## TUNED IN PREVIEW

In this week's *Hit Tuned In*, MMR tackled one of the most street oriented stations in the country, Washington, D.C.'s "Triple The Music, WPGC 95." Discover why they pull in sizzling numbers and lots of awards.

Unearthing the booming club scene and great Rock'n'Roll radio in Austin was our pleasure, as we checked out the Texas Capital's "KPEZ ('Z102)" — *Austin's Album Rock!* They're stylish, driven, committed.

Nothing could beat the hot'n'spicy Cajun food in New Orleans — except for their first class *Urban* outlet, WQUE ('Q 93'). The station that "jams more music and more money" rolls on, as you'll witness.

Keeping the music mix fresh and unique (with a mix of currents, A/C hits and soul classics) is a major reason why Boston's WBMX stands out in their field. Check out dozens of other reasons inside.

## FOREPLAY PREVIEW

► **Coro** "My Fallen Angel" (Charisma/Cutting): Newcomer Coro is soaring up the charts with his Charisma debut. According to Coro the song deals with everyday situations and has a strong message.

► **Crowded House** "Chocolate Cake" (Capitol): Seven years ago the New Zealand group Split Enz split up and the Finn Brothers (Neil and Tim) went their separate ways. Years later the brothers are reunited in Crowded House's third album, "WOODFACE."

► **Tuff** "I Hate Kissing You Good-Bye" (Atlantic/Titanium): L.A.'s latest 'hip' band is making the attempt to crossover nationally. The lead single is described as a cross between Bon Jovi's "Wanted Dead Or Alive" and Nazareth's "Love Hurts."

► **RTZ** "Face The Music" (Giant/Reprise): Former Boston members Brad Delp and Barry Goudreau are back together in a band that symbolizes 'music that's created for the simple reason of playing for pure enjoyment.'

► **Gene Rice** "You're A Victim" (RCA/BMG): Rice writes and sings about the different aspects of love — good and bad. Rice's second single is the other side of love.

► **J.T. Taylor** "Long Hot Summer Night" (MCA): Taylor is back with his second solo album. An album that according to J.T. is targeted towards the ladies and romance.

► **Phil Perry** "Amazing Love" (Capitol): According to Perry his second release was chosen to reflect his depth — showing that he's much more than just a balladeer.

► **Paula Abdul** "The Promise Of A New Day" (Virgin/Captive): Abdul's latest endeavor is the follow-up to her #1 multi-format smash "Rush, Rush." Abdul co-wrote her latest venture with The Family Stand.

## RECORDWATCH

THE LA'S

There is a buzz developing around **The La's** "There She Goes," as the single gains momentum this week. An increase of 24% moves the single up six spots to #25 on the *Newcomers* chart. Averaging three plays per day/per station, **The La's** have a pop/alternative sound that is benefiting from the recent success of **Jesus Jones** and **EMF**. **Dave Hoeffel**, PD, **WPST**/Trenton tells us, "We're getting good response from all demos. Our adults love the sixties feel and the younger audience appreciates the song as an alternative flavored hit. **The La's** are being played in all dayparts. This one looks like it's following the path of recent alternative pop hits like **Jesus Jones**. 'There She Goes' is two and a half minutes of pure pop joy."

**KWOD**/Sacramento is playing **The La's** five times daily, as is **Q99.5** in Salt Lake City. **KKBQ**/Houston (4) and **Hot94.9**/Salt Lake City (3) are also having success. **The La's** are on **London/PLG**.

## NATURAL SELECTION

NATURAL SELECTION

Rocketing up 27 notches to #2 on the *Newcomers* chart is "Do Anything" by **Natural Selection**, with an increase of 139% in spins. The single debuts at #36 on our *Rhythm/Dance* chart, with an average of 3.6 daily plays per station. Majors and secondaries are even in their support, with **KS104**/Denver rotating seven times per day. **Stacy Cantrell**, APD/MD of **KS104** reports, "Everytime we play the single, even though we announce the group as **Natural Selection**, our switchboard rings with callers asking 'who is that?' Plenty of callers think 'Do Anything' is a new **Prince** single. It has a feel similar to 'You've Got The Look' which featured **Sheena Easton**. This single features **Niki Harris** and this week it is our #1 most requested by adults. Record stores are getting calls but the retail stock hasn't arrived yet. Looks like it will be a big hit here in Denver."

Also playing on **KTFM** (6), **PWR99** (5) and **KQMQ** (5). New play this week at **Q106**, **WAPE**, **WNCI**, **Hot102**, **WIOQ** and **KOY-FM**. The single is on **EastWest**.

BY CATHY DOWN

ARTIST: CORO

TITLE: My Fallen Angel  
LP: CORO  
PRODUCED BY: Zahid Tariq  
LABEL: Charisma/Cutting

Three years ago in Miami, Jose Coro's life was turned upside down. A chance meeting with a woman at an outdoor flea market, ended in an acting career (landing him slots in Don Johnson's *Heartbeat* video and numerous episodes of "Miami Vice").

But Jose Coro's acting career was just a way of opening doors to his true goal — he wanted a career in music. According to Coro, "I enjoy acting, but not as much as I enjoy music. Music comes to me so much easier, because it's a natural feel. When you're acting you have to put on a different face and to me I like to be just all natural and be happy with it."

Coro had heard about the New York dance producer Zahid Tariq — so he dropped his first name (became simply Coro), packed his bags and headed to the Big Apple.

Coro explains, "I was working with several producers in Florida and nothing really hit off as fast — everything took a long period of time. I have a friend who lives in New York and he told me he that knew a producer who lived in New York and had some material. He said that if I was interested he would audition me. I made my reservations that night and flew to New York the next day." According to Coro, the duo immediately clicked, and the music just happened, au naturel.

Coro's first big single was *Where Are You Tonight*, an emotional, up-tempo tune which quickly became a #1 dance record in New York and Florida. His second single *Can't Let You Go* also fared well. Coro finally hooked up with Charisma Records and his debut release *My Fallen Angel* is flying high. This week the track slots at #32 at *Hit Radio* and #22 on the *Rhythm/Dance* chart.

Coro explained that the reason they chose *My Fallen Angel* as the lead-off Charisma release was because of what it said. "One of the reasons that we decided to go with this track, is that we felt it had a strong message behind it — because it deals with drugs and everyday situations. The song was really dedicated to a close friend of mine who was hooked on drugs."

Coro states that all of the tracks off of his self-titled debut are personal and deal with real situations. "All of these songs are actually past experiences from my producer's life. And when we collaborated I gave him a little bit of me to put in the songs. So the songs mean a little of everything between us — what we've both gone through."

He says that he wishes to relay a message, but doesn't want to preach. Such is reflected in the video for *My Fallen Angel*. "We're trying to make it a little happier, and put a different feel behind it...Even though people know what the message is, we don't want it to be a depressing video, so we're going to make it a fun video. I'm a practical joker [hence the nickname **The Gremlin**], always goofing around, laughing; it just wouldn't be me being so serious."

ARTIST: CROWDED HOUSE

TITLE: Chocolate Cake  
LP: WOODFACE  
PRODUCED BY: Mitchell Froom & Neil Finn  
LABEL: Capitol

1984: The influential New Zealand band, Split Enz, who produced hits such as *I Got You*, *One Step Ahead* and *Six Months In A Leaky Boat* split up. Brothers Neil and Tim Finn go their separate ways.

1985: Split Enz members Neil Finn (guitarist/songwriter) and Paul Hester (drummer) teamed up with bassist Nick Seymour. The trio packed their bags, headed to Los Angeles, and rented a house in which they recorded their first album as the group Crowded House.

According to Neil the whole project "was a fluke in a way. The way we made mistakes together gives us a distinct sound. I think a good band is a product of the members having different perspectives, and the blend being kind of out-of-shape, but somehow appealing."

