*Open a Savings Account  
in One Minute —  
No Red Tape—No Delay*

You can open a savings account and be on your way in one minute at this old bank. Come straight to Desk 40—you'll see it first thing you step into the bank—25 feet from the main entrance.

Hand one dollar or more to the man in charge and say "savings."

That is all. He will give you a card to sign, then a pass book with your deposit duly recorded. No delay. No red tape. No formalities.

*"A Dollar and a Minute  
Opens a Savings Account"*
