The weekly executive information service devoted to international satellite communications...

SATELLITE WEEK

Satellite Week is the trusted source for all the fast-breaking news in space technology and communications.

Satellite Week is a weekly briefing of satellite business news presented in a crisp, concise editorial style. It is concerned *entirely* with space technology and communications.

A subscription allows you to keep pace with the latest in satellite communication technologies, learn what other industry leaders are doing that could affect your plans, keep current with changing developments in satellite programming and marketing, be forewarned of domestic and international regulation and deregulation, and follow the mergers, acquisitions and future plans of your competitors.

Wherever international developments occur in the global satcom industry, **Satellite Week** will enable you to follow them. Whatever the key issues concerning satellites and satellite communications, **Satellite Week** is your most accurate source of news. For up-to-date coverage, features and interviews, only **Satellite Week** has the information you need.

For subscription information, call collect: (202) 872-9200.