The album was far more than just appealing, becoming 1987's sleeper hit. The self-titled debut unleashed two Top 10 singles, *Don't Dream It's Over* and *Something So Strong*. The album went Gold in the U.S.A., platinum in Canada, triple-platinum in New Zealand and quintuple-platinum in Australia. Crowded House, seemingly overnight, became a household name. The trio received numerous awards (*MTV Video Awards*, *ARIA Awards*, *Rolling Stone readers poll*, *Countdown Music & Video Awards*).

1988: Crowded House unleashes their second album, TEMPLE OF LOW MEN. The album features the hit single, *Better Be Home Soon*, and is described as more dense and moody, with much more depth.

1991: Tim Finn moves in and Crowded House, according to brother Neil, "finally lives up to its name." But how did the reunion and the enlisting of Tim Finn into the group happen exactly? Tim explains, "Early 1990, Neil and I had a visit from the voluptuous muse. Two weeks and 15 songs later, we rushed screaming from the room. The songs were so good, I told the others that the only way they could have them was if they took me as well. The wheel has come full square." The songwriting that Tim is describing marks the first time that Neil and Tim have ever composed material together.

Neil adds, "This is the first time Tim and I have ever written together. I mean sitting down and actually pulling things from the air, trading lines and blending melodies. In Split Enz, over seven years, we did no more than throw titles at each other. We were so jazzed about these songs we couldn't sit on them for a future Finn Brothers project as we had intended. They demanded to be done now!"

The demand led to Crowded House's third album, WOODFACE. The lead single is the humorous track, *Chocolate Cake*. A song that Tim describes, "I was in a New York restaurant, sitting next to this woman who had just finished an enormous meal. Then she sat back and said 'Should I ask for the check or another piece of chocolate cake?' I told Neil about it and 10 minutes later that anecdote led to the song." The end result — "Another slice of Crowded House anyone?"

## EAST

**KISS 95.7, WKSS/Hartford** was one of 42 stations to participate in the largest-ever live remote broadcast off the continental United States. The broadcast, hosted by Miller Genuine Draft, was tied into the brand's nationwide "Hot Summer" promotion. Nighttimer **ROBIN KING** interviewed celebrities and gave away prizes during the three day event (July 15-17). ■ **Kiss 98.5, WKSE/ Buffalo** is out tailing cars with their "Super Sticker." Drivers need to be listening to Kiss as a car is described. If they realize it is their own car they must wave wildly to be pulled over by the tailgater for a choice of four envelopes (K or I or S or S) containing \$100 to \$1,000. WKSE gets ready for the NFL season as the morning show went live from the Buffalo Bills training camp. Once the season kicks in, linebacker Ray Bentley will do Friday and Monday reports of the weekend's game. In return, Kiss will assemble a tailgate party/cheering section for each game. Shouting and screaming cheers will be designed around the morning show staple phrase, "C-Ya!" A makeup artist will be at the pre-game soiree in the parking lot applying Alice Cooper faces, a la Ray Bentley.

## MIDWEST

**WCIL/Carbondale** teamed with Coca-Cola to drop ping-pong balls from a helicopter onto listeners. In a pre-Fourth of July gig, hundreds of people gathered at a local grocery store parking lot attempting to gather prize-packed balls. Two hundred of the 2,000 contained various prizes with one holding the grand prize of a \$500 grocery store shopping spree. WCIL broadcast from the helicopter as well as the ground. ■ At "Not Too Hard...Not Too Lite" **WNCI/Columbus**, the Morning Zoo, in their endless quest for the world's most stupid stunts, wanted to do something to raise money and awareness for D.A.R.E. (Drug Abuse Resistance Education). Zoo-members **JOHN CLINE** and **SHAWN IRELAND** came up with a stunt that *THEY* thought would be hilarious — freeze their partner, **DAVE CALIN**, in a 5,000 pound block of ice! After working out the arrangements with the "World Famous" Dr. Silkini, the travelling "ice block" arrived in town for a two day stay. During the 48-hour stint, Dave had to use plastic baggies and empty Gatorade bottles to relieve himself when nature called. This "Not Too Smart...Not Too Brite" bit raised thousands for the program.

Vallie Consulting in Virginia. Promotionally, it's "Lust or Bust," as FM 100 asks couples to write a 10 word-or-less essay explaining why they deserve a night at FM 100's "Notell Motel" (including \$10 for gas and his and hers tattoos). Four finalists will be chosen based on content and creativity from those entries. After their stay, the couple will explain how the night measured up. The most creative excursion wins the grand prize of a trip on American Airlines, anywhere in the continental U.S. ■ **KKYK/Little Rock** picks a new PM Driver in **SHADOW STEELE**, who hails from **KZZP/Phoenix** (now **KVRY**). Correct callers are taking part in the "Envelope Game." Styled after "Let's Make A Deal," contestants can take the prize offered or go for what is in one of four envelopes (K or K or Y or K). And yes, they could get zonked! *How to Grab Headlines in Little Rock Idea #104:* Have your night jock, **MAD MAX**, hit the post of Fred Schneider's "Monster" with "...the homey with the big baloney!" The hometown papers will put you on the front page of the entertainment section with the headlines: "Jock sacrifices good taste for youthful appeal." ■ For many married couples, married life is a roller coaster ride. For nine Tampa couples, the wedding was just that! **The Power Pig, WFLZ/Tampa** assembled these 18 people for a mass roller coaster wedding on The Python at Busch Gardens! Power Pig broadcast the 9AM ceremony, and the couples were given small headphones to hear their vows and the words of the minister, who wore a microphone and sat in the lead car. His words were squeezed in before the first plunge. The brides and grooms said their vows as the coaster began to go around a second time. Everyone exchanged rings between the second and third trips, the newlyweds kissed back at the station house. "Marriage is full of ups and downs," says WFLZ marketing director **SCOTT BAKER**, "We just wanted to give them first hand experience."

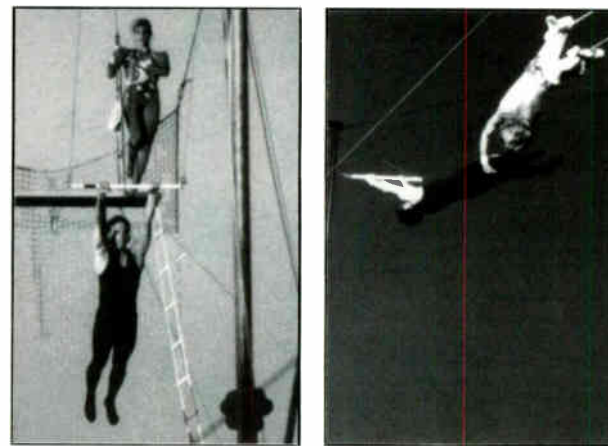

OM **MARC CHASE** with Pastor Edwin Gardner as the ceremony begins!

## WEST

Fifty thousand people came and enjoyed the **KIIS-FM "Americafest '91"** spectacular Fourth of July celebration at the Rose Bowl in Pasadena. The family event featured clowns, jugglers, marching bands and a 21 gun salute to the troops of Desert Storm. The event also featured a dazzling 30 minute fireworks display and performances by **Stevie B** and **Surface**. A special addition to the evening's festivities was a death defying trapeze stunt by Evening air personality **HOLLYWOOD HAMILTON**. At a height of 150 feet, Hollywood made his aerial debut completing a highwire performance with the greatest of ease.

The #1 Nighttime personality on **KIIS/Los Angeles** inspires his listeners to achieve the impossible. He has already fallen out of planes, bungee jumped off 200 foot bridges and catapulted over listeners vehicles with roaring Big Foot trucks. For **KIIS-FM/Americafest '91**, **HOLLYWOOD HAMILTON**, performed a trapeze act to benefit M.A.D.D.

