

Come share the wonder of Opryland '81!

The music of America comes alive in our tenth anniversary season!

A visit to Music City U.S.A. just isn't complete without a day at Opryland U.S.A.—it's all the wonder of a great nation exploring its history in harmony, kicking up its heels and dancing for joy. And this year America's only musical theme park celebrates its tenth anniversary!

Opryland, located just outside the Grand Ole Opry House, is music—and lots of it! Hear more than 350 of America's finest young performers and professional entertainers in up to 14 fully-staged musical productions presented continuously all day long. There's a show for every musical

taste: Bluegrass, pop, jazz, Broadway show tunes, gospel and more.

Opryland is also rides, from a gentle Tin Lizzie to the brand new Grizzly River Rampage—a hair-raising, free-floating rafting adventure down some of the fiercest water this side of the Great Smoky Mountains! (Scheduled to open Spring, 1981) There are 20 mild-to-wild rides to choose from with something to please everyone in the family.

And in between shows and rides there are dozens of interesting little shops, craft displays and enticing restaurants to find anything from a snack to a complete meal. A special treat Monday through Thursday during the summer is the "Opry Star Showcase"

where country music stars like Barbara Mandrell, Roy Acuff, Marty Robbins and many others appear in the Opry House for hour-long concerts.

So come share the wonder that has been thrilling visitors for 10 years—Opryland U.S.A.!
