Television Digest With Consumer Electronics

Television Digest has been keeping leading communications executives informed since 1945 and is published for all those decision-makers—like you—who have a big stake in the ever-changing broadcasting, cable and consumer electronics industries.

Television Digest goes beyond the scope of any other publication by bringing into sharp focus all the conflicting forces at work—broadcast, cable, home video, MDS, DBS, SMATV and others. It provides experienced, authoritative coverage. The Los Angeles Times recently referred to **Television Digest** as “a publication considered the bible of the TV industry.” Tack Nail, covering broadcasting, and Dave Lachenbruch, covering consumer electronics, are known and respected throughout the entire industry.

And each issue of **TVD** provides thorough coverage of government activities—the FCC, Capitol Hill, the White House. **Television Digest** also gives you the latest news on marketing strategies . . . programming ploys . . . personnel shifts . . . and current standings on the volatile revenue and ratings picture.

Television Digest regularly includes a host of industry surveys and statistics that cannot be found anywhere else. And because conventions, professional meetings and trade shows are of such vital importance to the communications industry, **TVD** provides complete pre- and post-meeting coverage of virtually every major professional meeting and trade show, whether in the U.S. or abroad.

Television Digest gives you the information you need, delivered in a fast-paced style and clear format that always respects your busy schedule. **TVD** is designed to be read quickly . . . to help you spend less time gathering information and more time using what you've found.

The weekly executive information service devoted to international satellite communications...

SATELLITE WEEK

Satellite Week is the trusted source for all the fast-breaking news in space technology and communications.

Satellite Week is a weekly briefing of satellite business news presented in a crisp, concise editorial style. It is concerned *entirely* with space technology and communications.

A subscription allows you to keep pace with the latest in satellite communication technologies, learn what other industry leaders are doing that could affect your plans, keep current with changing developments in satellite programming and marketing, be forewarned of domestic and international regulation and deregulation, and follow the mergers, acquisitions and future plans of your competitors.

Wherever international developments occur in the global satcom industry, Satellite Week will enable you to follow them. Whatever the key issues concerning satellites and satellite communications, Satellite Week is your most accurate source of news. For up-to-date coverage, features and interviews, only Satellite Week has the information you need.

For subscription information, call collect: (202) 872-9200.