**BAD COMPANY**  
"WALK THROUGH FIRE"

The album HOLY WATER is Platinum and has produced 4 Top 10 tracks at Rock radio.

The last single at Top 40, "If You Needed Somebody," went to Top 15 and is STILL active at Top 40s across the country.

"If You Needed Somebody" is still in heavy rotation at MTV after 8 weeks.

Due to overwhelmingly positive callout research with males and females 14-24, MTV picked up the video a full two months after the song was at Top 15.

The band has played over 200 shows this year to audiences over 1 million strong.

"DON'T LET THE NAME OR THE AGE OF THIS BAND SCARE YOU. I'VE SEEN THEIR MUSIC WORK IN BOTH LA AND ST LOUIS, TWO COMPLETELY DIFFERENT MARKETS. DON'T LET BAD COMPANY FLOAT PAST YOUR CD PLAYER."

MARK TODD, PD  
WKBQ ST LOUIS

ARTIST: RTZ

TITLE: Face The Music  
LP: RETURN TO ZERO  
PRODUCED BY: Chris Lord-Alge  
LABEL: Giant/Reprise

"Don't expect anything...just approach it as a separate entity," so states **Brad Delp**, referring to his latest project **RTZ**.

Vocalist **Delp**, along with guitarist **Barry Goudreau** (both formerly of **Boston**) have engaged in a fresh endeavor — one that's based on having fun, and making music for the simple pleasure of enjoying what you do. The duo, along with **Tim Archibald** (bass), **Brian Maes** (keyboards) and **Dave Stefanelli** (drums), make up **RTZ (Return To Zero)** — a group that's anything but a **Boston**-clone band. And that's exactly how **RTZ** wants it.

**Delp** elaborates, "This is just **Barry** and I doing what we like basically, and hopefully people will accept it....I'm sure there's going to be preconceptions, I don't think you can help that. Anyone who's familiar with **Boston** and hears that it's two guys from **Boston**, they're gonna automatically assume something. In an ideal world it would be great if people heard the music of **RTZ** first and then said 'oh I didn't know these guys were from this or that band.' I think we would really like it to stand on its own."

The lead single from **RTZ's** debut effort, **RETURN TO ZERO** is appropriately titled *Face The Music* (currently slots at #21 at *Rock Radio* this week). According to **Delp**, *Face The Music* is, "the only song on the album that **Barry Goudreau** wrote the lyrics to and **Brian Maes**, the keyboard player, wrote the music to. Most of the songs on the record were written by **Barry** and myself with a few exceptions. [*Face The Music*] was a song that **Barry** and the other guys in the band had recorded with a couple of other singers during the time that I was out on tour with **Boston's** Third Stage tour." **Delp** continues, "The music on this album, I think, is quite varied, there's a lot of different styles and so that was a consideration, I guess, when picking the single. It would have been hard for me to really try and sit down and pick a single on my own...But I guess the label might have thought that *Face The Music* had a little more of **Barry's** guitar sound in there and the voice maybe is a little more recognizable from the standpoint of singing, in that sort of register that people are used to hearing me in."

The name of the group started out to be quite a task — but it came about real natural — without any real hassles. You could even say it came about by the push of a button (the **RTZ** button on **Barry's** studio console). According to **Delp**, "Looking down at that button the first thing that struck me was not knowing what it was right off the bat and then locking into it. "I just sort of liked the way that the letters looked on there. Plus I thought, **Barry** and I go back quite a way. I actually first met him and played with him when we were both in high school, so I said this kind of makes sense. [**Barry** quickly agreed]...plus it just struck us this was sort of what we were doing, just sort of going back — returning to zero."

**Delp** adds, "Sometimes if you don't try too hard things come to you much easier....[Kind of like the band] I don't see any type of pretense in the band at all...Everybody came in with no preconceived notions. We work well together as a unit — musically we're on the same wavelength."

Tentative plans are in the works for an **RTZ** tour.

TITLE: I Hate Kissing You Good-bye  
LP: WHAT COMES AROUND GOES AROUND  
PRODUCED BY: Howard Benson  
LABEL: Atlantic/Titanium

Los Angeles — a hard rock'n'roll haven. To make it in L.A. is an accomplishment — to stay at the top of the heap is a feat. Bands known as the 'hip' L.A. band have included **Motley Crue**, **Poison**, **Guns N' Roses** and **Warrant**. All four have continued to hold their own on the national front as well. L.A.'s latest sensation, who's ready to break out statewide, is the quartet known as **Tuff**.

Raw, gritty, high energy, melodic, a street level attitude and a good look — all qualities that represent L.A. star quality. But even before **Tuff** was signed to **Atlantic/Titanium** they've been the buzz of the West Coast — a literal media blitz extravaganza. **Tuff** is made up of vocalist **Stevie Rachelle**, guitarist **Jorge DeSaint**, bassist **Todd Chase** and drummer **Michael Lean**. The present lineup has been playing together since mid-1987 and has been hyped in numerous international rock publications including "*Hit Parader*," "*Metal Edge*," "*Kerrang!*," "*Rock Scene*," "*Faces*," "*Blast*," "*Powerline*," "*Rockbeat*" and "*Metal Forces*."

Their debut album, **WHAT COMES AROUND GOES AROUND** is about to fill in the unanswered gaps. The lead single is a rock ballad titled, *I Hate Kissing You Good-Bye* (debuts at #37 on **MMR's** *Rock Tracer Tracks* chart this week). According to **Rachelle**, the track is a cross between **Bon Jovi's** *Wanted Dead Or Alive* and **Nazareth's** *Love Hurts*. "I think the song sounds a little like those songs for the simple reason that it's got that real gritty, throaty voice in it — like the *Love Hurts* kind of vocals. I don't sing it too clean, it's got a real raspy melody to it. I hear a little **Bon Jovi** in it with the repeat back-up vocals...It's definitely a rocking ballad though, it's got some dirt — some real grit to it. It's definitely not too happy."

As for what inspired the track, **Rachelle** states that "It wasn't like I had this horrible breakup so I hated kissing someone goodbye. It was a song that had been written a long time ago and I brought it out of the woodwork with the band, and we wanted to rework it because we didn't really have too many ballads...We were just working on songs in pre-production and I was working on *I Hate Kissing You Good-bye* and **Todd Meagher** [outside writer] came in and he had come up with some really cool ideas and he started singing with me and we both just basically jumped on it within a five minute session and really started hammering down the song and made it happen."

As for an introductory song for **Tuff**? **Rachelle** states, "I think the ballad will totally let everyone know what we're like as far as the melodies, and that we do pop-rock and we can be recognized as a glam-rock band that would be compared to **Nelson** or **Warrant**, in that type of category. But also it's going to sell people short on us, in that we can really kick some ass live...So, I think that we'll probably be perceived as the **Nelson**, **Bon Jovi**, **Warrant** type of band in the beginning, but we can also rock a little harder than what people will initially expect."

**Rachelle** adds, "I think we've got the songs that are as melodic and hooky and mainstream as a **Nelson** or a **Bon Jovi**, but we also have the dirty raw metal sound of early **Motley Crue** and **Skid Row**. So we've got the best of both worlds."

## AUTOMATICS

**R.E.M.** has come a long way in establishing themselves as one of America's most successful original bands. "*Losing My Religion*" topped the charts for so long it almost seemed there wouldn't be another single from "OUT OF TIME," but eventually that sure-shot song-to-go-the distance was waiting in the wings. "*Shiny Happy People*" is moving up the *Rock Tracer Tracks*, breaking into the Top 20 at #18 this week. This **R.E.M.** song has such broad appeal it may have a longer run on the *Hit Radio* charts than "*Religion*." **KUPD**, **WBCN**, **WHCN** and **KITS** are airplay leaders with many more stations moving "*Shiny*" up in rotation.

