AM & FM APPLICATIONS

By States & Cities

Part IV — Applications for AM & FM Facilities, by States

Pending as of January 1, 1952

Applications are for new stations and changes in frequency, power or hours of operation of existing stations. Underlinings indicate facilities requested. See Part I for addresses of existing stations. FCC File Number under call letters may be used as reference in consulting complete station file in FCC Broadcast License Section.

Block (■) indicates FCC has issued proposed decision to grant, but final decision is still pending. Section mark (§) indicates FCC has issued proposed decision to deny, but final decision is still pending. See front cover for meanings of other symbols.
