despite the BoDean's recent success, which included a six week tour with U2, several appearances with Robbie Robertson and being voted "Best New American Band" in Rolling Stone's Reader's Poll, the band remains humble — but hungry. "We haven't changed," Llanas says. "We're happy that more people are listening to us. We still have a long way to go. We still don't have the type of record sales that record companies would say, 'you guys are real successful.' But everything we've done is geared towards building our audiences, slowly but surely. We've made good progress, especially with the HOME album. It's the record that we wanted to make."

**TITLE:** Forget Me Not  
**RELEASE:** 7"/12"/CD Pro/Cass. Sgl.  
**LABEL:** Epic  
**LP:** BAD ENGLISH

"This is rock 'n' roll with an edge and attitude," states keyboardist Jonathan Cain of Bad English. "This is not music to listen to at two in the morning," warns vocalist John Waite. It's intense...and we're a very intense bunch." Forget Me Not, which like the lp, was produced by Richie Zito debuts at #27 on MMR's Rock Radio charts.

The seeds of Bad English. (l-r): bassist Ricky Phillips, Cain, guitarist Neal Schon, Waite and drummer Deen Castronovo, began to take root last year. Waite, who was planning another solo lp, ran into Cain backstage at a Heart show in New York. "We both knew we wanted to be in a harder rock situation," explains Waite, who moved to San Francisco to write songs with Cain. "Eventually Neal, who had been working on his solo album, wound up on our doorstep, and before we knew it, he joined the band."

"I missed the edge and the rock 'n' roll profile the Baby's had," Cain said about his attraction to the Bad English project. (Cain, Waite and Phillips logged time in the Baby's while Schon and Cain are formerly of Journey.) "I have a whole different attitude on the guitar," enthuses Schon, "because Waite is a great rock singer who cuts to the bone."

Despite being members of the mutual admiration society, Waite said the creative friction between the band members accounts for the tension inherent in Bad English's sound. "I think it's been tricky because it's a volatile situation and we're all pretty headstrong," Waite says. "And I'm not the easiest person to get along with. Neal and I are very explosive people and I don't think we can be pushed too far. But each guy makes up for what the other guy doesn't have. It's a miracle that we made this record."

It was at the recording sessions where they came up with the name Bad English. The studio came equipped with a pool table where the stakes jumped from sushi tabs to games with stakes set at \$500. "Jonathan was reading this book on pool and saw this phrase 'english,' which means to put spin on the cue ball to set up your next shot. We were hitting it so badly, Jonathan came up with Bad English and that was a name we couldn't pass up," Waite recalled.

Despite their past success, Bad English is anxious to hit the road. "We have the same hunger as any new band," Schon offers. "This is no casual project." Waite adds: "We're looking forward to heading out on the road and really do some damage. It's like being horny for sex."

**TITLE:** Holding Out  
**RELEASE:** 7"/CD Pro  
**LABEL:** Warner Brothers  
**LP:** ONE MORE STORY

"Every album I kind of stockpile songs, I probably had gone through 500 songs before this album. I guess the reason I recorded Holding Out was because it didn't sound like a typical Peter Cetera ballad," Cetera told MMR. "I don't know how to explain what a typical Cetera ballad is but I know this one isn't. Bill LaBounty and David Innes wrote it. They really haven't had any really big 'smash-a-rooskies' but they wrote some songs for me when I was producing Agnetha Faltskog's (Abba) album a while back."

Cetera expressed concern over being labeled another balladeer. "That label has been following me around for some time," Cetera admits. "It's kind of unfair because my solo albums usually have two or three ballads on them but it just so happens those are the hits from the album. So unless you buy the album and find out there's other things on it, the people who don't have it think that's all I do."

On ONE MORE STORY Cetera worked closely with Patrick Leonard, famous for his work with Madonna, Bryan Ferry and Jody Watley. Besides co-producing the lp, Leonard co-wrote eight songs with Cetera and played various instruments. "Patrick was from Chicago, so we spent a lot of time yukking it up about growing up in Chicago," Cetera says. "But I thought his work was really very contemporary. He's definitely the most talented person I've ever worked with."

Nearly four years after the fact, Cetera says he has no regrets leaving the band Chicago. "When we first had our parting of the ways, it was a little scary for me," Cetera confessed, "but after a while I wondered why I waited so long. Of course I'd always entertained the idea of trying to make it on my own, but there was a point when Chicago was at a low ebb and I didn't want to leave on that note. Chicago has had hits and now I've had hits. That's the best of all possible worlds."

Regarding the recent pairing with the Beach Boys and Chicago, Cetera said, "We did it before and it was successful, why not do it again? That was probably the first big outdoor extravaganza tour involving two headliners. It was wonderful."

Does this tour lump Chicago into the oldies circuit? "Well it would worry me a bit," Cetera says. "But I think if it were anybody else but the Beach Boys, you couldn't get away with it. But the Beach Boys are timeless. I think the tour was probably a great move."