**RTZ** isn't a clone of **Boston**...it's more an evolution of the sound that made **Boston** one of the '70s and '80s top corporate rock bands. **Brad Delp** left **Boston** in 1986 and joined forces with **Barry Goudreau** and the songwriting team behind **Return To Zero** was born. **WYYY**, **WBCN** and **KUPD** have "*Face The Music*" in hot rotation already. With the volumes of new music that's out there, the next few weeks will tell the staying power of this entry into the corporate rock chart wars.

For many years the **Fabulous Thunderbirds** have been driven by **Kim Wilson's** vocals and harp-playing mixed with **Jimmy Vaughan's** guitar-playing. Now that **Jimmy** is out of the picture, you have to wonder if the **T-Birds** will survive. **Jimmy Vaughan's** replacement, **Duke Robillard**, has not only picked up where **Jimmy** left off, if "*Twist Of The Knife*" is any indication, he's relit the pilot light under the band. The edge that made the **Fabulous Thunderbirds** one of the best roadhouse bands in America is back! Sitting at #23 in just its second week on the *Rock Tracer Tracks* chart. "*Twist Of The Knife*" is already working at **WONE**, **WEBN**, **KSLO** and **KLPX**.

## WORTH CONSIDERING

The singer/songwriter story has woven back into the fabric of contemporary music more and more in recent years. The 35-54 adult listener seems to welcome a return to a sound and a feel that was a big part of their formative years in the mid-'60s '70s. **Will T. Massey** has a sound that cuts through a lot of the music that's out today. Songs like "*Coffee Break*," "*Bravery To Weep*" and "*A Summertime Graveyard*" create vivid mental images. **Roy Bittan** of "*E Street*" fame co-produced this project; **Waddy Wachtel**, **Mike Campbell**, **Kenny Aronoff** and **Jim Keltner** all contribute their talents on **Massey's** debut effort. This is another CD that requires some extra attention to each song. In the end I think you'll agree it was worth the time spent listening.

**Chris Difford** and **Glen Tilbrook** are back with a new collaboration..."*PLAY*." The first emphasis track from the latest **Squeeze** release is a sensuous hooked filled number called "*Satisfied*." It's the first song on the CD, so start there but be sure to take a close listen to "*The Day I Get Home*," "*Walk A Straight Line*," "*Sunday Street*" and "*There Is A Voice*" along the way. You should be able to find something to "*PLAY*" from **Squeeze**.

# CITY TRACKS

BY PAUL KENEDY

## EAST

It's the "Ultimate Deal" from **CFRQ/Halifax, Nova Scotia** ("Q104"), as they solicit tapes from local talent and help these acts develop from performing locally to recording and touring nationally. Q-104 will present this year's winner with \$25,000 in seed money for recording an album. **A&M Records** has agreed to offer national distribution, promotion and marketing of the group's debut effort. **Hudson Entertainment** will offer professional management and marketing, as well as national booking assistance. ■ Unlike David Letterman, **WAQX/Syracuse** ("95 X") Morning guy **DAVE COOMBS** is serious about pitching an inning for one of the area minor league baseball teams. Having once been offered a tryout with the Minnesota Twins, he's probably as able as he is willing. ■ **WIZN/Burlington** ("The Wizard") gave their listeners the royal treatment lately by giving away Richard Thompson's latest "Rumor And Sigh," and also giving them the opportunity to go to dinner with Richard before his concert, where they'll sit in the sixth row. ■ Those traveling kind of guys and gals at **WPYX/Albany** ("PYX-106") are all over the Capital District this summer. Following their Fourth of July Road Show (which this year included a Roseanne Barr National Anthem sing-alike/look-alike contest), PYX-106 sent **GREGO & BARROW** for a week of morning show broadcasts live from Catalina. Watch C.D. lakes for the PYX-106 "Wet Dream" sticker-spotting boat, handing out all sorts of prizes for boaters. ■ **Space & Short Takes Department:** Congrats to **CFNY/Toronto** ("FM 102") Creative Writer **MIKE TENNANT** and Production Manager **BOB LEHMAN** for winning a gold medal at the International Radio Festival of New York for their "Coincidence" anti-smoking commercial. ■ **WBOS/Boston** is looking for a Production Director well-versed in writing and imaging skills. PD **TOM SANDMAN** says, "T & R me A.S.A.P." ■ **WDRE/Nassau-Suffolk** presented the reunited Gang Of Four in concert for the benefit of the Victory Games: the 1991 U.S. Disabled Sports Championships and Paralympic Trials. ■ **GONZO GREG SPILLANE** joins **WMMR/Philadelphia** for nighttime duties.

## MIDWEST

New **KSHE/St. Louis** PD **JIM OWEN** arrives at pretty much the same time as the latest staffer: half-Cyborg, half-pork "Ter-Meat-Ator." Look for his mug on custom T-shirts at KSHE Schtuff outlets in St. Louis. ■ *Beaucoup de change* at **WFBQ/Indianapolis** ("Q-95"): **ACE CROSBY** is named MD/nighttimer; ND/personality **KRISTI LEE** is now on at 5AM preceding **BOB & TOM**; **CHIC MCGEE** moves to middays and **DAVE GUNN** steps into overnights. ■ *Don't Bogart That Aluminum Can Department:* **WPGU/Champaign** Evening guy **STURGIS** held a revolution recently — The Rock Revolution to be specific, where he stayed on the air for 50 hours straight to try to raise 107 pounds of aluminum. In all, over 340 pounds of aluminum was collected. ■ More kudos for **WXRT/Chicago** ("93-XRT"), as their TV campaign won an International Gold Medallion from the Broadcast Promotion & Marketing Executives (BPME) trade association. 93-XRT's third

annual "XRT 5K Run" will be held Sunday, September 15 in the DePaul and Clybourn Corridor area.

## SOUTH

The final totals are in and the Eighth annual **KLOL/Houston** "Rock'n'Roll Charity Auction" raised a record \$90,000 for this year's recipient, United Cerebral Palsy of Houston. Celebrity auctioneers included members of Lynyrd Skynyrd 1991, guitarist Earl Slick, Little Caesar vocalist Ron Young and the KLOL staffers. ■ **KZFX/Houston's** ("Z-107") sides are still aching from their recent Comedy Week, where they sent 15 listeners backstage to meet and be verbally ribbed by **Howie Mandel**; gave one lucky amateur comic the chance to win an opening slot for the **Howie Mandel** show; and premiered the new **Mel Brooks** movie "Life Stinks." Z-107 ups **LISA WHITE** to Director of Marketing and Advertising, **DALE PIERCE** to Promotion Director and **SHARI EVANS** to MD. ■ **WIMZ/Knoxville's** ("Rock 103.5") new PD **BLAKE WATSON** starts today (July 29). His arrival coincides with the beginning of the "Louisville or Bust" campaign with **Power Burst**, sending listeners by the busload to the season opener of U.T. football versus Louisville September 5. ■ **WZTA/Miami** ("Zeta-4") names **FRANK FELIX** PD, as **PETE BOLGER** is named Group PD.

## WEST

*Dreaming From the Waist Department:* **KCQR/Santa Barbara** celebrated their second birthday by opening the "Book of Dreams," \$35,000 worth of prizes like the grand prize: a 1991 Geo LSI Convertible. Weekly winners chose the prize from the selection in the Book of Dreams, including a trip to Hawaii, stereo equipment, season tickets to County Bowl concerts, mountain bikes and much more. ■ *Heavenly Bodies Department:* **KOME/San Jose** gave away a 1991 Mitsubishi Eclipse during their Eclipse Day celebration, which included giveaways of concert and baseball tickets, CDs, cassettes and eclipse viewing glasses. ■ **KISW/Seattle** has adopted a 4.6 mile section of I-90 in Washington as part of the Adopt-A-Highway program. Every three months for the next two years, **BOB RIVERS** and the Twisted Radio crew will bring listeners out to their little section of interstate to pick up roadside litter. ■ *Space & Short Takes Department:* **KITS/San Francisco** ("Live 105") names **STEPHANIE KELMAR** as AM show producer for **ALEX BENNETT**. Live 105 also has new offices: 730 Harrison Street, Suite 300, San Francisco 94107. ■ After much speculation, **KLSX/Los Angeles** brings **HOWARD STERN's** simulcast show to the West Coast. Howard will broadcast live for the first two hours beginning at 3AM Pacific Time, then the entire program will be rebroadcast beginning at 5AM. ■ **KNAC/Los Angeles** names **DON WEINER** as Promotion Director. ■ **MIRA L. SIMON** is **KQLZ/Los Angeles** ("Pirate Radio") new National Sales Manager. ■ **KZOK/Seattle's** new lineup is as follows: **VIC "THE DUDE" BERGSTRAND** joins **SARA JOHNSON** mornings, **CONNIE COLE** returns to middays, PD **LARRY SHARP** 3PM-6PM, **BRIAN GREGORY** 6PM-11PM and **CHRIS RUSSELL** 11PM-5:30AM.

KSHE/St. Louis' "Ter-Meat-Ator," now at a KSHE Schtuff location near you!

(l-r): **KLOL/Houston's** **JIM PRUETT** and **MARK STEVENS**, **Paul Rodgers**, **Rock Over London** correspondent **MAL REDING** and **Kenney Jones** at the "KLOL Eighth Annual Rock'n'Roll Charity Auction."

**WXTB/Tampa** ("98 Rock") took on the guys in **Trixter** in a softball game. Trixter gave 98 Rock a gold record; 98 Rock gave Trixter the game, 11-5.

More softball antics, as **WAAF/Boston** took on **Extreme** in the "Field of Extremes." (l-r): Band members **Paul Geary**, **Nuno Bettencourt** and **Gary Cherone** for the victorious Extremers, who beat 'AAF in a heartbreaker 17-16.

# TUNED IN

## WPGC: WASHINGTON, D.C.

**P**riding themselves as one of the most "street" oriented *Hit Radio* stations in the country — "*Triple the Music, WPGC 95*," understands what makes Washington, D.C. tick. It's the same thing every person craves — ATTENTION. Whether it is clubbing with the people, featuring local talent nightly or helping to solve problems in the community ("*Books Not Bullets*" — benefiting the literacy program). Paying attention to a complex city's tastes has kept them number one for seven books, including Spring '91 (7.6, 12+, up from a 7.3), and reaped awards at the Bobby Poe Convention for GM Benjamin Hill and MD night personality Albie D.

PD Jay Stevens keeps the people "pumpin', throbbin' and pulsating" flanked by his gang: 5:30AM-10:00AM, Robin Breedon; 10AM-2PM, Christina Kelly; 2PM-6PM, Paco Lopez; 6PM-10PM, Albie D.; 10PM-2AM, Michel Wright; and 2AM-5:30AM Dakota. Promotion Director Lisa Baden had the "*Books Not Bullets*" program in effect on monitor day and always has tickets to see WPGC's artists in concert.

Get ready to funk it up, "*strap yourself in and please — jam carefully — it's the free ride*" through Washington, D.C. via Cook Inlet's WPGC 95.

## KPEZ: AUSTIN

**A**ustin, Texas is home to many great rockers. It's also home to great *Rock Radio*! This week, *Tuned In* checks out one of Austin's finest, "*The past, present and future of rock'n'roll...KPEZ, Z102 Austin's Album Rock!*"

This Clear Channel outlet is "*the station that brought classic rock to Austin*" with a style that's all their own. PD Jim Jones and MD Mike Driver program the sounds that make up this different kind of rock station. Bo Chase & Bama Brown handle morning drive, followed by Midday maven John Logan. Jim Jones is in on afternoons, followed by Mike Driver, 6PM-10PM. Nancy Wallis handles latenights (*Roule Rios* subbed on the monitor date), followed by Over-nighter C.J.

Promotion Director Rachel Adelman relieves Austin's sweaty rockdogs with the "*Z102 Cool Down*." KPEZ also presented the "*Second Annual Dallas Cowboys Golf Tournament*" and helped celebrate famed blues bar Antone's 16th anniversary with a week of live concert broadcasts.

If that isn't enough evidence of the prowess of this week's *Tuned In* standout, listen to the words of this country's Texas bred leader: "*this is yer president...like to say a few words about Z102. Often imitated, never duplicated. KPEZ Aibum Rock...Z102!*"

## WBMX: BOSTON

**P**icture this: Elegance is the word of the day, as you're bathing in absolutely perfect sound and other atmospheric riches on a weekend getaway at the Ocean's End Resort — all included in \$10,000 worth of prizes from Boston's top-flight A/C station, WBMX.

The aforementioned gift extravaganza, of course, goes to the ultimate winner on the station delivering "*more music, more variety — a better mix*." But the "*New 98.5*" audience wins on a more even keel everyday with a great blend of personalities, information and more, carefully pieced together by WBMX Program Director Greg Strassell and Music Director Michelle Mercer. WBMX's currents-A/C-soul classics blend is truly a wonder to hear — it's one stamped with originality.

It all begins with the Joe Martelle program, weekdays, 5:30AM-9AM. He's followed by "*no rap or hard rock — with less talk*" and Joe Cortese in the midday niche. Dan Justin brightens what can often be a tough ride home, with Chris Guetta taking over in the evening hours. Jim Roberts is the station's overnigher.

"*New Mix 98.5*" recently threw listeners an appreciation party, and their weekly ticket giveaways have netted Whitney Houston passes for their loyal audience. Details within, as MMR has Boston's fine WBMX ready to go in the latest A/C installment of *Tuned In*.

## WQUE: NEW ORLEANS

**W**hen you think of New Orleans a few things quickly come to mind, such as the Mardi Gras and hot and spicy cajun food. Another key find in New Orleans is that it serves as the home of the hot and sizzling *Urban* station..."*Q 93*" (WQUE).

This zesty station is owned by Clear Channel Communications and led by GM John Rockweiller. "*Q 93 jams more music and more money*" — and keeping the music rotation fresh and appealing is PD Jay Micheals. Heading the Q 93 lineup is C.J. Morgan & Company in the mornings. Next up is Gerod Stevens from 10AM-12N, followed by Kita Allen and more continuous music during her 12N-3PM stint. Jammin' Jay Micheals has all the hottest jams during the ride home from work, while Davey D gets New Orleans rolling with "*The Hot Eight at 8*" weeknights from 6PM-10PM. As nighttime falls on the Crescent City, "*Q 93's All New Quiet Storm*" with B.B. Davis can be heard, and carrying the Q 93 sounds into the morning is Labron Joseph from 2AM-5:30AM.

Promotion Director Rene Hale has everyone in New Orleans glued to their boxes with tasty promotions like the "*More Money Jam*" and the "*Q 93 Summertime Express*." So join the *Tuned In* crew this week as we get set for great food, fun and "*Q 93, the station that reaches the beaches and jams the streets...Q 93.*"

URBAN RADIO

ONE-ON-ONE

BY LISA COLEMAN

Keith Reed, WJLD/Montgomery

MMR goes *One-On-One* with Keith Reed, PD/Afternoon Driver at WJLD/Montgomery.

**MMR:** How long have you been in radio?

**Keith:** "Thirteen years. I started out at Willie Davis' station — WLUM. I spent seven years on the air and by the time I left, I was the Music Director of the AM — WAWA."

**MMR:** What element of yourself do you give that contributes to the success of the station?

**Keith:** "Discipline and patience. By discipline, I mean letting everybody know there's a system to work with and to stay consistent. As far as patience is concerned, I work with a lot of young people and I used to have a consulting job. I put a Country station, two Gospel stations and two R&B stations on the air and to do all that it takes patience."

**MMR:** What do you think you need to contribute to your career that would put you at your ideal career?

**Keith:** "For me, I guess self-confidence. I'd love to get into the Atlanta market at V103. I've admired Mike Roberts' work; he's got a strong station, but I haven't sent an air check. I've never called Mike Roberts or anything — I'd have to say self-confidence."

**MMR:** Would you say that radio has changed since you began?

**Keith:** "Radio has changed drastically. We went from 45s to LPs to 12 inches to CDs. Recently, we've constructed a whole new studio for CDs; we're using 75% CDs. CDs provide a clearer sound and that's especially important for AM radio. It's for the best."

**MMR:** What makes you want to come to work daily?

**Keith:** "I'm so excited about the music. I eat, drink and sleep radio. My father used to spin records and play oldies and I grew up with that. I became a musician and then I gave it up for radio. Music calms me down. I'll probably die a DJ."

**MMR:** What are your goals — what do you want to do next?

**Keith:** "I used to think that eventually I'd want to own a station, but there are so many problems with that. I think that the ultimate goal is to work at V103 alongside Mike Roberts."

**MMR:** What is your strategy for successful programming?

**Keith:** "Number one is to stay consistent; number two, money has to be put back into the station to keep up with technology; number three, jocks have to keep up on what's going on and number four, we have to be aware of what listeners are listening for. We target primarily to the 25-54 listeners; we're a heart and soul station with a blend of new music."

**MMR:** What is the difference between your work life and your home life?

**Keith:** "On air, I'm smooth, more rushed and exciting; at home, I'm quiet."

**MMR:** First and foremost, what kind of person do you consider yourself to be?

**Keith:** "I'm dedicated to the cause! My family and radio are the two loves of my life, although my wife would say it's radio and then the family."

**MMR:** What do you do to create a winning staff?

**Keith:** "Teamwork everyday. We have to work together. I've got some very dedicated people on my staff and I'm committed to making a winner and making my people win. That's what makes me feel good. I want to teach my staff to be the best that they can be and make sure that they know that you never know who's listening to you."

# FOREPLAY

BY CATHY DOWN

ARTIST: J.T. TAYLOR

**TITLE:** Long Hot Summer Night  
**LP:** FEEL THE NEED  
**PRODUCED BY:** The Funky Ginger & Dr. Ross  
**LABEL:** MCA

"Prior to starting the album, we [Taylor and MCA] decided that we need to get back to basics and target the ladies and bring the romance that J.T. brings — and that's what you're hearing on the first single," states J.T. Taylor, regarding his pre-prep for his latest project. Taylor says that he also educated himself a lot more about what's happening on radio and what's happening in the street.

J.T. Taylor, best known as the frontman for the 1980s hit group **Kool & The Gang** (who unleashed such #1 tracks as *Celebrate*, *Joanna*, *Cherish* and *Ladies Night*) has just unleashed his second solo effort, **FEEL THE NEED**. The lead-off single, *Long Hot Summer Night* is already garnering strong *Urban* airplay, this week it climbs seven slots to #25, with a 33% *Play Increase*.

Taylor spoke of his latest single, "I wrote that song with **Simon Law** in London in the middle of winter; it was about 20 degrees and we were freezing our behinds off in the studio. I guess I just had visions of New York heat in August or something, because when I think about it I have to wonder how I came up with that."

Taylor continues, "When I got together with **Simon**, he had this real sexy drum groove that you hear on the song, and a very simple bassline and I liked that. We had talked about putting in some flute to just show a little piece of jazz in there. I felt that the flute would be appropriate because it is a very sexy instrument. As the track started developing, the concept just followed suit. *Long Hot Summer Night* was a title that I had been working on in New Jersey (his home territory) prior to going to London and it just evolved."

The album, which was recorded in three parts — in London, Los Angeles and New York, reflects Taylor's diverse musical tastes. According to Taylor, the diversity stems from his wide musical background. "It has given me a wide spectrum of music, from R&B to gospel. So when I sit down and write, I don't necessarily come up with an R&B sound because I'm a black man. Because of my background I'll sit down and write a *Cherish To Love* or a song like *Long Hot Summer Night*, which doesn't really have color...And this enables me from album to album to have a different sound and a different flavor and write different music. Sometimes this is a plus and sometimes it's a negative, because people seem to get accustomed to one thing and want you to stay into that one thing, and as an artist it's tough for me to suppress that creative energy."

Being so diverse, then what exactly is J.T.'s niche? "It's just J.T. — if I could put it into one word it would be very difficult. I just allow myself to be like a sponge, I guess, and through osmosis I allow my true spirit to come about. I try not to force anything and not to close my mind to anything. Some people are very close-minded and say 'I'm only a jazz artist' or 'I only like R&B' or 'I only like rock' — I can't claim to any of that, except that I love it all and that is my niche."

ARTIST: GENE RICE

**TITLE:** You're A Victim  
**LP:** JUST FOR YOU  
**PRODUCED BY:** Stan Sheppard & Terry Carter  
**LABEL:** RCA/BMG

The term 'love' has so many different meanings, people define or use the term in just as many different ways. **RCA** newcomer **Gene Rice** built his debut album around the theme. According to **Rice**, "I just like singing about love because I think that's what makes the world go around. I think that's what people want to hear."

**Rice's** lead-off single, *You're Gonna Get Served* dished out a very romantic, somewhat sexy style and fared well at *Urban Radio*. **Rice's** second release takes a different slant at love and is entitled, *You're A Victim*.

The Maryland native (who currently resides in California) describes his latest single, "The song is about a relationship that a friend of mine had with another friend of mine. When problems would come about, she always used to call me up and say, 'Gene call him up and tell him that I really care about him and he's not treating me right.' So this song is about a woman being victimized by the one she cares about most."

**Rice** says that he feels that it's a good follow-up to *You're Gonna Get Served* because, "It shows the other side of love. There's a lot of positive things about love and we always look on the positive side, but I'm saying 'hey there's a negative side too — things don't always go the way we want them to, and don't be a victim.'"

The romantic theme is also carried over onto the album's title, **JUST FOR YOU**. **Rice** explains, "The name of the album came about because I wanted and **RCA** wanted to make the album as personal as possible. So whoever picks up the album, whoever takes the album home, we want them to feel, once they've put it on their stereo, like it's just for them."

As for his vision on this project? "I think I've pretty much achieved what I wanted to achieve on this album. I think I have related a few messages that I've felt in my heart. Because if you pick up the album, the whole album is about love — and people falling in and out of love, and that's what love is all about."

**Rice**, who has been performing since the age of 10 (with his family act **The Rices**), feels that his background helped build a strong musical foundation that reflects stability in his current career.

He feels that music has also been the foundation that has gotten him past the tough times throughout his career. "Music is what I always lean on when things are down for me. Music has brought me through a lot, because that's what I enjoy doing. Music is like a meditation for me somewhat...Whatever I've been through and whatever lies ahead, I know music will take me through it."

BY CATHY DOWN

ARTIST: PHIL PERRY

**TITLE:** Amazing Love  
**LP:** THE HEART OF THE MAN  
**PRODUCED BY:** Barry J. Eastmond  
**LABEL:** Capitol

"Music transcends all language. If you feel that there's passion in what you do, people will feel it — and that's kind of my prerequisite. See, it's very difficult for me to perform a lot of these songs because I've lived these songs, these aren't just little coy phrases and clichés put to music that I think sound good or that I think might sell records, these are stories that I've lived, these are words that I've said, these are moments that I've shared," states Capitol recording artist **Phil Perry**.

**Perry**, who scored a hit *Urban* track with his first release *Call Me* (peaked at #11), is having great success with his second release, *Amazing Love* (slots at #29 at *Urban Radio* this week). *Amazing Love* is a **Barry J. Eastmond** penned/produced single, but **Perry** (through his interpretation) calls the track his own.

"[Even though I didn't write the track], I think about all the great relationships with different kinds of people that I've had — personal, business, friendship. There are lots of different types of love, and each and every one of those different kinds can be amazing in its own way. So I just kind of drew from my own life experiences."

According to **Perry**, *Amazing Love* was chosen as the second single to reflect his depth. "I guess the decision for *Amazing Love* to be the second single is with the success of *Call Me*, the ballad, they (the label) felt like they wanted to come at 'em with something different to show a little depth on the album, depth in terms of solidifying yourself in the market as more than just a balladeer. A lot of times when people hear three or four ballads in-a-row as singles, they get a sense that that's all that's on the album. We felt that it would be a good idea to show listeners a little diversity early in the game; plus the song is great — it's talking about *Amazing Love*."

**Perry** continues, "People are quite cautious about buying music today, especially buying CDs, because a lot of people get burned when they buy CDs and there's only two or three cuts on it that they really like and the rest is filler. I kind of wanted to dispel that myth about my album early on. *Call Me* was a great song to come out-of-the-box with, but I just think that *Amazing Love* could take me to a different listening audience — a younger-based listening audience and it's also kind of a summer tune."

How does *Amazing Love* (which **Perry** sums up as full of "trust, passion, fire, all the things as a little girl that your mother told you love should be") fit into today's radio marketplace? "I think that there's a niche for it. I think that the tempo and rhythm are interesting enough for strongly commercial-based major wattage FM exposure and I think it's still street enough to appeal to a younger listening mass. And it still has enough melody content to get to people who still love melodies in songs."

**Perry** is currently on tour with labelmate **Dave Koz** through the end of August. Thereafter, he plans to tour/perform in Europe and will go back into the studio to redo five or six tracks in Spanish (to be released to the Spanish speaking radio markets).

ARTIST: PAULA ABDUL

**TITLE:** The Promise Of A New Day  
**LP:** SPELLBOUND  
**PRODUCED BY:** V. Jeffrey Smith & Peter Lord  
**LABEL:** Virgin/Captive

"For me, the most gratifying aspect of my career has been doing exactly what I want to do and getting positive feedback from the audience. The most honest reactions I get come from my fans, and that's what helps me see the big picture of where I want to go with my career," states mega-star/all-round entertainer **Paula Abdul**.

Over the past few years, the L.A.-born performer/choreographer/former L.A. **Laker** girl has seen it all, has been a multi-format gem, and as for her fans — they have backed each endeavor 100%. For years she had been recognized as one of Hollywood's hottest choreographers — setting the pace for the likes of **Janet Jackson**, numerous major motion pictures and events (including the **1990 Academy Awards** telecast). Still **Abdul** wanted more — she wanted a full-fledged all-around career.

**Abdul** elaborates, "When I was growing up, I idolized the stars who could do it all: artists/entertainers like **Gene Kelly**, **Judy Garland** and **Fred Astaire**. To be a star in their era, you had to excel in every area and the all-around talent of those performers is what makes their films and recordings stand the test of time."

So **Abdul** set her target on a recording career — the result was a bulls-eye — in the form of her successful debut effort, *FOREVER YOUR GIRL*. Her debut release yielded worldwide sales past the 10 million mark, earned **Abdul** a **Grammy**, two **American Music Awards**, two consecutive **People's Choice Awards**, two consecutive **Emmy Awards**, four **MTV Awards** and scored four #1 singles. And to hold fans over until her second album was finished, **Abdul** released a dance-remix album.

How do you top this kind of initial success? Simple. Repeat the process and add in a few twists: Release another album (*SPELLBOUND*); launch your own label (**Captive Records**); choose a new approach to music videos (solidifying her all-around entertainer philosophy — the video for her lead-off release *Rush, Rush* was a take-off on the **James Dean** classic "*Rebel Without A Cause*" and featured actor **Keanu Reeves** in the clip); have the first single, *Rush, Rush*, climb to the top of the *Hit* and *A/C* charts; and team up with the critically acclaimed Brooklyn, New York based rock/funk group **The Family Stand** — five simple ingredients that spell the word s-u-c-c-e-s-s!

**Abdul** says that working on *SPELLBOUND* was a gratifying experience. "I was able to work on *SPELLBOUND* with the relative luxury of not having a set deadline; there was time to develop a strong rapport with my collaborators and I wanted to be totally involved with this album from a creative standpoint. I looked upon it as a wonderful opportunity to grow as an artist and explore new musical directions."

One such direction was **Abdul** co-writing eight songs with **The Family Stand** (including *Rush, Rush* and her latest single, *The Promise Of A New Day*). **Abdul**'s second release is currently soaring up the charts — this week it debuts at #26 at *A/C Radio* with a 125% *Play Increase*; moves up three to #6 at *Hit Radio* with a 30% *Play Increase*, slots at #6 on the *Mainstream* chart and #8 on the *Rhythm/Dance* chart. **Abdul** kicks off her major tour next month.

# INSIDE EDGE

BY JOAN BARNOWSKI

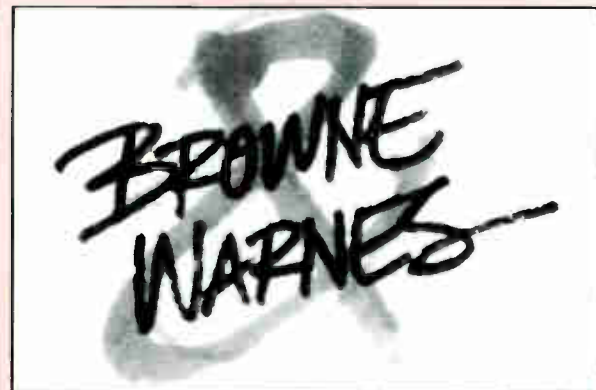

This is only the second time we've seen a record climb this fast up the *A/C* chart in such a short period of time. In only five weeks, "*Everything I Do*" *I Do It For You*" has climbed to the #1 slot. A 36% increase in airplay only tells you it may well remain at #1 for weeks to come. The last time this happened, **Gloria Estefan's** "*Coming Out Of The Dark*" went to #1 in five weeks and stayed there for five weeks.

BRYAN ADAMS "*(Everything I Do) I Do It For You*"

"*Say It With Love*" is the first single release from the 17th album from **The Moody Blues**. The song was written by **Justin Hayward** on a borrowed synthesizer that 20 years ago was considered a happening keyboard. "I was having work done on my music room at home. One day the carpenter said he had a keyboard that his wife would love to see out of the house — and would I like to borrow it. When he brought it in, he said 'Borrow it with love.' I wrote the song on that keyboard that day." "*Say It With Love*" debuts this week at #28, thanks to stations like **WRRM** and **WENS**.

THE MOODY BLUES "*Say It With Love*"

Debuting this week on **MMR's** *A/C Tracer Tracks* chart at #29, with a 700% increase in airplay, as well as being our #3 *Most Upward Moving* record is "*Golden Slumbers*" by **Jackson Browne** and **Jennifer Warnes**. This song can be found on the "*For Our Children*" album which benefits the Pediatric AIDS Foundation. Elizabeth Glaser (wife of actor **Paul Michael Glaser** from "*Starsky & Hutch*" fame), co-founder of **Hope For Children With Aids** feels the need for this support on a first-hand basis. She lost her daughter **Ariel** at age 4 to AIDS, contracted from a blood transfusion. The artwork found on this album was done by **Ariel Glaser**. Other artists who contributed to the album are **Paula Abdul**, **Bruce Springsteen**, **Barbra Streisand**, **Sting**, **Bob Dylan**, **Bette Midler**, **Elton John** and **Pat Benatar**.

## NATIONAL NOTES

The **National Association of Broadcasters** has announced that **BILL CLARK**, President and CEO of Burbank, CA's **Shamrock Broadcasting, Inc.**, has been named the 1991 recipient of the National Radio Award. Clark will be honored for his significant contributions and a lifetime of service to the radio industry at the NAB Radio 1991 convention at San Francisco's Moscone Convention Center September 11-14. (To register for Radio 1991, call 800/342-2460; for more info, dial 202/429-5420). ■ *"Cruisin' America With Cousin Brucie,"* already a joy to hear, will sound even better when affiliated stations will receive the package on compact disc. The first CD version of **CBS Radio's** nationally syndicated three hour oldies dance party will air on stations across the country August 3-4. **FRANK CAMMARATA**, CBS Radio Networks' Director of Music and Entertainment Programming, notes that the classic tracks were transferred from master tapes by the original artists.

## EAST

From the *It Don't Mean a Thing If It Ain't Got That Swing* Department: Washington, D.C.'s **WJZE** (*"Jazzy 100"*) has been presenting a most tasty series of lunchtime jazz shows at Freedom Plaza, which run through September 6. The latest featured Blue Moon Recording Artist Grant Geissman. **WJZE** promises even bigger shows on August 6 and 20; the series is co-sponsored by Geico, the D.C. Department of Recreation and Jazzy 100. ■ Across town at **WLTT**, the prizes keep rolling in as fast as *"94.7 W-Lite Frequent Listeners"* can grab them, including a 1991 Volkswagen Corrado and two \$10,000 shopping sprees. Nearly as enjoyable are all the freebies the station has passed out to the Capital City's many great concert halls: Capital Centre, The Wolf Trap and the Merriweather Post Pavilion. ■ **WKSZ/Philadelphia** took another step toward delivering on its promise to become Philly's *"fun station"* by appointing veteran radio comedian **HILARIE BARSKY** as Creative Director (a new position) at *"Kiss 100."* Barsky will be taking a prominent role in the development of the morning show, as the *"Kiss Comedy Club"* executive producer. Meanwhile, **PAUL MICHAEL TYLER** has been promoted to the position of Acting Program Director at Kiss 100. ■ **WCOD/Hyannis, MA** has been tossing up great contests relating to summer fun. First and foremost, a listener won eight days and seven nights in St. Maarten when songs like the Beach Boys' *"Kokomo"* and Billy Ocean's *"Caribbean Queen"* were played in sequence. Chicago fans won passes to a recent show, complete with limo ride, dinner and a backstage meeting with the band; a similar contest is in progress for the August 9 Air Supply gig.

## MIDWEST

There can't be many stations more excited about this year's 1991 Billboard Radio Awards than **WLTF/Cleveland** (*"Lite Rock 106½"*). **JIM KENNEDY**, WLTF APD/MD has been nominated for *"Music Director of the Year"* in the A/C format, while **TRAPPER JACK**

**ELLIOT** is up for *"Air Personality of the Year."* Other nominees include **DAVE POPOVICH**, *"Program/Operations Director of the Year,"* **CORINNE L. BOMBA** for *"Promotion Director of the Year"* — and **WLTF** itself for *"Station of the Year."* Balloting has already begun; winners will appear in the September 15 issue. ■ A recent episode of TV's *"Geraldo"* show focused on Madonna as the topic without the star actually being present, so it's natural that **WKQX/Chicago** has built a contest around the singer/writer/producer/actress, hoping to get her to call in as she does some filming in the Windy City. The *"Murphy In The Morning Show"* has been diligently working to take her phone call. *"Q101"* has created a *"Madonna Cash Call."* Everyday, an arbitrary amount of money is added to the pot until Madonna calls the station. Says PD **BILL GAMBLE**, *"We hate to resort to bribery, but she seems like a reasonable businesswoman and this may be the only way to get her attention."* An earlier Madonna funfest, Q101's *"Madonna Spank Me Paddle"* promotion, won a 1991 BPME International Gold Medallion Award. ■ One of Detroit and Windsor, Canada's terrific shared treasures is Boblo Island, an amusement park that residents and tourists alike travel to via boat. During the summer months, local bands play on the boat as part of their *"Moonlight Cruise"* series. Now, **WKQI/Detroit's** Morning bunch, led by **DICK PURTAN**, will perform live tonight (July 29) in a benefit for the National Kidney Foundation of Michigan. *"Purtan's People"* will perform a variety of skits and comedic routines based on characters from the popular morning show while The Shindig will provide dance music.

## SOUTH

**KMMX/San Antonio** asked their audience to donate stuffed animals for abused children — and the furry creatures simply poured in. Within three days, over 1,000 animals were dropped off at various Albertson's Food and Drug stores. The beneficiaries of the toys are children who pass through Judge Tom Rickoff's District Court. The idea was the brainchild of Sheriff Deputy Court bailiff Pat Hale (see photo). Elsewhere in their "wonderful deeds" department, **KMMX** has joined with local businesses to raise over \$11,000 for the Battered Women's Shelter of Bexar County with the 4th Annual Run for Independence. Taking part in the 5K run/walk were approximately 450 runners. The shelter helps women and children who are victims of domestic violence. ■ **CHRISTOPHER L. MURRAY** has been named General Sales Manager for Nashville's *Lite FM 92.9*, a division of **South Central Communications**. **KIP ANDERSON** joins *Lite 92.9* to cover the Sunday morning shift, 12M-6AM. Former **WACR/Columbus, MS** announcer **NINA ALLEN** has jumped to the *Lite FM* evening shift, 6PM-12M. ■ There's still plenty of cost-free jazz down St. Petersburg way, as **WHVE** (*"The Wave"*) is presenting shows through the end of September. One of the hottest names in contemporary jazz, **Kim Pensyl**, performed July 27th. Wonderful music from local and national recording artists — as well as brilliant Florida sunsets — are part of the attraction. ■ Not too far away, **WLVE/Miami** (*"Love 94 Jazz"*) put on a *"Destination Daytona"* contest, dishing out a different resort vacation everyday to lucky listeners.

## WEST

In **KFMB/San Diego** news, **GENE KNIGHT** has been named Program/Operations Manager for *"B100 FM."* Knight has been a popular air personality as well as the station's Music Director. ■ On July 12th, **KODJ-FM/Los Angeles** adopted new call letters — **KCBS-FM**. According to **ROD CALARCO**, VP/**CBS-Owned FM Stations**, the change was made for a simple reason: *"The CBS Radio call letters have an enormously strong identity for the Oldies format."* CBS operates perhaps the best known Oldies group in the country, with stations in New York (**WCBS**), Boston (**WODS**), Philadelphia (**WOGL**) and St. Louis (**KLOU**). **KCBS** has been an Oldies station since March 1989. ■ Up in the great Northwest, **KKCW/Portland** Morning air personality **CRAIG WALKER** has inked another multi-year agreement with the station. A 21-year market vet, Walker continues to be one of the top rated air personalities in the Northwest. Additionally, he is the co-host of *"Good Evening,"* a locally produced magazine-style show, airing on Portland's NBC-TV affiliate.

**KMMX/San Antonio** successfully spearheaded a drive to collect over 1,000 stuffed animals for abused children. Pictured with *"106.7FM K-Mix"* personality **BETSY BRITTON** are (l-r) **Ed Maldonado** and **Pat Hale** of the Sheriff's Department and District Judge **Tom Rickoff**.

**CHRISTOPHER L. MURRAY** was recently named General Sales Manager for Nashville's *"Lite FM 92.9,"* a division of **South Central Communications**.
